FROM THE PRINCIPAL...

At the time of writing this, we have been busy enrolling students for Year 9 2006. One piece of advice that I like to give new enrolments is that those students who get involved in school activities, and who take up the opportunities on offer, are the ones who enjoy secondary school the most. They also do well in their school work, and are too busy to get into trouble! Congratulations to our many students who make the most of their school years. I am sure you will enjoy reading about the many school events highlighted in this Yearbook.

At the moment I feel very privileged to be the Principal of Forest View High School. In the last two weeks of Term Three, we have had a team from the Education Review Office (ERO) visit our school, and we have just received a very glowing draft verbal report from them. (We will receive a confirmed written report in Term Four). The "Vision Statement" of our Strategic Plan is "Forest View High School – A Caring Learning Community". The quality of "Caring" and "Learning" were the two focus areas of our ERO Review. They also looked at four areas of national interest (Maori achievement, Pacific Island achievement, the implementation of the Health and Physical Education curriculum, and International students). In all areas they have noted many areas of good performance. Parents and students can rest

assured that our school provides a high quality education for our students. An excellent report like this is only possible because we have a very committed and hardworking staff and BOT who work together with students and families to provide a large range of relevant learning opportunities in all areas. Our students also provide excellent support for each other, and the RAP values are continually promoted by all. Thank you to all members of our school community for making this possible.

The Performing Arts area of the school has really grown over the last four years. A great highlight of the year was when our band Az-One won the National Smokefree Pacifika-Beats competition. This was the first National Title for Forest View in a cultural area, and is a very exciting achievement. Congratulations to the Band members and their Manager, Mrs Earnshaw, for putting us on the map! The cultural area of the school continues to improve, and this year included an excellent student-directed entry into the Stage Challenge, a cast and crew of 100 in a very enjoyable Annual Production, a very re-invigorated and successful Polinetia Fa'atasi, Te Pirin-gatahi, Bands, Dance groups, Shakespeare and Debating. It was a shame Dargaville was not able to visit us this year for the Performing Arts Exchange, but we look forward to visiting them next year.

This year four Forest View students were selected to represent New Zealand. Amanda Aldridge was selected to represent our country at the World Junior Athletics Championships in Morocco after winning the New Zealand Under 17 Heptathlon Championships. Eugene Mihaere was named in THREE New Zealand Mixed Touch Teams – Under 17, Under 19 and Under 21 – an awesome achievement for a 16-year old! Peter Joynt represented New Zealand in the Oceania Mountain-Biking Championships, and Stevie-Lee Giles represented New Zealand in the Oceania Roller Skating Championships. Congratulations to these students and to the many others who have

achieved Regional Representative status in their sporting codes this year. Our school continues to have very healthy participation and performance rates in a wide range of sporting endeavours.

Academic achievement is still the priority, and it is great to see the way that our students have succeeded in the new qualifications system with NCEA Level One, Two and Three. Our completion rates in these and in many other National Certificates have been pleasing, and compare well with other schools. The new system is working well in our school, and students are receiving good advice on studying courses and qualifications which set them up for success both at school and in their future lives.

In June this year Mrs Sommerville and I had the privilege to represent Forest View at the 120th Anniversary of Kurayoshi Agricultural High School. At the same time we celebrated the 10th Anniversary of our exchange. This was a very interesting experience, and we were shown wonderful hospitality by our hosts. They place a great deal of importance on our sister-school relationship.

At the end of this year we farewell Mrs Joan Slade from her position as Guidance Counsellor. Mrs Slade started teaching at Forest View in 1974, in the school's first year of operation, and has made an enormous contribution to our school and its students for over thirty years, firstly as a teacher in the Social Sciences area, and secondly as an effective Counsellor. We wish her all the best on her retirement.

I hope you enjoy reading this Yearbook. Thank you to our Editor Susan Hopkins and all who have contributed to these pages to celebrate the great year of 2005.

Robert Blucher
Principal

BOARD OF TRUSTEES CHAIRPERSON'S REPORT

A team of four from the Education Review Office came to the school at the end of Term Three. The written report has not yet been received but the initial briefing was extremely positive. Some areas that impressed ERO were:

- The commitment of staff in academic, sporting, cultural and social areas
- Varied and clear qualification pathways including the introduction of NCEA, Gateway, STAR, the Academies (Sport, Farming, Automotive)
- The high quality of school-wide documentation
- The higher than average levels of achievement for Maori and Pacific Island students compared with national levels and similar schools

We are looking forward to receiving the written report and seeing it published as some positive reports in our local and regional newspapers would be very welcome.

Another challenge this year was to rebuild the Maori Language classroom and resources that were damaged by arson in July. This attack was very difficult for Mr Hakaria and his students and we commend them for the way they dealt with the situation. We are grateful to the Ministry of Education who worked with the school to get this classroom

refurbished and to replace resources as quickly as possible.

This year the remodelling of classrooms and HOD offices in A block were completed and the restructuring of the Administration Block started in September. This project will take approximately four months to complete. We will then have a new Student Management Centre and a more welcoming reception area for visitors to the school. The staff will benefit from a larger staff room, kitchen and work-room.

We are sorry to farewell some excellent teachers at the end of this year and we thank them for their contribution to Forest View High School. Among those leaving is Mrs Joan Slade who has been a valued member of the teaching staff for thirty years. We wish her all the best in her retirement and thank her for her dedication to the school. The Board appreciates the ongoing work and commitment shown by all staff.

