## From The Editor **R**

**Kia Ora,**

Well here it is. Your momento of 2001. What a year to remember! The yearbook team has tried to capture as many moments, events, groups and people as possible. Hopefully most of you are represented, if you aren't, it's probably because my lunchtime photography wasn't too great (perhaps I should have tried using a film!).

Nevertheless, I have enjoyed the challenge of being Editor, but I am sure that I echo the words of many previous editors when I say that I won't be doing it next year! Time was short and I appreciate everyone pulling together and supplying all of the necessary articles, photographs etc. A special thanks to Andrew Kerr who is responsible for the layout, design, graphics, practically everything in the production process. He has worked tirelessly and for little reward. Thanks for sharing your talent Andrew.

Also a big thank you to the typists, photographers, article writers and staff. In particular the yearbook committee. I must mention my worse half...oops ... better half, Mr. Manu. He has spent hours scanning photos and helping with the layout. Kia Ora taku tane!

I really appreciate the money allocated to us by the Board of Trustees and also the Student Council who have supported this project financially to enable you to have this book for a minimal cost. This magazine is evidence of your money from various sources being used wisely.

Finally some words of wisdom (that's if anyone has bothered to read this far!). Probably one event that will stick in our minds for years to come is the terrorist attack on the USA. Not only has this affected the families involved, but it has affected the whole world. No doubt it will continue to have an affect on world history.

If there is one thing we can learn from this, it is to appreciate life. It is truly a gift, one that can be taken at any moment. Therefore you must make the most of every opportunity you have to be all you can be. If the opportunities don't come, then go out and make them. You have the power to be anything you choose. Most importantly, appreciate your family and friends because at the end of the day, they are what really matter.

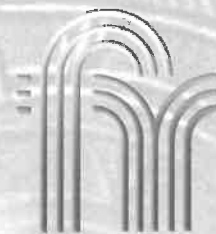

**Arohanui**  
**Darnel Manu**

# P Principal's Report

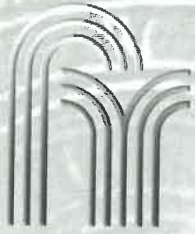

It's amazing how many opportunities and experiences can be packed into one year, and 2001 is no exception. Congratulations to all of our Forest View students and staff who have contributed to this year's "highs".

A big "high" for the whole school is the excellent report from the Education Review Office. ERO visited the school in the last two weeks of Term 3, five years since their last visit. They were impressed with the performance of our BOT, the leadership of the school and the quality of the overall curriculum we offer our students. They found a "consistently sound" standard of teaching and a lot of effort made to ensure we have a "safe environment". Special features of the school noted by ERO were our identification of learning needs and addressing these, the affirming classroom environments, the management of curriculum and assessment, and our rigorous evaluation and accountability procedures. They say we have an atmosphere of continuous improvement and have kept building on our excellent report obtained on their last visit in 1996.

The sporting arena has given us several "highs" in 2001. Congratulations to Monique Williams (Athletics), Amy Tyrrell (Figure Skating) and Hazel Cook (9 Ball) who have all represented New Zealand overseas. Many other students have achieved Regional Representative Status, and several of our teams have achieved winning placements in their competitions. The 2001 First XV Rugby team have had arguably one of the most impressive records since the school began – winning the Waikato 1<sup>st</sup> Division Secondary School Championship and the Tricolor Trophy. Several members were also in the Rugby Sevens and Touch Rugby teams, which both won the Waikato Championships and performed well in the Nationals. The team capped the season off with a trip to Rarotonga. Just as important, however, we must remember all of our other sporting teams who have participated well and performed to high standards. I have really enjoyed getting around to watch as many teams as possible during the year at our Sports Exchanges and during regular competition.

Cultural "highs" are an area of continuing development at FVHS. We enjoyed another successful production "Dracula Spectacular" with a large cast and crew. It has been great to see huge improvement in FVHS Debating, with our top team reaching the Waikato semi-finals in their first year of competition, and the FVHS Choir, Te Piringatahi, Polinetia Fa'atasi and Theatre sports continuing to grow in strength. We welcomed Misato Kita High School and Kurayoshi Agricultural High School on further visits and we must have had a record number of students go overseas with AFS and other exchanges.

# Principal & Board of Trustees Report **S**

Our academic "highs" are getting higher. We were very pleased with the excellent results achieved in the 2000 Bursary and School Certificate examinations. FVHS students are on an ongoing upward trend of pass rates in both exams. As well as this a large number of students are completing National Certificates. The number of unit standards achieved has mushroomed to over 10,000, and we are a leading school for this. Our teachers are all trained for and positively looking forward to the introduction of the National Certificate of Achievement (Level One) in 2002 – this is something many other schools are negative about. Our positive attitude will be to the benefit of our students.

This year I would like to say a special thank you to the outgoing BOT. Many of our long-standing members did not stand for re-election. I, as Principal, and the staff as a whole have always had an excellent relationship with the BOT, and this has also ensured the school has run smoothly and continued to progress. Thanks in particular to Dr Ian Kirkby (outgoing Chairperson), Mrs Margaret Emerson, Mr Lyndon Haugh and Ms Chrystene Hansen who have now retired from the BOT after serving several years in leadership positions.

I would also like to acknowledge the support of our late kaumatua, Mr Anaru Marsh (Uncle Andy) who passed away in March. We were all very sad to lose this wise advisor who was always there to support our students, staff and BOT.

I am writing this article at the beginning of the Term 3 holidays, and the Tall Blacks have just clinched an historic series win over the Boomers!

This shows just what can happen with great team spirit and attitude. This school is a successful school because we work as a team, and I wish to thank the members of my Senior Management Team, the teaching staff, the support staff, the student leaders, and all of our students and families who are part of the "FVHS team". There is nothing we can't achieve if we all work together.

**Robert Blucher**  
*Principal*

## **Board of Trustees**

I would like to pass on the current Board's thanks to the previous Board for all their hard work and achievements in many areas. In particular, I acknowledge the service of Ian Kirkby over the ten years that he was involved with the School, six as Chairperson. Dr Kirkby also agreed to be co-opted for six months by the current Board and his judgement and wisdom were much appreciated. The current Board is determined to provide the same high standards of stewardship.

The Education Review Office appraised the School in September and it was very gratifying that the governance, management and delivery of the curriculum were strongly endorsed.

The Board looks forward to working with the Principal and staff, to both provide as many opportunities as possible for our students in academic, cultural and sporting areas and to meet a number of challenges that face us.

I congratulate all the students who have achieved in all areas this year. To every student I would like to say this: FVHS provides any number of opportunities and you have a chance to thrive in this environment and I would urge you to get involved. I further urge you to realise that these opportunities are a platform for all your future achievements.

**Heather Rice**  
*Chairperson*

# **S**pecial Tributes

## **Marion (Teddy) Eivers Resigned from Forest View High School Staff, June 2001**

We were all shocked when Ms Eivers was involved in a terrible car accident in January 2000. She sustained severe injuries and was hospitalized for a long period of time. Her recovery is long and gradual and we are all thankful for the progress she has made and is still making,

Unfortunately Ms Eivers is still confined to a wheelchair and her health condition has meant she has been unable to return to her teaching position at FVHS. Staff and students welcomed her to her farewell assembly in May, which was a very touching occasion.

Ms Eivers will be remembered fondly by many of her previous students at FVHS. During her four years here she made her mark as an English Teacher, as a teacher-in-charge of Rugby, as Assistant HOD English, as Dean of Maraetai

Lake, and as the Director of several excellent School Productions. This shows her wide involvement in all areas of the school: academic, sporting and cultural. Because of this she had an impact on a very wide range of students.

Ms Eivers will be best remembered for her Productions, which were enjoyed by large casts, crew and audiences alike. Our drama room, which was opened in February 2000, is named "BARE-BOARDS AND PASSION THEATRE", a name chosen by Ms Eivers.

We wish her all the best with her ongoing recovery, and for the future.

## **Mr Anaru (Andy) Marsh Kaumatua Died March 11 2001**

Earlier this year the whole school was saddened with the passing away of our loved and respected Kaumatua, Mr Anaru Marsh, known to us as Uncle Andy.

Uncle Andy was a well-known figure at Forest View High School. He conducted many powhiri, blessings and other

ceremonies for us, and regularly attended whanau support meetings. He always gave expert advice, and was well respected by all members of our school (staff, students and BOT) and by all members of our local community. His wisdom and his excellent example of conduct will

always be remembered. He continued to do everything he could for us throughout his illness and we always knew he had our welfare in his heart.

Many members of our school were deeply involved in or attended Uncle Andy's tangi, and this showed our depth of feeling for him. Our deepest sympathy to the Marsh Whanau on the loss of their loved father.

# Staff List

## Senior Management

Principal: Mr Robert Blucher B A, B Sc, Dip Ed, Dip Tchg

# Library Report & Staff Note **S**

## From The Library

The real first year of the new millennium has been another busy one for our Library. The early birds struggle in around 8 am each morning, looking for a quiet, warm place to have a read – or just sit.

The security system has proved to be invaluable and we can now count on keeping so many more of our good books on the shelves – or in circulation, where they should be. Security has also been enhanced by the construction of a bag bay and storage area at the entrance.

We started the year with the addition of four more computers and relocated and refurbished reference section. Many more students are now able to surf the net and add a new dimension to their research and their learning – probably teaching their teachers a thing or two in the process! We have also added extra, and more mobile, shelving units.

Our small, but willing, band of student librarians has kept the library going at lunch times and their help is very much appreciated. We are also grateful for the support of Mr Blucher and the Board of Trustees and we look forward to keeping our Library right up there in future development and services.

Best Wishes!

***Mrs Roberts and Mrs Smith***

## Staff Notes

At the beginning of the year we welcomed a number of new staff members from a variety of places. Cormac O'Duffy, Natasha Vazey and Setsuko Sawada came from overseas while Julia Crutchley, Andy Gray, Scott Maxfield, Mamae Kapoor, Iwi Bennion and Viona Taylor came from various parts of New Zealand.

We welcomed back Lynette Douglas who took Karen Standen's classes from term one while Karen was on study leave. As well as this Sharon Livingstone covered Lesley Hollis's classes during term one while Lesley was on sick leave.

When Cormac O'Duffy returned to Ireland at the end of term one we welcomed Jess Earnshaw who came from Tokoroa Intermediate to replace him as Head of Performing Arts.

In May we farewelled Marion Eivers. Marion was involved in a serious car accident in January 2000 and was unable to return to school. She has been continuing her recovery at home in Te Teko.

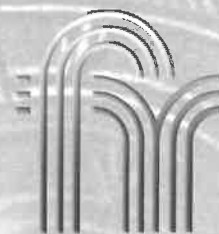

Paul Clarke resigned in May because of poor health. Paul had been at Forest View High School for nearly nine years. In June Emily Look left to take up a teaching position in England. She was replaced by Cherie Merrylees who is an ex-student.

Merran Brear left in June and was replaced by Susan Hopkins. Merran had taught at Forest View High School in various stints since 1985.

***Chris Rice***

# Head Boy & Head Girl

## Head Boy Report

Being Head Boy this year has truly been a great honour. It has been an awesome and rewarding experience for me.

The role of Head Boy has brought along many challenges and new experiences.

One of the many challenges for me that I'm still trying to overcome has to be speaking at assemblies (although I have improved since my first ever speech!!) – this was a rather daunting experience at first and to me it still is!!

The ANZAC day service was something special – both Adria and I had the opportunity to represent the school for this special day and what an experience it was.

Chairing the council with Adria was a bit..... umm..... LOST!! – ADRIA! (Workday) but apart from that it was also an experience that I thought I enjoyed.

This position has certainly helped me mature a lot and helped develop my leadership skills, giving me the opportunity to learn and experience new things that I never could have tried if I had not been Head Boy. It taught me to be proud of myself and be proud of this great school that I have been selected to represent.

I would like to take this opportunity to thank the Head Girl Adria, with your help it certainly made things a lot easier. To the deputies, Olivia O'Sullivan and Haydn "GOKU/KAMEHAMEHA/WATEVA" Wright, thanks for all your hard work and back up this year including the awesome pronunciation of the "tuck-shop" voucher's names. To Mr Rothman for keeping me and Adria "in line" and to all the other staff for helping me on the way.

To the students – I have tried my hardest to do my best this year, to represent you and to be a good role model, and I hope that I have achieved this. Good luck for your years to come.

Thank you  
**Anthony Wong**

## Head Girl Report

This year has passed so quickly and I have learnt so much, that as far as summing up my time as Head Girl in a few sentences – well I don't know where to start.

Coming back from AFS in Brazil to be Head Girl of FVHS was daunting at first and things such as speaking at assemblies and co-chairing the Student Council 2001 have been HUGE learning curves for me.

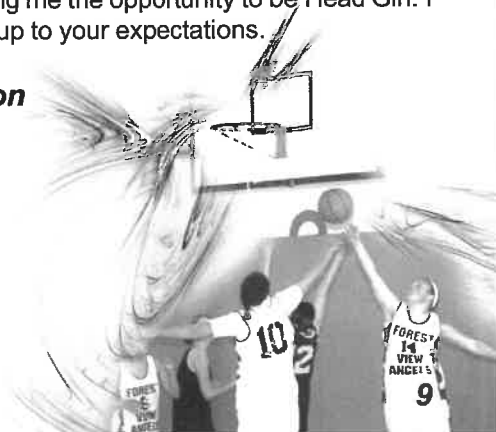

The best part about getting an article in the magazine is that I get to say thank you to all the people that have helped me throughout the year. First of all, thanks Wong for being a better Head Girl than I was – and also for feeding me nearly every night of the week. Also Livi and Haydn for mastering much more than the Tuckshop vouchers.

To Mr Rothman for his supportive and enthusiastic attitude towards the Student Council, and also thank you to Mr Rothman's yoghurt for keeping him calm. Also Ms Umaki: Calculus teacher, tutor teacher and slave driver, for still believing that one day I will learn the vital skill of time management. And my WUm tutor group for giving me valuable feedback throughout the year and for worshipping my Ronaldo poster when I was in Brazil!

Thank you to the 7<sup>th</sup> form for putting up with me and Wong while we stressed at workday, cricket nets, gym sound system and each other. To Mr. Blucher, Mrs. Wiles, Mrs. Stokes and Mr Ferguson, thank you for trusting us to do our job when we didn't trust ourselves. Also thank you to the rest of the staff for supporting us.

Last but definitely not least, **thank you** to the students of Forest View for giving me the opportunity to be Head Girl. I hope that I've lived up to your expectations.

**Adria Henderson**

# Student Council Report

The official motto for this year's Student Council was, "aim high, achieve high." However, since for many of us this was our first time on any type of council, our first aim was to find our feet.

However, after getting through workday, the council is now tackling several projects throughout the school; SADD (Students Against Drunk Driving) and more recently we are working on the instalment of a sound system in the gym

and the purchase of cricket nets. We have also contributed a significant amount of money towards this year's yearbook.

