

FOREST VIEW HIGH SCHOOL

187

THE SCHOOL  
WISHES TO THANK  
THE SPONSORS  
WITHOUT WHOSE  
HELP IT WOULD  
NOT HAVE BEEN  
POSSIBLE TO  
PRODUCE THIS  
MAGAZINE, AND  
HOPES THAT  
READERS OF THE  
MAGAZINE WILL  
SUPPORT THE  
SPONSORS.

# EDITORIAL

I take this opportunity to thank all the people who were involved in the production of this magazine.

Producing a publication is a very expensive undertaking and Ms Morris put in many hours and good efforts selling advertising and I thank these advertisers for their contributions. The

Pupil Council gave funds from Work Day so all pupils who were involved in Work Day played a part in the effort of meeting the costs. Pupils who paid school fees also made a contribution.

The Magazine Committee put in many hours coming up with ideas for content, interviewing people, nagging coaches, writing articles, proof reading and other activities.

Other people also played a big part. Mrs Schwed provided artwork, Helvetia Spirig

assisted with the cover, Mrs Rice proofread for hours, Mr Thain provided much material and Mrs Thain looked after the finances.

CHRIS RICE

## • Magazine Committee

## STAFF NOTES

It has been a year of great change for the stalwart staff of Forest View. Sadly, we farewelled Mrs D. Ayers (to view further trees for the Forest Research Institute), Mr J. Worts (to bask and reflect in the Nelson sunshine), and

Mrs J. Tatana. Mr R. Blucher moved north to Dargaville High School as H.O.D. Maths, while Mr B. Blucher accepted a P.R. in Biology at a similar educational establishment a few miles up State Highway One. Mrs C. Yukich has been temporarily diverted by domestic duties. We no longer see the familiar faces of Mrs Van der Beek in the library, but we welcome Mrs J. Stephenson.

Miss B. Harris joined us in March, followed by Mr P. Edwards from the deep south, Miss C. Mears and Mrs V. Rothwell. We have appreciated Mr S. Pilott's expertise in Maths as well as at the Senior Ball. Mr G. Leckie has ably

supervised the Forest Skills and, after surviving the marathon 30 hour flight from the U.K. we were pleased to see Mr N. and Mrs S. Crawford.

Mrs J. Cuttriss is working with the office staff, and we look forward to the arrival of Mr M. Whaterau, our new Maori Language and P.E. teacher from Waitakere College.

We have enjoyed a number of happy events with the safe arrival of babies Tucker and Dowdle. Mrs A. David reached the ultimate in her study of le Francais and diplomatic relations between France and New Zealand.

Some staff have changed positions within the school — what a versatile lot we are — with Mrs R. McAlonan teaching Science full time, and Mrs J. Slade appointed to the position of Guidance Counsellor.

Our school would not operate without the relieving and part-time staff. Many thanks to Mr D. Seddon, Mrs M. Birks, Mrs P. Seymour, Mrs F. Tucker, Mrs S. Griffiths, Mrs C. Haugh, Mrs M. Zwann. Special thanks also to Mrs B.

MacDonald, Mr D. Seddon and Mrs M. Glass who coped with the classes of Mrs Scherer, Mr Wolfe and Mrs Williamson while they were jaunting on the other side of the world. Mrs Williamson kept the Kiwis in line at the World Netball Championships, while Mr Wolfe was "home" for the first time in 30 years.

There have been many highlights for the staff this year. Remember the Sixth Form trip to Auckland when considerable facial damage was sustained, not to mention to a certain Sixth Former's chin.

However, the special jack-of-all-trades award must certainly go to the lady who was recently seen leaping the boundary fence to attend to spring-time duties — delivering lambs instead of teaching.

1987 has been a good year, but 1988 promises to be even better. Watch out for the sylph-like figures of those dedicated to micro-diet and, people, beware of the energy generated by K28!

B.E. SCHERER

# OBITUARY

## ANDREW CRAIG IRELAND

Andrew left Forest View High School  
after he had completed his 6th form year

in 1985. Andrew was a quiet member of  
the school who enjoyed the outdoor life –  
fishing and cycling were particular  
interests he enjoyed. Andrew left school

to take up an apprenticeship with  
Marshall and Harnett, and it was while he  
was cycling home from work that the  
accident happened.

# THE PUPIL COUNCIL

**Back row** • R. Bloch • M. Lupe • S. Williamson • S. Nelmes • P. Faulkner • S. Duley • B. Faumui. **Middle row** • B. Pearson • C. Derham • M. Faulkner • R. Emerson • G. Preece • W. Bryers. **Front row** • Mr MacDonald • J. Risbridge • N. Manu • Mr Thain • B. Lowe • M. Stulepa • Mrs Scherer.

The 1987 Pupil Council was chaired by

Nooroa Manu and Brenda Lowe. Secretary and

Treasurer were Jo-Ann Risbridge and Gerard

Dobbyn.

The Council consisted of representatives from each form class and Executive Councillors. We had the following committees which dealt with the ideas that students put to the Council: Grounds/Environment and Discipline, Minibus, Social and Workday. During the year we added two more committees: Finance and Lockers.

Council decided to spend Workday funds on a computer and lockers, gave financial support towards the production of the school magazine, put money aside for a new minibus and tools for workday. Gayleen Preece (Chairman of Workday Committee) took on the mammoth task of organising this day, being ably assisted by her

committee members and teacher in charge Mrs Mennink.

Rachael Emerson (Chairman of Grounds/Environment/Discipline Committee) and Co. had a lot of work to do at the beginning of the year. Survey after survey! Congratulations on the new toilet roll holders! And getting the sixth and seventh form girls' winter skirts changed. Can't forget the letter you sent to the Department of Education informing them of the need to reseal our netball/tennis courts. Although your workload decreased towards the end of the year you always had an input at our meetings.

The Social Committee played a very important part in organising this year's senior ball, which was a credit to them. Well done Matt, Mereana and Co. One more question: are we going to have a combined social?

It's nearly Christmas and we are still waiting for an up-to-date minibus account statement. We are informed that this is not Pieter Faulkner's fault nor due to his inefficiency (ha, ha, ha! — didn't think this was going to be printed did you?). The survey sheet that you sent out; better late than never!

This year's Council was very successful in communicating with Tokoroa High School

Student Council. A combined Council meeting, held at THS on Te Whanau A Noa proved to be very interesting. Both Councils operate quite differently and we learnt a lot. Preparations are underway for another meeting to be held there.

Simon Williamson and Gayleen Preece represented the Council on the Home and School Association.

Hopefully next year the junior members will have more of an input at meetings. But you are not to blame, as often we seniors can be negative, blunt and rather off putting. Anyway, remember you are the new generation and it is up to you to keep the Council "alive". Thank you to all members who attended meetings on a regular basis you know who you are!

A very big thanks to Mrs Sommerville, Mrs Mennink and Mrs Scherer who gave us direction and often told us a few things we as pupils sometimes forget. We leave you with this thought: "Life is like a bucket, the more you pour into it, the more you get out of it."

J. RISBRIDGE.

# THE MULTI-CULTURAL EVENING

On August 19, 1987 Forest View High School hosted its very first Multi-Cultural Evening, and what an evening it was!! The school auditorium was packed out with well over 350 people seated and standing.

The evening began with two very nervous MCs, Mereana Faulkner and Kelly Morris, welcoming everyone and thanking Mr Dale for the hard work and dedication he put into the evening.

The Maori Culture Group was the first item of the evening and proved very popular with the audience with their eye catching costumes and first class performance.

The key word to this evening was MULTI and that it certainly was. We had can-can girls, magicians, Egyptians, musicians and tap dancers — you name it, we had it.

It is amazing how little we know about the talents of our fellow blue school mates until an event like this reveals all! In more ways than one the talents of our teaching staff were definitely **revealed** to us! Their singing left much to be desired and their attire was definitely, shall we say, NON-REGULATION! but they certainly did not lack originality. Where Mrs Priscott acquired her naughty knickers is probably better left unsaid!

The surprise of the evening had to be Mr Thain, our wise and noble headmaster, marching onto the stage in a Scottish kilt complete with a bagpipe accompaniment. In many a mischievous mind lurked the question, "What does a Scotsman really wear under his kilt?" But who would dare to ask?

I think it would be accurate to say that there were very few people who did not enjoy the Multi-Cultural Evening and I sincerely hope that 1987's was the first of many to come. It has been triumphantly proven that the pupils of Forest View High School have tremendous amounts of talent and what better way to show them than by having an evening such as this.

As long as talented, enthusiastic and courageous pupils attend Forest View, there will be no holding us back!!

KELLY MORRIS

## MAORI CULTURE GROUP

1987 has seen a revival of the Forest View High Maori Culture Group. Every year a Maori culture group is set up and its success depends on the pupils' input.

Because of a break of Maori culture activities within our school, this year's group has had to build the foundations for a more positive involvement of Maori culture in our school.

The group practised regularly on Monday nights in the School's auditorium, and were tutored by Steven Wilson and Vanessa Hamana. The group would like to pay a very special thanks to these two special people. On many occasions, numbers for practices were low and we weren't giving it enough... Steven said not enough "kaha", Vanessa would say "oomph". Our tutor allowed the group to be open and we always discussed how we thought practices were going and if we had any moans or groans we could air them freely.

Steven and Vanessa never gave up on us, and were a driving force to promote Maori language and culture. Most importantly practices were always a learning experience concerning discipline and getting on with others among other things.

To Mr Dale, a very big thank you for your encouragement throughout the year. We need more people like you within our school! You are truly valued.

Perhaps next year, more students will join. It is up to us to keep Maori culture continuing year after year.

Thanks must also go to Nga Numanga for being the "musical inspiration" and also to Ata Papa.

# THE POLYNESIAN CLUB

TALOFA!  
KIA ORANA!  
KIA ORA!  
MALO LELEI!  
GREETINGS!

This year has brought together a magnificent mixture of cultures which has inspired each and every member of the group.

At the beginning of the year, the group had some difficulty in aspects of learning and communicating but was once again brought together in supporting one of their friends, Lorna Pakuru, when tragedy struck the family. The club sang a Maori song and some members uplifted everyone by saying a few comforting words.

The Pakuru family showed their thanks and appreciation by supplying us with a great, massive and delicious Island feast which I thoroughly enjoyed!

We began to start practices knowing the club was going to perform for our School's Cultural Evening which was going to be held on the last

week of Term II. Although we had a small attendance (due to exams), we settled easily and had no other problems. At one lunch hour the Tokoroa High School Boys drumming group came to play while our girls moved their hips to each dramatic beat; lots of people came to watch us that lunchtime.

The night of the Cultural Evening was terrific! The club started off their performance with a Maori Anthem and then the famous Hawaiian dance of "Waikiki." The Maori anthem was sung by three girls of the junior school; Browning Tau, Rosemary Tau and Stacey Tetavano. Our music wouldn't have sounded realistic without the help of our two guitarists, Daniel and Gayleen Martin. Thanks Guys!

The Club has been great and each individual has learnt more about each other's culture. The Cultural Evening was a success — this was shown by the great applause we gained. We are looking forward to seeing and meeting new members for 1988 and hopefully having another successful year of dancing, singing and being happy. So all you islanders and — those who aren't — JOIN! GET OUR CULTURES BACK IN — Be proud.

Finally the Polynesian Club could not have continued and succeeded without the screaming and pushing of our two great organisers — Mrs

Raewyn McAlonan and Mrs Anna Sefo who got on very well with all of us. Thanks again! I suppose someone else needs thanks, for being remarkable, terrific and enthusiastically super — who else but ... ME!!

# THE SIXTH FORM TRIP

On Monday 13 April, 100 eager, enthusiastic, excited, ecstatic sixth formers all set out in two buses, one mini-bus and Mr Derham's van all heading for the Big Smoke — Auckland. All "Da Boys" grabbed the mini-bus in possession of the only tape recorder available, so those on the other buses had three choices

- (i) twiddle your thumbs
- (ii) listen to your walkman
- (iii) sing (shock, horror)

We had Kelly "next stop Broadway" Morris on our bus so there were no points for what songs we sang, choices ranged from the Muppet Show Theme to Twist and Shout. Not everyone joined in on the sing-a-long. They had other things on their minds — didn't we Jason and Diana? Have you two ever thought of going into advertising? I hear superglue needs someone.

The moment we hit Auckland, the fun started. First off to McDonalds, and then we went visiting places of career interest. Moments later we were settling in at Eastern Beach Christian Camp and quickly became aware of the brick wall separating the boys' and girls' dorms. Little more than five minutes into settling down, the first pillow fight came. Everyone beating on everyone else; egged on by the constant blaring of 'Lean On Me'.

Over the next few days all the Sixth Form hit the Auckland streets visiting for example Metro magazine, the Hyatt Kingsgate, various banks, Kiwi Packaging, the Post Office and for some, one of the more memorable visits the Breweries.

All these places were interesting and

informative but they couldn't compete with the fun we had at places like 10 pin bowling, (where someone forgot to give his bowling shoes back), Ice Skating, (Hugh "look at me I can skate" Derham took a nosedive and was rushed to hospital. And who was Stuart 'Stud' Nelmes skating with all night?), Footrot Flats (great except for the people who were intent on smashing up the toy cars) and Kelly Tarlton's Underwater World (really good).

All of these places were excellent, but I think the unanimous decision on the favourite place to be was McDonalds where we met a paralytic drunk who tried to push start the bus, a male

stripper (in tuxedo) and a group of punks with a bad taste in hairdressers.

A few of us will remember the bus ride with Bronwyn 'I know the way' Pearson who got 30 people on the wrong bus making us late to catch the ferry. Anyway, did anyone find out where Tricia Wairua and Charmaine Smith were when they supposedly got lost? The food at the camp was superb and so was the hospitality. Thanks to the camp staff for putting up with us.

On Tuesday night talents never previously seen, never previously known, never previously heard were displayed with such such .....? That's right, "the skits". We certainly had a wide

**"Auto Access is everything a  
bank account should be  
- but only BNZ has  
got it."**

AutoAccess has been one of the most successful new bank accounts introduced to New Zealand in many years.

The reason for its success is the amount of work we put into ensuring that this was exactly the kind of account people were looking for in the 80's.

\* Competitive interest rates.