The Board have worked hard and well together and we look forward to the continued development of the School in 2006 and beyond.

Heather Rice

BOARD OF TRUSTEES STUDENT REPRESENTATIVE

The beginning of my year as Student Rep on the Board of Trustees began when Jesse Gemmel, the previous Student Rep, stood down from her position. Voting was held again, and by a handful of votes I was elected Student Rep for 2005.

A bundle of nerves and armed with the student report I had written the night before, I attended my first meeting. I expected everyone there to be very serious, talking about finances and school policies. However, it turned out to be a lot of fun! We even got to eat chocolate biscuits.

The highlights of my year have been working with the Student Council. I

organised a coin trail for the re-opening of the Movie Theatre, and helped to organise a water cooler system within our school (headed by the 2005 Student Council).

From numerous Policy meetings (a sub committee which the Student Rep is on) to the many talks and discussions with ERO, I thoroughly enjoyed my time on the Board!

To anyone who is thinking about applying for this position next year, I strongly recommend it.

Thanks to everyone who supported me.

Nina Stairmand

IN LOVING MEMORY

MR LES EARNEY

Over the last six years, Mr Earney has been a very important and much loved member of the Forest View family. We were indeed fortunate to have him as a member of our staff. At the same time, he very much enjoyed working at our school.

During his time with us, Mr Earney mainly taught Special Needs students and also had an interest in students with special abilities. He was Assistant Dean for Arapuni and an excellent Tutor.

Students loved being in his classes. He had the ability to capture their interest and relate to each individual. Students were given work to do that suited their ability levels and areas of interest, and as a result made progress in their levels of achievement. Each student felt special because he took an interest in them. He talked to them and knew their special strengths and interests. The student body were very sad to see him retire at the end of 2004 and there were not many dry eyes around. To many he was a "grandfather" figure, who was always there to keep a watchful eye on them. Mr Earney was able to relate well to all students; he showed them respect and in turn they reciprocated.

Mr Earney also had excellent relationships with staff. He was always very thoughtful and encouraging to his colleagues, as well as very generous with the likes of produce from his garden. Always the perfect gentleman, he brought a gracious and caring nature to the staff-room.

When he spoke, we all listened. He did not do this publicly very often as he did not look for the limelight. He developed individual relationships with colleagues in quiet ways. It is no wonder he was a very popular member of staff.

Les had already retired from an illustrious teaching career before he came to Forest View. We were very lucky to have him on our team. He was a successful teacher, ex-principal and wonderful friend. Les has made a difference in the lives of so many people, and has been a great example to us all.

We miss you Mr Earney.

Robert Blucher

A magazine article is barely enough room to put into words how great a man Mr Earney was and how much the students of Forest View loved him and how he will be dearly missed.

Any student fortunate enough to be taught by him or even to have had a conversation with him will say what a lovely caring man he was.

When Mr Earney left at the end of last year I gave a farewell speech at our final Lake Assembly. To find the content of my speech I went around to many students at school and asked them what they liked most and what they would miss about Mr Earney. I was totally overwhelmed by all of the incredible things people had to say. Never would you think that you could go around the whole school talking about a teacher and have only positive comments. This, on its own explains what a wonderful man he was.

We would just like to mention some of the many comments given by various students: "Mr Earney was not only a teacher but also a friend." "He cared for every kid not just the brainy ones or the sporty ones but everyone." "He always said hello and he always stopped to talk and he genuinely cared about us and how we were doing." "He was such a friendly man and he had a way with students that no other teachers did." "He was respected by all students and he respected us back." "He was always a happy, cheerful man and enjoyable to be around." And the list goes on and on...

On a personal note being two students in Arapuni we can say that Mr Earney was an excellent Assistant Dean and an asset to

our Lake and School. We are very thankful that we had the chance to know such a wonderful man and we are sure anyone that knew him would say the same.

From Mara Blucher and Amanda Aldridge on behalf of the Students of FVHS

JANTZ KIRIKAVA

This year we were devastated to hear the news of the death of one of our fellow classmates, a friend and bro, Jantz Kirikava. He was tragically taken from us on the 28th August, as a result of a work accident.

Jantz began at Forest View as a cheerful third former and went on to do some great things during his time at school. He was a member of Az-One and we all wish he was here to be acknowledged as part of their success. His musical talents will never be forgotten and his bright, cheerful face, while he performed will always be remembered.

Jantz was a real asset to our school and our students. He was well known for his loving heart, his big beautiful voice and his smile.

On behalf of the seventh form, and everyone else that knew Jantz, we would like to send our love to his family. He is sadly missed.

"Although, our school days together are over, the memory of our great friend Jantz will stay with us forever!"

From the students of Forest View

"...much loved members of the Forest View Family...."

HEAD BOY

What a great year!! From the surprise of getting head boy, to the joy of sitting next to the man, Mr Blucher every assembly. Being Head Boy for the year has been great, but it's almost over. I'm going to miss all the great times I've had at this school, from the great 10AR to Chemistry with Gabe. It's been a roller coaster on the point of derailment. But I hung on and here I am.

My thanks to Mara my right hand uh woman. A chief with a loving ear, I'm just delighted to have worked with such a successful woman. Much the same can be said about Nada. A cracking personality with a killer macrel, sometimes clearing out the Student Council. Thank you also to Chance, good work mate.