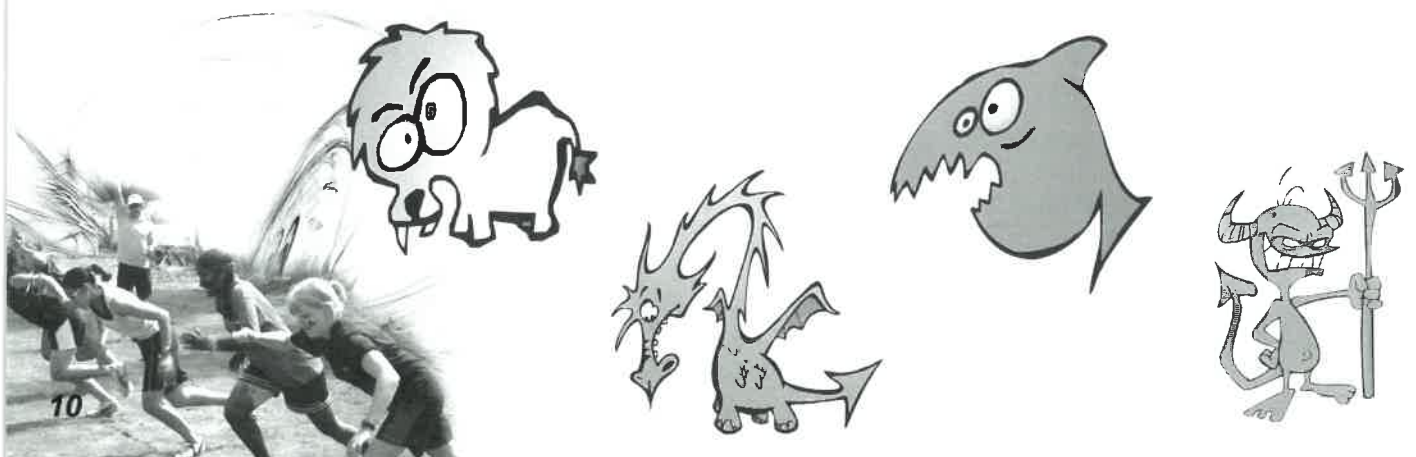

Being in this year's council was a challenging experience and I think that we all achieved the unofficial motto of "Council 2001 – we just have fun!!"

**Adria and Wong**

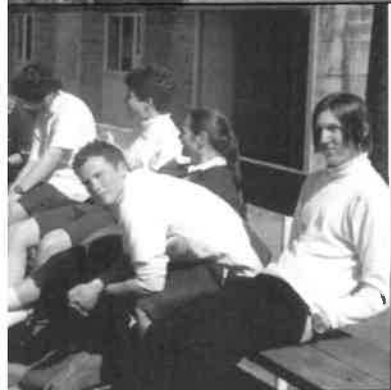

STUDENT COUNCIL 2001

# Arapuni (Sharks) Lake

## THE LEADERS

Hilary Mathis, Amy Tyrrell, Te Waimarama Neho, Marcus Stowe

## THE STAFF

Mrs Roberts, Mrs Standen, Mrs Brear, Mrs Hopkins, Mrs Clark, Mr Earney, Mr Erece, Mr Arthur.

## THE SUPPORTERS

Mrs Gibbons, Mrs Brown, Ms Watkins, Mrs Sefo, Mr Jeffs

At the time of writing the magazine article for the year book 2000 we were unsure as to the result of the Inter Lake competition. The announcement of our win at Senior Prize Giving was a neat moment for all of us in Arapuni, particularly for those of us who had seen our lake struggle in the early days and work so hard to climb to the top. Well done to all involved.

The Inter Lake competition this year has once again been fierce but fun and although Arapuni were the proud winners of Athletics, Swimming and Cross Country there is still a long way to go to retain the Inter Lake trophy. We have enjoyed all the competitions this year and thank the other lakes for their friendly rivalry.

We have celebrated many individual student successes in all aspects of school life throughout the year. The list of recipients of the Arapuni Baton of Excellence, highlights the diversity of excellence within our special group of people. We have achieved at the top level in many academic areas, culturally and in both team and individual sports. This along with huge participation and involvement in Lake Events has meant that all of us have contributed in some way to our successes so far.

As usual the Arapuni leaders have put in a heap of work to keep events running along smoothly. I am extremely grateful to Hilary, Amy, Marcus and Te Wai for their mature way in which they have contributed to Arapuni, I value each of you and have really enjoyed your input – many thanks and hey Te Wai don't forget..... You know!!!!

To the staff and supporters - what a wonderful group of people you are, thanks for your on going hard work for our students, I am really grateful to all of you for making my job so much easier.

In conclusion I look forward to seeing Arapuni continue to go from strength to strength in the future. With such a great Arapuni team of students, staff and supporters the future in all aspects of school life looks great.

# Maraetai (Devils) Lake E

Tutors:	Mrs C Blucher	Ms L Hollis	Mr N Manu
	Ms J Chemis	Mrs M Kapoor	Ms C Merrylees
	Mr B Dowdle	Ms E Look	Mr N Treasurer
	Mr C Hakaria	Mrs D Manu	

House Leaders:	Richard Kahui	Annette Paul	Nicole Winikeri
	Florence Kerr	Newton Thompson	

Maraetai had a good year. No, we are not going to win the Inter-Lake Trophy. We are not even going to get a joint second place like last year. We know that, but we are a great lake. We have spirit. The house leaders, under Mrs Blucher's capable care, and students demonstrated it during the Inter-lake athletics meeting when the Maraetai spirit was felt with loud chants and good singing.

The year 2001 was a very stable year in respect of Tutors. Ms Look was the only Tutor who left during the year. She decided to go to the UK for her big OE. Ms Merrylees, a former Forest View student, took her place from the beginning of term 3. Mrs Blucher, Mr Hakaria, Mrs Kapoor, Mrs Manu and Mr Treasurer are Tutors for the Whanau class. The Tutors for the other Maraetai Tutor groups are Ms Chemis, Ms Hollis, Mr Manu and Ms Merrylees. Mr Dowdle had to fill in whenever one of the other tutors needed him. The arrangement was excellent as he has good knowledge of the students in the lake and that made matters much easier.

Halfway into the year, one of our Lake-leaders, Florence Kerr, left Forest View. She was accepted into a broadcasting course. This is something Florence had a passion for all her life. We wish her well. Nicole Winikeri was co-opted to fill the void left by Florence - a task Nicole has done effectively and efficiently. Mrs Blucher, the Assistant Dean, once again attended to the Lake Council and lake assemblies efficiently and effectively. The council was very active and we saw the creation of our Maraetai mascot. This was made by the students and is our pride and joy. They have also introduced the student of the week award. This was organised by Jamie Lee Chapman and Adam Koveskai. Students in each Tutor group nominated students they considered worthy of the award. Reasons ranged from having reduced the number of detentions a student received, to great achievement of some kind.

As the case was last year our students did well. They were great participants in the Inter-lake activities organised. Our house leaders encouraged Maraetai throughout the year. We formed one great Whanau. Well done Maraetai!

We wish you well for 2002. Haere Ra.

# Ohakuri (Dragons) Lake

Dean: Mrs R Sommerville  
 Assistant Dean: Mr D Clark  
 Tutors: Mr D Clark, Ms J Crutchley, Mr S Farnsworth, Mr K Haines, Mrs R Paki, Mr C Rice, Mrs H Williamson  
 Lake Leaders: Alice Joynt, Naomi Moore, Sarah-Jane Westbrook, Shannon Hosking  
 Lake Council: D Lee, N Yukich, O Goode, M Karora, C Davis, M Veldhuizen, L Kelly, V Gorter, C Yukich, A Erskine-Shaw, A Goode, T Henry, V Gray, J Beale, N Hinfelaar

Ohakuri Peer Support Leaders this year were: Billie Aukuso, Jenni Riley, Amber Luxford, DeeJay Waerea, Bryce Christensen, Annmarie Farrar, Naomi Moore, Sarah-Jane Westbrooke, Ane Pio, Kendall Goode, Carlie Yukich, Nancy-Jo Tahere, Alice Joynt, Rhea Jones, Dominic Yukich, Anna Butler, Jenafer Newton, Simone Bridson. These students all gave valuable time to support the Year 9 students' introduction to Forest View. Bryce Christensen and Annmarie Farrar were selected and trained as the Sexual Harassment contact students for our Lake.

Ohakuri's final placing in 2000 was disappointing but our 2000 Junior students set up this year in a very positive way with a 1<sup>st</sup> placing after the Junior Prize giving and Merit results were totalled. The goal this year was to increase participation with encouragement from the Ohakuri Angels. Athletics Day was the first real 2001 challenge. Large green banners were painted and hung proudly from the rugby goal posts, many of the Ohakuri T-shirts were bought and out came our wonderful dragon mascot and banner. These, combined with plenty of green paint on faces, bodies and green hair showed the Ohakuri spirit was alive. Our athletes tried hard and we ended the day as Runners-Up. Special mention goes to the following overall place winners: James Kamana [1<sup>st</sup>], Monique Williams [1<sup>st</sup>], Carl Jennings [2<sup>nd</sup>], Alice Joynt, [2<sup>nd</sup>], Dominic Yukich [3<sup>rd</sup>], David Lee [3<sup>rd</sup>]. Monique Williams, James Kamana, Talia Henry and Dominic Yukich were selected to represent Waikato at the North Island Secondary School Champs.

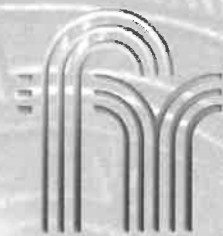

Swimming sports were next and we did increase our involvement. This was again another 2<sup>nd</sup> placing. The Year 12/13 relay team excelled themselves with a 1<sup>st</sup>. Congratulations to overall place winners Alice Joynt [1<sup>st</sup>], Victoria Gorter [2<sup>nd</sup>], Alesha Winter [3<sup>rd</sup>]. We were in 2<sup>nd</sup> placing when it came to the Cross-Country. The majority of students really tried hard but sadly the Lake was let down by a few who showed no team spirit and undid all the great work of the top runners. Top three placings were gained by Alice Joynt [1<sup>st</sup>], Monique Williams [1<sup>st</sup>], Carl Jennings [1<sup>st</sup>], David Lee [2<sup>nd</sup>], Olivia Goode [3<sup>rd</sup>]. Our overall 3<sup>rd</sup> placing in this event also relegated the Lake to 3<sup>rd</sup> overall in points.

The Lake Leaders worked to make certain we fielded teams in all levels of the Inter-House sports. Participation was high which was good to see. As we write this we are awaiting the overall results.

Back Row: C. Yukich, M Veldhuizen, D. Lee, S. Hosking, L. Kelly  
 2nd Row: Mr D. Clark, M. Karora, N. Yukich, J. Beale, V. Gray, A Erskine-Shaw, T. Henry, Mrs R. Sommerville  
 Front Row: O. Goode, N. Hinfelaar, N. Moore (Lake Leader), A. Joynt (Lake Leader), S. Westbrooke (Lake Leader), V. Gorter, A. Goode

# Ohakuri (Dragons) Lake

Lake Day was another joint Lakes' effort and all involved worked hard to make sure the day was a success. From the food, mufti, and finally the social, the day was a busy but successful one.

By the start of 2002 Ohakuri will have its mural completed. Well done to Christine Wallis whose design was selected to be painted. She was looking forward to starting on the wall as this went to print.

Everyone in the Lake is proud of Monique Williams for her wonderful achievements in athletics this year. She twice represented NZ, the first time in the Youth Olympics in Sydney and the second time at the World Youth Games in Hungary.

Ohakurians featured in being selected for involvement at higher levels. At the National College Games Naomi Moore, Rhea Jones and Ngawai Whitiwhiti and James Kamana played touch, Matthew Gorter was in the Under 16 National Mountain Bike race, Monique Williams athletics, Carl Jennings gained a medal in the relay at the Colgate Games athletics. Israel Jones was selected for the Waikato Secondary rugby, James Kamana for the Under 16's rugby and representing the Cook Island in Touch and Quade Cooper for Tritons rugby selection. John Farrar attended the Jnr Nationals 8 & 9 Ball Competition. Ngawai Whitiwhiti, Rhea Jones and Memory Manu were all selected for Tokoroa Rep Netball honours.

Ohakuri students have been successfully involved in a wide range of school activities: Dominic Yukich and Chris Littlewood were members of the band "Nigel" which took part in the Rockquest competition; Naomi Moore, Carlie Yukich, Nada Yukich, Terri Joseph, Jennie Watts, Elise Millar, Catherine Bosely, Becky

Stevens, Luke Kelly, Abby Erskine-Shaw, Andrew Dowdle, Peter Dowdle in "Dracula Spectacular"; Carlie Yukich in debating; Andrew Dowdle, Chris Larsen, Nada Yukich, Sarah Martin, Carlie Yukich, Jade Beale, Nikki Hinfelaar and John Farrar in Future Problem Solving and Sara Aloiai, Abby Erskine-Shaw, Nikayla Turfrey, Renee Ross, Shavarn Cooper, Chanel Erutoe in the Choir. As well, Jennie Watts, Catherine Bosely, Glenn Tippet, Peter Shelton, Kerryn Hale, Michelle Lamberton, Danny Tunupopo, Harley Dixon, Elise Millar and Victoria Gorter were selected to represent the school in the Science Fair.

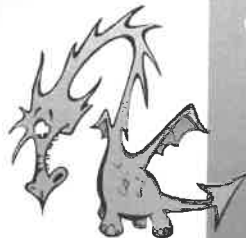

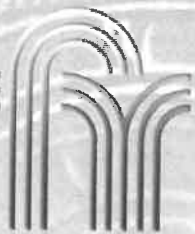

Jerome Tairi has been away on an AFS year in Costa Rica this year and we look forward to hearing of his experiences when he returns in 2002. Shavarn Cooper and Tereapii Oake represented the school on the Kurayoshi exchange whilst Becky Stevens, Natasha Cartwright, Tristan Creigh-Smith and David Wilson took on the challenges of Project K. Rhea Jones and Ngawai Whitiwhiti were selected by the school to take part in the Hokowhitu Programme.

Ohakuri may not end the year as winners but to see so many students involved in so many different school activities is great and one that the Lake wishes to encourage. All the activities the students take part in adds to their overall 'Records of Achievement'. The Ohakuri dragon may have lost a little of its fire this year but we still believe that the words of our song are true. "Ohakuri you're the one. The Lake that is Too Hot To Handle." As we near the year's end we give a big thank you to the Ohakuri Tutors and Lake Leaders and Tutors. We wish our Ohakuri leavers best wishes for happy, successful futures.

Haere ra.

# Whakamaru (Lions) Lake

The B Block mural of the Lion King on Pride Rock is an apt reminder of the values in our Lake. We can't always be winners but we can all be proud of the effort that is made!

Leadership is fostered at Forest View and we were thrilled to see all four of the school leaders coming from Whakamaru – Anthony Wong (Head Boy), Adria Henderson (Head Girl), Haydn Wright (Deputy Head Boy) and Olivia O'Sullivan (Deputy Head Girl). We showed the depth of talent in our Lake when we selected Angela Board, John Elder, Rose Rakei and Sarah Wilson as our Lake Leaders.

These eight worked hard with our Peer Support Leaders to provide a warm welcome for our newcomers. The Peer Support Leaders were: Matthew, Doug, Jenny, Olivia and Karalee for WCr; Donna, Candace and Natasha for WHu; Casey, Stephen, Hans and Haydn for WMd; Rhys, Ben, Tess and Sarah for WOd; Sam, Anthony, Angela, Rebecca, Rose and Rachel for WTr; Scott, Erin, John, Adria, Julian and Allecia for WUm and Pam, Rosalee and David for WWo.

Tess Swale-Barlow, Julian Hoyte and Rebecca McGrath represented us as contact persons for Sexual Harrassment and Thomas Cassidy became a leader in the Hokowhitu Programme.

Academic success is always a cause for celebration and Amy Blakemore topped the School Certificate results with 5 'A' passes, Matthew Riceman passed six subjects, Allecia Swale passed five and Matthew, Rhys Daniels and Sarah Hoyte each gained individual 'A' passes. Amy maintained her efforts and gained a High Distinction in the Australian Science exam. Sarah also did well to gain Merit in the Australian Science exam and to get into the top 15% in the National Bank Mathematics Competition. Katherine Harrison made it to the Science Fair and Blair Riceman was selected to go to the Academic Extension Camp.

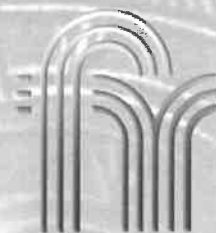

Whakamaru can also be proud of those individuals in the Lake who have excelled in sport. Carly Cunningham won two events at the Waikato National Champs, got a silver medal at the NZ College Games, gained a first ranking for Butterfly in the Waikato for her age group and is twelfth in NZ for the same event. Carly also made it into the Under 15 netball team and was the most improved Junior Umpire in the Tokoroa Netball Association.

