

# FOREST VIEW HIGH SCHOOL

TE KURA O TE WAO NUI A TANE

Kia Kaha! Kia Toa! Kia Manawanui! – Courage Knows No Defeat

28 February 2020

**FVHS VALUES: Whanaungatanga; Innovation; Strong Resilience; Excellence**

Kia ora koutou, Kia orana, Bula vinaka, Talofa lava, Mālō e lelei, Warmest greetings to you all!

A very warm welcome to all of our Year 9 students and our new students from other year levels throughout our school. We are delighted you and your families have made the decision to join us on this amazing adventure. To our returning students we are very happy to see you have returned safe and well after enjoying your summer break.

**NEW STAFF & STUDENTS POWHIRI**

This year we have a number of new staff we have formally welcomed to our school in our recent Powhiri. This was a lovely day and we are very grateful some of you were able to join us. For the first time we held our powhiri outside. We welcomed in the following new staff:

Jason Jowett – Senior Leader for Year 11, 12 and 13 students.

Ngaire Taikato – Senior Leader for Year 9 and 10 students.

Julie Teao – Wellness Liaison Teacher (Guidance area of our school)

Chris Teague – Curriculum Leader of Science

Natasha Stanton – Science and Biology Teacher

Elise Tilsley – Science and Chemistry Teacher

Naomi Joyce – PE, Health and Science Teacher

Frank Tasi – Maths and PE/Health Teacher

Abel Brown – Cook Island Maori Teacher

Linda Martin – Business Manager

We are delighted to welcome these new staff to our Forest View High School whanau and we look forward to working with you this year and in future years.

**New Staff - Left: Mr Chris Teague - Front left: Mrs Julie Teao – Mrs Naomi Joyce - Mrs Ngaire Taikato - Miss Elise Tilsley - Miss Natasha Stanton Back left: Mr Jason Jowett - Mr Apera Brown – Mr Frank Tasi – Mr Kotiau Joseph - Absent: Mrs Linda Martin**

## SCHOOL PAINTING:

If you have been in to school lately you will have seen we are making progress with the painting but it is still ongoing. Please be assured we are working closely with the painting company to ensure a quality finish in a timely manner. Once the painting is complete the outside of the school will start to take shape. At times we will need to block off certain areas and students will be asked to use alternative entries/exits. The painting team are aiming to complete the job by the end of March.

If you would like to make an appointment to see the Arataki teacher please contact Student Services or feel free to email the teacher. All email address are available on page 2 and you are always welcome to contact teachers directly.

If you have any concerns about your child's learning which requires extra support please contact our SENCO – Rauhina Tipuna at [rtipuna@fvhs.school.nz](mailto:rtipuna@fvhs.school.nz), you are also welcome to make appointments to come in and see her.

Please note that school starts at 9.00 a.m. each day and finishes at 3.00 p.m. and we operate the same timetable each week.

### **CURRICULUM / TIMETABLE / DAILY STRUCTURE:**

This year we have had a number of changes to our daily structure which includes our tutor time 3 times a week. This is going to be renamed Arataki which means to guide/mentor. During these sessions' students will work in either lake groups, smaller Arataki groups or as a year level. This time is used as teaching and learning time and will be important to overall student success.

During the last week we have used this time for all lakes to build lake spirit through the learning of our school haka and school waiata and eventual competition. The competition was a beautiful display of our school spirit and the pride each lake has as well as overall unity of our students. As a staff we were very proud of our students and staff members for taking part in such a wonderful moving event. As a staff this was us also demonstrating that we are learning alongside our students and we are not experts in all things.

On Wednesday we are going to be running Long Learning times from after our Arataki session. This is going to be renamed Akoranga which means learning programme/lesson/educational course.

Staff have been busily putting together plans for the courses they will be running, students will make their choices this week and we will begin Akoranga sessions on the 4th of March. The Wednesday slots until that time will be taken up with Athletics this week and visits to Lakes the following week.

We have aimed to employ new staff members this year to run as many of our classes as face to face classes this year including Calculus and Physics but students also have the opportunity to be able take classes from Volcanics if they would like to take a subject we cannot staff. Volcanics is where a teacher from another school around the country teaches a subject and schools who cannot staff that subject or there are timetable clashes allow their students to take part in these courses.