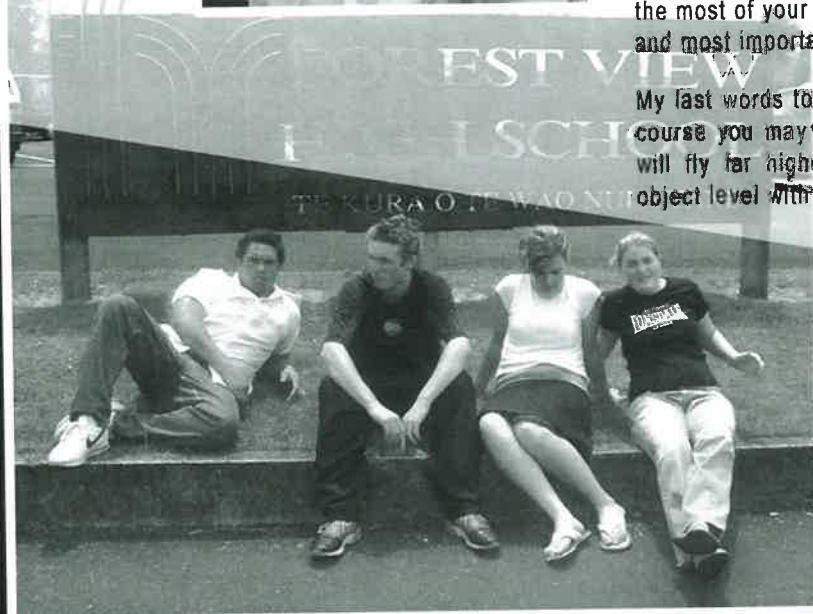

Goodbye to my fellow 7th formers, good luck and god bless. To the rest of the school, please don't stop, finish school, get involved, and be good for goodness sake!!

Thanks to the staff; from the cups of tea with Mrs Slade, the weekly football chat with Mr Woodlock, the hours after school with Gabe, the football on Saturdays with Mrs Clark and even the drink or two with old Sheryl on Saturday night, the list goes on.

If I can leave you with a quote, "No matter what your level of ability, you have more potential than you can ever develop in a lifetime."

Cheerio then.

Thomas Knight

HEAD GIRL

Wow, the year is nearly over. I cannot believe it has gone so fast. It feels like it was only yesterday when I got the phone call telling me I was Head Girl for 2005. Well, it's hard to put it into words, but it has been such an enjoyment and a pleasure being Head Girl of such a great school. I have been humbled and blown away by all the wonderful things students from Forest View have accomplished. As I'm sitting here writing this article it's made me think and reflect upon everything I've experienced. It makes me sad to think I am moving all the way down to Dunedin next year and I'll be leaving the town and the school that I love. But most of all I'm going to miss the people. I am so proud of you all. It has been great to come to school everyday and be greeted by so many friendly faces.

I must thank all the students and teachers that gave me their support and also for all their assistance throughout the year. It has been an honour and a privilege to represent the school and I have enjoyed co-chairing the student council.

I must give a big thanks to Head Boy, Tommy. Not only has he been a great help throughout the whole year but also a great friend and this I am very thankful for. I must also thank our deputy's firstly Nada. She has been such a hard worker and her ideas and input have been invaluable. I am going to miss her so much next year. And Chance, what can I say? I must thank him for everything he has contributed to the school.

To the 7th formers, good luck with what ever you decide to do. To the students remaining at Forest View, take advantage of all of the opportunities that come your way and make the most of your remaining high school years and most importantly enjoy school.

My last words to you all: "Aim at the sun. Of course you may not reach it, but your arrow will fly far higher than if you aimed at an object level with yourself".

Mara Blucher

"no matter what your level of ability, you have more potential than you can ever develop in a lifetime."

STUDENT COUNCIL

This year's student council started off with a bang. With the initiative to hold meetings in the fortnightly study period we got a better turnout than previous years. This gave us the opportunity to get our sub-committees up and running straight away.

The student council consisted of Thomas Knight and Mara Blucher (co-chairpersons), Nada Yukich (treasurer), Chance Thompson (secretary), Amanda Aldridge, Toni Baker, Nikki Hinfelaar, Claire Wilson, Nina Stairmand, John Mutambo, Jessica Tetevano, Jordan Houston and Laza Karaka, all overseen by the lovely Mrs Priscott.

The council's main project this year was the installation of a water cooler where students are able to fill up their drink bottles and have quick, no-cost access to nice, clean, chilled water. We also donated money and held fundraising events to help causes such as the Stage Challenge and the re-opening of the local movie theatre.

Some of the sub-committees have also been very successful. Our Social Committee ran three very successful socials, which were not only very much enjoyed but they also made a great profit. The themes for these were: Black and White, Mid-winter Christmas and Halloween. The School Values Committee has re-vamped the R.A.P mural making it more colourful and appealing to students. The Mufti Committee has also run a lot of great days with lollipops going to people dressed in theme. Can Day was a very successful mufti day where a tin of food was brought instead of the usual dollar with all the food being donated to the Salvation Army Food Bank. The Special Causes and Events Committee must also be mentioned for their efforts in supporting certain organisations such as Canteen. And lastly, the Sports Committee have helped with Interlake Sport and the organisation and running of Push Play Day.

Thank you to those loyal members of the council who have worked hard all year for the betterment of the school. Thanks to our junior reps for all of their input and also for representing the school on Arbour Day. Thanks everyone for your great and original ideas. Lastly, thank you Mrs Priscott for your guidance and all the time and effort you have put into us.