- \* Autocard for use in AutoBank machines nationwide.
  - \* Signature panel for cash withdrawals from any BNZ branch.
  - \* Records book for a complete update on your savings.
  - \* All in a free black wallet.
- Call into your nearest branch of BNZ for AutoAccess — everything a new bank account should be.

range of acts from Rock 'n Roll to Sesame Street, disappearing acts to feeding baby, sexual positions to magic shows. "Da Boys" triumphed once again with their Magic Show which also proved to be very successful at the Multi-Cultural Evening. Brenda, Sophia and Co came in second place with Rubber Ducky (those shower caps looked great) and finally third (very lucky) those Rock 'n Roll guys and gals who turned people's stomachs upside down with their song "The Leader of the Pack". A few guys looked pretty embarrassed as Kay put a few of those Big Boys to shame.

The teachers showed us what they were really like when they were lads. Mr Tucker, you sexy thing, you must tell me where you got that lipstick from.

The last place we visited was the airport. The visit was really interesting. It was just so unfortunate that we couldn't keep our eyes and ears open for that. Loud snoring could be heard throughout the airport. Humblest apologies to the airport staff.

Finally on the bus not a sound could be heard except for a few murmurs here and there. All of us drunk with fatigue, lacking the endless amount of energy we had begun our journey with. Some of us didn't care where we slept; even the aisles felt comfortable — just ask Owen.

But then we saw something in the faint distance emerging from the depths of pine trees and a rubbish dump billboard, yes ..... was it ..... could it be ..... that sign — Tokoroa at last!

Once again, 'Lean on Me' was blasted through the streets of Tokoroa all the way up to good ol' FVHS.

Special thanks goes to everyone (even the teachers) for the excellent team effort on yet another sixth form trip.

# FORM SEVEN: Some Highlights

• Craig Mulgrew

• Christin Evans

## EXAM RACE

This was between Richard, Brendon, Simon, Mark and Pieter. They competed against each other in the unconventional way of whoever got the least number of marks in the exams was the 'winner'. It ended with Mark paying the price of winning and having to shout the rest.

## THE PERM

Mark was also the butt of many jokes when he got his hair done. He got off school with the excuse of a dentist appointment, but as we all saw the next day this was not quite true. His teeth may have been pearly, but his hair was also curly.

## TUPPERWARE WARS

If you happened to look in the window at any particular time, you could easily have witnessed a war. That is the 'tupperware' kind. Cups, containers, you name it, it was present. These weapons could be quite harmful and the carnage and wreckage which resulted was quite substantial. I mean, just imagine the injuries which could result from a whizzing tupperware lid, you could up with no ...., well it could be quite painful.

## CARD GAMES

One of the most popular pieces of equipment in the common room, and what we now see as our official mascot is 'the pack of cards'. The games played ranged from Last Card, Euchre, Black Bitch, Sevens and last but not least, Five Hundred. Losing a game meant that you faced serious repercussions. The main one was you had to "skull" a bottle of water. This led to the key to the toilets being in great use and demand. But sometimes these games were not completed. This was because we got so carried away with the game that we continued playing in our 'study' periods. It was during this time that one certain teacher crept in the door and took just enough cards to stop the game, maybe he was upset that we didn't ask him to play.

## SIXTH FORMERS

There was a war of another kind, in which we triumphed, and that was with the 6th Formers. Although no violence was used, some tempers did get frayed when we decided not to let the 6th formers into the common room. In the end, the decision was unanimous, and that was the last we saw of them. But hey, you 6th Formers should be satisfied, you got the opportunity to use 'our' facilities when we were in Wellington, so you see, you're not missing out on much.

## THE MOUSE

A bedraggled little field mouse was brought to the 7th Form biology class; we thought he was at death's door. Revived with a snack log and a warm bed in an ice-cream container, it soon regained its speediness as we quickly found out. The little mouse was taken out of the container to be given a quick pat, but took the opportunity to escape into the vast common room. The mouse was no longer sickly but had turned into a speed machine and it took a full two hours to catch the bleedin' thing whose favourite hiding place was under the fridge. Nicola also discovered that mice had teeth. After finally catching him with the aid of a thick jacket to protect our fingers, we set him free, by the barn where he ran promptly into the wall, regained his bearings and disappeared.

## CYNTHIA AND MARIA'S FAREWELL

At the very beginning of the year, the Seventh Form was graced with a Rotary Exchange student from Australia called Cynthia. Unfortunately she only stayed for a week so we did not get to know her very well. In fact when we threw a special farewell lunch for her on her last day, she didn't even come!

Maria Edgar was a different story. She left in the middle of the year for Shaker Heights in Ohio, USA. When we threw Maria her farewell lunch, not only did she turn up but also managed to get through a fair amount of food. We also had an evening when the Seventh formers gathered at Nicola's where Daniel showed us a thing or two about what being a University Student was all about.

*Form Seven: some highlights ...*

# THE SEVENTH FORM TRIP

The Seventh Form Trip started well one wintry day. Everybody turned up with their assortment of pillows, sleeping bags and Ghetto Blasters. Everyone who was quick enough scrambled for the safest minibus, while the other less fortunate people reluctantly placed their lives into the hands of the other more infamous driver.

• LINO CUT BY: *Helvetia Spirig*

The first stop was at the War Memorial Museum at Waiouru. This highlight of the trip overshadowed many of the other exciting events of the week to follow. When we finally arrived at Massey University we were warmly welcomed by the hostel (hostile) residents and they did their best to make us feel right at home, but, being the kind thoughtful bunch that we were, we regretfully declined their invitations to stay. Instead we flaked out at Mrs Slade's son's rented house. This proved to be an experience for all involved, especially Mr Dowdle, who was an eyewitness to the best midnight brawl that ever took place in sleeping bags.

The next day, greatly refreshed by the one shower between thirty odd people, we attended the University with much vigour — for at least half an hour. By about eleven a.m. the buses into the city centre provided an attractive lure for the less scholastically inclined, (in other words everybody). We trooped into McDonalds, where they must have hired at least six new staff for the three days that we stayed there to accommodate for our vast appetites, (especially Glenn Diffey's five Big Macs per meal).

Mr Derham's navigational skills left much to be desired as we discovered after our night on the town in Palmerston North. His daredevil driving on the footpaths got him so excited that he lost his way on the main highway. Although we finally got home, nobody had any sleep, because of the first class sleeping bag rumble. Not to worry, there was plenty of time for sleep the next day in the lecture halls and Varsity lounges.

Arrival at Wellington saw the formation of the 'Hoods', Pieter, Jamie, Simon, Brendan and Craig. These lads provided a source of entertainment for everyone. They made good use of the National Seventh Form Symbols; a pack of cards and a stereo. They became proficient at

most games and late one night in the girls' hotel room the game of poker underwent a subtle change. The atmosphere got tense as one of the more prominent members of the female side of the class sat in nothing but her towel (luckily the game had no conclusion).

Escapades to Pizza Hut, the Air Force Base, and Candios proved to be very successful, and were much enjoyed by all, especially those of the so-called weaker sex.

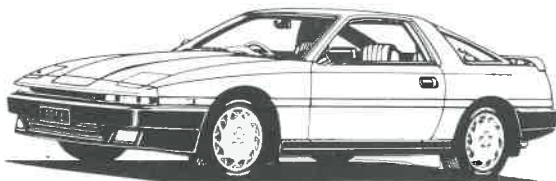

Thursday saw the pinnacle of our ecstatic memories when we visited Parliament and received a free Coke, (make that two Pepsies), received a hearty welcome, and as many round wines as we could handle. The only draw back was that we had to leave so early, so as to prepare for the Ghenghis Khan, a myriad of culinary delights. Most us made a hash of this meal, but Brendan's cooking skills shone through and saved the evening for some of us.

A quick visit to the flicks for some (the Air Force Base for others), then we were off for the most harrowing ordeal of our lives; a midnight spin up Mount Victoria. (with that infamous blackbeard at the wheel again!). The view was rather nice and helped to calm our quailing nerves a little before the return trip down. We just made it back to our cheapie hotel, after risking our necks trying to save Margaret from the streetkids, and settled down for another sleepless night.

The trip back to Tokoroa was full of excited people snoring and dreaming of home. Another near miss in that blue minibus startled us all back to life, including the driver, and then we were home. As usual we had accomplished absolutely nothing at all, but our lives had been enriched by the foolish acts of others. A good time was had by all!

BRIDGE ST., TOKOROA. PH. 69-289 (Next to Fire Station)

### **A Gentleman's Game**

"Crack!"

The red blip sails through the luscious green grass

"Thud!"

The shiny ball hit the white picket fence

"Jolly good shot, old boy!"

Applause from the gallery

"Howzzaat!"

Horrific screams from the fielders, persuading the umpire

Reluctantly, his twitching finger is raised

The batsman drops his head, the fielders yelp for joy

"Hard luck, old chap!"

Forlornly he begins his long, lonely walk back to the pavilion.

NICHOLAS PIRIHI

### **Summer**

Exquisite blue sea

Cramping on hot golden beach

Swoop of screaming gulls.

MARC ROBERTSON

### **Flowers**

Soft summer roses

Bashing, smashing in the wind

Weather-wilted, dead.

A. STOTHERS

### **Bee**

Six legged sting thing

Yellow and black dive bombers

Small and unwanted.

L. PIRIHI

### **Haiku**

The waves are so cold

A rocking gull can scarcely

Fold itself to sleep.

JENNIFER TIMMO

### **Bush Fires**

Yellow flames leaping high

Through the deep, dense bush

Leaving paths behind it

As it ruins the beauty of the bush

The animals flee, frightened, tense

As the flames come after them

Deer crashing through the trees

Seeking sanctuary.

M. KEIGHTLEY

## CREATIVE WRITING

### **Addict**

The shadow

devours her once more

she slips into oblivion

she knows she has

no power

When the shadow

overcomes her

she is lost

she loses her mind

as it kills her soul

But still

she calls to

the shadow

demanding the freedom

it offers

The shadow

rules her life

and strangles her spirit

she needs it

but it destroys her

she loves it

but it kisses her with

hate

The freedom it offers

is freedom from

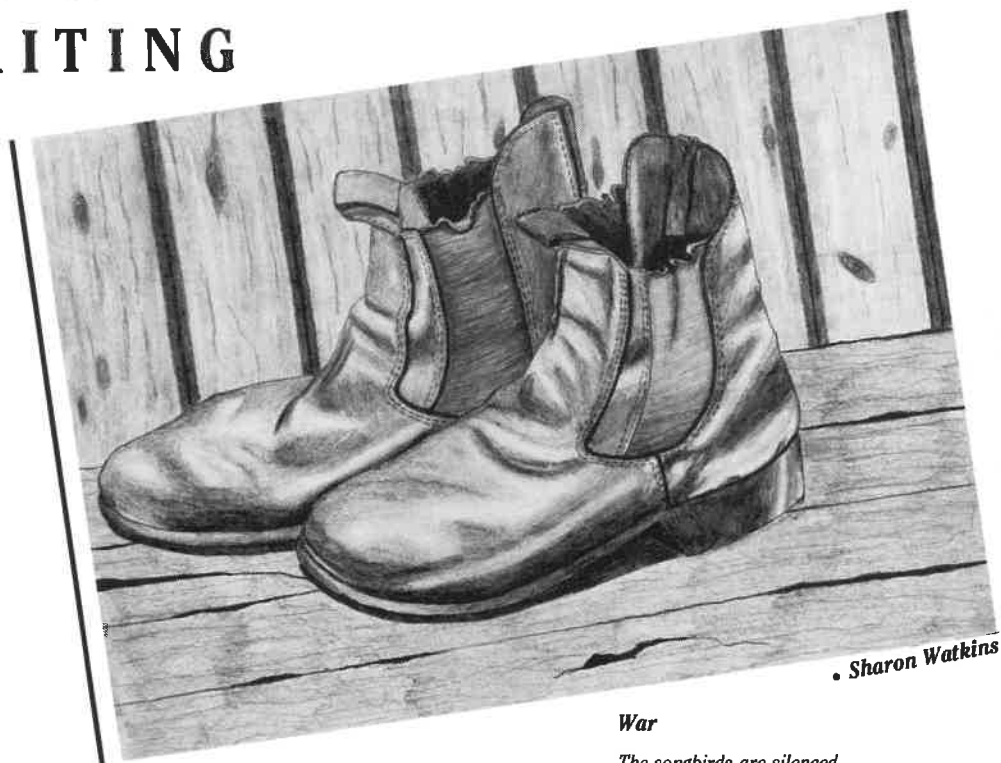

freedom

its love is the

love of

death.

MARIANNE ELLIOTT

### **Trees**

Standing tall and high like giants

Swaying in the soft breeze

Sheltering young seedlings

Autumn winds stripping them of their coat of

leaves

Winter snow gently falling like raindrops from

the sky

Hugging the empty trees

Like a warm overcoat.