Captaincy was a highlight this year with Anthony Cassidy (Junior Basketball), Karalee Pakoti (Volleyball), Matthew Riceman (Under 16 Rugby and South Waikato Under 17 Rugby), Gillian Stockman (Royals Netball), Angela Board (Soccer), Patrick Woodlock (Soccer) and Delwyn Wright (Junior Cricket).

Back Row: Mrs Yukich, J. Wong, K. Pakoti, L. Wilson, D. Wright, C. Wilson, T. Swale-Barlow, R. Popata, Mr Woodlock  
Front Row: H. Mangi, K. Rawiri, A. Board, S. Wilson, J. Elder, R. Rakei, G. Stockman, A. Ryder

# Wakamaru (Lions) Lake

Our rugby reps were Kelly Dawson (Tritons Under 14), Latia Wallace (Tritons), Craig Wilson (Tritons Under 15), **Scott Alloway** (Tritons Under 17) and John Elder (Waikato B). In soccer Patrick Woodlock got into the Waikato Under 13 team, in hockey Christine Liddell and Scott Alloway got into the Under 18 BOP Rep teams and in netball Latia Wallace got into the Under 15 team and Teupoko Natua got into the Waikato Under 16s. Teupoko also got into the Waikato Under 16 Basketball team, John Elder was selected for the Under 21 World Cup for the Cook Island Touch Team and the Under 21 BOP Touch team.

Our sporting success within school events came from Rose Rakei (Senior Winner and two records in Athletics), John Elder (Senior Winner in Athletics), Rose, Sarah Wilson, Olivia O'Sullivan, Angela Board (Senior Relay Team – new record in Athletics), Leighton Manuka and Bradley Wilkinson (Winner and Runner-Up respectively in Swimming and a new record each). Bradley has also won many of the school triathlon events.

We even "won" at the Ball when Angela Board and Haydn Wright were judged the best dressed in theme and Olivia O'Sullivan and Trieste Waenga were the Belle and Beau. The cultural side of our Lake continues to expand with Karla Marsh in Te Piringatahi, Pamela Brider, James Takiri, Doug Hosking, Teupoko Natua, Yolanda Kamire and George Potoru in Polinetia Fa'atasi and Teupoko, Irene Fa'agalua and Zara Eiao in Choir.

The Production was well supported in our Lake by Katherine Harrison, Sarah Hoyte, Rodney August, Jenny Blair, Sarah Wilson, Danielle Blair, Angela Board, Anna Ryder, James Race, Bradley Wilkinson, Karley Rawiri, Sarah Seerden and Terrique Treasurer.

Teupoko experienced culture of a different type when she took part in the Kuryoshi Exchange and we were pleased to welcome Emma Magavern as an AFS student from America.

The Lake Day Variety Show gave us a chance to show our stuff with Joseph Papa coming first overall, Scott Alloway and his band coming third and special awards going to Rachel Bennion, Terrique Treasurer and Jenny Blair. Jenny was also a member of the Debating Team in the semi-finals for Waikato and Scott and Brendan Plowright were members of "Nigel", the band which won Best Stage Performing Group at the Smokefree Stage Challenge.

A vote of thanks goes to Mr Gray, Ms Hudson, Ms Earnshaw, Mr MacDonald, Mr Telfer, Ms Umaki and Mr Woodlock, the Assistant Dean, for their ongoing guidance in Tutor Group.

From the Assistant Dean, "Fate has once again put me in a Yellow House! With the help of the Tutors and the Lake Council I have enjoyed organizing Peer Support and Assemblies. The most impressive thing that has struck me about this Lake is the fun the students derive from participating in the various activities. It has been a pleasure to be part of the Team."

From the Leaders, "As the Awesome Foursome it was exciting to be chosen as leaders for 2001. There were many fresh ideas to spark up enthusiasm within the Lake and we enjoyed seeing our level of participation growing just like a little daffodil! Organising the Trivial Pursuits Inter-Tutor Event was great fun and we were pleased to support the community with our collection on Daffodil Day. On a more personal note we all feel privileged to have represented such a cool Lake!" Sarah, Ang, John and Rose.

# A.F.S. Student S

## Philipp Torn

Hallo. Gutten tag! I am Philipp. I have been in New Zealand for nearly a year, and I have learnt so much! Okay firstly I come from Potsdam, just outside Berlin, a city of more than 3 million people, 1008 years of history and a completely different culture. Coming from a big city, I was amazed at the beauty of your town. In Potsdam we have apartment buildings and public gardens, not many people own a house with a lot of land, so I had never mowed a lawn until I came here.

Anyway the exchange has helped my understanding of people and their traditions, and has even helped me understand my life in Germany better.

The things here are very different here compared to home. Things aren't better or worse, I have learned that they are just different. Since I became a Kiwi I started seeing things from a completely different angle. It is hard to describe how this feels, I can just say that AFS is an unique experience which has changed my life. It wasn't easy but it was worth the effort I put in because of all the friends I made and all the things I seen and done.

Philipp Torn

## Emma Magavern

Kia Ora, my name is Emma Magavern and I'm an AFS student from Buffalo, New York in the USA.

I have been in New Zealand for about three months. In the time I have been here, I have enjoyed learning about the Maori culture with the school Kapa Haka group – Te Piringatahi, meeting new people and seeing new sports such as netball and rugby.

My school at home is very different to school here. One of the differences is lunchtime. In the States we have cafeterias and everyone eats together. We have trays and mini milk and juice in cartons. Another difference is the school social. It is very different from the dances at home, and a lot of fun. The Forest View Ball was really cool and I had a great time.

In Buffalo the Winters are a lot colder than they are in Tokoroa. We get lots of snow and have many ice skating rinks. Most people at home know how to ski or snow board.

One of my favourite things in Tokoroa is the Pie Cart and Cheese and Mayo chips.

Thanks to all my friends and everyone who has made this experience possible. I'm looking forward to the rest of my exchange here.

## Marie-Eve Doucet

I still remember my first day in NZ on the 21<sup>st</sup> of January when I got "lost" in the Auckland airport. I had missed my second plane and when I got there 8 hours later, the AFS people had left the airport and no one was there to meet me. At that moment, I knew that my year was going to be ... awesome! Me with myself on the other side of the world, it was all I wanted, I was in a dream.

On my way to Tokoroa, I was lost, I didn't know what to expect. Then, for the first time, I realised what was happening: It was like I had to start a new life with a new family, new house, new friends, new language ... new everything.

I could understand what people were saying but I couldn't put into words what I wanted to say. It didn't take me long to be able to talk. My first language is French because I'm from a French part of Canada.

A week later, I started school. Since that time, I feel like NZ is my home. I've travelled a lot around NZ, I've learned about your country and your culture. NZ is such a nice place to be, even if it's Tok! Most people reckon, it's a small town and there's practically nothing to do. But for me, Tok means more than that. It is where I've met heaps of people and made friends I will never forget. The people are so friendly and I had so much fun with all of you at Forest View. I had a good time with the rugby girls and I liked my first experience at rugby. I'm going to play for sure when I go back to Canada.

This year is a year of a life-time. AFS is one of the best things that happened to me. It won't be the same when I go back to Canada. My trip has changed my life, NZ and the people have changed me forever. It has been very nice to be here for the year and thanks for everything. It's going to be hard to leave.

I'll miss you  
Marie-Eve

# A.F.S. Students & Japanese Exchange

## Shavarn Cooper – Kurayoshi Exchange

My visit to Japan was one of the best experiences in my life. I had so much fun. I learnt a lot more about the Japanese culture, and I also learnt a lot more of the language.

While I stayed in Japan I met heaps of new friends and I also made a new family.

I stayed with Nakae San Family. They were very nice to me. I love them very much and can't wait to return to Japan. I am very grateful to them.

The things I loved best about Japan are the people, the food and the shopping. My family took me to a lot of fun places. I also spent a lot of time with Yuuko, Asakura and her family and my best friend Rieko Taniguchi. It was a great privilege to be able to go to the special dinner with Kouchou Sensei and Kusumoto Sensei. One other thing I loved about Japan was the Purikuras. I spent a lot of time with my friend at Hero.

I hope to be returning to Japan for the 10<sup>th</sup> Anniversary, along with all the other New Zealand students.

## Teupoko Natua – Kurayoshi Exchange

As I left New Zealand the thoughts that were going through my head were what would Japan be like? Would I like the place? How would the people react when they saw me? But to tell you the truth, the Japanese people and Japan itself is a beautiful environment to be in.

The thing I thought that was quite interesting was the toilet. "No wonder Japanese people are so tiny, everything they do is the hard way, not the easy way."

The place I really remember is the shopping mall, everywhere people are asking you, "Do you want?" At first it's good because you're new and it's quite new to you. But after a while, you tell them to shut up because it gets annoying. Luckily, they are unable to understand English - I don't mean it in a bad way though.

The family I stayed with were really good to me, there's nothing different, the only difference was the looks. The amount of loving was the same quality as my original parents in New Zealand.

I had a really, really awesome time in Japan, and if I had the opportunity to go back, I would! I learnt that even though you are the smallest person in the group, you are able to beat the biggest person there if you put your mind to it. Japan taught me that and I will carry it with me forever.

## Katalin Ovari

My name is Katalin from Hungary and I live with the Polatsek family in Mangakino here in New Zealand.

I have been living here for 2 months and I think I could settle down in this country very well. I love living here, my family is really nice and the people here are very kind as well.

I had a lot of fun since I have been here and I have had lots of different experiences lately. At the Forest View Ball I had a lots of fun, at the AFS camp I have met a lot of new friends from all around the world and I had a lovely day in the mountain near Taupo.

I hope that I will be able to understand the New Zealand culture and learn the language properly, and I would like to have a lot of new experiences as well. I have gained from this Intercultural experience on how to live with all the different types of culture.

Hungary is really different from NZ. We don't have so many hills (mountains) and fields with heaps of animals like here. The population of my country is 10 million.

The schools are really different. We don't have to wear uniform and we have to study hard every day so we can't have after school jobs like here. We usually have 6 or 7 periods a day, each period is 45 minutes.

We can't choose our subjects, we have to take everything like Maths, English, Geography, Biology etc.

I hope I will have a wonderful year here in New Zealand, and I hope I will make lots of new friends and have lots of fun.

# Year 12 & 13 Trip **S**

## YEAR 12

Everyone was in the bus ready to go to this year's 6<sup>th</sup> Form trip.

Our first stop in Auckland was the Zoo. We saw some amazing sights, like the elephants and lions, but no one could forget the two Lamas getting it on. Once settled into our cabins we were off to the pools where their wave machine threw us into each other and the sides of the pool.

Here we meet our first celebrity, Olympic Swimmer Trent Bray, but the guys were too interested to notice him as they were chatting up his girl friend in the spa. The second day took us to our career choices with people going to different places. Some lucky people got to meet Mike King and his side kick Radar. Then came the treasure hunt, where we were made to go on buses, trains and ferries arriving at Kelly Taltons. Many missed their rides. The night's entertainment was a trip to the Imax Theatre. We watched Cyber World and people enjoyed that. Later we went to Time Out for games. Two boys, having missed their bus, decided to run after it until it stopped for them.

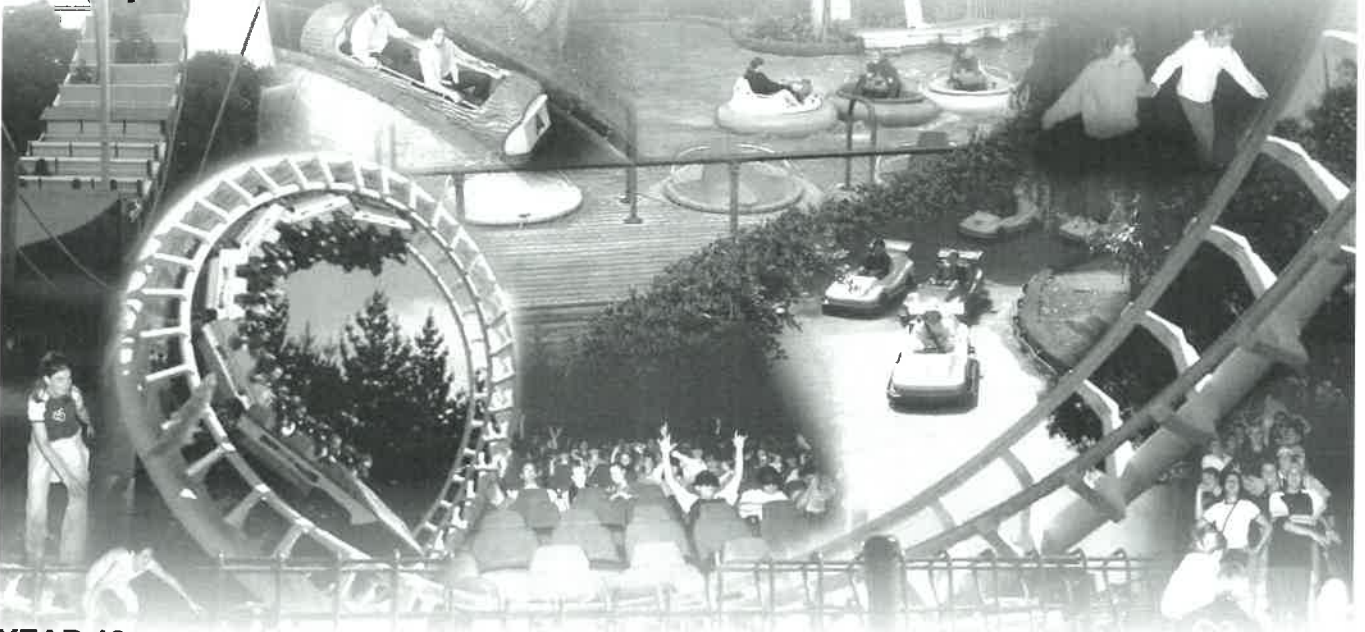

The third day was spent going to different places that interested us. Then free time, with the girls shopping up large and time for a few to get their tattoos and piercings. Ice Skating was really cool but not as many people fell over as what I thought would.

The last day we packed up and went to Rainbows End, with people loving the racing cars, trying to beat each other.

We were really lucky to go to the camp that we did, they were really nice and had yummy food.

I would like to thank Mrs Gibbons for all the effort she put in and to the other teachers who went because without them there wouldn't have been a 6<sup>th</sup> Form trip for 2001.

**Larissa Taylor**

## YEAR 13

Year 13's and instructions don't mix well nor does lights out and staying in bed. But hey, being the incredible young adults (shame the teachers didn't think so), we came up with a night of midnight chases over hilly fields after escaped convicts. Well we didn't get caught doing much wrong but the camera did, with innocent playful fun. Every night was concluded with a midnight swim.

Of course with an abundance of activity, meal time was an example of survival of the fittest. If you were slow you'd miss out if you were unlucky enough to be behind Adria on her 9<sup>th</sup> helping.

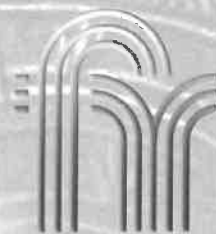

With no cellphone signal in the area, communications between inmates was limited to S.O.S torch signals unbeknown to the worn out teachers.

Many successful escapes occurred slaving off into unknown territory to make those long nights seem less lonely. Many were missing their B/F & G/F but of course some didn't have to!! Camp was filled with special moments for everybody forming closer relationship with one another, ones that will last a life time. This was helped not only by those team building exercises but also late night rugby league in the pool, which left us bruised & beaten but ready to seek revenge, no matter what it took. Camp was great. This was not only because of the fun and mischief that us Year 13's got up to but because the teachers treated us like equals. Cheers! What a way to begin the final year of school for us (well some of us anyway).