To the students of Forest View, we hope we have been a good council and we wish next years council all the best.

Mara Blucher and Nada Yukich

MRS JOAN SLADE

Since 1974

What do I remember about FV over the past 30+

The first thing that springs to mind is that I was teaching at Forest View before any present students were a twinkle in anyone's eye, and even before some of today's students' parents were born. At the start of every lesson students lined up for class, boys to one side of the door and girls the other. And at the end of a lesson students were dismissed in an orderly fashion, one row at a time. I can also remember boys who were unco-operative or disobedient being caned and girls being strapped! The boys took Woodwork and Metalwork and all the girls took Cookery and Sewing. You could only get into the 6th form by 'passing' School Certificate; if you didn't pass you had to stay in the 5th form and continue to wear the junior uniform. Staff had to wear a sort of uniform, men had to wear ties, women rarely wore trousers. It was difficult to get into Forest View, the town was zoned by the Ministry, and if you lived outside of the zone you had to apply for one of the 30 places that the school was allowed to offer to 'outsiders'. When I first started there was only one building, A Block. It had labs, as well as ordinary classrooms. The Staffroom, Headmaster's office and his secretary's office were the only buildings. If each room could tell its tale you would be surprised at how their uses, their shape and sizes have changed over the years.

There have been many highlights for me. Being offered a part time position when it was hard to get a job at Forest View, working under the guidance of Roger Sommerville (HOD Social Studies when I started at FV) who offered me opportunities and gave me all the support needed to keep me on top of and even enjoy my job. Working with Bruce Dale, another HOD Social Studies, whose sense of humour and personal high standards were an inspiration. And also watching

FV grow in size, both the numbers of students (to over 700 at one time) and also the number of buildings. Perhaps most of all I treasure the support, understanding, cards, gifts of flowers and chocolates and a book of helpful sayings that I was given in 1983 when I was treated for cancer. The actions of my students back then helped me to recover. They added to my personal determination to get better, some even skipped school to visit me in Tokoroa hospital to keep me going. And when I got back into the classroom and couldn't write on the board very easily, they took over that job for me! Lucy, Terri, Joanne and all the others, I still remember you with gratitude and affection. At the same time my colleagues were also wonderful, especially when I was in Hamilton when they took it in turns to visit, take me out and show me that life goes on and Maryann who took over my classes and kept them on the boil.

I have been lucky to have met so many wonderful people, both students and colleagues: that I have stayed for over 30 years is testament to how much I have enjoyed being a part of Forest View. I always say that I have been blessed with three families, my birth family, my church family, and last but not most definitely not the least, my school family, and I know that my life has been made so very much richer by this latter family.

Joan Slade

FOREST VIEW HIGH SCHOOL STAFF - 2005

Back Row: Miss S. Cribb, Mrs G. Tawha, Ms A. Hemara, Mrs C. Yukich, Mr W. Paul, Miss S. Livingstone, Mr L. Matenga, Ms G. Davis, Mrs D. Hein, Mrs H. Ferguson, Mrs W. Ainsley
 4th Row: Ms K. Eastham, Mrs S. Leney-Smith, Mrs G. Ackerman, Mr A. Gray, Mrs A. Sarich, Ms M. Tatham, Ms S. Salale, Miss L. Kelly, Mrs C. Blucher, Mr C. Hakaria,

NATIONAL REPRESENTATIVES

Name: Amanda Aldridge

Sporting Code: Athletics

My highest Achievements: U17 1st Heptathlon at New Zealand Track and Field Championships. Representing New Zealand in the Hepathlon at the World Championships in Morocco. 6th in the Hepathlon at Switzerland National Championships.

In ten years from now I want to be a Physiotherapist for the All Blacks and get a Gold Medal in the Hepathlon at the Olympics!

My earliest sporting memory: Being beaten in the 100m at Primary School by a boy!

My favourite sportstar: Richie McCaw.

The worst thing about my sport is: Training and racing when I want to go out instead!

The best thing about my sport is: Meeting people and travelling around the world.

Most valuable advice I have been given: You need to learn how to prioritise.

The key to my success is... training, setting goals, my Dad pushing me!

Name: Peter Joynt

Sporting Code: Mountain Biking

My highest Achievements: 2nd at the New Zealand Secondary School Championships. 13th at the Oceania Championships Under 19s.

In ten years from now I want to still be riding at a national level.

My favourite sportstar: Lance Armstrong.

The worst thing about my sport is: Crashing!

The best thing about my sport is: The adrenalin rush of a win after a long, hard race.

Most valuable advice I have been given: Remember the golden rule: never use your brakes!

The key to my success is... TRAINING!!

Name: Stevie-lee Giles

Sporting Code: Roller Skating

My highest Achievement: New Zealand representative at the Oceania Championships in Australia.

In ten years from now I want to be a flight attendant. Help out other, younger skaters and maybe still be competing at the Worlds.

My earliest sporting memory: Is having plastic wheeled Barbie skates and being the early bird event winner.

My favourite sportstar: The Ever-Swindell twins.

The worst thing about my sport is: Doing a great performance but not getting the grades you hoped for!

The best thing about my sport is: Travelling around New Zealand and overseas.

Most valuable advice I have been given: To set goals and go for them!