A. WILLY

### **War**

The songbirds are silenced

On the raped, leafless tree

As the guns sing instead

The usual commotion of exotic instruments

The mud spreads as the vegetation expires

No more shall grass be green

Trampled down by army-issue boots

The grass struggles to climb back up

Another boot crushes it flat

Followed by the machines, ploughing

And sowing death in their path

No more shall grass be green

P. DEPREE

### **The Hunt**

*The cat slinks stealthily through the grass  
Then stops and looks around  
Its ears pricked as if waiting  
Eyes slitted peering into bushes  
Silently the cat waits*

*The grey fieldmouse shivers  
Not because of cold, but because of fear  
It skitters about, its nose twitching  
Worry lines stretch down its face  
Silently the mouse waits*

*The cat makes the first move  
And starts on its pitiless hunt  
Luck is on the cat's side  
It spots the unknowing fieldmouse  
And stalks it silent as death*

*Like a ferocious lion, the cat jumps  
The mouse's fate is sealed  
And with one gulp, the mouse is gone  
Only memories left behind  
The cat yawns and lies in the sun, with a smug  
smile on its face.*

M. HAUGH

### **Sea Storms**

*Calm.  
Controlled.  
Warm breeze.  
Blue sky, white foam.  
Sea lapping on the sandy beach.  
Hot sun chasing shadows into a tin hut.  
Sea birds soaring, circling, diving, on a search  
for food.  
Strong wind blowing from the sea,  
Carrying thick black clouds,  
Covering the sun.  
Wind cool.  
Sky dark.  
Calm.*

*Cool  
Windless.  
Grey sky dripping.  
Spluttering, showering.  
Denting the sand with craters.  
Bucketing, Pouring RAIN, carried by wind.  
Waves, rocks fighting for possession of land.  
White churned up sea, roaring, with great anger  
and power.  
Crashing into the beach claiming ground.  
Sea birds hiding from the dispute,  
Sheltering from the rain.  
Wind and rain,  
Under control,  
Reducing,  
Ceasing,  
Cool,  
Calm.  
ANON*

### **Merciful Release**

*The oppressive heat beat down relentlessly upon  
the dusty road meandering meaninglessly across  
the parched countryside. The road itself  
shimmered, its watery mirages broken by small  
eddies of dust stirred up by the faint whisper of  
a breeze. On the rutted side of the road small  
insects basked languidly in the heat, soaking up  
the diminishing rays of the fading sun.*

*From the fiery ball in the sky the heat had rained  
down upon the defenseless land all day. All  
activity in the area had ceased, the half-starved,  
weary animals sapped further of their meagre  
energy reserves. Their sole aim to find shelter —  
in the sparse, spindly vegetation that had fought  
its way up — from the torrid, burning rays of the  
sun.*

*Huge, languid waves of sultry heat rolled over  
the deserted countryside, devoid of human life —  
the tension and pressure in the air mounting up  
to unbearable heights. The very air itself seemed  
to groan under the weight of its burden... The  
silence was threatening, ominous, a warning of  
impending doom.*

*Up in the heavens restless clouds had been  
building up all day, now they towered, huge dark  
ramparts in the sky, surging and churning —  
twisting grey masses, shapeless columns forming  
in the clouds which descended lower and lower  
to the Earth. Through the barricades of banked  
clouds only occasional, isolated shafts of weak  
sunlight filtered through, searching vaguely for  
the dry earth.*

*Shadows loomed over the ground. Animals  
roused from their somnolence stirred now. A  
sixth sense warning them of what was to follow.  
A green lizard scuttled like quicksilver from the  
rock where it had been basking contentedly. A  
feeling of suffocation settled over the arid land.  
Other small animals, not as suited to the heat,  
scurried to find a different shelter — from a new  
menace.*

*The first signs of the impending deluge — a  
low-throated grumble across the leaden skies,  
reverberating across the valley. In the sun-baked  
dust the first isolated droplet fell, only to be  
immediately consumed by the deprived earth,  
leaving only a darkened stain on the surface as a  
memorial to its presence.*

*Suddenly above a jagged streak of lightning  
etched its way across the darkened sky, followed  
by a vicious crack of thunder. The world seemed  
to stand still for a split second. Then the  
saturated clouds released their first droplets of  
moisture — tentatively at first, the timid drops  
hesitantly, intermittently fell upon the welcoming  
land. Gradually the tempo increased, the  
previous gentle splashes had now become an  
angry, violent drumming, pounding in a wild  
rhythm of its own making, on the earth. Sheets of  
rain began to belt down, obscuring the horizon  
to an accompaniment of rumblings, punctuated*

*by flashes of lightning across the dark, cruel sky.*

*The storm, for that was what it had become, was  
building to a crescendo, bushes and trees  
whipped by the beating rain, grasses flattened,  
and the dust turned into rivers of mud, streaming  
off the road, to join with others, then into a  
hollow and onwards. The dry earth overwhelmed  
with this sudden generosity drank what it was  
able and allowed the excess to flood its surface.*

*Almost as suddenly as it had started, the downpour  
ceased, silence reigned again, broken by the  
gurgling of the miniature stream replenished by the  
sudden release. Shyly from behind a cloud, the first  
rays of a fresh sun darted and bathed the newly  
cleansed earth below in a gentle glow.*

*The refreshed ground steamed up between the  
jewelled stems of grass, trapped moisture at the  
intersection of the leaves glistening. The surfaces of  
the puddles in the hollows of the land shimmer,  
already disturbed by the antics of insects eager to  
quench their thirst. The puddles will remain but a  
few hours as the heat of the sun intensifies.*

*The lizard tentatively poked its green smooth head  
from the crack — its refuge from the storm, then  
scurried hurriedly to the already steaming rock it  
had vacated a scant hour beforehand.*

*At last the drought had broken.*

NICOLA EADDY

### **Fog**

*The fog sets down in the mornings  
Of the winter months  
Like a huge, hazy white blanket  
Covering the ground  
Shielding out the sun  
Cautious drivers go carefully  
Trying to escape the dreary cloud  
Hovering over them.  
In the afternoon  
It slowly rises  
Fading out of sight  
Awaiting tomorrow.*

CHERYL MacGREGOR

### **Temper**

*It came to me just like fire  
I tried to keep it in me, but without fail  
Bottling up inside me  
Raging through my thoughts like a storm  
Bang! It ended just as it came.*

T. EVEREST

### **Cicada**

*Creaking melody  
Fleeing from a spider's web  
On transparent wings.*

# SENIOR BOYS' BASKETBALL

It has been a tough but steady season for the 1987 Forest View Men's Basketball team. Again the team has proved to be superior to much of the opposition. The team consisted of eleven

and Jason for his speedy fast breaks which I think would have made Magic Johnson look like a turtle! And the last of the rookies, Robert Parker, alias McHale. An all rounder who can shoot, dribble, defend and pass — but Rob, being shy to take the ball to the hoop, preferred not to waste time but 'bomb' it from the 3 pointer line.

there are two clowns. Marcus Eley, alias 'Bones', generally played a great guard and Mr Benjamin Faumui was the key figure of bench warmer. Ben devoted his skills to trick passing which not only fooled his opposition but his own team mates as well. And Bones, who hated to step off the courts and sit on the bench in case his shorts wrinkled

## Back row

• A. Robinson • S. Fletcher  
• M. Siulepa.

## Front row

• N. Morgan • N. Manu  
• R. Parker • B. Faumui.

players including four rookies. Each of these players contributed much to the team and showed a lot of pride and spirit in the game.

I would like to thank the four new rookies who took the ball game to the stars. Firstly Steven Fletcher or 'Stretch' who was our key man at 6 foot 4 inches. At first he just learned how to hold the ball, but Steve later developed skills beyond the imagination of Ralph Samson. He proved to be a very successful centre. Thanks Steve. Natha Morgan and Jason Gordon were two of the fastest forwards this season has ever seen. Natha was well known for his tricky side steps both on the rugby field and on the court,

A very worthwhile asset to the team.

Our captain of the season was Nooroa Manu, alias 'Jordon'. One could say he was a disciple of Jordon with sophisticated but most entertaining and acrobatic moves. He has done an excellent job.

Which then leads us on to the 'Big 3', or the secret defence of Forest View Men's Basketball Team. The triple towers who dominated the boards away from the vicious opposition. Andrew Robinson, Alias 'Scrooge', Dax Cooney, alias 'Herman' and Terry Stinson, alias 'Rambus'. All three have shown the league how tough and rugged they can be. They have proved great for the squad and their defensive skills are 'tip top'.

There has to be a clown every year on the team and this year the only difference is that

always liked to show the crowds and his team mates that he was a Globe Trotter. Both are great prospects for the 1998 New Zealand Olympic Squad.

But the biggest thanks and the most credit has to go to our Star Manager and No 1 support Mrs Newton. She contributed her spare time and effort to organise the team and, on behalf of the team I thank you Mrs Newton. I'd like to also thank Mrs Stokes for lending the gymnasium, and gear when we needed it.

The season is over but the memories still continue — of those who strive to win, strive not to surrender and strive to keep the benches warm. But to me the season has been very successful and enjoyable. Signing off for another year.....

MATTHEW 'ERVING' SIULEPA

# SENIOR GIRLS' BASKETBALL TEAM

This was a tough season for the team, with a lot of newcomers, and only four experienced players Jacqui Thorby (Captain), Esther Siulepa, Carol Daniels and Kahu Simmonds. The new players included Sara Karl, Joneen Campbell, Stephanie O'Sullivan, Johnna Flavell, Kerry Middleton and Margaret Aiono.

It was confusing for the girls as Mr Blucher had left for Putaruru and Mr Ngapo, our new coach, was often busy with his security job. Fortunately, Jacqui gave everyone their positions before playing, although, it didn't matter as the only team we could beat was Tokoroa High School.

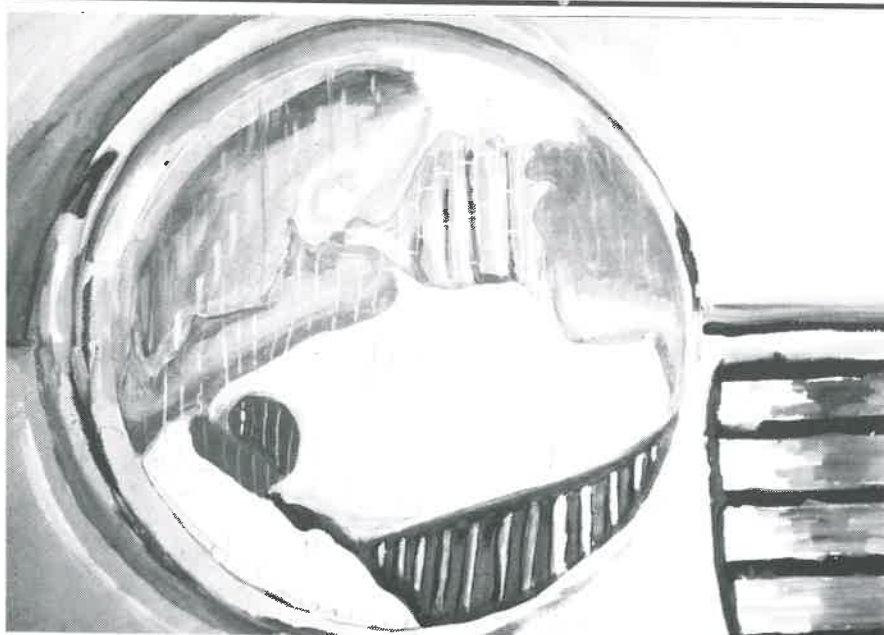

Despite the fact that most of our games resulted in losses, everyone tried hard. The team played with spirit and good sportsmanship and I'm sure that everyone benefitted from playing.

A thank you is extended to Mr Ngapo for giving up his time to support the team, to Mrs Newton for managing the team and to the boys' team for giving us 'heaps' on the sideline.

**Back row** • M. Aiono • S. Karl • K. Middleton • Mrs. Newton.

# NETBALL

"A"

NETBALL

TEAM

Considering the  
fact that we were  
an inexperienced  
team with few  
returning from last  
season we started  
very well by  
finishing  
runners-up in  
the A-Grade  
on Opening Day.

The year will be remembered for many things. We gained new tracksuits and sweatshirts. Mrs Williamson's little "pep" notes of encouragement. Mrs Sommerville and Mrs Stokes telling us about "life" as we travelled to Taradale in the minibus (or did we tell them?). Watching the World Championships in Glasgow and trying to spot Mrs Willie in the crowd. But

- **Megan Lupe:** A very mature player. Worked tirelessly on defence and was a much-valued player.
- **Margaret Aiono:** She made a valued return to the netball scene and produced solid efforts on defence. Constantly encouraged the team.
- **Joneen Campbell:** Always gave a total effort. A very mature player who never gave up and

**Back row** • T. Riki • A. McLean • J. Flavell • M. Aiono • J. Campbell.  
**Front row** • Mrs Sommerville • M. Lupe • J. Risbridge • N. Laurenson • Mrs Williamson.

Another highlight was producing a total effort to beat Tokoroa High School early in the season. As the season went on we encountered Tokoroa High School a few more times but were unable to beat them again, although the losses were narrow. We were always pleased with the way we played and thoroughly enjoyed playing them. We went on to reach the top six and played one-hour games on Wednesday nights. Playing in the Halligan Shield series against the top Putaruru and Taupo teams was a whole new experience for us and we learnt a lot despite only finishing sixth. We matured as players on and off the court from this competition. We practised on Tuesday nights in the gymnasium. Practices, although often exhausting, were good at building spirit and we had many a laugh, particularly at Mrs Sommerville's double skips.

do we really want to remember playing the First Fifteen at indoor netball?

Taneta Riki and Johnna Flavell were named in the South Waikato Under-21 and Under-18 teams respectively while Natalie Laurenson, Margaret Aiono and Megan Lupe were selected in the Tokoroa senior team. Joneen Campbell and Jo-Ann Risbridge were selected for the Tokoroa Under 18 team.

- **Taneta Riki:** Improved consistently as the year went by. Became a very mature player who made the most of her talents.
- **Johnna Flavell:** An outstanding player who encouraged the team so much.
- **Aroha McLean:** Changed position during the year for the team's sake. She met the demands placed upon her and positioned herself well under the goal.

possessed great skills.

- **Natalie Laurenson:** (Vice-Captain). Improved so much and as the season went on she was more aggressive and her skills improved greatly.
- **Jo-Ann Risbridge:** (Captain). A natural, enthusiastic leader who led by example. She always put all her efforts into her play and expected her players to do the same. Always willing to encourage her team members to give their best.

The team would like to thank the two wonderful coaches, Mrs Sommerville and Mrs Williamson, who with their dedication and support helped us achieve what we did this year. We pay you a very special thanks. We also wish to thank Mrs Stokes, Mrs Marjoribanks and Mrs Vanessa Dawson for their help and encouragement.

## B NETBALL TEAM

We had a good year this year considering we played teams who had been together for a lot longer than we had. We had a lot of fun in the

needed. She was the only one who could control Jacqui.

- **Rita Tuarae** — A good defence player but you could never rush her. One minute before the game she used to take her tracksuit pants off.

**Back row** • Mrs Sommerville • R. Tuarae • L. Bridgeman • J. Thorby.  
**Front row** • B. Pearson • L. Dragovich • C. Jobe • L. Bullmore.

year with the Taradale trip, closing day, Mrs Stokes and then Mrs Williamson playing for us and our few spectacular shows of netball skills.