Students should by now have sorted out any timetable issues they are having and be attending all classes on their timetables. If you have any concerns about timetables etc the first port of call will be your child's Arataki teacher these are Lake based.

### **UNIFORM:**

This year we have introduced a new uniform for our school and we have been flat out selling it.

There are currently some items on back order and we are filling the orders as quickly as we can.

Denise Brooks is running our uniform shop which is located just before Student Services. Students in the administration block.

Year 10 to 13 may continue to wear the uniforms they had last year with the exception of the jacket.

All students this year who wish to wear a jacket to school must wear the new school jacket. There is also a knitted jersey and vest available – these are a unisex item. Students can wear any combination of the uniform items with plain black socks and shoes or plain black sandals.

Please note that if students have classes in the workshop (Wood, Metal and Food Technology) and wear sandals to school they will need to bring covered shoes to wear in those classes.

We thank you for your patience with our uniform supply issues. Our students certainly look very smart in their new uniforms, thank you for your support.

### **LIBRARY RENOVATION:**

During the summer break we have renovated our library space. It is starting to look really good as we put it all back together. We are beginning the process of moving the books onto the new shelves and eagerly await our new furniture to arrive. We are delighted to announce we were fortunate to be granted \$78,768.26 from Grassroots Trust to support the purchase of our new furniture. Once we have this in place we will have an official opening for our new space and invite you all to come in and look around. The Library is an important space for us and is well used for a number of events throughout the year.

## **TAKING PRIDE:**

This year one of the key messages I will be speaking with our students about will be Taking Pride.

We would like our students to be proud of themselves when they set goals and achieve them or do everything possible to aim to achieve them even if they fall short, proud of their heritage and family connections, proud to be students of Forest View High School and proud even when they fail because at least they took a leap of faith and tried something new.

A simple way students can begin this work is by wearing their uniform correctly and proudly receiving awards acknowledging their successes. Our Haka and Waiata competition last Friday was a real demonstration of taking pride in your lake. Those that did not take part in this event missed a special moment for our school.

As we settle into the 2020 school year we look forward to all it will bring us and wish many blessings on our school families this year. As always if there is something we can help you with please contact us.

Ngā mihi nui

Jocelyn Hale

**Principal / Tumuaki**

Our Extended Leadership Team –

Front: Deputy Principal: Mrs Kathy McGovern,  
Principal: Mrs Jocelyn Hale.

Back: Senior Leader Years 11 - 13: Mr Jason Jowett,  
Senior Leader Years 9 - 10: Whaea Ngaire Taikato,  
Deputy Principal: Mr Aaron Mutua.

## **EMAIL ADDRESSES:**

If you are still receiving school correspondence by post and have an email address, please contact us so that we can send the newsletter and any other correspondence by email.

This means you will get the information much sooner.

Sally Cribb

**Principals PA**

## **STUDENT SERVICES INFORMATION:**

### **Blanket Consent Form:**

Can we have the Blanket Consent form returned to Student Services please. The blanket consent form was sent out over the holiday period by post, however, if it has been misplaced, please have your child pick up a spare copy to be signed and brought back to Student Services as soon as possible.

### **Update of Personal Details:**

If your child has had a change of address or any other contact details or information, please contact Student Services on the details below or a written note with the correct details is acceptable. Thank you.

### **School Absence:**

If your child is away from school, please leave a detailed message on the following options:

Phone: 07 8865219 - Option 2 to leave a message.

Email: [attendance@fvhs.school.nz](mailto:attendance@fvhs.school.nz)

Txt: 022 0880 180

If your child is away sick for three or more consecutive days, we do require a medical certificate

Rachel Bennion

**Student Services**

### **UNIFORM SHOP HOURS:**

Hours for buying school uniform are 8.30 a.m. – 9.30 a.m. Mon – Fri. Outside these hours please see Mrs McGovern.