The key to my success is... Practise, practise, practise! And of-course, having a supportive family and a good coach!

Name: Eugene Mihaere

Sporting Code: Touch Rugby

My highest Achievements: New Zealand Secondary School Mixed Touch Team. New Zealand Under 21 Mixed Touch Team. New Zealand Under 17 Boys Touch Team.

In ten years from now I want to be still representing New Zealand and making a name for myself internationally.

My earliest sporting memory: Playing League at four years old.

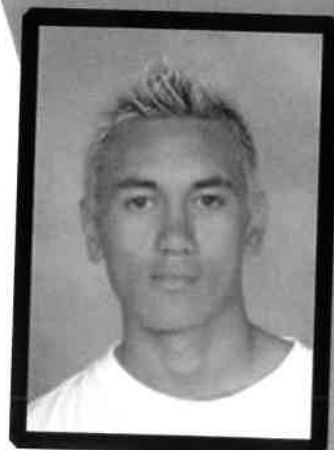

My favourite sportstar: Too many to name.

The worst thing about my sport is: No money in Touch!

The best thing about my sport is: It is a level playing field for males and females.

Most valuable advice I have been given: Remember where you come from.

The key to my success is... all of the support I have been given and the hard work!

ARAPUNI

Well, what a year Lake Arapuni has had!!

January:

It started with a hiss and a roar (figuratively and literally, I guess!?) with the birth of Bradley Thomas... congratulations to Mrs. and Mr. Hopkins. Everyone has missed Mrs. Hopkins while she has been on maternity leave and look forward to her return as Arapuni Dean next year.

February:

Our new Year 9 students began the year with the help and guidance of the Peer Support Leaders from Years 12 and 13, which was a great way for all the students to get to know each other, the school and how to work together as a team. Congratulations to Hannah Norman, John Mutambu and Jordan Wood for being the Arapuni students granted three of the inaugural Year 9 Scholarships.

Y13 Camp saw the senior students experiencing a very busy programme at the Epworth Retreat. In between great meals and having fun in the pool and on the water slide, the students managed to participate in a number of indoor and outdoor activities; aimed at helping them to set goals, and develop personal and leadership skills.

Athletics Day: Once again, Arapuni showed its TRUE colours, with the majority of students getting into the spirit of the day and participating in a number of events. Some of the Arapuni students who experienced success in their age groups: Amanda Aldridge, Mara Blucher, Jacob Wright, Kevin Aldridge, Colin Mathis, Alix Stevens and Paul Rei.

March:

Cara Ryan was awarded an AFS Scholarship from the Pacific Business Trust and will be going to Brazil in June. The Waikato BOP Championships was a successful competition for Amanda, Kevin and Mara; all winning one or more gold medals in their grades... well done to you all!

Mid-Island Athletics: Arapuni successes, gaining 1st, 2nd, 3rd or 4th placings... Latoya Parai, Amanda, Mara, Paul Rei, Walter Downey, Jacob and Colin. Delany Meacheam and Max Turnwald have been representing the school in cricket, with outstanding results in both

batting and bowling. Ashley Fransham put his Touch NZ Level 1 Coaching skills to good use, coaching the Girls Touch team. Ashley is also a member of the Mixed Touch team along with Walter, Litia Downey and Luvu Foiakau; being the top team in the Waikato and BOP region. Paul Rei competed extremely well in the NZ Division Two Swimming Champs and the Waikato Age-group Champs. Great stuff!!

April:

Amanda, Mara and Jacob performed superbly at the North Island Secondary School Champs and did themselves (and the school) proud. Mara was a keen and highly polished performer in the Shakespeare Festival.

Ahh... Arapuni Lake Day... greatly anticipated and wonderfully organised by Mrs. Standen. The tutor groups worked hard to offer enticing foods and activities to raise funds for the Lake. The day went extremely well, though falling only \$20 short of seeing Miss Mainland dye her hair blue!? Thanks to all who put the effort in to make the day a real success.

May:

The death of Mr. Les Earney was a tragic time for all of FVHS, particularly Arapuni staff and students. Mr. Earney was Assistant Dean of the Lake before retiring last year due to ill health and had a long-term commitment to the Special Needs Dept. He was a warm and caring man who loved to work with young people, and he will be greatly missed by all who knew him.

The following students did us proud in the school Cross Country competition... Aroha Mihaka, Alix Stevens, Paul, Colin, Kevin, Luvu and Amanda. They were joined by Jordan Magee, Jamie-Lee Farrar, Ginny Douglas, Chontelle Tanoa, Ashley and Walter at the Mid-Islands/BOP Cross Country Champs - well done to everyone who competed.

Jessica McLennan competed in her first Level 3 competition at the Mid-Island Gymnastics competition.

Stage Challenge: Cara Ryan proved a vital member of the choreography and directing team, and despite the group being disqualified on a technicality, all those involved can be proud of their performance.

June:

Congratulations go to Toni Jessop for being selected for an AFS exchange to the USA in 2006/2007 and winning a Scholarship to reach that goal.

Jacob, Ashley and Walter represented us well at the Condor Invitational Sevens Tournament

Colin Mathis and Leonard Morgan helped FVHS gain a convincing win at the Agriculture Skills Day.

School Ball: Arapuni had some very slick looking young people in attendance, on that very wet but fun-filled evening: Ashley Risbridge was Belle of the Ball, Jacob Wright was one half of the best dressed couple, and Tommy Knight shared the best-in-theme honours.