- **Lisa Bridgeman** — our only fourth former. At the end of the season, Lisa had her game organised even if she still couldn't always control those legs...
- **Lisa Bullmore** — She was a spectacular sight to watch, just on her own. She would run, jump and twist in the air — all in one go, and then fall over. In fact, Lisa showed us many different ways that she could fall over, but she had excellent passes into the goal circle.
- **Cherie Jobe** — A skilful shooter who we really

- **Bronwyn Pearson** — When she played she always gave the game everything.
- **Jacqui (Stork legs) Thorby** — Was a good player when she remembered that she was playing netball, not basketball. Jacqui was the only one in the team who balanced better on one leg, than two.
- **Lynne Dragovich** — I was the captain but it didn't make any difference because they still bossed me around.
- **Mrs Sommerville** — Our coach who gave up her Saturdays and Fridays and Tuesdays. Thanks. It was appreciated. (Well, who else was there to yell at us?)
- **Mrs Jobe** — Our most dedicated fan (okay, so she was our **only** fan), but thanks for coming down.

## 7's A NETBALL TEAM

The opening day competition foretold the results of the coming season — we were useless and badly needed some sort of help! This came halfway through the season when, because of heavy rain, the opposing teams were slower thus allowing us to only lose by 20 points. A famous netball player — Margaret Forsyth — came to the school to give us hints and techniques. Mrs Williamson and Mrs Johns also helped us.

We found that with this help we improved to

a small degree and, for such an experienced team, we found that as we became more at home with our positions, we began to enjoy our games much more.

Our team was always changing, with members coming and going. In the course of the season we had — Andrea Johns: our most experienced player; Michelle Packwood and Deborah Rangi: excellent players when they turned up (which wasn't often); Jane Harris: transferred from the Convicts team (they disbanded early on in the

season); Jessica Hommel: our beloved team captain; Jackie Sayers: best friend of Andrea; Sirirak (Patt) Plipat: an exchange student from some far off land; and finally, the two shortest, fastest, coolest members of the team (incidentally, they wrote this), Wendy Bryers and Angela Brockway.

Although we never had the success we would have liked, we thoroughly enjoyed ourselves — often to the amusement of the sidelines and our opposition.

## KIKORANGI NETBALL TEAM

The Kikorangi Netball Team didn't do too badly in the Saturday competition.

Considering the netball team didn't show up for practices very often.

Considering we lost three players halfway through the season, but fortunately gained four replacements.

Considering we had three goal shooters, three goal defenders and three wing attacks in the same team.

Considering only two members showed up for a competition game once.

But the team tried hard under these circumstances. The team wouldn't have made it through the season without the great help and support of our two coaches Jacqueline Thorby and Lynne Dragovich.

### *The team consisted of:*

- (GA) **Tara Tepana** — who used her height to advantage in shooting goals.
- (GD) **Claudia Thompson** — who had very fine defence skills.
- (GS) **Debra Siulepa** — who always showed great dedication.
- (GK) **Apaula Placid** — who paid no attention to the opposing team but always kept a beautiful smile.
- (GA) **Cathy Tipuna** — who always arrived late but showed great goal shooting ability.
- (WD) **Janine Henry** — who always kept the team on the move.
- (C) **Marianne Lozell** — who was always the most active player of the team.
- (WA) **Erin Walker** — showed a fine display of team spirit and used her vocal cords.
- (WA) **Patricia Murray** — capable of playing a good game and coming off the court with a perfect hairstyle.

Great having you as my team members.  
ERIN WALKER

## RICIES NETBALL TEAM

On the first day of netball we were Colman's Mustard but that was too hot for us. So we called ourselves Ricies so we could snap, crackle

and pop around the courts.

We were coached by the "big bubbles" Mr Rice and Mrs Rice.

All the team players contributed their skills to make the games fun and sometimes successful.  
KERI DARGAVILLE

## FREEZING HOTS NETBALL TEAM

The majority of the Freezing Hots netball team this year were young members of the third and fourth form. Eva and Charmaine Smith were the seniors on the team, but they left halfway through the season. With these two experienced players gone, the young team had to use their initiative and what skill they had already gained. New captain Jane Emerson (who showed good leadership skills) managed to organise the team so that all positions were filled.

The defence, **Jane Emerson** (GD), **Tracey Cox** (GK), and **Carla Brookes** (WD), always worked hard to try and keep their opposition out of the circle. With help from the centres, **Angela Edgar** and **Carmen Mear** (new players to the team), they brought the ball down the court for **Kim Poole** (WA) to feed into the goal circle. There, our talented shooters **Karyn Lane** and **Bridgette Meldrum** never failed us.

With the help of Pet (an AFS Student) and others from Tootsies etc., Freezing Hots did very well for such an inexperienced team and considering that the coach, **Margaret Aiono**, was often away at netball tournaments herself.

As coach, I would like to thank Mrs Brookes for managing the girls in the beginning of the season when I could not make it, Mrs Mennink for giving up her lunchtimes to come and help with the team and those parents who came and supported the girls.

MARGARET AIONO

## TOOTSIES NETBALL TEAM

The team worked very hard this year, and through their dedication and efforts won the Collegiate grade. They organised themselves in a very mature manner, and each player is to be congratulated.

- **Alanna Lupe:** (Captain) Proved to be a very good goal shooter, an asset to the team and whose leadership qualities are to be admired.
- **Helen Boyd:** (Captain) Amazed us with her "surprises" on defence! Keep up the effort, Helen! Kept us laughing on and off the court.
- **Browning Tau:** An excellent goal shooter, positioned herself well under the goal, a vital player and a driving force in the team (had a loud enough voice to urge the team along).
- **Rachael Adams:** Our only third-former, who joined the team halfway through the season. Excellent goal keeper who never gave up and gained us valuable ball. Was always punctual and adapted herself well (she had to, with a bunch of "jokers" in the team).
- **Phyllis Drollett:** A very consistent goal shooter who was an asset under the goal. A fine effort.
- **Solonaima Placid:** Was always prepared to play any position, but never complained that she had to play centre for the most part of the season. An excellent player at bringing the ball down the court. The shortest in the team, but jumped as high as the others. A very dedicated player.
- **Sharon Judkins:** Joined the team halfway through the season but had no problems in fitting in. A consistent netballer who most definitely contributed to the team's success.
- **Kahu Simmons:** A total effort was given all the time and she matured as a player during the season. She could feed the circle well, and was good at intercepting.
- **Jo-Ann Risbridge:** I was the coach and on many occasions I could not be with them. I am very proud of the way they conducted themselves. Practices were always "fun", laughing at and with each other on many occasions. A pleasure to coach.

J. RISBRIDGE

## AZURES NETBALL TEAM

We have all enjoyed an enjoyable season. A few people injured themselves but they all seemed to recover before the next weekend.

The girls in Azures team were:

- **Vicky Henderson (Captain)**
- **Sonja McAlonan**
- **Kelly Ryan**
- **Katrina Buckley**
- **Jenny Slade**
- **Mary Mulu**
- **Kathleen Goldsworthy**
- **Stephanie O'Sullivan**

VICKY HENDERSON

## BILLABONGS NETBALL TEAM

- **Gaylene Martin (Captain)**
- **Mata Tunupopo (Vice Captain)**
- **Sina Patterson**
- **Anne Marie Koloke**
- **Eileen Farrar**
- **Carol Daniels**
- **Lomia Taulapapa**

Although we weren't the best dressed team of the season we still played a hard game and often beat other teams. I'd like to thank everyone who helped us, and I'd also like to thank the players for the tremendous efforts they put in and for coming on time always.

## STAFF VS A NETBALL TEAM

This grand event was held on Thursday 13 August at lunchtime. It represented a clash between the mature, co-ed faction of the school, and the well-drilled single-sexed members of the A Netball team.

As was expected, it was a close encounter. At half time, the Staff were marginally in front, but during the second half the A Netball team sneaked ahead at the critical times.

That man Rice was a demon in defence. Without his presence, the Staff team might (or should we say would) have been embarrassed.

At half time, the Staff were in fine form. Deciding that the morale of the A team would collapse with a defeat, the Staff generously threw the game away.

The Staff look forward to next year's challenge and hope for an improved pupil performance.

A. TUCKER

## J.B.'s NETBALL TEAM

All those jealous people  
With an eye for fame  
Must have seen the JB's  
Their incredible game.  
Skill and stamina  
Grace and pizzazz  
Something most netballers  
Sadly do **not** have.  
Netball has never seen  
players such as these  
who made their opponents  
drop down to their knees.  
All had style, all had vim.  
Everything it takes to win.

## KAMAHI NETBALL TEAM

In the beginning there were eight:

- **Lana Haa (Captain)**
- **Eris Wairepo (Vice Captain)**
- **Kathy-Maree Campbell**
- **Becky Mihaere**
- **Orlaith Gadsden**
- **Kelly Arthur**
- **Michelle Smith**

But that number soon dwindled down to six when our team lost the expertise of Eris Wairepo and Michelle Smith. They were our only goal-shooters apart from Becky.

Then Mrs Sommerville saved the day by supplying us with Dianne Wallace and Te Rina Tunui. Dianne could shoot (much to the surprise of Mrs Sommerville) and Te Rina became our other permanent shooter.

And then disaster struck! Dianne decided that she had to leave school. So Kaimahi was down to seven players, then Te Rina told us one day that she too was leaving school. Our team certainly felt as if the world was against us.

So for the rest of the season the Kaimahi team overcame all obstacles and played to the best of its ability, even if it didn't mean winning all of our games.

But one thing could be said, the Kaimahi team of '87 had a lot of fun, especially with jokers like Orlaith and players in our team who liked smashing into goal-posts and acting like they were playing rugby.

We would like to thank Mrs Sommerville for supporting us when she wasn't with 'A' or 'B' and we would also like to thank the people who played for us during the season and closing days.

LANA HAA

Three cheers for Tracey Brear  
Centre star who sped  
Here, there and everywhere  
Crashing with her head.  
But all the Judderbars  
whom I'm about to name  
Each one part of the team  
That made it through to fame.  
Michelle Ward, Vip Meharry,  
Trish Bryers and dear Gabs  
You guys have such a style  
And I think that you're fab.

## GIRLS' HOCKEY

The hockey season was one of mixed fortunes for all of our teams.

The School fielded three teams for the Rotorua Secondary Schoolgirls' Hockey Association. This was a team down on the previous season — perhaps because only two third-formers were prepared to play.

All teams had their share of wins and losses and the 2nd and 3rd Eleven players cheerfully played for the 1st Eleven after that team became beset with injury.

Special mention must be made of Sonja Rudman, who achieved B.O.P. Under 18 representative status and was selected for a National Training Camp in December. Also of Sarah Elliot who almost single-handedly ran the 3rd Eleven, in the absence of a regular coach. Thanks to the other captains and team players who played regularly with a sense of commitment and maintained a high standard of sportsmanship both on and off the field.

Thanks also to Mrs Roberts for coaching the 2nd Eleven and Mrs Stokes and Mr Derham for escorting the 1st Eleven to Whakatane, and to Mrs Thain for handling our funds, fees and uniforms.

We have seen an improvement in most players and with the possibility of an overseas tour in 1988 or 1989, we look forward to strong teams next year.

P.M. PRISCOTT

## FIRST ELEVEN GIRLS' HOCKEY TEAM

As a first eleven our results didn't look wonderful, but we managed to enjoy ourselves.

Due to reaching a high peak of skill early on and winning a great majority of our games at the opening tournament, we were placed in the top grade of the competition.

Injuries beset us early on and Claire Derham and Maria Edgar both rested for a while — in Maria's case till she left us on AFS to America. As a replacement, Diane Downes was recruited. As Claire's injury was later on in the season, Kay Kendall was introduced to the team. In Joanne Hair, we unfortunately lost our winger of three years to a back injury.

Our first tournament was in Whakatane, where we actually did quite well. The other was a last-minute arrangement in Rotorua. We took along second eleven players and the whole team in general played extremely well.

The team itself was full of enthusiasm and some of our tactics left the opposition standing bewildered. Sara Karl could be relied on to stop nearly anything.

The halves, tireless and fit, did all they were supposed to do and sometimes found extra energy to do just that little bit more.

The forwards actually ended up scoring a few times. Amanda Hudson, who had a few problems with clothing, scored nevertheless; Anita Allin, who could play anywhere at all; Nicola Eaddy, who had slight problems with direction.

Our deepest thanks go to Mrs Priscott, who coached us through thick and thin, yelled at us, learnt to drive a minibus (sort of), and got us our jackets (finally).

She kept us going, got us semi-fit and remained sane. Hopefully she has enough left to go through it all again next year. Thank you, Mrs Priscott.

Our thanks also go to the parents who provided transport, got their daughters up and ready on Saturday mornings to play hockey, and stood on the sideline boosting our morale with much needed support.

Overall it was an enjoyable year, with its ups and downs, arguments within the ranks, wins and, more often, losses. We all came through it though, with hockey sticks held triumphantly.

NICOLA EADDY

## SECOND ELEVEN GIRLS' HOCKEY TEAM

The 1987 hockey season started off as a very successful one. It all began one sunny Opening Tournament in May when the we were joint winners of the second division shield. (Everyone has conveniently forgotten the fact that we won the semi-final by the toss of a coin!) From that day on we never looked back, sideways maybe, but never back.

*Now for the amazingly enthusiastic and extremely fit team:*

- **Kelly Morris** (captain) — Well known for losing her cool on the field and consequently receiving numerous warnings from the umpire regarding being sent off!!
- **Susan Duley** (vice captain) — Sue has created a new meaning for the art of falling over, providing added entertainment for the spectators.
- **Jane — Lime Cordial — Kirk** — Without fail, every Saturday morning the team would be well supplied with Lime Cordial. Thanks Jane, what would we do without you? She's pretty good at playing hockey too!!
- **Kay Kendall** — Our saviour on defence, even though she did sit down on the field when she'd had enough.
- **Maria Minnell** — The ball was always safe in the hands of this lady. With Maria and Kay as backs we could hardly lose.
- **Annette Edwards** — Our beloved goalie, she made saving goals look easy and very seldom let them slip through!
- **Dianne Downes** — We trained this girl up so well that she was promoted to the 1st Eleven, our loss and their gain. Like lightning on the wing, but sometimes had trouble controlling her mouth!
- **Diana Brown** — Dianne's replacement and during the short time she played for us she probably set up and scored more goals than all of the forwards put together. (We know who we are, don't we Sue and Jane?)
- **Gayleen Preece** — One of the most versatile players on the team. Well she had to be, considering she never knew what position she was playing until she got there on Saturday morning.