Denise Brooks

**Uniform Shop Manager**

### **PARENT / STUDENT / ARATAKI CONFERENCES:**

These are being held on Monday 6th of April - 8:30 a.m. to 6.00 p.m. Students will only attend school for their conference slot on this day. These will last for between 20 to 30 minutes. Students must attend in full school uniform and only come in for their conference.

Parents may book their own conferences by going to [www.schoolinterviews.co.nz](http://www.schoolinterviews.co.nz) and enter the event code [5dy7x](#) and follow the prompts.

### **YEAR 13 CAMP:**

Year 13 camp was a great way to start the year for those able to attend, FVHS once again worked in association with POET (Perry Outdoor Education Trust) to organise an exciting and positive experience for our student's destination, the beautiful Pouakani Marae,

Mangakino.

After our Powhiri, students settled quickly to work, putting thought in to what they could contribute as the senior students Forest View High School items up for discussion ranged from School Ball to Fundraising to mentoring our Junior Students, our VIP dinner and many more.

Next the Amazing Race with clues to solve and challenges to overcome, a fantastic opportunity to have fun while learning to work with each other. The evening was spent debating, talking, laughing and singing.

Day two started with a session of problem solving and more thought into what students hoped to gain from the year. In the afternoon we held a unique event -

"The Good Taniwha" which involved teamwork to complete a construction challenge, baking, rafting, mountain biking and a trek.

Afterwards students worked as a team to host our VIP dinner for staff and

friends of FVHS

Our year 13's welcomed, cooked and cared for our guests during their time with us.

**POUAKANI MARAE MANGAKINO -  
YEAR 13 CAMP**

After dinner we had the pleasure of listening to Dave Williams who as well as being one of our POET facilitators is an adventurer who has the goal of being the first in the world to summit the highest mountain on all seven continents starting from sea level, at this stage he has completed four. His talk was amazing and engaging for our students.

Day three was summing up time with students completing a scavenger hunt and then preparing a story around the items to reflect the learning from camp then enjoying some time together at the Lake front.

Kathy McGovern  
**Deputy Principal**

### **YEAR 9 MARAE TRIP:**

It was with great excitement that the Year 9 students boarded their buses and departed for Mokai Marae on Thursday 20th February. The main objective for staff was to get to know the students, in and out of a school setting, and for the students to get to know their peers.

Matua Robert and Whaea Poihaere met us at the Marae to support us with the Powhiri. After our morning tea Matua Nigel Te Hiko delivered an in-depth history of the Marae and the development of the geothermal station. the hothouse business, farming, sustainability initiatives and the development of the Miraka Factory.

The team building games commenced after lunch with tug of war, 3-legged racing and relays and prep began for my birthday concert. Time was made available for relaxing with cards, chess, draughts, connect 4 and sketching of kowhaiwhai patterns.

I would like to thank the Year 9 students for their patience, enthusiasm and for a wonderful concert. On behalf of the students I would like to extend a huge thanks to Joss Hale, Sally Cribb and their team of senior students for catering a delicious dinner and shopping for our kai.

Thanks to the staff who supported, especially to Mr Joseph, Mr Brown and Whaea Rau who were by my side for the entire trip.

Nga Mihi

Ngairi Taikato

**Senior Leader Years 9 - 10**

## **CELEBRATING NCEA SUCCESS:**

It is with great pride that we share with our Forest View community our high achievers from 2019. To every student who worked alongside their Teachers to gain their NCEA certificate, we congratulate you all on your attainment of your qualification.

To the students who persevered towards an excellence or merit endorsement in either a subject or overall certificate, we recognize the high expectation and hard work each of you have applied to your work ethic and congratulate you all on this fine achievement.

These students were recognized at our recent NCEA Achievement dinner evening.

### **Subject Endorsements**

To gain a subject endorsement a student needs to achieve 14 credits at Merit or Excellence Level, of those 14 credits, at least 3 credits should come from an external.

#### ***Level 1 Subject with Merit***

Briar Gash High Performance Sport with Merit

Leah Robinson High Performance Sport with Merit

## **PORINETIA FA'ATASI SOUTH ISLAND & GOLD COAST TOUR:**

On the 30<sup>th</sup> of November 2019 a group of 31 students, parents and staff started our Performing Arts tour of the South Island and the Gold Coast performing our show called 'Maui of NMofoali'. We travelled by train from Hamilton to Wellington and stayed the weekend in Porirua, performing for the community there.