July:

Tommy Knight also enjoyed success in winning selection for the South Waikato Rep team in Soccer - congrats!

Many Arapuni students were involved in the Waitara Sports Exchange, and you can be proud of your performance on the sports field!

Amanda participated in a training camp in Belgium, then went on to compete in the World Junior Athletics Champs in Marrakech, Morocco, as well as some other international athletic meetings in Europe.

August:

The School Production was a very demanding but exhilarating time for all involved in cast and crew. A great effort from Arapuni staff and students: Mr. Ukrainec, Mara, Tommy, Chance and Sam, among others.

Amanda received the Daily Post Youth in Excellence Award this month - Well done, Amanda!

The following students have been selected for the Waikato S.S. Rep Rugby teams: Chance, Walter, Colin, and Lisa Jensen - good luck with your games. Leleina Tolovae returned from an eventful and exciting year as an AFS Exchange student in Spain.

A great effort was put in by the guys in the Chess team that competed in the Central North Island Inter-schools competition: Isaac Koopu, Heremia Tahere and Delany Meacheam.

Mara was a member of the Freemason's

Debating team, and Tommy helped with entertainment at the event.

September:

Congratulations to the band Az-One, especially Ronnie Paparoa, for winning the National Smokefree Pasifika-Beats contest - what a tremendous result!!

Project K: Sheraton John, Kerry-Ann Trepels, Sarah Robins and Lynsay Ward all graduated this year- well done Jantz Kirikava, ex-Arapuni student, was tragically killed in a work accident - he was a wonderful character and will be sadly missed, by his class mates, and the school as a whole.

October - December:

Study, study, study..... All the best for the exams!!

This year we also welcomed Gloriana Quiros into the Arapuni fold, on an AFS Exchange from Costa Rica.

Congratulations to all the students who have worked hard in their classes, done their very best, and have made this a successful year for themselves and for the Lake. All the students with excellent attendance, Merit Awards and good reports - your efforts are appreciated by your teachers, Tutors and Dean, so keep up the good work! To the students who have competed in other events and activities that I have not mentioned, well done to you too!!

Best wishes to all the students leaving at the end of the year - may you have a happy and fulfilling future.

A big 'thanks' goes to all the Tutors, Support Staff, Lake Leaders and students who have made this a great year!

Dean: Miss R. Mainland (for 2005)

Assistant Dean: Mrs K. Standen

Tutors:

Mr. J. Bennett
Ms P. Christie
Ms K. Clark
Ms G. Davis
Mr. D. Jennings
Mrs. K. Standen
Mr. N. Ukrainec

Support Staff:

Mrs. S. Gibbons
Mr. B. Gibbons
Mrs. J. Slade
Ms S. Cribb
Mrs. D. Davidson
Mrs. M. Mathis
Mrs. A. Sefo
Mrs. K. Watkins