- **Michelle Lacy** — "When she was good she was very, very good, but when she was bad she was horrid". Fortunately for us Michelle was good more often than bad. The centre half that was always there when the centre forward (me) always let it slip past.
- **Linley Pirihi** — A little girl with heaps of talent, by far the gutsiest player on the team and the cutest.
- **Louisa Bartley** — The other third former on our team and yet another player we could not do without. She always seemed to be in the right place at the right time.
- **Andrea Hawkins** — Last but by no means least, Andrea scored an amazing number of goals

during the season, including six in our last game (we won 10-0). I think she got a little sick of hearing "Oh no, not Andrea again!!" though.

Special thanks go to Mrs Roberts, our coach, who had to put up with our incessant moaning, lack of enthusiasm at practises and the fact that we never listened to her advice at half time, but we did get better as the season progressed!

Finally, thanks to Merrin Loft and Mereana Faulkner for playing the occasional game for us when we were short, and to Mr Kirk and Mrs Morris for turning up every Saturday, rain or shine, providing encouragement, advice and first aid to Kay!

A great season was had by all.  
KELLY MORRIS

## Boys' Volleyball

## THIRD ELEVEN GIRLS' HOCKEY TEAM

This year's third eleven had a really great season. The first half of the season was a bit disjointed with trying to organise positions for our four new players — Tania Bell, Leanne Bleakley, Rachael Emerson and Mereana Faulkner. We didn't have a coach, so we relied on each other for help. Of course, this sometimes caused a few "disagreements", but in the second half of the season we had a really good time with our newly appointed "coach", Natha Morgan.

Our halves, Bridget Duley, Catherine Wellington and Mereana, proved good opposition for any team. A big thanks to Megan Sneddon, our goalie, who had a great pair of legs with a good kick.

Our forwards, Marianne Elliot, Rachael Emerson, Claire Hoult, Sarah Elliot, Lisa Robson and Faith Barber, all had a turn at scoring goals in our last game, against Putaruru.

Our backs were Tania Bell and Leanne Bleakley. Leanne seemed to have problems keeping her head away from the ball.

Special thanks to Mrs Priscott and to all the parents who kept us moving during the game and inspired us at half-times.

SARAH ELLIOT

## BOYS' FIRST ELEVEN HOCKEY TEAM

Well it was a great year — what else can I say — it was nice while it lasted. Before I go any further, there are three people I would like to thank. First, the Derhams for the use of their spa pool which cooled down many tempers after a very close game. I'd also like to thank the ever present Mrs McConnon. Without her support many trips would not have been possible.

In 1987, the First Eleven competed in four tournaments — two being seven-a-side — and although we had no luck at any of them, we did not give up hope that one day we would win.

At the close of the season, our player-coach-manager Mr Derham took nine girls and nine boys down the mountains for a holiday. I was not fortunate enough to go on this trip, but when they returned it was clear to see and hear who had done what up at the lodge where they stayed, as eighteen very sunburnt people stood before us.

Thank you players, coaches, parent help, captain and our dedicated fans.

# Foote's Flooring Centre

# RUGBY

## FIRST FIFTEEN RUGBY TEAM

This year will be remembered as one of the most successful ever and there were some outstanding team results and personal performances.

The team contained a number of experienced players from previous years, especially in the backs, and the understanding these players had built up between them was shown by the often brilliant backline play they produced, and the reputation they earned as the Waikato's best schoolboy combination.

The forward pack was shorter and lighter than most, but made up for it with skill, and they had some excellent games, including the performance of the year against Church College, when they pushed Church's huge forward pack back time and time again.

Following the Church College game, the team

was dealt a blow with the loss of three of our most experienced forwards — Jason Gordon and Dax Cooney to the Royal New Zealand Navy, and Kelvin Hill to Hawkin's Hardware. However, with a bit of hard training our forwards came back better than ever.

The highlights of a very successful season were the team's win over Church College (the first time anyone in the team had beaten them), our win in the Waikato seven-a-side tournament, thrashing Tokoroa High at the Oval, taking the Tricolor Trophy from St. John's and holding it for the rest of the season, and finishing top of the Waikato Secondary Schools' competition.

There were many outstanding individual achievements, including Jamie Cameron and Jasen Goldsmith going to Japan with the N.Z. Secondary Schools' team, and Nooroa Manu being selected for the North Island Under 18's, but special mention must undoubtedly go to Jasen. His selection for the Waikato team was *the* highlight of the season, and it shouldn't be long before we hear his name being announced in the All Blacks.

The team's thanks must go to the men responsible for our success — Jim Cameron and Tony Edgar. These two have worked together with the team for a number of years, and without their knowledge of the game and ability to drive the team on and get the best out of individuals, we would never have reached the standards we did.

Also our thanks to the man who kept the team running — Brian Williamson. The hard work he put in behind the scenes kept everything running smoothly and made sure we were never short of anything. Thanks Brian.

The team would also like to give its special thanks to Dean Mullins, for the help he gave us after Jim left, Mrs Schwed, for all the work she put in at school and at the aftermatch functions, all the mothers who helped prepare the beautiful meals; and our supporters, who followed us everywhere, and (thanks to Mrs Manu) were always able to shout down the opposition, no matter what the odds.

On the whole it was a great season, and with a bit of luck, we hope next year's team will carry on where this year's left off.

**Back row** • A. Reid • R. Ratu • T. Hikuroa • G. McKinnon • O. Tatana. **Middle row** • Mr Williamson • J. Goldsmith • S. Kelly • J. Franklin • P. Faulkner • Mrs Schwed • Mr Edgar. **Front row** • S. Franklin • G. Dobbyn • G. Smith • S. Williamson • N. Manu • R. Cornelius • W. Marsters.

## Surface Coatings (Tok) Ltd

## PLAYER PROFILES

- **Geordie McKinnon** — PROP: The big man of the forward pack. When he went well, the whole forward pack went well; just a pity he never got to try his drop-kick in a game.
- **Adrian Reid** — PROP/HOOKER: A quiet team member who had some excellent games and adapted well to the untried position of hooker.
- **Shane Kelly** — PROP: Called in to cover losses, Shane had some great games and showed his lightning pace with a runaway try against Taradale.
- **Rhys Ratu** — LOCK: Improved out-of-sight and became a vital part of the forward pack. Showed his hidden winger's talent at the sevens tournament.
- **Travis Hikuroa** — LOCK: Also called in during the season, Travers developed well to become one of our main lineout jumpers.
- **Simon Williamson** — FLANKER: Simon was our outstanding forward. He led the forwards by example, and was always in the thick of things.
- **Steven Franklin** — FLANKER: Another player called in. Though only in the fourth form, Steven showed he could match any flanker in the Waikato. Looks set to go a long way.
- **Glen Diffey** — No. 8: The unsung hero of the team, Diff was always in the thick of the action and tackling anything that moved. Had a knack of making practice last ten minutes longer while Jasín explained things for him, but he usually got it in the end.
- **Owen Tatana** — No. 8, FLANKER: Owen was a strong player who impressed whenever he played. Also a member of the victorious sevens team. The team learnt through the season to avoid hopping in his 'tank' to away games, as they were either gassed or forced to search through Hamilton for parts that fell off.
- **Willie Marsters** — HOOKER: Willie developed well over the season. Though the smallest in the team, he always seemed to be able to 'steal' the ball from players twice his size.
- **Grant Smith** — HALFBACK: A quick-thinking player with a 'bullet' pass, Grant was a vital member of the team. Proved to be an awesome goal-kicker as well.
- **Jamie Cameron** — 1st FIVE: Jamie had another excellent season. He led by example, and was always there to get the team out of trouble, whether with his kicking or running and passing.
- **Nooroa Manu** — 2nd FIVE: Nooroa was the player everyone came to see. He ran brilliantly, scoring some amazing tries, and opposing players soon learned it was safer to run into the goalposts than one of Nooroa's tackles.
- **Aden Watene** — CENTRE: Another brilliant runner and hard tackler. Aden was named

'player of the tournament' at the seven-a-side, scoring over twenty tries. Sometimes found his tackling arm unable to bend at the elbow.

- **Pieter Faulkner** — WING: Pieter had an excellent season, running in tries by the handful, but was sometimes outrun by Mereana, dashing up and down the sideline yelling her support.
- **Gerard Dobbryn** — WING: Suffered a broken collarbone, which put him out for much of the season, and probably ended his chances of being selected for the All Black tour to Japan!
- **Jasín Goldsmith** — FULLBACK, CENTRE, 2nd FIVE, etc: Jasín was a leading figure in the team's success. Nicknamed 'Hulk' by the opposition, his very presence on the field was worth a headstart.

- **John Franklin** — FULLBACK: Starting off as reserve, John was 'freaked out' to find himself thrust into the limelight when injuries made it necessary for him to play almost all games. He really came on, and played brilliantly at times. Right on, John.
- **Rodney Cornelius** — 1st FIVE: Rodney was called in near the end of the season, and played well when called on. He will definitely be a vital part of next year's team.

## RESULTS

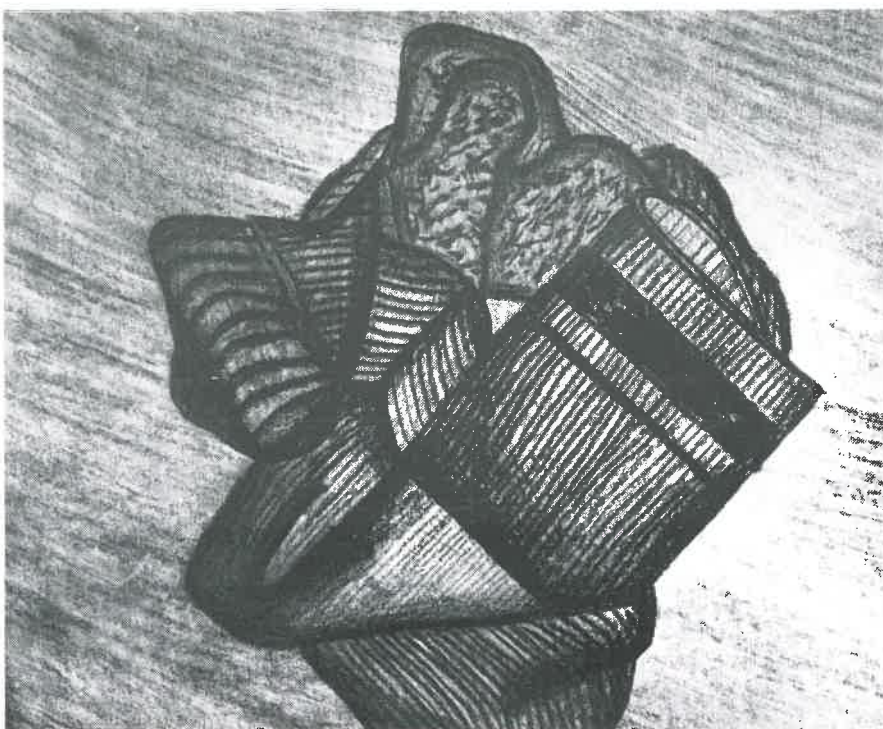

### Competition Games

Lost to	Morrinsville	11-19
beat	Tokoroa	43-3

## JASIN GOLDSMITH

Jasin Goldsmith completed the year with a rugby record which is unlikely to be equalled in a long time. The school year began with a tour to Japan by the New Zealand Secondary Schools' representatives. Also included in the tour party was Jamie Cameron. In May a team was entered in the annual seven-a-side tournament at Te Awamutu. Jasin showed his skills as a coach in preparing the side which went on to defeat Morrinsville College in the semi-final and Hamilton Boys' High School in the final. Waikato coach Duncan Dysart caused a stir when he included Jasin in the senior representative squad and played him at second five-eighth against King Country. Only a handful of players have played senior representative rugby while still at school. In August, Jasin was at fullback for the New Zealand Under-19 side that had a huge win over Wales Under-19. In the same afternoon he came on for the last 10 minutes as the wing and scored the winning try against Counties. The Ranfurly Shield Challenge against Auckland saw him at centre marking All Black Joe Stanley, and such was his performance that many journalists were picking him as one of the younger players for the trip with the All Blacks to Japan, but preference went to two older players.

## SECOND FIFTEEN RUGBY TEAM

The team this year was full of a lot of young, enthusiastic skilful people, who all thoroughly enjoyed a season of well played rugby.

The squad consisted of 25 players who all went into the season with a lot of determination and grit.

**Mr Tatana** (our coach) had one hard job ahead of him because of the large number of players and also the majority of first year players who all made a large contribution to our success throughout the season. Amongst these new players was **Matthew Siulepa**, our bustling loose forward. For his first year at rugby, he showed great determination and skill. Other new players were forwards **Grant Voice**, **Sonny Parsons** and backs **Steven Bonnar** and **Mark Dragovich**.

Owing to the team being so young, the forwards were up against a lot of older, bigger forward packs who gave our forwards a really hard time throughout the season. But the guys never gave up and just kept on going all the time.

The backs on the other hand were "the seniors" of the team. They were the veterans from last year's season and showed their

experience throughout in displaying their individual skills. Amongst them were **Rodney Cornelius**, **Natha Morgan**, **Ben Faumui**, **Alby Daniels** and **Garin Knight**. These players offered the team the finesse and grace on and off the field the younger players looked up to. (Ha ha ha!)

But what made our players so determined was their enthusiastic coach, Mr Tatana and also his lovely wife Mrs Tatana. Mrs T was always giving her moral support along with Mr and Mrs Cornelius who were also "first hand fans" of the team.

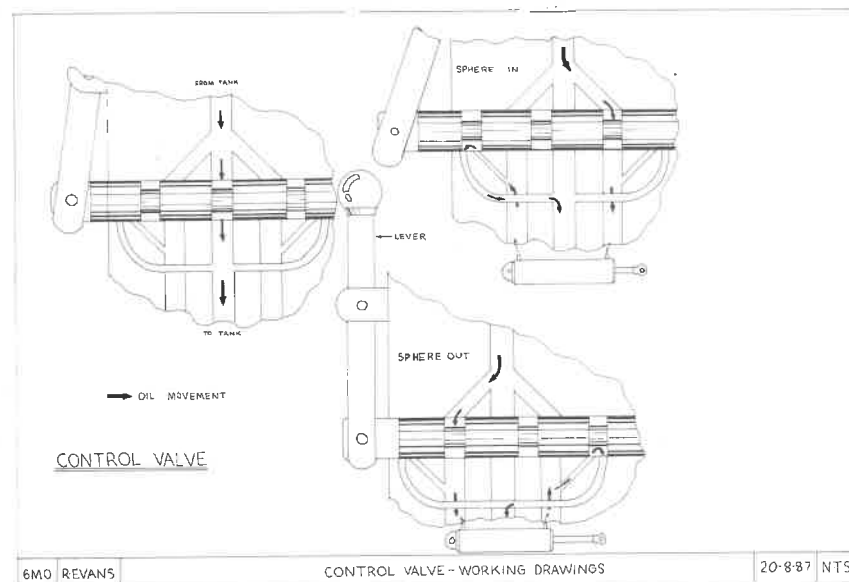

Thanks to all the support from parents and fellow pupils. It made this year's rugby what it was; an enjoyable one.