**Alice Joynt**

# Medieval Fairytale Ball 2001

The senior ball of 2001 was held on Saturday 11<sup>th</sup> August at the Timberlands motel. This was a spectacular night for both 6<sup>th</sup> formers and 7<sup>th</sup> formers.

There were many awards given on the night. Congratulations to the following

Belle – Olivia O'Sullivan

Beau – Trieste Waenga

Best Dressed Girl – Angela Board

Best Dressed Guy – Haydn Wright

Before the ball everyone eagerly anticipated the arrival of their fellow students outside, where it had been set up to view everyone arriving in their flash transport.

The Ball Committee took pride in setting up the hall to make it look 'Medieval Fairytales' for the seniors and their visitors.

Thank you to the ball committee – Candance Swale, Jenny Blair, Rebekah Win, Dean Morehu, Holly Taylor, Jazaine Mahia, Paula Popata, Dayna Lepaio, Jamie Waho, Ngawai Whitwhiti, Rhea Jones. Thanks especially to the staff who were there on the night. A big thank you to Mrs Gibbons and the staff that helped out beforehand also our waitresses serving punch; Racquel Standen and Rochelle Hamiton. And a huge thanks to everyone who turned up on the night.

***Tess Swale-Barlow***

# Inter-School Sports Exchange S

## Tauhara Sports Exchange

This is our fun one-day exchange at the end of term 3 to wind up the winter sports season. To get our exchanges balanced with a home and away each year Tauhara agreed to come back to Forest View this year and we turned on a beautiful day and a friendly and welcoming atmosphere.

The emphasis of the day was fun and Fairplay and it was great to see evidence of this all day. Our captains chose Fairplay players from their opposition and presented them with Fairplay bottles at the end of lunch.

Results were:

FVHS ...	7 Wins, 1 Draw, 1 Loss
Tauhara ...	1 Win, 1 Draw

We look forward to going to Taupo next year.

**Denise Hein**

Sports Co-ordinator

## Waitara Sports Exchange

Last year for the first time we hosted Waitara high School in a three day Sports Exchange and this year, after lots of planning, revising lists, distributing uniforms and faxes flying both ways with changes, we went to Waitara. It was a long way on the bus for our students and the first visit to Taranaki for a lot of them. After a Powhiri in which their singing was just wonderful and the world's fastest billet allocation ever, we were all set for a great exchange.

On Monday Mrs Bennion and Mr Blucher set off as roving film crew and the rest of us were at school for the games there. Both Hockey teams had good wins with the girls notching up a good 5-0 win and the boys 7-0. This was a new experience for a lot of our students playing on water turf for the first time. Their wins were encouraging for Mrs Hollis who had been a bit worried about these games beforehand.

The Soccer girls had a good win 6-1 and the boys were pleased to come back from 2 down to end up with a 2 all draw. Mr Woodlock's bandy legs straightened a little with this and he stood tall and proud.

Unfortunately the Basketball and Volleyball teams lost but the games were close and some excellent skills were shown.

The social that night was a lot of fun with a few of our players proving that sports exchanges are times to forge close friendships and no one there will forget Mr Manu's head spin while break dancing.

On the Netball court, first thing on Tuesday morning, the A team had a slow start and were down 7 at the end of the first quarter. They did well to come back to being only 3 down at the final whistle. The B team took it to their opponents winning 38-16. Mrs Clark was keen to do a start and get out there too but we held her back.

The final game was the 1st XV Rugby and this turned out to be a very physical encounter but our boys were clearly superior in all areas winning 39-19.

We had a great lunch and then had to head home. Some of our students were clearly reluctant to leave their new friends and others their new found luxury.

Thank you to all staff and coaches who went and made my job easy and especially to Mrs Bennion for all of the work that she did.

**Denise Hein**

Sports Co-ordinator

# Project K & Cultural Exchanges

## Project K

Several of our Forest View students got to participate in a programme which is designed to maximise New Zealand youth potential. Project K brings together the unique attributes of our country to provide direction and purpose to the lives of young New Zealanders; the wonderful bush, our close communities, our willingness to join in, our determination to succeed. Here is what some of our participants had to say about Project K:

"I really enjoy the outdoors and to be chosen has given me a good opportunity to achieve my goals, and knowing if I do my best and stick to it, I can do it." – Natasha

"We went to a lot of awesome places and saw a lot of things. Some of it was really challenging, we did a lot of physical stuff, which was really hard at times. I really enjoyed the outdoors and the responsibility of the expedition. Thank you". – Tai

My favourite places were Mokoia Island and the base camp (Park Lee). There were rare birds like robins and wekas. I have achieved a lot of things" – Kerrie

"Project K is a good experience. It has taught me to have patience. I learnt many things about the outdoors, sleeping in tents is like sleeping on a wooden floor". – James

## Misato Kita High School

On the 12-22 of August, a lively bunch of 9 Japanese students and 2 teachers from Misato Kita High School, Japan, came to Tokoroa for 10 days to stay with students from our school so they could learn English, and New Zealand customs.

The students all arrived bearing loads of presents, lollies, souvenirs, and Japanese games. At first they were a bit apprehensive about what to expect in New Zealand but they settled into New Zealand family life and were welcomed by Forest View students.

During their 10 day stay, the host families took their students to tourist places such as Rotorua to see the Geysers, the Farm Show and the Luge where we had a couple of races down it. We also went to see the Huka Falls and to ride on the Huka Jet.

The students tried traditional New Zealand foods such as Pavlova, Roasts and McDonalds which they thought was good, with no sign of raw fish or Octopus in the burgers. My student even bought 46 bars of chocolate for her class!

Some highlights of their trip were:

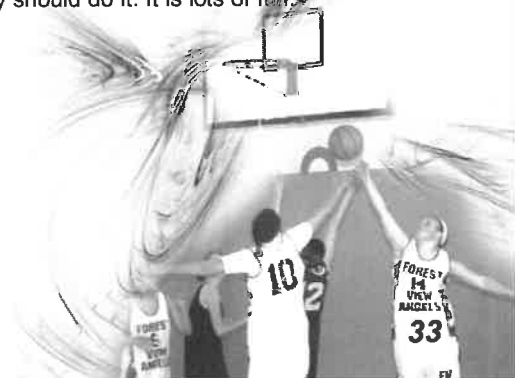

Going to the Marae for the day with the Kapa Haka group where they prepared and put down a Hangi, learning Maori culture such as the Haka and Poi; visiting the Mayor; going horse riding and also having English lessons from the Year 11 Japanese class which somehow managed to turn into dance lessons.

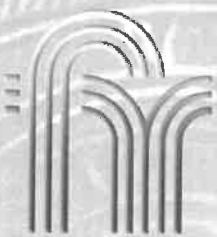

On the last night that the students were in Tokoroa, everyone that was involved with them came to school and had a Sayonara (goodbye) Party. All of the students were dressed up, girls in kimonos and the boys in shirts that are like boys' kimonos. We played Japanese games and they put on a demonstration of kendo (a traditional Japanese sport) and other Japanese hobbies.

The next day, Shiree, Marie-Eve, Mrs Gibbons, Miss Sawada and I went up to Auckland with the students and teachers to say goodbye. It was a really fun day.

Thanks to Mrs Gibbons for her organisation of this exchange. Hopefully, Forest View will be able to take a group to Misato Kita next year. Having a student from a different country in your house is a really awesome experience and if anyone is contemplating it next year, I think they should do it. It is lots of fun.

**By Kate Crockart**

# National Maths Week

This is the week everyone looks forward to each year - a whole week of exciting Maths activities. Daily puzzles for both students and teachers were given. Junior students participated in our Annual Math-a-letics. A team of budding Mathematicians participated in the Waimaths Competition held in Hamilton. The Waimaths team almost ate Pizza Hut out of business and discovered the secret the Maths Department was hiding (Maths Week was a week early - but don't tell anyone).

Special thanks to Mr Rothman and Miss Hollis for organising this wonderful week. We look forward to next year!

## ***A Budding Mathematician!***

### **AN ODE TO STATISTICS**

Oh Statistics,

Creature of great beauty.

How religiously I take samples of data to serve your worthy cause.

I stand in wonder at your linear graphs

And sigh in awe of your smooth bell curves.

I concern myself not with Winter and Spring

But instead with seasonal effect.

My love for your numbers has no mean,

But sustains me no less than 100%

Nor does it hold any range,

Yet centres wholly on your turning point, deviation, charts and percentiles.

The rate of my heart holds a trend so rapid

No scale on a graph could chart its line.

Were I to be separated from your outlier points,

The deficit in my heart could not be filled by any distribution.

To symbolise the feelings, I have for you

I'd put hearts on a pictogram.

Indeed the mode of my love for you is everlasting.

# Holiday Programmes & O.P.C.

## Holiday Seminar 2001

"In the July holidays several students from FVHS went to a seminar held at the Auckland University. We stayed in the University Hostel and during the day we went to three different lectures. In the afternoons we would go sightseeing, shopping and take tours around the campus. There was a lot of time to get to know the other participants. We had concerts, went to the movies and went ice-skating. I found out that university life is really expensive. Meeting lots of people from all over NZ was a highlight for me" ...**Elise Millar**

Here are what the other participants had to say:

"Rocketry was cool because we got to make a rocket and then got to launch it in the domain" ...**Victoria Gorter**

"Large suitcases, worried face, then left all alone in a strange building in the middle of Auckland. New and interesting people surrounded me and by the second day I was friends with most of them" ...**Jennie Watts**

"Staying at O'Rourke Hall was really fun! I made heaps of new friends from around the country" ...**Leleina Tolovae**

"Some of the highlights for me was experiencing hostel life and having to use a card to get to meals and return into the building after hours.... I am thankful for the experience" ...**Mara Blucher**

"The seminar was for kids with potential...overall I think it was a good experience" ...**Rodney August**

"I really enjoyed staying in the hostel, it was clean and we had plenty to do. Everyone was so helpful at the university" ...**Blair Riceman**

"I liked the freedom that we were given during our stay in Auckland....also the subjects that we got to choose weren't boring fall asleep ones" ...**Chris Larsen**

"I believe that this seminar was a great opportunity to learn and to meet new people who are on the same level of mind" ...**Lisa Campbell**

"The best bit was the after class events. We went to the movies, ice-skating and even did meditation" ...**William Aitkenhead**

## OPC 2001

It all began on a sunny Sunday afternoon when 20 students gathered at school with high hopes of the week to follow. We were split up into groups of ten. We had a really cool instructor and we embarked on the best week ever. We did really fun things, powered up on disgusting luncheon sandwiches, yummy dog biscuits and hot raro.

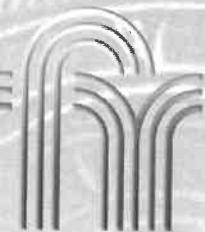

We cruised around in an old prison van and visited lots of different sites around Tongariro National Park. Each day had a different theme such as local day, water day, mountain day and an overnighner. We went caving, gorging, participated in a high and low ropes course, flying fox, hiking and lots more, but the thing we remember most was the overnighner. We filled our packs full to the brim, as we had to carry clothes, food, tents, cooking equipment, toilet paper and sleeping bags. When we were trying to find the campsite, we were thankful Isaac knew how to work a compass, even if he did get his bearings wrong and led us to a dead deer.

We eventually got to the site and Danielle was quick to dig the toilet pit. The rain poured that night and we got really wet but it all turned out well even if we did have to go to the toilet in a hole. Taking about 3hrs to get to the site and 30mins to trek home we were grateful for a hot shower and a flush toilet.

OPC was a really enjoyable week for everyone and highly recommended.

**By Gillian and Sarah**

# Culture, Music And Other Group S

## Rock Quest

Why Nigel? This was the question we were asked every time our name was mentioned. Well the answer to this is that we couldn't think of anything better and all the other names we came up with sounded nerdy and try hard. We started off with only four members, Ben Bright – drums, Michael Morris – guitar, Brendan Plowright – bass and Scott Alloway – vocals. Though we did sound good it wasn't the sound I was looking for. Our first gig as Nigel was playing in front of the school with the Dargaville Rock Band. This was very nerve-racking especially because it was the very first time some of us had performed ever but at the end of the day it turned out a success. In our quest for a different sound Dominic Yukich – guitar, was added to our band which completed our sound and then from nowhere, Chris Littlewood – vocals, turned up and was added the day before the Rock quest heats. In our eyes the heats were a big disaster. One of our amps died, Ben dropped his sticks and we sounded pretty mud, so it was a surprise when our name was mentioned to play in the regional final. The regionals were great, we were all confident when we got out there as all we could see were our supporters from Forest. We played our two originals "Run" and "What I live for" and all went well. Some of our supporters got really into it and came on stage with us but were fired back out the door (shot Rhys). At the end of it all we gained \$100 and best stage image of the night.

## FVHS Radio Station

The Forest View Radio Station started out this year with marginal success but with grounds for an excellent future. After the egg cartons were up and the gear was plugged in, the DJ's got ready for what would be the world's most musically fussy school. Too much rap music was played, too much rock music was played, but in the end it all balanced out. Many thanks must go to Mr Arthur and Mr Haines who were constantly on guard listening for 'bad messages' and 'inappropriate language' but handled it all fine. A great effort also from the DJs with Doug Hosking and Rachel Benion definitely showing some talent and a basis for future career choices. Good luck to all the DJs next year and to the students - I'd just like to say that kicking in the door will not make us play your music.

*Carlie Yukich*

## Choir

The choir has always been an integral cultural part of Forest View High School. It is comprised of 20 pupils, the majority of whom are female students, who have a passion for singing. The Choir this year have sung a variety of songs, from Irish folk, to Gospel and Rhythm and Blues. Practise is an essential part of a successful choir. Dedication and hard work have been factors that have shaped the performances and the progress made throughout the year. Performances during the St Patrick Day concert, the Dargaville Cultural Exchange and formal assemblies have added to experience gained as performers. Students who are talented singers can use the choir as a catalyst to enhance their harmonising performance skills. We appreciate and are proud of the contributions made by the choir to the unique culture of our school.

# Culture, Music And Other Groups

## The Debating Society

Debating - Not just arguing !! For those of us with an argumentative streak, it's the most fun to be had with a bunch of little white cards.

And we definitely did have fun. During the year, we spent too much money at Burger King, laughed at Carlie's comebacks, spotted a bit of talent (Frog Boy!!!), wrote Miloš' speeches for him and listened to Sarah and Wallace's anecdotes (sometimes assisted by pictures and Barbie dolls).

But aside from that, we greatly improved our debating skills. Debating has really helped us learn how to argue a point clearly, speak well without notes and write speeches in five minutes. Now we can bring down entire arguments with a single insult (but nothing personal, mind).

The Debating Extension Seminar also gave us a big head start.

At the end of the Waikato Secondary Schools Debating Tournament, the Blue Team reached the semi-finals and achieved a placing of fourth equal. The White team also achieved great results, with several convincing victories. A big THANK-YOU!!! must be given to our coach, Mr Arthur, the brains, voice of reason and optimist of the outfit. We appreciate his help and guidance. He is an excellent taxi driver. And thank-you, Wallace, for being our general book-carrier, gofer and provider of profound arguments.

So, remember: If in doubt, make it up.

And our motto: If you can't dazzle them with your brilliance, baffle them with... erm... something else...