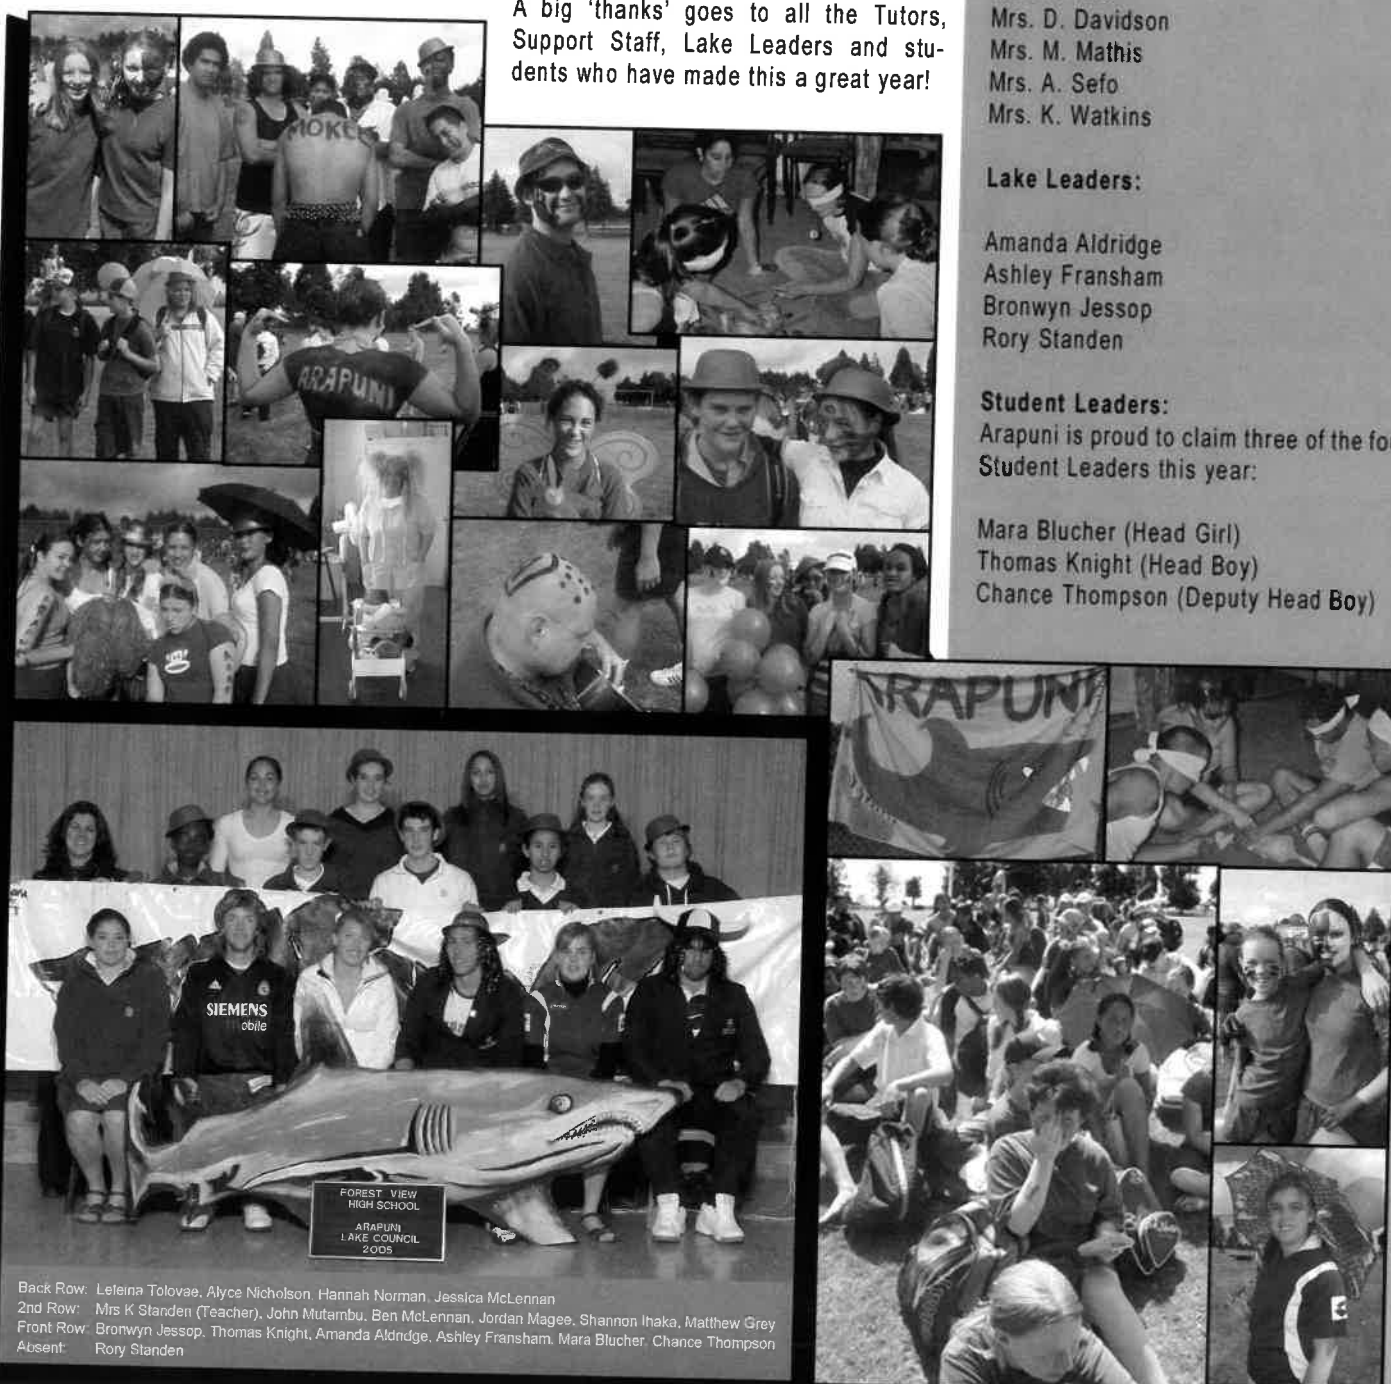

Lake Leaders:

Amanda Aldridge
Ashley Fransham
Bronwyn Jessop
Rory Standen

Student Leaders:

Arapuni is proud to claim three of the four Student Leaders this year:

Mara Blucher (Head Girl)
Thomas Knight (Head Boy)
Chance Thompson (Deputy Head Boy)

Back Row: Lelaina Tolovae, Alyce Nicholson, Hannah Norman, Jessica McLennan
2nd Row: Mrs K Standen (Teacher), John Mutambu, Ben McLennan, Jordan Magee, Shannon Ihaka, Matthew Grey
Front Row: Bronwyn Jessop, Thomas Knight, Amanda Aldridge, Ashley Fransham, Mara Blucher, Chance Thompson
Absent: Rory Standen

"...students did us proud!"

MARAETAI

TUTOR GROUPS

MEem: We are MEem. Nothing much rhymes with "MEem". We hang out in A2 and our favourite sport is hassling Ashleigh.

MKe: The tutor of paper planes, music and all round fun!

MMg: Matenga's Maraetai Gang! We're like a big hangi - home cooked in the Art Room. You'll hear us open with a prayer every morning before bringing out our shared breakfasts. We're so active that we all get special seats. A talkative and upbeat bunch of kids is what you'll find in B1. If you're bored, come in and visit us; our door is always open.

MWd: Cushions, slippery floor, mirrors, stereo, no shoes!!!!

MTTo: M - Mature
T - Togetherness
O - Outgoing

Together we have built a sense of Whanaungatanga within our tutor group this year. We have fostered respect and tolerance towards our peers and our senior students' have been positive role models to our juniors. We wish our departing senior students all the best for their futures and look forward to the New Year and new people joining us.