### Here's a list of this year's squad.

**Backs** — Mark Dragovich, Wessi Samson, Rodney Cornelius, Alby Daniels, Ben Faumui, Natha Morgan, Wayne Sinclair, Liva Taulapapa, Rodney Faumui, Gavin Knight, Steven Bonnar, Craig Stavert.

**Forwards** — Nolan Kelly, Phillip Edwards, Rodney de Vorms, Shayne Harris, Craig Annett, Matthew Siulepa, Darren Swindlehurst, Grant Voice, Jason Shailer, Sonny Parsons.

# BADMINTON

The 1987 season has been a good one for badminton in this school. There was a much increased turn-out of people to practices on Thursday afternoon. Standards of play have improved steadily and will hopefully continue to do so next year. Also this year, members of the School team participated in a number of interschool events (the first in over a year). The first was against Taradale High — a team which our coach assured us was equally as hopeless as we were. So much for that, we were totally outclassed 15 games to one by an obviously much more experienced opposition. Congratulations to Lisa Hejl for preventing a total clean sweep. We returned to Tokoroa, pride dented, but having enjoyed ourselves. We also played Putaruru High with a much closer result. The Seniors drew 6-all and the Juniors lost 4-6 in an excellent afternoon's games. A return visit is planned for later in the third term and it is expected that our results will improve. Four players were sent to the Waikato Interschool Championships and all performed well. Stephen Ball and Andrew Elder were fourth in the Senior Doubles, and Scott Ball with partner Lisa Hejl were runners-up in the Senior Mixed Doubles (having won six out of seven games). It is planned that we will be more involved at a Regional level next year with teams in the Waikato Interschool Section. This year's season finished with the School Championships. These were well patronised by Juniors, but the Seniors were sadly lacking in numbers. Results were as follows.

<b>Junior Girls' Singles Winner</b>	. . . . .	<b>Te Pua Holmes</b>
<b>Junior Boys' Singles Winner</b>	. . . . .	<b>Jonus Jefferies</b>
<b>Junior Girls' Doubles Winners</b>	. . . . .	<b>Te Pua Holmes and Louise Gibbons</b>
<b>Junior Boys' Doubles Winners</b>	. . . . .	<b>Chris Brown and Jonus Jefferies</b>
<b>Junior Mixed Doubles' Winners</b>	. . . . .	<b>Chris Brown and Te Pua Holmes</b>
<b>Senior Girls' Singles' Winner</b>	. . . . .	<b>Lisa Hejl</b>
<b>Senior Boys' Singles' Winner</b>	. . . . .	<b>Scott Ball</b>
<b>Senior Girls' Doubles' Winners</b>	. . . . .	<b>Lisa Hejl and Rebecca Bergs</b>
<b>Senior Boys' Doubles' Winners</b>	. . . . .	<b>Scott Ball and Andrew Elder</b>
<b>Senior Mixed Doubles' Winners</b>	. . . . .	<b>Scott Ball and Lisa Hejl</b>

Finally thank you to Miss Harris, a patient and persevering coach.

This year the Forest View Equestrian Team represented the School in two events. The first event was the Inter High School Gymkhana held at Turangi. The riders were divided into groups of junior, intermediate and senior.

The first events were the turnout and flat classes where horse and rider are judged on their performance in a ring. (This is different from dressage).

In the late morning and in the afternoon the classes consisted of horse and rider over hurdles and different games. In these, the Forest View riders met with success picking up some wins and many placings.

The show jumping classes took place near the end of the day. A few of the Forest View riders fought a close battle for the placings with seconds separating riders in the jump off. The day ended with the presentations in which F.V. was handily placed but never quite achieving a win.

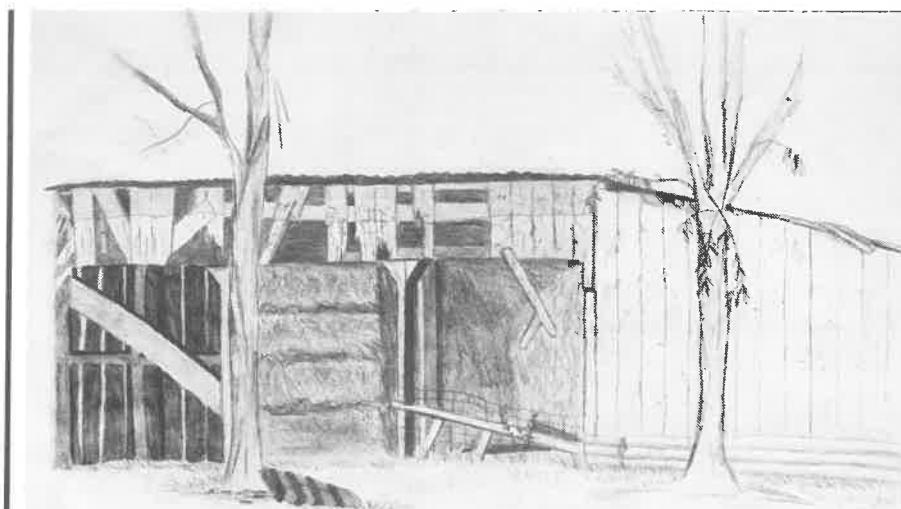

The second event Forest View riders competed in was the Inter High School One Day Event held at Cambridge. Unfortunately our sixth formers could not attend as they were on the

Sixth Form Trip, so we had mainly juniors and intermediates. Our team drew first and were therefore in the dressage ring first. While this team competed the others walked the showjumping and cross country courses discovering they needed attacking and thinking riding. After dressage the individuals were scattered through the field and began the cross country round. Most people had faultless rounds but some had a few problems and disobediences, being given faults for these. After

this only showjumping remained. After nearly everyone completed fault-free rounds the first team was left in sixth place — narrowly missing out on a prize. The day ended with the grand parade — our teams complete with new Forest View blankets looked well turned out.

Thank you, Mrs Newton, for all your work in organising the riders so that they could represent the School. Your work is much appreciated.

## CRICKET

The 1986/87 season saw a marked increase in the number of pupils enjoying the game. The School fielded 1st and 2nd Eleven teams for inter-school fixtures, and a President's Grade Eleven in local weekend competition.

In addition, two junior teams also played against local schools in an evening competition. Steps were also taken to prepare a girls 1st Eleven for the 1987.

A number of pupils also played in Senior A grade competition and gained recognition for representative selection. The player contributing the most to the 1st Eleven during the season was Stephen Burridge with Richard Bloch named as the most improved player. James Cameron also contributed markedly to the season.

A successful end of year 3rd and 4th form competition was held and led to the early discovery of a number of players who have become 1st Eleven players since. These include Tod Cooney, Matthew Morrissey, Richard Rangi all of whom show excellent promise for the future. After some minor games came the big one against the staff. 3Bh opened the batting scoring a creditable 78 runs off 15 overs for the loss of 6 wickets and a compulsory retirement (Jason Flavell 15). A confident staff opened with Mrs Gibbons and Mrs Williamson who marched in with style and trudged out ducks.

The mathematical progression proceeded with Mrs Slade adjudged LBW by umpire Bloch for 1. The promising Mr Singleton was cut off in his prime, run out for 2. Mrs Stokes provided a further 3 before being caught. Mr Rice (who plays senior cricket for FVHS Old Boys) looked dangerous until caught for 6. Then Mr Tucker's scientific approach gained the team's first boundary followed by a well executed single and a massive missed "wog" and ignoble but scientifically executed stumping. At this stage fear struck 3Bh as Mr Worts and Mr Chambers rallied before surrendering their wickets for 8 runs apiece — (some had it that Mr Chambers had been caught twice but umpire Bloch would "neither confirm nor deny"). Mr Dowdle went with a flourish and 2 runs to be followed by Mr "Basher" Blucher who agriculturally gained a single then the 2nd boundary, another single and finally a beautiful stumping. The innings was concluded by a marvellous not out effort by Mrs Newton who scored 2 runs. The end result being FVHS teachers and staff 12 wickets for 60 runs (Yes, they snuck in 12 batspersons) — a victory

This page sponsored by:

# Spears Garage Ltd

to 3Bh.

Oh, we must not forget that Mr MacDonald and Mrs Scherer had a bowl and successfully too — but Hadlee and Chatfield are still safe.

Our School entered the South Waikato Trustee Bank Knockout Competition earlier in the year, and after knocking out the local competition forced their way to the finals at Seddon Park, Hamilton, where the vagaries of playing on grass proved too much for the team and allowed the more favoured Melville High School team to defeat us.

Our quest really started when reaching the quarter finals against our noble protagonists Tokoroa High School. Captain Richard Bloch won the toss and put THS into bat. THS reached 120 runs for 9 wickets with C. Dewar and K. Landers providing 20 and 31 runs respectively. Tod Cooney proved almost unplayable as his massive off spin caused problems which led to his capturing 3 wickets for 24 runs. P. Faulkner 1 for 27, M. Gielen 2 for 23, R. Cornelius 1 for 23 and R. Rangi 2 for 15. Forest View replied with a creditable 125 for 4 wickets to gain what proved to be a convincing victory. Tod Cooney (man of the match) provided a sparkling 43 not out with other notable contributions provided by R. Bloch 24 and M. Gielen 17.

Our next foray was into the semi finals against the well favoured Te Awamutu High School team. The venue was decided by telephone "toss of the coin" (is this a first?) and Forest View elected to play at home. Ex New Zealand umpire John Hastie brought his well drilled team over and after winning the toss elected to field. Forest View gained 164 runs off 30 overs with the top score of 78 being provided by Captain R. Bloch. M. Gielen produced a well executed 37 not out. Te Awamutu batted well and achieved 160 runs in well executed 37 not out. Te Awamutu batted well and achieved 160 runs in reply with L. Wetere achieving a magnificent 64 not out. Superior fielding by Forest View made the difference and we emerged proud and exhilarated victors.

And so to the finals. 15 March 1987 at Seddon Park, Hamilton (our first time on this region's hallowed soil). We were to meet Melville High School. Melville elected to bat and L. Oxenham proceeded to demolish our attack with a splendid 96 runs giving his team 199 runs off 40 overs. The vagaries of a grass wicket coupled with excellent bowling and fielding by the Melville team did the rest. Three of our best stroke players went for ducks; M. Morrissey, R. Bloch and Dax Cooney. R. Rangi battled on for 17 runs — T. Cooney succumbed for 10, M. Gielen 8, J. Franklin 1, G. Dobbyn 6, P. Faulkner 6 and B. Hall not out 3. Rodney Cornelius gave

us respectability with a sound 37 batting at number eight, giving us an all out total of 100 runs.

The team played with good spirit and sportsmanship (as always) and though disappointed with losing were "chuffed" at their first time performance.

It has become apparent that here in Tokoroa we are blessed with too many good artificial wickets and insufficient variable grass ones. Our team will need to practise and play a lot more on the less predictable grass wickets in order to improve standards. This hopefully will be achieved.

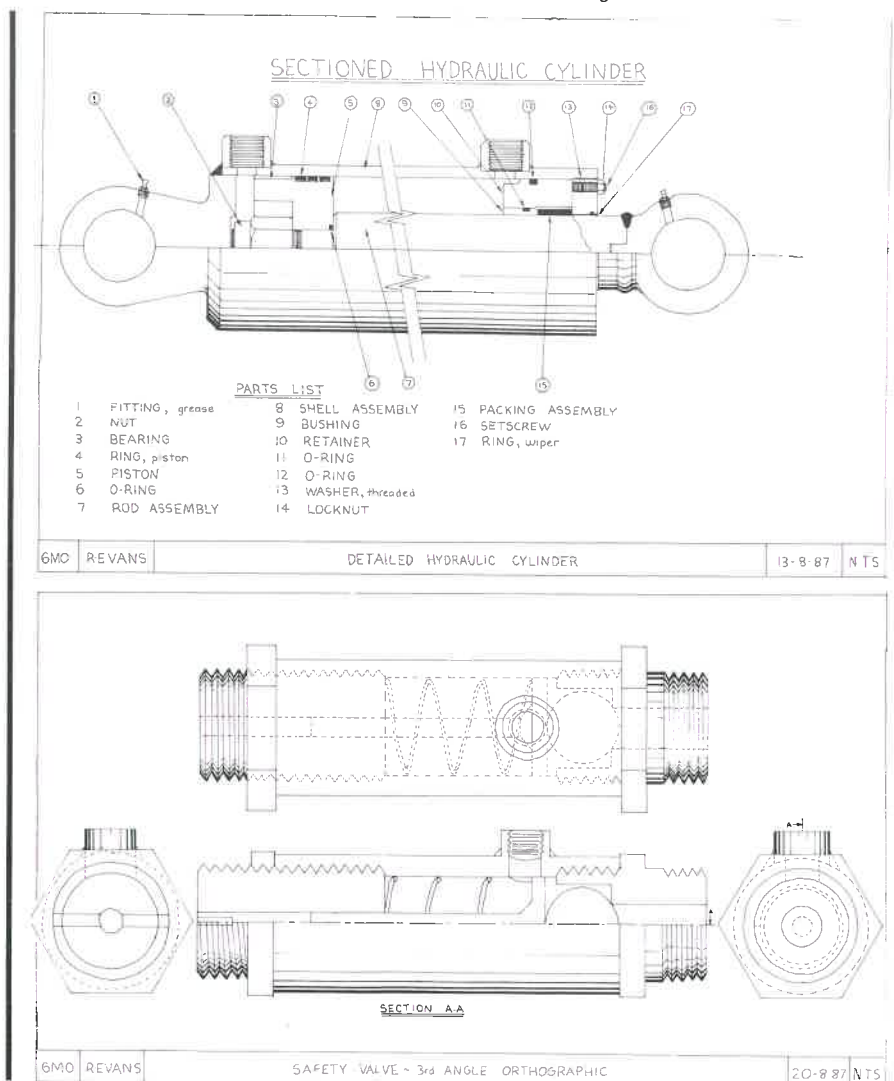

Those gaining school 1st Eleven representative recognition for the season are Richard Bloch, James Cameron, Gerard Dobbyn, Dax Cooney, Tod Cooney, Rodney Cornelius, Pieter Faulkner, Michael Gielen, Nicholas Pirihi,

Grant Hall, Richard Rangi, John Franklin, Brendan Hall, Matthew Morrissey.