Here are the members:

Carlie "*And if you can- well, I'll be seeing you later*" Yukich

Sarah "*There were once two little boys...*" Hoyte

Gemma "*Well, I'm a blonde, and I have more fun!*" Bright

Miloš "*You're Fat. Therefore, we win*" Blucher

Fiona "*The Organised One*" Mathis

Jenny "*I'm wearing my lucky orange socks, we can't lose*" Blair

Wallace "*It's not my fault they didn't understand my Evil Plan!*" Revell

Jessica "*Let me quit, dammit!*" Rice

Reid "*The Thinker*" Fergusson

Hilary "*I don't care, it's my birthday*" Mathis

Danielle "*The Mouth*" Blair

Mr. "*No you cannot just call them fat*" Arthur

**By Jennifer Blair**

## Forest View Automotive Shop.

Forest View High School has been operating its own Auto Shop that allows students the chance to work on a range of engines and complete cars. This allows the student to see if the motor trade is the apprenticeship that they want to do. The engines and the cars have been donated by civil engineering firms in Auckland, Pilott Autos, AutoMechanix's, Mobil Aotea, and Baigents, so it is with a grateful heart that I thank them.

The Auto Shop is a hive of activity, where the engines are stripped down, measured then reassembled to running. Students are taught the history of the motorcar and the changes that have taken place over the years. We offer 10 unit standards that are part of the pre-apprenticeship scheme for students.

Besides the cars and engines that we have, we also have a small number of cars that come to us from the public and teachers, where the students are taught to carry out oil changes, tune-ups, and how to look after customer's cars.

Safety is also taught to the students along with hand tools and equipment use, so that when they leave school and look at an apprenticeship, the time spent in a polytechnic will be reduced due to the student gaining these unit standards. Holden, Ford, Mitsubishi, Subaru, Toyota, Nissan are all looked at, yes we even talk about should I say Mazda Wankel Rotary..... "Good as a Boat Anchor".... Yes we have fun, fun, and fun....

The ambition of the Auto Shop is to produce young students of both sexes to become top quality Automotive Mechanics whether it is in the field of Auto Machining, Panel Beating, Car Grooming or Light and Heavy Auto Mechanics.

# Te Piringatahi 2001

Another year that started with a BANG but ended with a FIZZZZ.....

We started the year preparing for our second Regional Kapa Haka Competition. But that was all pushed aside when we lost our Kaumatua Koro Andy. Our Kapa Haka group spent four days at the Tangi supporting the Marsh whanau, Tangata Whenua and Ngaati Raukawa Iwi. We did 25 Powhiri during the four days that our Rangatira lay at Papa O Te Aroha Marae. We thank E Pa for his guidance in Tikanga of this nature. We had never experienced this type of tikanga at a tangihanga before. Tena Koe E Pa. Our Rangatira Koro Andy had a royal farewell from 1,500 people who attended the funeral. Forest View High School closed for the day to honour our Kaumatua Koro Andy. We will all miss our Chief Koro Andy very much. Moe mai te Rangatira Anaru ki to moengaroa.

After the tangihanga of Koro Andy, it was back to the competition wananga. We would like to thank Mr Blucher for his support in allowing our group to have extra time to prepare ourselves for this competition, it did help us. Tena Koe Mr Blucher. The group spent hours, days and weeks preparing our performance with the guidance of Matua Ngairo Heretaunga and his whanau. His knowledge and experience did improve our ranking in the Tainui Secondary School Kapa Haka competition. Ka nui te mihi ki a koe e te rangatira Ngairo me o taonga tuku iho o aua Matua Tupuna. We wish to acknowledge Papa O Te Aroha Marae and Whaea Debbie from the Catholic Hall for allowing us to use their premises. In addition, the load was lighter with Whaea Mamae, Whaea Debbie, the Whanau support that did the cooking and some cleaning during our noho marae at Te Hurunga o te Rangi Marae in Rotorua. A big KIA ORA to you all.

Our performances at the regional competition were dedicated to our Kaumatua, Rangatira, Matua and Hoarangaitapu Koro Andy.

Over all we were placed fourth with our Kaitataki Wahine also coming fourth in her section. He parekareka o koutou mahi rangatira. He Rangatira koutou katoa. Our leaders were Celeste Kapoor – Kaitataki Wahine and Joseph Rakuraku – Kaitataki Tane, with Karla Marsh and Anthony Tapsell as the back up leaders. That night was spent with some of us CELEBRATING - while the rest of us TRIED to sleep.

The other highlight of the year was the Cultural Exchange with Dargaville High School. A few days spent teaching and learning from each other. For many of the members this was their last performance for the group. The performance was awesome and the returning students look forward to going up there next year. Matua Chris and his whanau are now tutoring the group. Nau mai, haere mai Matua me o whanau hoki.

Also we need to farewell E Pa and his whanau from Te Piringatahi kapa haka group and Kapa Haka in Tokoroa. Thank You E Pa, E Ma and your whanau for the knowledge of 30 plus years of Kapa Haka, Waiata and your experience in this field of Kapa Haka competition. Tena Koe E Pa, Pai Marire!!!

We acknowledge and farewell Whaea Heather for assistance with the Kapa Haka uniforms. She made us look special and effective on stage. Tena Koe Heather Kaiawhina a E Ma raua ko Whaea Julie hoki.

So over all we had a pretty relaxed year, go hard to the people that remain in the group, heads up and KIA KAHA KOUTOU!!!!

Pai Marire ki a Tatou  
Naku noa naa

**Holly Farrar**

# A Selection Of Writing

## THE BAD SIDE OF THE BOTTLE SHOULD BE SHOWN

I agree with the fact that they should show the bad side of the bottle. Ads promote drinking, and do not make it aware to the teenage population the trouble they could get in. Death is the worst it could come to, but it seems that it takes too much effort and money to prevent it. The ads show having a good time, and yes that is fine, but they don't show what happens afterwards. The vomiting, shameful behaviour, pregnancy, fights and the hangover the next day. People who get really smashed can cause harm to them and others around them. And it seems that too many party going teenagers jump in a car with a drunk driver. Now we all know how this could end, we've seen the "If you drink and drive you're a bloody idiot" ad, but many of us don't think it could happen to us, or someone we love. I have lost a cousin to drunk driving, and it is not nice. So I say lay off the booze a bit New Zealand, or do something about it.

**By Toni Wi - 9AR**

## THE THRILL

Wind whistled through my silky hair  
On a sunny afternoon  
The sea was calm, the beaches bare  
Perfect conditions for a passion so rare  
The time was right  
It's now or never  
One leap that could last forever  
Jumping down from the airborne plane  
And roaring towards the water  
I felt complete, like a soaring bird  
Nothing could hurt me  
I felt immortal  
Then I hit the water  
I was back to normal

**By Toni Wi - 9AR**

## BED TIME

The grey sky darkens as day turns to night  
I crawl into bed, and snuggle up tight.  
The sound of the rain, lulls all my senses,  
And I drift off, letting down my defences.

I let myself be carried away,  
Into the mystical land of that very same day.  
Fairies and angels of various sorts,  
Float in and out of these very strange thoughts.

This soothing dream darkens, as I begin to stir,  
Morning has arrived, the nights story a blur.

**By Catherine Boseley – 10 00**

## PREDATOR

Lurking in the shadows  
His presence is unknown  
Free to roam forever for  
The darkness is his Home  
Eyeing the streets below  
As the humans walked on by  
He was like a venomous spider  
And they were just a fly  
A darkened mind came into view  
Who had his drunken fill  
So he crouched down like a predator  
Waiting for the kill

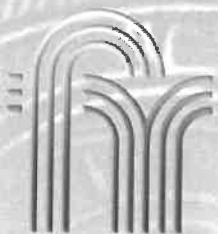

**By Toni Wi - 9AR**

## AUTUMN

Wind whipping at trees,  
Leaves beginning their  
descent,  
Orange, golds and reds.

**By Amy Jones – 10 AR**

# A Selection Of Writing **G**

## **MOUNTAIN BIKING**

Monstrous drop-offs  
Outdoor terrain  
Under a canopy of trees  
Never easy  
Tough hill climbs  
Awesome scenery  
Impossible crossings  
New tracks

Best ever exercise  
Impossible bunny-hops  
Killer crashes  
Indoor tracks  
Never boring  
Giant jumps

***By Thamis Heybrook – 10 AR***

## **PREDATOR**

Wild and free it stalks the night  
No creature alive could bear its fright  
Isolation eats at its desolate soul  
For it has no heart, just an endless hole  
This monster has seen the dawn of age  
And will stay long before us, to turn the next page  
In the fate of the world, it knows what will be  
It has faced more horrors than we will ever see  
So if you encounter this wicked beast  
Know you have seen the very least  
Of nature's creations that could devour you all  
Or send you comfort with its age-old call

## **A COUNTRY'S DREAM**

I Watch the New Zealanders play,  
Against the Aussie team,  
How they must pray,  
For a chance to have their dream,  
Of beating our old foe with fray,  
Managing this would cause a beam,  
Across a nation who would love to say,  
Ha ha you Aussies it's your turn to dream!

***By Hayden McLennan – Year 10***

## **DARKNESS**

Through a gap in the darkness  
You see a light  
After the terror and madness  
There's hope in sight  
Reaching into the unknown  
You plunge for the door  
But it slams in your face  
And the dark dawns once more

## **THE WINGER**

Sidestepping the enemy with evil in his eyes,  
Flames burn under his boots as he sprints faster.  
Mud flies everywhere, faces turn brown  
And smiles become the Devil's eyes.  
Hot sweat rains like water from a tap,  
Drips like crying tears from a child.  
Sweat!  
Bold red painted face, expression determined.  
Blonde hair turns brown, blue eyes turn red.  
Mud, mud, mud.  
Evil, evil, evil.

As the long run comes to an end a fancy sidestep  
presses.

All crowd and TV watches.  
All screams are heard from near and far.

"Try for Jeff Wilson!" says the report on the radio.  
"We have a hero!"

***By Katherine Harrison – 10 WW***

# A Selection Of Writing

## POWER STATION

Solid gates tower over an empty car park, concealing the image of an old building. The only way through is by the swiping of one's card and a quick pin to activate the entrance. Once complete the gates swing open allowing vehicles to proceed. Sunken steps rest at the mouth of the building, lighting is low and another card and pin is required for entry. The inside is abandoned, and a low buzzing echoes throughout. Six blue hard hats hang on hooks, waiting as though it was only yesterday they were last used. The control room full of unused equipment, an irregular beep and a computer screen flickering. One room stands open and friendly with a warm tone hanging in the air. Unwashed cups piled high in a sink and glass doors which slam shut, whirling newspapers and magazines over the floor.

A long corridor reaches along past dusty rooms and opens out to a large area. The blaring of machines running and the flow of water pushing against the sides, become more blatant. A complex ladder dragged down a small hole with dizziness right the way down. A cold rock like floor meets the ladder, moving out to a long narrow path. A gutter of water flows along the side, and a drum stands upright spewing out rubbish. The pressure of water hits the side of the walls causing a strong whooshing sound.

A lonely chair sits in between papers, rags and bits of metal. It faces towards an opening at the ten concrete steps, each one etched individually with dirt and metal shavings, imprinting patterns over the dull water marked surface. Tangled cords climb the sides of the paint peeled walls and enter the hole at the top of the steps. A sharp ear-piercing sound spills out of the hole and down. Vivid light flashes, white and blue white golden sparks dance inside. Icy cold air takes cover in the jaws of the hole, jumping up and attacking anything that comes its way. Inside the hole it's dark, dirty and damp, it's very cramped and one would hit their head if they were to stand up in the wrong place. Rigid blades curve into the centre of the hole, with blazing lamps attached like glow worms in a cave. A strong roasting smell of metals thickly cakes the air, making breathing limited. A hot flame heats selected parts of the blade ready for incision. Glowing red with heat and then losing heat allowing contact. A labouring machine is applied to the plane and there's an accompanying deafening noise almost like finger nails drawing on a blackboard. A halo cloaked with gloves, wire, instruments and strange masks hangs down over a self constructed platform, hidden with metal fragments. Cracks large enough for someone of normal size to slide in between and pull themselves up to the top of the blade flow in between the circle of blades. On the outside darkness floods throughout, and all that is visible is a slight glint of light high above. Repetition of sounds spread through the darkness. Light submerges from the cracks in the blades, revealing an extreme mass of space. A large black opening, reaches from the top to the base, with a small amount of murky water surrounding the foot of the ladder. An endless climb towards the glint of light displays solid gates which tower over an empty car park.

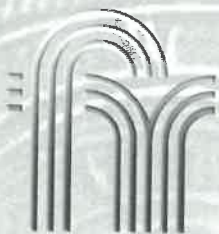

**By Sam Polatsek**

## THE BASKETBALLER

Running down the court as fast as he can go,  
Faking to the left, passing to the right,  
Running down to get it back.  
Then shooting at the hoop hoping it will go in,  
Wishing for the best,  
Yelling, screaming, the room in a blur.  
He is happy. He scores.

**By Anna Ryder – 10WW**

## Our New Zealand Representative S

### Monique Williams

Monique Williams has continued to make outstanding progress in her Athletic career. She is now a Carded Athlete, which means she is monitored by Athletics New Zealand and is allowed to use any sports facility throughout the Country. In June of this year, Monique represented New Zealand at the World Youth under 18 champs in Debrecen, Hungary.

The New Zealand team first stopped in Australia for a weeks training camp in Surfers Paradise, then onto Hungary for the big event. It was necessary for the team to use several days prior to the competition to train and acclimatise, as it was the middle of their summer and temperatures were measuring 46 degrees.

On the first day of events Monique was involved in the 800-metre heat, where she placed second, putting her automatically into the semi-finals. This race enabled Monique to achieve a personal best time of 2.09 minutes, topping her last time by 2 seconds. The next day, Friday the 13<sup>th</sup> of July, Monique competed in her nerve-racking semi-final, and as Monique remembers "my stomach felt like it was doing summersaults, I was so nervous!" Unfortunately Monique didn't do as well in her semi-final as her heat, but still managed to get the 10<sup>th</sup> fastest time out of 62 competitors, and is now ranked 16<sup>th</sup> in the world for the under 18 age group.

Monique would like to acknowledge her Family, Forest View High School and the Community, without the wonderful on going support of these people she would find it difficult to progress in the competitive world of athletics. We look forward to watching this aspiring young athlete take it to the world in the future.

**By Alesha Winter**

### Amy Tyrrell

Amy Tyrrell is another New Zealand representative. She has recently been selected to represent New Zealand at the Junior World Artistic Roller Skating Championships in Italy. This is an excellent achievement in a long line of accomplishments, as a result of all her hard work from the early age of four.

Amy has demonstrated enormous commitment and dedication to her sport, and at the moment is practising five or six days a week, which is necessary, as she has to learn about forty different figures in preparation for the event.

Amy's goal is simple: "To skate really well" and we all know she will. Good luck Amy!

### Hazel Cook

This year, Hazel Cook was chosen to represent New Zealand in the Junior (Under 20) World (9-Ball) Championships. These will be held in Canada or Taipei. Hazel came second in the New Zealand Championships, however she was the first placed New Zealander as the winner was not a New Zealand citizen. Hazel is often out of town competing at various events around the country and usually competes against older competitors. Hazel is definitely a player to watch out for in the future.

# Sports Academy

A wise philosopher once said, "Tough times don't last, but tough people do." This was a quote from Mr. Ford that was used in Sports Academy during the year and it has certainly proved to be true. The start of the year in Sports Academy sorted out the men from the boys. With such fitness tests as Lincoln, Phosphate, 3km run, Beep test and trunk stability providing many tough times. However, the tough times faded away as we developed a bond between us and worked hard to achieve.