**OUR TALENTED PORINETIA FA'ATASI**

Our trip across Cook Strait was comfortable with the students taking the opportunity to perform for travellers from all around the world, some traveling as far as Israel, Germany and the Isle of Man.

Some of the places we stayed in, performed at and visited were:

Ashburton, Christchurch, Al Noor Mosque, New Brighton Pier, Dunedin, the former home of NZ band SIX60, Baldwin Street (now the second steepest street

**FUN AT SEAWORLD**

in NZ). Invercargill, Bluff, Sydney, Brisbane, Gold Coast, Sea World, Movie World, Wet n Wild, Dream World,

**SNORKLING WITH MISS PAITI**

South Bank lagoon in Brisbane city. We were spoilt on this tour by our hosts at each of our stays and by the many people with connections to Tokoroa.

We spent many hours on the bus travelling through the South Island and admiring the beauty of our country. Sometimes we appreciated the prices for things in Tokoroa when we came upon small rural town shops hahaha who closed early and whose prices were expensive.

Just before Kaikoura we stopped at a little caravan called Nins Bin for some crayfish and performed for the owner who gave us some freebies and two rubbish bags full of paua shells to use for our new set of costumes. While we were at Sea World on the Gold Coast, Miss Paiti and some of our students got to go snorkelling with stingrays and turtles. Our sincere thanks go to our parents, families and friends who supported us with our fundraising throughout the year. Thank you also to the staff, parents and supporters who work tirelessly in the background for our group, your work is very much appreciated by us all.

To all the students who came on the tour, the parents and staff, thank you for a wonderful and memorable trip taking your talents and sharing them with people we were fortunate to meet.

### MEITAKI MA'ATA:

Practice for 2020 are held on Wednesday evenings from 6pm – 9pm in the Music room. All are welcome.

**PORINETIA FA'ATASI BLESSINGS BEFORE THEIR TOUR**

### SENIOR BALL:

This year our school Senior Ball will be held on Saturday 4th April in the school auditorium. The theme is **'Enchanted Forest'**. Ticket prices will be advertised to students by the end of the week.

We have a Quiz Night fundraising event towards our Senior Ball on Saturday 14th March, 7.00 p.m. at the Tokoroa Club. At \$10 pp, we invite families and friends to organise teams of four or five to support this venture.

Mr A. Mutua

**Deputy Principal & Teacher in Charge – Ball**

### SCHOOL CLASS / ID / PHOTOS – DATE CHANGE:

Due to a large number of our students being out on school activities on Tuesday 3rd March we have moved photos to a later date. School photos will now be held on Friday 20th March. Students please keep an eye on the daily morning notices for your take photo times.

Unfortunately, time was not on our side to accommodate for everyone. Our selection of dates was very limited and this was the date that suited the majority of the school.

### COMING EVENTS:

Tues-Fri	10-13 Mar	Year 9 Camp
Tues	10 Mar	Athletic Zones
Sat	14 Mar	Ball Committee Quiz Night
Mon	16 Mar	Teacher Only Day
Wed	18 Mar	Wai-BOP SS Athletic Champs
Fri	20 Mar	School Class / ID Photos
Mon	23 Mar	Maori Whanau Hui
Tues	31 Mar	Next Newsletter
Mon	6 Apr	Parent / Student / Arataki Conferences

### MORE SCHOOL PICS FROM THE YEAR SO FAR:

**ATHLETICS 2020**

**YEAR 9 MARAE TRIP - WAITING FOR DINNER**

**MORE SCHOOL PICS FROM THE YEAR CONTINUED:**

2020**

## **FOREST VIEW HIGH SCHOOL ATHLETICS RECORDS:**

A trip down memory lane. You will spot some Black Ferns, Olympians, World Champions, All Blacks and even our new All Blacks coach records still hold today. Congratulations to all these record holders who are part of our school's history. Well done to current student Jozyius Tunupopo (highlighted below in yellow) who broke the record for Senior boys Javelin held since 1998 by past student Ray Everest.