Two pupils scored 1st class centuries in Senior "A" grade competition this season. They were James Cameron with one for Tokoroa Rugby Cricket Club and Richard Bloch, FVHS Old Boys, with two "not out" centuries. Both of these achievements are remarkable for such young players. James Cameron also provided excellent bowling figures in gaining nine wicket bag against "Old Boys".

In conclusion, the School decided to enter the Senior B competition in the 1987/88 season and will again enter the Trustee Bank Knockout competition.

Many thanks go to Mr Keyzers for keeping our grounds in such fine condition and to our Manager/Coach Mr Bloch for making his time available throughout the season.

# CROSS-COUNTRY

Yet another "glorious" day for the Forest

View High School Cross-Country this year.

Without fail, every year, the skies open up, and what starts out as a Cross-Country ends up as a wet T-shirt and drowned rat look-alike competition. Out of this vast array of soaked pupils, though, we do have the sporty minority that excel. The winners of this year's Cross-Country were as follows.

## Junior Girls:

- 1st Cheryl McGregor
- 2nd Kathleen Goldsworthy
- 3rd Anita Lord

(Time: 14 mins)

## Intermediate Girls

- 1st Kim Hickey
- 2nd Kelly Ryan
- 3rd Sarah Robinson

(Time: 14 mins 42.16secs)

## Senior Girls

- 1st Kerry Middleton
- 2nd Marina Pudney
- 3rd Rachael Emerson

(Time: 14 mins 55.7 secs)

## Junior Boys

- 1st Michael Haugh
- 2nd Matthew Berrigan
- 3rd Simon Urbanski

(Time: 11 mins 50.9 secs)

## Intermediate Boys

- 1st Darren Pomare
- 2nd Cameron Bramall
- 3rd Jason Lord

(Time: 24 mins 2.54 secs)

## Senior Boys

- 1st Neil Vanner
- 2nd Clinton Paintin
- 3rd Steven Shaw

(Time: 23 mins 01.39 secs)

It would be a most unusual sight to see everybody actually running one year, especially the Seniors! Isn't it funny how many people suddenly catch the 24 hour flu or fracture a bone in their foot on the day of the cross-country? But it wouldn't be a cross-country without the unfit and the COOL walking around the course! Would it now!

## GIRLS' SOCCER

1987 — the year Forest View High School was first represented in the competitive world of women's soccer.

Our team began as a group of inexperienced girls, who by the end of the season had improved our soccer skills so outstandingly we were able to defeat Melville High School by two goals to one.

Even though we were a women's soccer team we spent most of the season playing boys and having some amazing scores run up against us. But by the end of the season the scores against

us were diminishing, with Jackie Ellis, Janet Crane, Lorraine Shaw, De-Arne Short and Janine Wiles (our capable forwards) becoming more confident in their scoring ability.

In the midfield Sonya Wilson, Sonja Kamphuis and Lisa Jacobs showed bursts of brilliance.

The defence of 1987 consisted of the hard-working team of Justine Mear, Kim Morgan, Matea La'aiva, Rachel Franklyn and with Tanya Blackburn saving many goals.

Throughout the season our team continued to prove that with hard work, dedication and a great coach in Mrs Wiles we got better.

So thank you Mrs Wiles for putting up with the team, we hope that next year you'll still be wanting to lead us again.

**Back row** • L. Shaw • A. Siebring • R. Siebring  
• J. Crane • J. Mears.

**Middle row**  
• K. Morgan • J. Wiles • L. Jacobs  
• T. Blackburn • Mrs J. Wiles.

**Front row** • S. Wilson • D. Short • S. Kamphuis  
• R. Franklin • J. Ellis.

## FIRST ELEVEN BOYS' SOCCER TEAM

Soccer is prospering at Forest View. A girls' soccer team was established and the Under-15 team won the Eyre Cup for finishing first in the U-15 Midlands competition. The 1st eleven players were awarded silver plated badges at

assembly for finishing runners-up in the very competitive Waikato Football Association youth league competition.

At the end of the season, the 1st eleven team had played 17 official games winning 12. They scored 57 goals for and 27 against.

The following is a list of the results from games the 1st eleven played in 1987:

Beat	Tokoroa AFC Under-17. ....	6-0
Beat	Putaruru AFC Under-17. ....	3-2
Beat	Hillcrest AFC Under-17. ....	by Default
Beat	Claudeland AFC Under-17. ....	by Default
Lost to	Huntly AFC Under-17. ....	1-4
Lost to	Tokoroa AFC Under-17. ....	2-3
Beat	Putaruru AFC Under-17. ....	8-0
Beat	Hillcrest AFC. ....	4-2
Beat	Claudeland AFC Under-17. ....	by Default
Lost to	Huntly AFC Under-17. ....	1-3
Beat	Putaruru High School 1st XI. ....	6-2
Lost to	Taradale High School 1st XI. ....	0-4
Beat	Putaruru High School 1st XI. ....	9-2
Beat	Tokoroa AFC Invitation side. ....	5-2
Beat	Tokoroa High School 1st XI. ....	4-2
Beat	Mangakino 1st XI. ....	8-0
Lost to	Melville High School. ....	0-1

Top goal striker and able captain was Darren Pomare who collected the Brendon Morgan Cup for the player contributing most to 1st eleven soccer at Forest View High School.

Cameron Bramall was the best all-round defender and stood out as a leader for the future. Gerard Dobbyn combined 1st fifteen rugby with soccer and amplified the view that he is a class sportsman. It was during a torrid encounter with a Huntly team that Gerard snapped a cracked collarbone after landing awkwardly. He was an anchor in the midfield.

The most improved players in the team were David Seerden and Brett Bates.

Altogether, the 1st eleven produced seven players to represent the Midlands U-17 team. They were: Darren Pomare, Gerard Dobbyn, Cameron Bramall, Andrew Elder, David Seerden, Roy Kamphuis and Jason Wellington.

Overall, the team played organised, uncompromising soccer and deserved the praises they won from spectators on the sideline.

To all the parents and friends who supported the team, thank you for all your encouragement.

A. TUCKER

**Back row** • D. Seerden • B. Leuthi • O. Tatana. **Middle row** • A. Elder • S. Pitkeithley • P. Meredith • R. Bloch • M. Dragovich • G. Ranger • Mr A. Tucker (Coach). **Front row** • B. Bates • J. Wellington • C. Bramall (Vice-Captain) • D. Pomare (Captain) • A. Douglas • G. Ireland • R. Kamphuis. **Absent** • G. Dobbyn • B. Hall.

# Reg Old Ltd

## BOYS' UNDER FIFTEEN SOCCER TEAM

This has been a very successful year thanks to good leadership from Simon Pitkethley and Simon Urbanski and strong support from parents.

The team was comprised of **Peter Bramall, Mark Cole, Paul Downes, Gene Dragovich, Tony Herlihy, Simon Pitkethley (c), Greg Ranger, Kelly Stables, Jan Terpstra, Simon Urbanski (c), Brett Vincent, Jonathan Williams and Aaron Wood.**

This year the two most improved players were Brett Vincent, who became more vigorous as the year progressed, and Kelly Stables who sharpened his skills to become a very good half.

Although their main aim was enjoyment, they deservedly won the Midlands Under Fifteen Competition (John Eyre Cup) and came second in the knock-out competition due to the goal scoring machine of Simon Pitkethley (10), Jonathan Williams (9), Jan Terpstra (8), Simon Urbanski (7), Brett Vincent (3) and good teamwork.

D. ROSIE

## GOLF

On the first Monday of the August holidays a team of four, with two new players, travelled to Te Puke to compete in the High School Challenge Cup hosted by the Eagles Golfing Society of the Bay of Plenty.

In previous years the School had fielded a strong team, with players of the calibre of Blair Hope, who had captained the team since 1983. This year a new team emerged with Craig Burmester, who had represented the School since 1983, taking over the role of captain for 1987. Dean McKenzie had played for the school in 1986 and will be the key player in future years.

The result was disappointing for the players this year as the School had won the Challenge Cup in 1984 and 1985. This year the team could only manage fourth, but this was due only to inexperience.

### SCORES

- **Craig Burmester** — Handicap 17 (37 points)
- **Dean McKenzie** — Handicap 19 (39 points)
- **Paul de Quaastieniet** — Handicap 35 (37 points)
- **Greg Ireland** — Handicap 36 (16 points)

The team would like to thank Mr Singleton for providing transport and support.

CRAIG BURMESTER

## SQUASH TEAMS

Once again the boys' and girls' squash teams

travelled down to Wellington to play in the

National Secondary School Squash

Championships in August. That meant that

twelve students and the two teachers (Mr

Singlewood and Mrs Gibbons) were crammed

into the *huge* school mini-bus for seven hours.

This year it was decided that the teams wanted a touch of class and some luxury, so we all stayed in a hotel. The boys had their fun riding up and down in the lifts all day, the girls ringing for room service so that the cute guy would deliver their food, and the teachers enjoyed their \$13 breakfasts.

As usual, McDonalds' business soared as both teams frequently visited this rather classy establishment. For entertainment, there was 10 pin bowling (where 'Gutterball Gibbons' was nicknamed), visits by the guys to Wizards, blow drying the guys' hair, meals at Pizza Hut, etc.

With the funds raised by the teams during the year, we were able to spend a day out, so it was decided (unanimously by the teachers) that we would travel to Picton on the ferry. As it turned out it was a beautiful day and everyone really enjoyed themselves. (Even if some of the guys did look a bit green on the boat).

Oh — we did actually get to play some squash. This year the girls were actually seeded first but, to our dismay, some of the teams had failed to name their true players *until* we arrived. So we were very pleased to come a triumphant fourth place.

The boys also actually did very well, making it through to the first eight. There was some excellent squash played and both teams can be proud of themselves.

Again we say thanks to Mr Singlewood and Mrs Gibbons. This is the third year they have taken the teams away, and it is not an easy job. For five days they have an extended family of twelve. It is a hard task and both teams really appreciate it. Here's hoping they continue in the future.

For 1988 the venue for this event is Christchurch.

KAY KENDALL

## THE TARADALE TRIP

Around midday on July 19 two buses full of eager pupils and a mini-bus full of netball

players departed for Taradale. This was historic, the first full exchange made by Forest View with another school outside Tokoroa.

We made our way slowly south stopping at Taupo, rushing off the bus to buy food, only to be prevented by our five teachers. We continued with the first bus having to stop every half hour to allow the slower one to catch up. After crawling up the hills on the Napier-Taupo road we were deserted by the mini-bus whose occupants were obviously bored by our snail-like pace. They were to arrive half an hour before those of us in the buses. We arrived in Napier and every five minutes the cry would be heard 'Is that Taradale?'

Finally we were greeted in Taradale by hordes of people and we were led to the hall. There we were assigned with billets and it was interesting to view some of the match-ups. With that done we were to return to our billets' homes for the night.

Monday arrived all too quickly and some of our sports players already looked worse for wear.

Mr Tucker, the poor man, was near to mental breakdown having spent a night in a motel with Mrs Priscott, Mrs Stokes, Mrs Newton and Mrs Sommerville. His pride had also been severely dented in a game of Trivial Pursuit!

The games began with Boys' Volleyball. Our extremely competent team won in four sets 16-14, 15-10, 7-15 and 15-11.

The Badminton team played next and could only win one game out of sixteen, being totally outclassed by much more experienced opposition.

When this finished, the Boys' Basketball began inside while the A and B Netball teams played outside. In a highly entertaining game

This page sponsored by:

# *Footie's Furnishing Centre*

Forest View's Boys won 63-55. We were also entertained by an American basketballer at half-time as he did slam dunks. He was 'helped' by a Taradale teacher who made a total fool of himself.

The Netballers also had victories with the A team winning 29-16, upsetting the opposition's coach. The B team also played well to win 22-17.

The hockey boys and girls faced more experienced opposition. The girls faced flailing sticks and many of them could be seen hobbling bruised and injured through the school for days to come. They lost 3-0. The boys also had a difficult task and lost one goal to ten.

However Forest View was to get its revenge on the rugby field. Our team totally outclassed their opposition by 78-0, much to the delight of FVHS supporters but to the dismay of the Taradale supporters. Indeed the large crowd gathered to view the match soon dispersed to leave only the most ardent and loyal supporters. Due to the fact it coincided with rugby, the soccer team (boys) had little crowd support and perhaps this was the reason for their defeat 0-4.

The sporting day finished with Forest View winning 5 of the 9 sports events with all agreeing that the day had been successful.

That night a social was held with all agreeing that it was as good as any ever seen at home. Unfortunately it was in theme 'Way Out' which we hadn't been told about. Witches, priests and hippies were to be seen dancing.

Tuesday morning — the day of our departure, and we were expected to be at school (in Taradale) by 8.30. After all the stragglers arrived and the necessary goodbyes were made we left for Napier. We were permitted to spend ten minutes on Marine Parade. Some senior rugby players amused themselves by throwing stones at each other, while others were lucky enough to see the dolphins at Marineland but most spent their time (and money) stocking up for the trip home. The trip home was uneventful. Again we were deserted by the mini-bus, though the two buses stayed together (the slow one managed a better pace). After lunch at Taupo we left for Tokoroa arriving mid-afternoon.

Almost all agreed it was an interesting three days so thank you to Mrs Stokes and the other teachers for organising it.