Mr. Willie (Hard man)...Stop chasing that dog...Ford Junior (Jay Jay)...Grand Pops of SAC "Papa Smurf"...Aue Reuben (Bossy)...I already gave u a sandwich John...Boss Bryce (B-Dogg)...always stutters when he gets ex ex ex excited...Christensen  
Liam (Skiddaz)... The best at chasing the dog in SAC...Edwards John (Johnny)...Anything that walks, seconds of Te Wai's...Elder Shannon (SHAAAFt)...The purist bliss...Hosking Simone (Monne)...Excuse me put your tag down...Jeffs Israel (Izzy Mondo)...You play with Mondo u play with history...Jones Hasley (DJ Haze)...The big cheese. "Secret training"...Metu Te Wai (Bouges)...Do u have any money for the Hori fund?...Nehoe Leeza (Mrs. Boots)...Mona Leeza...O'Donoghue Evan (Bleach)...Kowhai is yellow... Penny Shannon (Shanz)...Nah sir, it was Bryce...Robson Nancy-Jo (Nan)...Hold on sir, I have work today...Tahere Newton (Pitdogg)...Winning isn't everything, it's the only thing...Thompson Dee Jay (Jedadech)...Can u see my muscles "Personal Training"...Waerea Bradley (Lisssssp)...Brother of Leighton, son of Mr. Gray...Wilkinson Ngawai (Nug Nug)...Ask her where her hamstrings are!...Whitiwhiti

Haydn (GOKU)...Stop being an anchor skiddaz!...Wright

Along with the collapse of the twin towers a pillar of strength has also been lost. Sometimes it seems that teachers play the role of warden more than the role of coach, but one teacher that does not fit this category is Willie Ford. He has played the role of teacher, mentor, coach and most of all friend not just to those in Sports Academy but to all of the students at Forest View High School.

When other teachers had no faith in us, Mr. Ford was always there for us whether it be academic areas, social areas or on the sporting field, always pushing us to succeed. There will be an irreplaceable gap in the FVHS teaching department when Mr. Ford leaves. This is unfortunate for the up and coming students who will miss out on the opportunity to be taught by one of the best in the business, though all is not lost as his legacy will live on through returning SAC students who will pass on his knowledge to future generations and through his graduates. Great teachers can change people's lives. Thank you Mr. Ford for changing ours.

## By Izzy and Haydn

Now some famous quotes from the man himself:

**"Stuff sport, read a book."**

**"If you fail to attend, you tend to fail."**

**"Dreams are only motivation for you to do the action."**

# Dracula Spectacula Production **N**

"Look! Read! Gasp! Quiver! He is waiting for you there..." 2001 was destined to be the Year of the "Spooks"! The Production Team decided to use an "oldy but a goody" and we ventured into the dark world of Dracula knowing that we would be destined to turn terror into comedy as we can never resist the chance to do a spoof!

Practices started early and we had a cast of thousands (despite the fact that they never all attended the same practices!). This year we were looking not just for acting and singing talent, but also for people who could strut their stuff on the dance floor.

Casting was not without its problems and we relied heavily on some of the "old hands" to step in and fill the gaps. In fact, the Production Team relied heavily on the "old hands" to take on the role of Spielberg Assistants! We had not, however, predicted what we were to unleash and some of our cast got more hooked on videoing (in all sorts of strange places!) than they did being on the stage.

The onstage dancing was a "thriller", and on one occasion seasoned professionals coped with a very sudden "lack of support"! For those of us backstage the dancing took on a competitive edge and our holding bay became the venue for some very classy moves!

Makeup and hair was a production in itself as students found themselves donning beehives, buns and mullets. The order, "don't wash your hair" for three days was met with some dismay but ultimately the hairstyles were well worth that level of commitment. White faces and garish eyes made for good fun and once again the "old hands" were gainfully employed.

We maintained our high standards in the singing area with newcomers now well on their way to stardom. Duets were a notable feature this year and it was great to hear male and female voices joined in song.

The Bareboards and Passion Theatre was a real asset as we had herds of prima donnas waiting in the wings at all times listening to the backstage cry of despair "I said I would come and get you!"

Sound and lighting was a real feature of this play and cast and crew interacted well to time "whips, bells and flashing lights". The band was an ever-evolving team but by the time we hit the stage it was clear that natural musical talent would overcome all problems – even the "smokescreen effect".

Our unusual interpretation of "prop needs" was once again an addition to the humour in the play. Seats on the plane were hard to come by (until we finally counted correctly on the last performance!), the "coach" came and went (though not always with the same number of wheels), the "life force" (otherwise known as Coke) seldom survived to give life to all and the "keys" were well positioned!

Microphones are always a fun aspect of our Productions and this year was no exception. "Outpatients" often found themselves on stage at odd times to deliver a microphone (or hotties!) and dancers felt like they were in a "Timewarp" when they were getting microphones pushed at them while they were lying "still".

The pre-performance get-togethers enhanced the teamwork and it was a chance for the cast to pick up on managements' "muck-up of lines" (we won't comment on the cast's own determination to rewrite parts of the script!). The theme song this year developed in the chaos of those times and it will be permanently etched in our minds "Boom, Boom, Boom, Abby must be coming, Way-o..."

# Basketball Reports

## Angels 2001 (Senior Girls Basketball)

*"Angels are you ready ready  
(yes we are ready ready)  
Angels are you ready ready  
(yes we are ready ready)  
I said Angels (YEAH!!)  
We aim to hoop baby hoop  
I said Angels (YEAH!!)  
We gonna shoot baby shoot!"*

This had to be the most loud, vibrant and animated team that I have come across since I first played basketball for Forest View Angels.

### Highlights

Winning the Thames Valley Competition being undefeated.  
Entering the Angels into the talent quest as a way of team bonding and a shared common interest amongst the team members – DANCING!  
Taking out the Tauhara Exchange for Basketball.

Angels – it has been a pleasure to play along side such an outstanding team, both on and off the court we had a tight bond that I will never forget. To the players that will be here next year, carry on the legacy. Above all – have fun!

Lots of love – **Rach xxx**

## Junior Girls Basketball

We had a cool season this year, well done girls!!! Although we weren't undefeated like the "ANGELS", we only won 3 games, we still had a whole heap of fun. Our team members were Pikieman, Pinky, Bubs, Kareece, JC, Lucy Liu, Buttons, Bubbles and Nigz. Girls didn't we have fun. Yeah!!

We came out this year with fun filled memories!! You know what? We became good friends, even with our opposition. And also from the whole team we wouldn't have been a team without THE ONE AND ONLY – Rach, Fafa and Shanxs.

Finally, to the Angels and the Senior Boys, thanks for putting in to make the season how COOL....

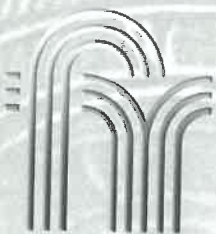

### "JUNIOR GIRLS"

### Message from the Coach

I really enjoyed coaching the "Angels" this year. They had team spirit, confidence and a great sense of humour. They were a strong team and played aggressively but fair. The girls were undefeated and should be proud of this.

I would like to thank the girls for making my job as a coach easy. I hope you all enjoyed the season and keep it up next season.

# Basketball Report S

## Senior Boys A Basketball

A group of talented basketballers started the year in the Hamilton League playing against schools such as Hamilton Boys' High and Church College. Unfortunately, other commitments made it hard for this team to finish the season and as a result had to be withdrawn from the league. However, we do need to acknowledge the role many of these players had in terms of fostering Basketball in this school. Many of the younger students were in awe of their skills and strove to imitate them on the Basketball court.

Mrs Jones' work as the manager of this team has been greatly appreciated over the years. Our Senior 'A' boys were an enthusiastic and energetic team and it took a strong woman to manage them.

## Senior Boys Basketball 'B Team'

What a year it has been for our ball-team, mixed with experienced BALLERS and the new beginners - our team has been through the highs and lows this season - but we have stuck together well doing the thing we all love - BALLIN'.

This year we have experienced a number of promising victories and a few narrow losses. Our final game of the season against TAUHARA was an amazing win, the SAINTS posting up 80 points to TAUHARA's 42. As usual, our game gets together at the END of the season - shot boys, better late than never aye?!?

Well done to all the boyzzz this season, it's looking good for the future of FVHS B-Ball as there is a lot of potential within our ranks.

### Our All-Stars are:

Anthony "SPEED DEMON" Wong (co-captain) - Damn where was I??

Charles "BUCKO" McCaskill (co-captain) - Tantrum Man

Joseph "JB" Bennion - Mr. CLEO magazine with the amazing ball skills. "Yeah, yeah wassup now! Everyone - you can kiss my.....3 pointers!"

Terrique "FLYING CRICKET" Treasurer - MR HOPS from Africa

Karl "SMOKER" Mohi - BIG man with the little hops

Anthony "RATS" Tapsell - The ENERGIZER

Milos "MILO THE GALLOPING HORSE" Blucher - the clumsiest dribbler of the year, yet he still completed the shot...SHOT MILO!!

Jamane "JAY" Eley - Mr Negative with the hell mad ball handling skills.....DIRECT QUOTE: "we gunna lose man!!"

Anthony "ANTS" Amouta - Playboy 'nuf said

### Our fill-In Players:

Joe "RAZEL" Papa - "me I'm supa fly, supa doopa high..." Siamese twins to JB...joined at the first name...mad baller with the CHRONIC HOPS

Kaz "MULLET" Penwarden - the Wigger with some unusual ball skillz... VTEC MAN!!!

Ngira "ONE-EYE" Craig - Ngira-mind cuz... took off during the seasons-DISSAR!!

David "SCOOBY" Lee - Always said that he has got the 'MADHOPS' - but always gets dunked on!! Played one game for us.

Lastly to the man who put the ball in our hands...Mr ERECE...the coach of all time...taught all of us new skills throughout the year....thanks coach YOU DA MAN.

Well my time is up... I'm retiring from this great sport of basketball. Good luck to the BALLERS in the years to come. PEACE.

By Anthony Wong - co-captain.

## Junior Boys Basketball

A young team went into the battle this year, and even though we didn't defeat every enemy, we still won ourselves some glory. When we first got together we had many and although some dropped off, we still put forward a team worth of fearing.

As the season wore on, we practised hard and regularly (every now and then). With the help of the famed coach, Mr Erece, we went from being a good team, to being one of the best, even capable of beating the senior Bs. We travelled, played games (sometimes Basketball) and most importantly ate together.

By the end of the season we were a team who soared above the heads of others, on wings of Eagles.

Thanks to Mr Erece, Mrs Jones, Ms Umaki, Chris Charlie, Mr Poturu, and Mr Clark.

# Hockey Reports

## Girls 1<sup>st</sup> XI Hockey

The 1<sup>st</sup> XI had an awesome season, not in the sense that we won each game but in the team building and team spirit side of things. Throughout the season both on and off the field the team spirit was high with some outstanding encouragement from both players and supporters. Our team would like to take this opportunity to thank Miss Hollis for her dedicated coaching and management of the team and to thank Mr Knox for his encouraging pep talks and refereeing. Also, thank you to Bryce for his continued support of the girls.

### The Team:

Alice...Let's go kids...Joynt  
Leane...I'm sick again...Knox  
Sarah Jane...My honey's coming tonight...Westbrooke  
Candace...Run Louise run...Liddell  
Stephanie...Can my skirt get much shorter...Butterworth  
Allecia...Where do I go now Alice?...Swale  
Sam...What team is she sticking for...Polatsek  
Harley...Old Macdonald...Mangi  
Louise...I'm free, I'm free, I'm free...Deutz-Ebeling  
Vicki...Dodge ball...Knox  
Amy...sweep...Jones  
Amber...Where for art thou Scott...Luxford.

## Girls 2<sup>nd</sup> XI Hockey

Sam (captain)...Rodge is my friend...Polatsek  
Vicki...Why me?...Gray  
Nada...I can't come to practice...Yukich  
Alice...I've got three games tonight...Joynt  
Harley...Hotshot...Mangi  
Kristin...Hi Ben...Kelly  
Helena...Respect...Van Rjin  
Ileana...Mark the posts...Mowbray  
Haylee...I tied my laces...Westbrooke  
Rosita...I'm not touching the ice machine...Richards  
Danielle...I don't want to go there...Blair

## Boys Hockey

This year the Boys Hockey team has had a challenging season. We have had a few problems and some of the players attitudes were a bit... rough, but we managed to get past that.

Our coach was a bit of a character, for example one time while six of us were practicing on the courts he went searching for balls (we only had one). He ended up being stuck on the electric fence screaming various colourful words.

After all the minor problems the team ended up coming 4<sup>th</sup> in the competition, so that wasn't too bad.

Myself, as the captain of the Boys Hockey Team would like to thank Midge our coach for sticking with us this season. And also thanks to Mrs. Hollis for assisting with the team. Also a very big thanks to all the extra players we used during the season and to the parents for the transport (Mrs Joyce).

Bryce ... (captain) Someone else be captain, I can't see the ball ... Christensen  
Derek ... (vice c) Can't play, computer calls ... Thornton  
Anthony ... VTEC'S ON ... Wong  
Ben ... Just give me the ball ... Rankin  
Scott ... Do I need to tell you? I'm the best player in the team ... Alloway  
Dominic ... Get someone else to do it ... Yukich  
Peter ... We need new goalie gear ... Dowdle  
Adam ... I'm too fat for this ... Joyce  
You ... Hong Gimmie the ball cause I only got one ... Lov  
Mat ... If I give you some money can you get me some? ... Shaw  
Daniel ... You cabbage ... Molyneux  
Jeremy ... The Big-Rig ... Pourau  
Andrew ... I remember when I played for... ... Dowdle  
Rodney ... But the ball's way over there!?! ... August

One last thanks, this one goes to Mr and Mrs Knox for all their help refereeing the games for us. We'll be a lot better next year!!

**Bryce Christensen**

# Netball Report S

## SENIOR A NETBALL TEAM

This year our 2001 Senior A Team brought back a trophy filled with promises and extensions into the world of netball, our netball team was a team filled of commitment.... (Yeah).

Our team started the year with a blast going into every game with a spark. This year was a success as we became the Champions of the A grade and won many other awards. We overcame many obstacles such as players with injuries, lack of commitment etc. But as our team grew we started to grow with the determination to win. First of all thanks go out to Naomi and Sam for their gutsy effort to fill in the places of the injured; a.k.a Renee and me. Also to our coaches Darnel Manu and Mrs Clark for their support and knowledge of the sport. Thanks to all those who supported us.

### THE TEAM

Rose Rakei (Rosario) **C-WD-WA**

Just quietly... I personally would like to thank you Rose for finishing the season. You are a player with potential and light, going on the court with such enthusiasm and determination. All the best for the future.

Rhea Jones (Dioh) **GD-GK**

Awesome attitude towards every game. A true player, one with excellent skills and stamina the size of a fiction book. All the best for next year Rhea.

Ngawai Whitiwhiti (Nugget) **GS-GA**

One that had an excellent year from the beginning to the end, you've come a long way and still happened to stay sane. Wish you all the best in your netball career.

Te Upoko Natua (T-Youps) **WA-GS-GA**

A new player with the potential of an elite, who many thought had such charisma, every game was played at 100% might not have felt it but sure did look it. You're gonna be a great player for the future A team

Tairi Ford (Tae) **C-WA**

A gutsy player one that goes for gold, taking the game into the outer limits with some mad hops a player who excels in every game, a player who should lead future A teams to success.

Ailsa Wilson (Ails) **Versatile player**

Ails.... Wicked player, plays every single game with spirit a player who is always focused and committed to everything with a fitness rating that stands at the height of the Sky Tower. Good luck for your future commitment

Patricia

The youngest on the team but would have to be the tallest and strongest of the team. A player who is going to be a great asset to the future A netball with some awesome tactics. A true up and coming.

Naomi Moore (Nomes) **WA-C**

Who came half way through the season and helped the team to victory. A player who is out there to succeed...all the best for your future Nomes

Samantha **almost anywhere**

Showed some incredible talent on the court. Some good intercepts as well as shots. A good back up and another future player

### THE INJURED

Renee Metu (Mets) **GD-GK**

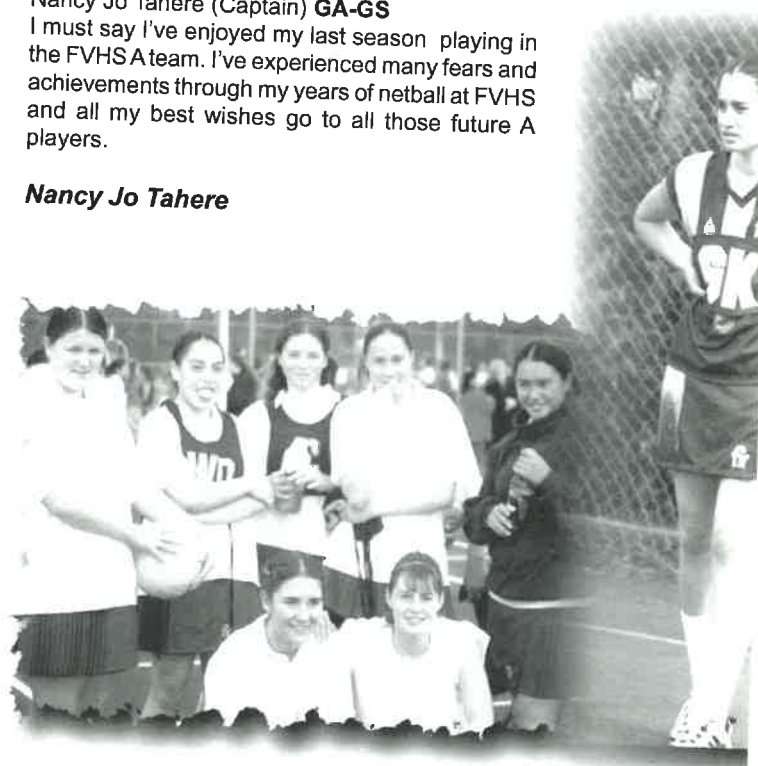

One hell of a player, that's got some mad leaps who basically flies and had the most excellent intercepts, some you won't even

believe.... but then she broke her leg... Oh No! Cheers Mets

Nancy Jo Tahere (Captain) **GA-GS**

I must say I've enjoyed my last season playing in the FVHSA team. I've experienced many fears and achievements through my years of netball at FVHS and all my best wishes go to all those future A players.

**Nancy Jo Tahere**

# Netball Reports

## FVHS 3A Netball Team

2001 was an excellent season for FV3A. The new uniforms added style to our play as well as boosted our confidence.

We were in the A reserve grade and finished somewhere in the middle, having great competition the whole way through with some wins and some losses. However, we are proud to say that in the last game of the season we beat Tokoroa High 3A.

Hard training, excellent attitudes along with good coaching helped us improve our court work, ball skills and fitness throughout the season so even if we lost, we were happy with our game and our progress.

We would like to thank everyone who supported, all the dedicated parents who were there rain, hail or shine and especially to our coach Mrs Hein. Thanks for a great season!!

LATIA "let's wear our skirts down town!" WALLACE  
HALEY "Sorry I'm late, I was shooting some hoops" JOHN  
CHARISSA "Who cares, like he'd ever come and watch me anyway, hes probably asleep" MAMANU  
TERRI "Cher,cher, we can win this one guys, but Mara, you're 5 minutes late" JOSEPH  
MARA "No, I got here on time but... head band queen" BLUCHER  
PATRICIA "Is my boyfriend here? Where's Ticia? Seen but not heard!" MARTIN  
LELEINA "Its because I'm short TOLOVAE  
MEMORY "Tell me if he's looking.... Is he looking, is he looking?" MANU

KARLY "I'm always smiling but I forgot my shoes"  
TERE  
MISS "I've got a half marathon this weekend blah, blah, blah.." HEIN

**By Leleina Tolovae**

## FVHS 3B Netball Team

3B had a good season this year. Even though we lost our final game we still won the division (B Reserve).

The members were:

NADA 'Never on time' YUKICH  
ROSITA 'Up and In' RICHARDS  
CHANTELLE 'Shut-up Shirley-Anne' LITTLE  
CHLOE 'Yeah...over here... yeah I'm free' PENWARDEN  
HEATHER 'Heather who?' FLINTOFF  
AMANDA 'Good defence for a Mango Chick' ALBRIDGE  
LUCY 'Never come to a game' NATUA  
HARLEY 'Never get a game' DIXON  
SHIRLEY-ANNE 'MAN' HEWITT

The girls all played well and did their part in the team. We'd like to thank all of our supporters, our coach and everyone else who helped but most of all....

I'd like to thank the girls!!!

**Shirley-Anne Hewitt**

## Gold Netball Team

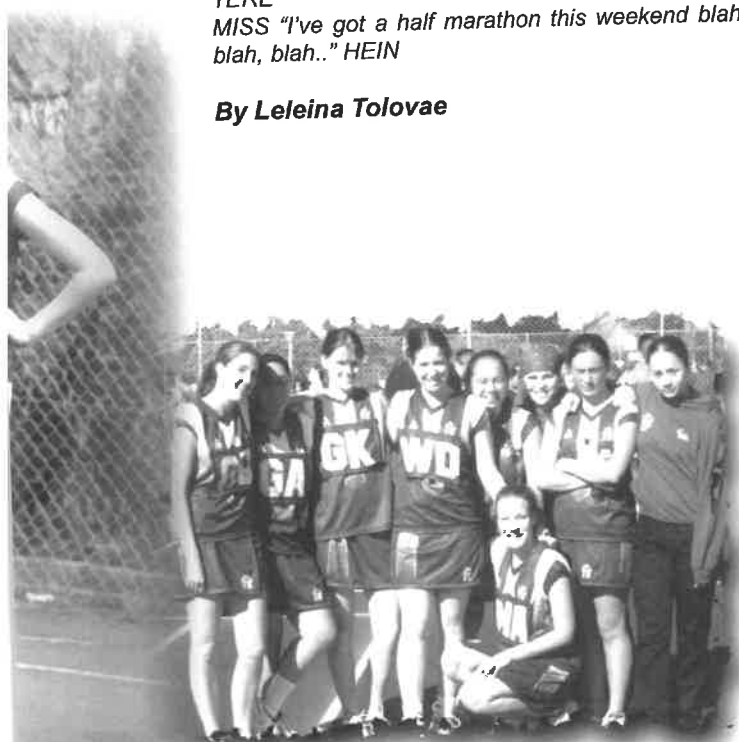

This year we were the Gold Team. It was made up of keen, enthusiastic and committed team members however, we only won three or four games.

Our team gave up our Saturday mornings even on frosty, cold, raining days to come down to the town netball courts and play netball.

During the season some people dropped out of the team, however, we worked hard and we all learned to trust each other.

Cara	Always late and never turned up to practices but she really knows how to play netball
Hope	Always laughing and a good player
Ashley	A good player and her shooting skills were appreciated
Olivia	She was an energetic team member always there waiting for the next pass
Keryn	A really good shooter and defender
Anita	A good player all round
Tamara	Fiesty with the ball determined to get better
Stacey	(Captain) the best captain and always cheering us on.

**By Stacey Rawiri**

# Netball Report **S**

## **B Netball Team ... "The Dream Team"**

First there's captain Bernice Bocca  
Who never needs Berocca  
She worked superbly well with Hilz  
Who on defence really has some skills  
Alesha is like a tall Davu  
'Cos when she's on defence, it's hard to get through  
Rosalia George, is always full of energy  
To mid-court speed, she held the key  
Paula Coffin always the versatile one  
She liked to mix it up and have some fun  
Jess is like a real Nicoll with all her intercepts  
She is also the captain of the Reps  
Loffhagen and Van Dyk or Bobby and Talia  
Who could shoot a goal from Czechoslovakia  
Whether it was the aggression of defence  
speed of the mid-court or accurate shooting skills  
We clicked from day one  
And always had fun  
We came runners up in our grade  
And won some socks  
We'll miss each other lots  
Thanks to our coaches MANU and CLARK  
Who were always right on the mark  
We were lucky with our support  
Cheering us on beside the court  
But most thanks goes to the team  
Because playing with you guys was such a dream!

*Hilary Mathis and Rebecca Pocock*

## **FVHS White Netball Team**

After the first few weeks of Netball FVHS White had already become more of a social team.

Closer to the end we had heaps of fun playing other positions.

We would all just like to thank Nicole our coach and all the parents that came down to watch.

Thanks!

## **Stars Netball Team**

At the beginning of the term we started off by losing a few games, but our coach, Josephine Brown, told us to just keep practising. The harder we practised the better we got.

All the girls gained lots of new skills and had a good time. We got to know each other better. Our team would like to say thanks to our coach for teaching us new skills and helping our team. At the end of the season we came runners up in the C Division.

## **Royal Netball Team**

2001 turned out to be a great season for the Royal team. We began the season with a team of 9 players but with 3 dropping out and 1 being placed in the B team, 2 new members were brought into our team. Pahi and Hillary made up our awesome 7 and awesome we were. We played an excellent season and were dubbed the best Royal team in years. We won the B grade and also won Top Defence, which is the least number of goals scored against us. Many thanks go out to our coaches and all of our supporters.

Gillian Stockman (captain) WD  
Renee Farrar ( vice captain) WA  
Carly Cunningham GD GK  
Racquel Standen GD GK  
Rochelle Hamilton C  
Pahi Areai GS GA  
Hillary Meachem GS GA

*By Gillian Stockman*

## **FVHS Seniors Netball Report**

At the beginning of the netball season we were not well prepared, we didn't get our act together.

We hadn't been having practices and we were losing games. The girls started to feel down and were thinking that we weren't good enough.

We decided to ask Joyce Daniels if she could come and help us out. As the season progressed, so did we. We felt more confident and eager to get on the court and have a good hard game, no matter what the outcome. We all went on with our heads held high!. The girls would like to thank Joyce for coaching our team and helping us reach a higher level than we expected.

As a result of all our hard work we were placed runners up in the B Reserve grade. Overall the girls enjoyed the netball season and hope we will continue to play next year!

Thank You

*By Renee Ross*

# Athletics, Badminton,

# Cross Country & Swimming

## Athletics And Cross Country

Athletics Day was great fun yet fiercely competitive amongst the Lakes. There was an array of colour and it was wonderful to see the Lake spirit from everyone involved. The winners of the sections were John Elder, Rose Rakei, James Kamana, Monique Williams, Barend Swart and Mara Blucher. New records were set by Monique (3), Rose (2), James (2), Mara, Ailsa Wilson and Michael Ormsby.

We had a large and successful team for the Mid Islands and 30 pupils qualified to compete at the Waikato Champs. From there 7 were selected as part of the Waikato / Bay of Plenty Team for the North Islands.

Monique gained three firsts and a second, James gained a third, fourth and fifth, Ailsa came second, Mara came first in the relay, Dominic Yukich came fifth and Talia Henry and Barend Swart came sixth and seventh respectively. These results were excellent and all members of the team gained some valuable experience.

Monique then went on to excel at the international level. At the Sydney Youth Olympics she was first in the 400m and first in the relay. At the World Youth Champs in Hungary she gained the Under 18 world ranking of tenth in the 800m and was a member of the New Zealand relay team which came seventh and, in doing so, broke the New Zealand record. This success has led to Monique becoming a carded athlete, which means that she is one of the elite athletes in New Zealand and that her progress will be monitored and nurtured as much as possible – congratulations Monique, this honour is well-deserved.

Autumn brought with it the Cross Country season and all pupils showed their usual enthusiasm for a "trek" across the fields! The desire to run hard to earn valuable points for the Lake was an inspiration and the winners in each section were Reuben Boss, Alice Joynt, Carl Jennings, Monique Williams, Patrick Dodunski and Teresa Boss. Well done to Arapuni who were the overall winners for the Cross Country ( did I forget to say that Arapuni were also the winners on Athletics Day!!!)

We fielded a team for the Mid-Island / BOP Cross Country and outstanding performances came from Monique, who won her event, Carl, who came fifth as a first year Intermediate and the Junior Boys Team of Patrick, Barend and Leighton Barber, who came third overall.

There is a lot of athletic talent at Forest View High School and each year we are pleased to watch the progress of the pupils and see the way that they support and encourage each other.

## Swimming Carnival

Students enthusiastically splashed their way up and down the pool, some in pursuit of vital Lake points and some chasing records.

Indeed records did fall and we were pleased with the high standard of competition once again. The relays provided an entertaining end to the day.

Congratulations to all participants.

## Badminton

We may not be as popular as the 1<sup>st</sup> XV, but we're just as good!

This year's Badminton team is a group of dedicated students, gathering at the school's gym every Thursday afternoon, ready to bash the shuttle, give the evils to the opponent/s, and can still manage to have da primo time.

Even though we are not strong in numbers, we're strong in spirit. Thanks to our coach, "Olympic champion" Ms Sawada, her guidance and skill has been much appreciated.

We have a few out-of-school club reps and champs, who always manage to come on a Thursday. We even had a few teachers join us for a few games. Can you take up the challenge?.

***By Shadrach K and Rebekah W***

# Rugby League, Union & Touch H

## Girls Rugby

With only 4 girls in the team that actually knew how to play the game, we knew from the beginning that this year was going to be full of teaching and helping the new girls in the team. We started off the year as normal, heaps of girls interested but once the time came to training we only had the bare 15. SO to all of the Girls that played a big thank you for sticking with it and hope that you all had fun. Don't forget there is a team next year and you all better play!!!!!! Congratulations to Ashlie who was a Waikato Rep, to Lysandra who made it to the BOP Team and to Lysandra, Latia, Aimee, Holly and Marie-Eve who were in Tritons.

*Annmarie "BEAST" Farrar – First year playing always turned up to training and games but gets a little grumpy when you wear her SHORTS!!!!*

*Renee "SCRAPPER" Farrar – Was the first in our team to try and start up a fight, also the first to run away if someone wanted to fight her back.*

*Bryer "PANI" Farrar – The first girl to say "na I aint playing this no more, some one wants to give me a hiding" (That's why you don't ankle tap people Bryer)!!!!*

*Danielle Teaukura – The first girl to get Rucked in an X RATED place.*

*Aimee "TAK IT 2 THA HOUSE" Lefebre – Small girl with a BIG mouth. Never missed a tackle!!! But ended the season with a broken ankle.*

*Chevon "TINY" Turner – Smallest girl in our team, she always had to tackle the girls TWICE her size!!!*

*Tess "WHINER" Swale Barlow – First year playing and was always the one to have something to say. Always scared but played her hardest.*

*Rosa "I ALWAYS PAY MY \$5" Popata – Was our accurate line-out thrower!! Our human train – first girl to carry 5 defenders!!!!*

*Rebekah "TOOT IF YOUR SEXY" Kana – Was the quietest on and off the field and never had much to say. She was the sign maker of the team!!!!*

*Barbie "SLOW" Aukuso – Our s l o w halfback. Always there and committed, didn't talk much – like her sister!!!*

*Ashley "WAIKATO" Towler – Our only girl to make the Waikato Girls Team. Always yelling on the field – always*

# Rugby League, Union & Touch

## First Fifteen Report

The season of the CENTURY started off with an ERUPTION with the 2001 first fifteen winning the Waikato Secondary Schools' Under 19's Sevens Tournament held at Hamilton Boys' High School. We gladly ripped apart Hamilton Boys' in the final to win 27-12 and bring pride back to the South Waikato. We then progressed onto the New Zealand Secondary Schools' Sevens Tournament held at Rotorua Boys' High School where the team won four games and lost two. The last game that we lost was for the Gallagher Shield, which placed us sixth in New Zealand.

We then came back to focus on our season and accomplish the goals that the team had set for ourselves (1) To win the Waikato Secondary Schools' competition, (2) To win the Tricolor Trophy.

With the season cruising past and the team playing some MAD rugby, the chance arose to play for the Tricolor trophy, which was one of our two goals that we had set. The brothers rose to the occasion and took the trophy off Matamata in a hard fought, primo game of rugby played on the Oval (Tokoroa). Then we headed to Cambridge where fate took a twisted turn and handed us a harsh lesson in life, "you can't win all of the time." We lost the Tricolor trophy that day but we ended up the better for it in the long run. That loss gave us the extra motivation required for us to put in the extra yards at training, it also gave the team the proper attitude needed to be successful at this level of rugby. With everything sweet, we PARKED that loss and moved on to play bigger and better rugby.