## SPORTS REPRESENTATIVE TEAMS 1987

### • Athletics

**Waikato Secondary Schools Team:**  
Paul Miller

### • Cricket

**Midlands Third and Fourth Form Team:**  
Peter Albutt, Tod Cooney, Michael Gielen,  
Matthew Morrissey, Richard Rangi.

**South Waikato Under 18 Team:**  
Richard Bloch, Dax Cooney.

**South Waikato Colts Team:** Richard Bloch,  
Dax Cooney, James Cameron.

**South Waikato Senior B Team:**  
Richard Bloch.

**South Waikato Senior A Team:**  
James Cameron.

### • Boys' Hockey

**Piako Under 15 Team:** Paul Derham,  
Malcolm Elder, William Ford, Gerald Keightley,  
Stuart McConnon, John MacMillan, Nicholas  
Pirihi.

**New Zealand Secondary Schools'  
Tournament Founders Cup, Tokoroa:**  
Nicholas Pirihi.

# THE SENIOR BALL

The Timberlands Conference

Centre was the venue for this

year's Senior Ball, the

theme of which was

of a French flavour –

"A la Francaise!"

It was apparent that a lot of thought had gone into the ball from the invitations designed by Mrs Schwed to the general decorations which included baskets of french loaves, the decorated bicycle, garlands of flowers, rosettes, streamers, balloons and a cafe-like awning, all carrying the traditional red, white and blue colours.

The evening began officially at 7 p.m. although friends had gathered together beforehand.

On to the ball where the guests had a chance to mingle before dinner. The meal, served at 8.30 p.m. was a smorgasbord of salads, hot and cold meats, fish and roast vegetables, followed by a dessert of eclairs, brandy snaps, cheesecake and fresh fruit salad, aided with glasses of punch and concluding with cups of tea and coffee.

The Waho Brothers from Taupo provided the live entertainment – with a variety of waltzes, fox-trots and some things a bit more up-tempo. (A highlight of the evening was the spectacular

steps of Mr and Mrs Pilott – who showed us a thing or two). During the band's break, the music was continued by the popular disco run by Joseph Leuii.

The standard of dress was as high as usual this year in both male and female guests, all adding to the formality of the occasion. The belle and the beau of the ball, who were chosen by the staff, were announced at 10 p.m. 1987's Belle of the Ball was Jo-Ann Risbridge who is a current seventh former and Forest View Deputy Head girl. Her beau was Shane Kelly, sixth former and member of the successful First Fifteen Rugby Team. After which a special presentation was made to Mereana Faulkner who played a major part in the Ball's organisation.

This year's Senior Ball was also attended by

This page sponsored by:

***Fabric Centre***

four members of Tokoroa High School Student Council in conjunction with Forest View High School's Head Girl and Boy and Deputy Head Boy and Girl attending the Tokoroa High School function.

After more dancing, and people capturing their evening by making full use of the photographer the ball ended quietly but on a pleasant note at 1 a.m. and students made their way to the after-ball parties.

From all senior students and partners, a big "thank you" to the ball committee for the time and effort they put into the general organisation, and ball decorations, and to the Staff without whom the ball would not have been possible. Their hard work contributed to a very successful and pleasant evening had by all.

# UNINTENTIONAL CREATIVE WRITING

*"The venerable stage of a new born baby is longer in humans than in other species."*

*"Smelly people are impulsive."*

*"It depended on witch doctor they went to."*

*"The hole village is one big family."*

*"I was wearing a jumper and summer trousers with bear feet."*

*"...held their licence for two years between the hours of 5 a.m.-10 p.m."*

*"Orwell porns all this clothes."*

*"Instead of flirting and waisting time with Cleopatra."*

*"For the play to be without this central idea would result in a boring, unexuberant war."*

## **PUPIL QUOTES:**

### **6th Form Essays**

*"It makes a brilliant reddy orange ring around the horizon, like the raping on the birthday cake when I was a child."*

### **Beware of Tourists Terrorists!**

*"If the tourist attack had not happened..."*

### **The Scientific Experience?**

*"We had been trying to get this experience working before university closed down."*

### **Who needs a Pot Mit?**

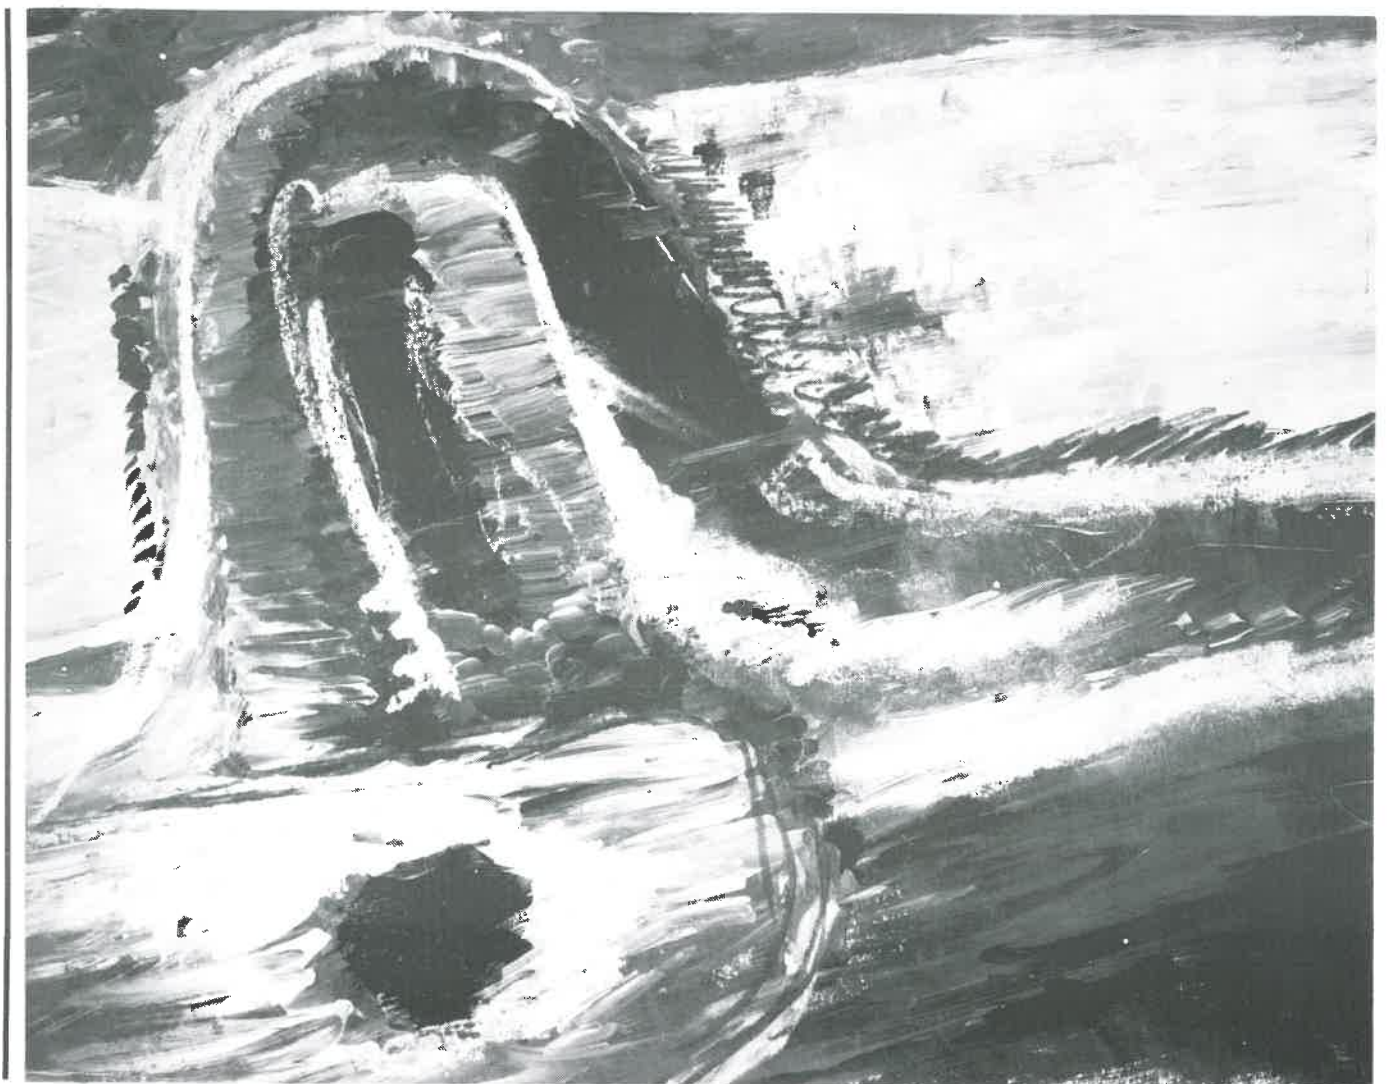

*"Bodies were all over the room — limbs, legs, heads scoured the room."*

*"I would like to do sound effects because I would like to make different sounds with my organs."*

*"The Dewey Decimal system is for people who don't know their alphabet."*

*"The Dewey Decimal system is for books that are over dewey."*

*"... the imagery gives the language a poetic and florid sound."*

• Craig Mulgrew

# WORKDAY

**TUESDAY:** It was that dreaded time of the year again.

**WORKDAY:** Every pupil had to participate and bring back at least \$10 for a day's hard work. Those who couldn't find jobs themselves had to either ring up or go to the School and be given one.

Brenda Lowe and Maria Bullmore spent the day at school answering phones, taking down job details, and giving others jobs. It is rumoured that the teachers spent the day driving people to and from jobs, but this isn't a known fact!

The wide range of jobs people did included ironing, lawn mowing, painting, babysitting, gardening, shop work, and car washing.

The total raised was about \$6500 which will be spent as follows.

**\$2000** — donated to magazine.

**\$2000** — for more lockers.

**\$2000** — two computers.

The remaining money will be put into an account for a new minibus.

Workday is over now, but I would like to thank the following people for their help.

Brenda and Maria — for answering phones.

Susan and Kay — helping on the Workday Committee.

Mrs Mennink — for being teacher-in-charge.

Mrs Williamson — for counting money afterwards.

And I would also like to thank all of those pupils who worked hard to raise money for the School.

# ROTARY EXCHANGE STUDENT

*Kia ora everyone! And I hope you haven't forgotten me! What can I say about NZ except that I miss it. Looking back three things stick out in my mind.*

*The first one is my uniform. How could I ever forget it!*

*I also miss the sheep. I've never seen so many or eaten so many in my entire life! And I haven't seen one since I've gotten home.*

*And last, but certainly not least, the America's Cup. Oh! How I laugh. New Zealand should be so proud of itself though. The feelings of togetherness were great. Even if it did mean ganging up on the only American there.*

*I miss everyone. I miss assemblies and moro bars. And especially rugby. My experience in NZ taught me so much and I know wherever I go in my life the land of Aotearoa will always hold a special place in my heart.*

SOPHIA GOODE

# OUR AFS STUDENTS

*Kia Ora, I'm an AFS programme exchange student from Thailand. I came to New Zealand on the 21st of January at the beginning of this year. I really like it here as the atmosphere is more relaxing, people are not that competitive and you do not feel so much under pressure. I'm in Forest View High School (excellent school) as a sixth former and next year when I go home I'll be in M.6 which is the highest Matayam at the school.*

*NZ is a beautiful country like a green silky cloth with millions of white sheep-like dots everywhere. Kiwis are really friendly (nearly as much as Thai people) and the towns and cities are just ... just wizard. The sixth form trip was really interesting and new to me because there isn't a form trip like that back home — just specific trips like sports and subjects.*

*The most memorable highlight of my year was the August Holiday trip to the South and Stewart Islands, it was wonderful down there. I met many old and new friends on my travels and while I was down there, stayed with 10 different families. They were all nice to me and I remember them fondly.*

*Now that I'm back at school, I can only look forward to the rest of my time here and remember what a great year I've had.*

SIRRIRAK PLIPAT (PAT)

*Hi! I am Beat Luethi from Switzerland although people at school actually call me 'Boot' or 'Bort' or 'Bat' but I don't really mind.*

*My year in New Zealand and at Forest View High School (somebody told to say the best school in NZ) has been really great. I arrived in New Zealand two weeks before school began and at first I thought school was really funny. I thought that uniforms and assemblies were stupid but I became used to it and now I quite like it.*

*I enjoy school because of the long weekends, no homework and all those great teachers who I'd like to thank. I'd also like to thank all the students who have been so friendly for teaching me all those words which I shouldn't really have learnt.*

*The sixth form trip was excellent and so was the language camp and the Outdoor Pursuit Centre in Turangi.*

*Thanks for having me in the 1st eleven soccer team. It was great to travel around, especially when we went down to Taradale.*

*In my year, I saw quite a bit of NZ. I travelled most of the North Island and in the August Holidays, I saw most of the South Island — it is most beautiful. I went skiing, rafting, jet boating, horse riding and even rode in a helicopter. It was great.*

*I've only got three months left and I don't like it at all. Too many things are still to be done.*

*The school ball was great and I look forward to the holidays but not my departure.*

*Forest View High School thank you very much!*

BEAT LUETHI

*My name is Rasika Gishan Malaviarachchi of Sri Lanka and I am an exchange student staying with Mr and Mrs P.J. Trevors. I arrived in New Zealand on the 17th of January this year and immediately I knew I had caught a ride on a journey into the unknown. I was told New Zealand had different lifestyles, cultures and languages, that were very interesting and I can tell you now, I wasn't disappointed.*

*The highlight of my year (believe it or not) was learning to speak English, because when I stepped off the plane I knew approximately 25 words but, despite this setback, took on the rigours of Kiwi life without batting an eye. If asked what I like about New Zealand, I must answer truthfully, the South Island, the sixth form trip, Auckland, and fish and chips. I was also really surprised to see snow, which is a first for me living in Sri Lanka.*

*I have a lot of friends in New Zealand and will miss them when I leave but will also be glad to see my old friends and family.*

*Not in my entire lifetime will I forget this trip to New Zealand and can sum up my feelings in one sentence.*

*"This year was wonderful."*

RASIKA MALAVIARACHCHI

# TAHITIAN STUDENTS

This year Forest View once again hosted Tahitian students under the NZ/Tahiti exchange scheme organised by the NZ Language Teachers Association. Under this scheme, Tahitian students come here for their long summer holidays (July/August) and NZ students go to Tahiti in December/January.

This year's students were Clarita Amaru and Celine Chong, who stayed with Kirk, Siebring, Marriott and Houghton families. As these students' first language is French and they study English at school our pupils had the chance to try out their French and teach some English.