The team started to get into a rhythm and we were going very, very well. So good in fact that we found ourselves first on the competition table and we were heading into the finals week. After a hard out semi-final against the brothers from Te Kuiti, we heard that we had a home final against Matamata. The feeling that week was phenomenal. The pressure of everyone around us became a big buzz and the atmosphere was heating up leading up to the day. We kicked off and before we knew it we were losing 11-0 heading into half time. When the second half restarted it was pay back time. We started to cut people in half on defence, run people over with the ball in hand and score some wicked tries, also landing a few penalties along the way. The outcome, Forest View High

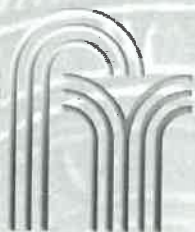

School First Fifteen 2001 are the WAIKATO SECONDARY SCHOOLS' RUGBY CHAMPIONS!!!!.

As the CAPTAIN, and on behalf of my Vice-Captain, we have many people to thank and the first one must go to our Lord and Saviour JESUS CHRIST, for giving us the strength and guidance throughout the year. Secondly our long serving coaching staff, Dave Finlay, Terry Fitzpatrick, John Hughes, Mr Nooroa Manu

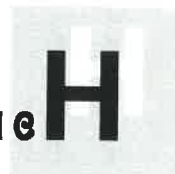

and Denise Hein for all their support and technical advice which really paid off for the team. Thirdly, all of our supporters that have been there all the time, thank you. Fourthly from many of our team a huge thank you to the MAN, "Dr" William Ford for all of his advice and extra training, and lastly to my BROTHERS. Without my brothers, this season wouldn't have been accomplished. We went through a lot of good times and some hard struggles together but when we needed to, we came together, beat all the odds and achieved at such a level that no one thought we could have - to become one of the best First Fifteens Forest View High School has ever had.

On a personal note, it has been the best privilege and honour of my life to be chosen as the leader of such a great bunch of boys that I can call my brothers for life. I wish all of you the best in the future and may your lives be successful and fun. I'll leave you with the quote we have used all year, and it reads, "To be number one, you must train like number two." Finally, to the brothers, never let anyone say that you're not good enough!! KIA ORA.

# Rugby League, Union & Touch

## Under 14's Rugby

We began our season with Waikato 7's duty in term 2 at Hamilton Boys High School. The boys came second out of 8 teams that day. The final was a tough encounter against Saint Paul's which we just lost. This was the beginning of what looked like an action packed season. The team was filled with star talented players from the Tritons. This included Patrick, Loteva, Ashley, Chance, Walter, and Quade. We showed our strength against Tokoroa High with a win of 17-0.

Our trainings were a bit of a laugh with Chance playing the fool. Mr Ferguson and Leo drilled us with skills that some guys learnt quickly and others wondered why they were there. We had a lot of fun over this season but it was a shame we had to finish.

The highlights of our year were making the 1st Division, getting Leo soaked with water and winning the last two games of our season. Our team would like to thank our manager Debbie Fransham and our two coaches Mr Ferguson and Leo.

## Under 15's Rugby

It was a hard fought season for the Under 15's this year. With a huge turn out of 30 or so boys to start with, we soared through the grading games, by 15 point margins. But with all the hard work done, and the hardest still to come in A grade, 30 soon shrunk to at least 16 each game. With the same coaches as last year's Under 14's side, everyone pretty much knew each other. This made goals easy to set, but not so easily carried out.

We battled hard and didn't go down so easily. We didn't do as good as last year's U15 side, but we did our best with only a few people turning up to training. All in all, on behalf of the guys, thanks to the coaches Wyn, Duane, and Mr Wilson for putting in a lot of time and effort.

To the boys, good luck for next year, and get training early in the year.

## Under 16's Rugby

Who would have thought we would come out as the Waikato U16 Champions. With a struggle for numbers at the start of the season and the job of trying to find players for this strong spirited side of the Forest View High school rugby team, but it luckily came through at the end with the brilliant support of Trevor Standen and Brendon Bradley as our coaches. Those phone calls in the early mornings before the games in desperation for players payed off, even if it meant some heavy bribing, it was all good!

We had many memorable games through the season not to mention our grading games at the start of the season against Putaruru, where certain players accidentally tackled the ref in mistake for a player. Say no more!

But the most memorable game has to be our final against Cambridge. It was personally one of the hardest games I've had and the sound of the whistle at the end of the game had to be the biggest sound of relief in my life.

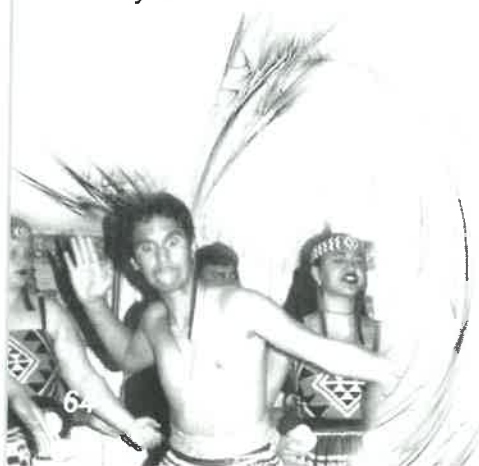

In the final, the team was ably led by captain Matthew Riceman, and the Forest forwards took the game to Cambridge up-front. There was some solid play from the front row combination of Albie Hoskings, Scott Gage, and Scott Davies, who together with Ben Van Rijn, won some quality ball which the classy Forest View backs were unable to turn into points on attack.

However, midway through the first half, Forest View on a attack won a vital scrum that saw number eight Matthew Riceman break with the ball in hand, and with Tim Frear in support, he off loaded it to him. Tim stepped one and then drew and passed it to speedy winger Joe Bennion who beat his opposite number to score under the posts. The try was unconverted and Forest led 5-0 at the break.

The second half saw the Cambridge side putting some huge pressure on Forest View. There was some big defence from mid-field backs Richard Kahui, Scottie Alloway and Glen Reinsfield that shut down the opposition back line at every opportunity. Forest View counter-attacked at every chance with wingers Jamie van Der Valk and Joe Bennion making some promising runs, but not managing to cross the Cambridge line. Full time saw a jubilant Forest View side gaining a deserved victory, after an extremely hard and clean 80 minutes of rugby. Player of the day was Scottie Alloway.

For the record, Forest View scored 289 points for, and 121 against, while only losing one game in the championship round.

**Tim Frear**

# Rugby League, Union & Touch

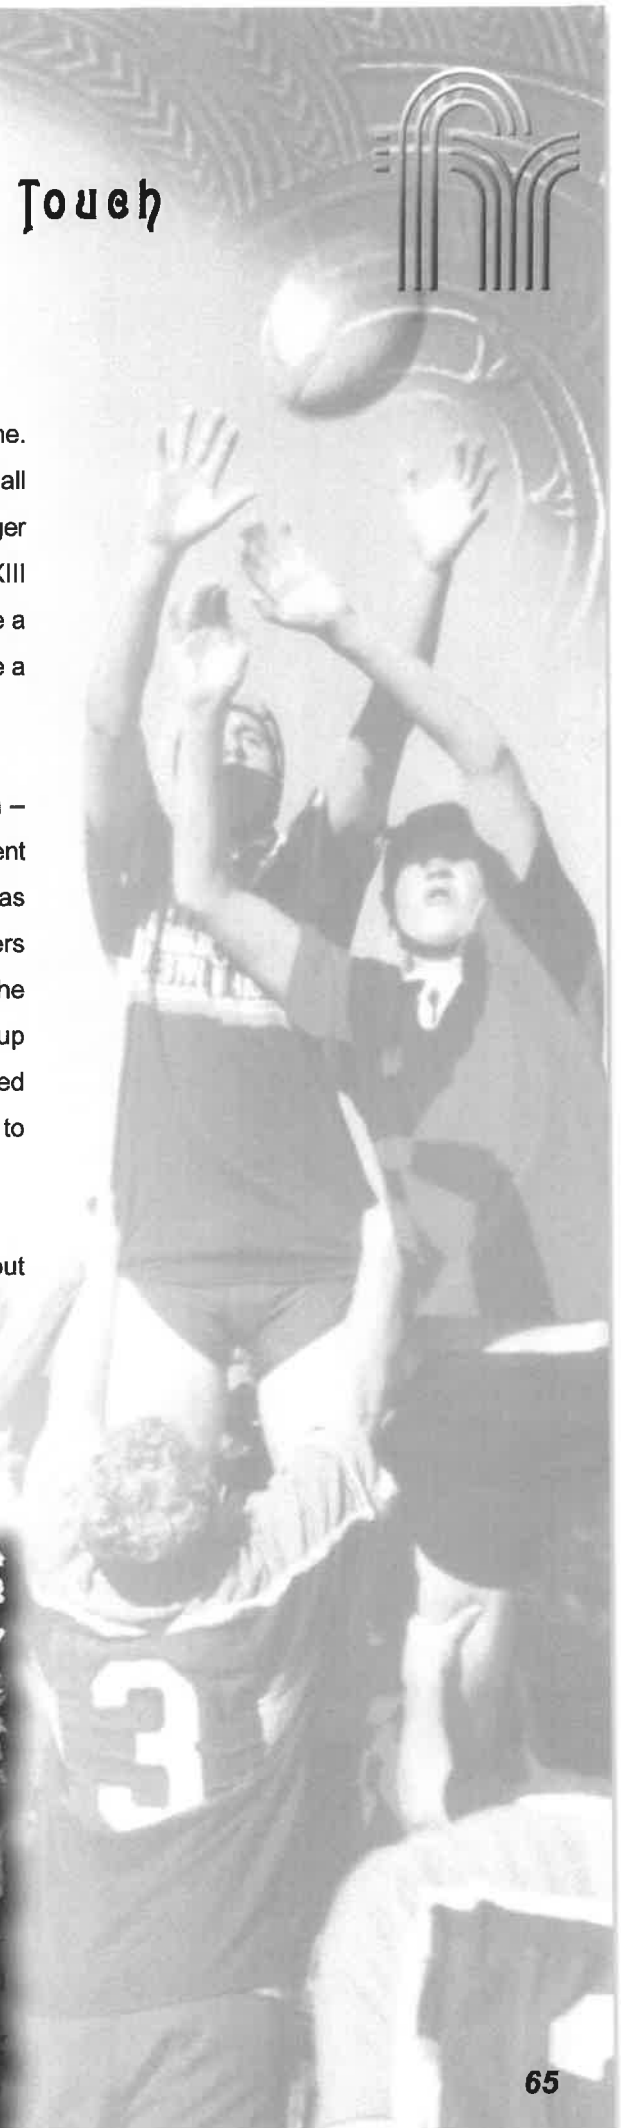

## Rugby League 1<sup>st</sup> XIII

Even though 2001 was a short year for the 1<sup>st</sup> XIII it was an enjoyable one. Our first challenge was the Waikato Under 17 League team. It was all Waikato in the first half. But in the second half, Glen Reinsfield, the danger man, stepped up a gear with his tactical options. This gave F.V.H.S 1<sup>st</sup> XIII a sniff of victory, but Waikato knowing that losing to a school would be a huge embarrassment, demonstrated in the final minute why they were a representative team. They tackled hard and chose the right options.

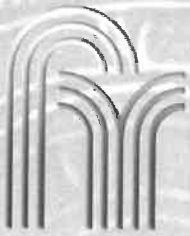

Our second challenge was against John Elder's favourite opposition – Rakaumanga. This was a game that would determine who would represent the Waikato province in the NZ Secondary Schools' Tournament. It was going to be another hard fought war, with some of the team's key players not playing. Even though the team did not field its strongest team, the boys still gave it their all. Throughout the game the boys never gave up with the hard tackling, hit ups and clever plays. The boys almost caused an upset but Rakaumanga just won in the end 34-38. Harry would like to thank Haze for the beautiful pass he gave him.

The year was a good one even though there were a lot of politics about the team's actions it did not phase the spirit and pride of the team.

Maybe next year the spirit and pride of the team will continue.

# Cook Islands Tour **R**

WELCOME TO

The Forest View 1<sup>st</sup> XV Rugby Tour to Rarotonga can best be described as 'bonkers'. A tour with great highs and great lows, but all in all an enjoyable tour. It all started with an early morning bus trip to Auckland then an overseas flight to Rarotonga. When we arrived, we were confronted with muggy hot conditions, however, it was a beautiful day. Hot for us was just another winter's day for the locals.

Tour highlights from here included the swim at Muri beach with its beautiful scenery and clear blue water (a change from lake Moananui). The scooters were also a big highlight with everyone getting their licences easy enough (with the exception of one who we will just call Chief). Although they had their licenses many boys still found themselves in an inevitable crash. Other highlights were Island Dance performances (especially our own dancing practices) and swimming at the wharf or waterfall. We did get to see a lot of scenery and experience the culture with visits to places such as the Staircase and TJ's. Places such as Maitai Café were also good.

Night time was really hot with everyone only

# Cook Islands Tour

needing sheets for warmth. Sleeping next to a graveyard where bells rang at 3,5 or 7 in the morning also had the boys talking about ghosts and weird stories. Although there was a lot of spare time, things such as skits night, the responsible use of pillows and having a video camera around occupied our time and DJ found the camera to be particularly revealing!

That's right, we did play rugby over there - although the refs need some practise in counting, with halves changing from 10 minutes to 40 minutes! The highlight of the rugby was looking down and out in one game and with a supposed 2 minutes left, we came back to score two superb tries to snatch the win.

Thanks must go to the parents and teachers who came on the trip and had to put up with us well behaved angels! Also a big thank you to our parents and those people who helped out with the fundraising in any way. Without you, this trip could not have been possible.

**Kane Day**

# Soccer Report **S**

## Boys Soccer

It could've been one of the best seasons FVHS Senior Soccer Boys have had in a long time; instead it was an ill-fated time where fun and enjoyment were the only consolations.

We had everything needed for a top team - if it wasn't for the obvious lack of commitment and accuracy. Veterans such as Derek Thornton and Blair 'Piwi' Keene made large contributions to the team and midfield. The team this year consisted mainly of players who played in the juniors including; Captain Milos Blucher, Terrique Treasurer, Grant Collins and Bram Deutz-Ebeling. We also had a lot of players who had never played for the school including Treiste Waenga, Stephen Baxter and Hitesh Nair. This year we also had the pleasure of having two AFS students Phillipp Torn (Germany) and Federico 'Fede' Picasso (Spain). Both were valuable and respected team players, especially Fede who was not with us for the entire season but boosted morale and was regarded as one of the team's best players.

And as my writing career ends with these words I would just like to wish FVHS Soccer a bright and glorious future within the school and region. Long Live Liverpool.

**Stephen Baxter**

## 1<sup>st</sup> XI Girls Soccer 2001

2001 was an extremely good year for girls soccer with our team winning just about all our games. With barely any practices and only games against the JUNIOR boys, we always managed to come through with a win as half-time inspirational ideas from our coach Angela Board sent us raring into the second half. Because of our great team work and Fairplay skills we managed to blitz our division. We also got through to the semi-finals of the Waikato Secondary Schools knock-out competition where we were beaten by Hillcrest High School. The team was in ship-shape form when we played both Waitara and Tauhara where we won by more than 6 goals.

### HIGHLIGHTS INCLUDE

- \* Our 'swing and miss' tactics
- \* Abby's suspected "broken knee"
- \* Angela's corner goal!
- \* Practices ... errr .... What practices?
- \* Super-sub Tess
- \* ALWAYS WINNING

Thanx heaps to our manager Mrs Tyrrell, Teacher in charge Mrs Sarich and all the girls' mothers who took cars each Saturday.

**Amy Tyrrell**