MTs: Hickory, dickory dock
We're MTs and we rock!
We represent CBlock
And we're better than the lot!

Whanau Class: We started this year with high hopes and new faces in our tutor class. Three years ago our tutor was a group of forty containing four tutor groups, MMe, MMg, MTa and MHk, now we're left with one. We've had our ups and downs this year with the loss of our Tutors' Home; C13, to a devastating fire. With our heads still held high, we continued to stay strong and worked through that hard time together. Two terms later we're back in our old 'Kianga' and proud of it. "Ko te Manu e kai ana i te miro noon ate ngāhere ko te Manu e kai ana i te Matauranga noon ate ao." "The bird which feasts on the miro berries; his domain is the forest. The bird who feasts on knowledge; his domain is the world."

LAKE LEADERS REPORT

To be selected as Maraetai Lake Leaders for 2005 was the most challenging, yet rewarding, experience of our lives. Lisa, who, continuously reminded everyone to be at school on time. Ian was always "going with the flow". Kara positively contributed to the Lake to ensure we achieved our potential and Toni challenged Mrs Blucher on everything she said (even though half the time she really was wrong). We were lucky to have Mrs Blucher bless us throughout the year. Thanks to the students, teachers, Mr Tawha and Mrs Blucher.

Our "Lake Leader" Memories:

Mrs. Blucher: "Could I please have a brief meeting with the four of you!?"

"You just stop being cheeky Toni!"

"Excellent work Kara"

"How come you're late Lisa?"

"Could someone please go and get Ian?"

Lake Leaders: "All good Miss!"

Mrs Blucher: "Um, I'd rather talk to all four of you at once."

Toni Baker on behalf of Maraetai Lake Leaders (Ian Tuputala, Lisa Campbell and Kara Thompson)

Mrs. C Blucher Ms. K Eastham (MEem)
Mr. W Tawha (MTa) Ms. R Wade (MWd)
Mr. M Treasurer (MTs) Mrs. G Toy (MTTo)
Mrs. Ackerman
Mrs. Coffin

ASSISTANT DEANS REPORT

"Ka nui te mihi ki a koutou katoa, Nga Kaiako me nga akonge o Maraetai." 2005 has been a productive year for Lake Maraetai. Many thanks to our Peer Support Leaders who completed their training and assisted our junior students throughout the year.

To our Lake Leaders Toni Baker, Kara Thompson (Kia ora korua), Lisa Campbell and Ian Tupatala; thanks for all your hard work. To our Maraetai Lake Council Committee Members; our success is due to your support and assistance; our Lake Day was awesome. Also many thanks to those who supported our day.

To our tutor teachers, Mrs Toy, Miss Kelly, Ms Eastham, Ms Wade, Mr Matenga, Mr Treasurer, YOU'RE AWESOME! Thanks for your hard work, ("sorry about the grey hairs").

Last but not least, our Maraetai Dean Mrs Blucher. We appreciate your consistent efforts to see our lake "Soar Like an Eagle" and achieve our potential.

"Noreira, Ka nui te mihi ki a koutou katoa mo te 2005"

W Tawha (Assisitant Maraetai Dean)

DEANS REPORT

2005 has been a positive year for Maraetai. We have achieved so much from within ourselves and also as a whole lake. I am extremely proud of each individual in Maraetai who have in some way shown us their strengths and at the same time made an effort to overcome any challenges that they may have had to face. As a result we continue to be a caring, supportive and strong lake. I would like to thank Mr Tawha for the great job he has done as Assistant Dean this year and to the seven Tutors who have all worked hard for our students.

Our Support Staff are always willing to help out and this continues to add depth to our lake.

A big thank you to the Lake Leaders this year. They have been tremendous and have set a high standard for the future Lake Leaders to follow.

When we look back on the year it is not the competitions that we have won – Athletics and Spellathon – or lost, that has set us apart, but how we have dealt with the wins or losses.

We have a unique lake spirit in Maraetai and this can never be taken away. We are achievers because of this. Mr Matenga provided us with the new Eagle symbol along with Tacy and Andrew helping to construct it.

This, with our new poster, set the backdrop for the lake and the year. I encourage all in Maraetai to "Soar like an Eagle" and always be proud of our lake and everything it represents.

-Vision-Speed-Strength-Unique-

Carleen Blucher (Maraetai Dean)

"Soar like an eagle."

OHAKURI

We were all very proud when Nina Stairmand was elected the Board of Trustee Rep.

In 2004 the Inter-Lake competition was once again very close and it was quite unbelievable that the Ohakuri name was read out at prize-giving. This year has not been as good, although it was a great confidence boost to win the Interlake swimming competition. In this event we were true to our name "TOO HOT TO HANDLE". We try to encourage as many students to take part and our Lake Leaders have tried to make sure all our teams turn up for the Interlake lunchtime competition.

OPI took out the inter-tutor Multi-sports challenge in Term 2. T Keith-Matchitt won the prize for best effort in Ohakuri for fundraising in the 40 Hour famine.

Lake Day was held on the 2nd September. The food preparation began early in the morning with many generous donations by Ohakuri families. Food ranged from lollies, cakes and chocolate eclairs, to soup and chop suey. The most popular however was the hot chips/cheese/& mayo. Ten minutes after the lunch bell rang the majority of our food was gone and we faced cleaning up the cooking room. Meanwhile in the very greenly decorated Auditorium the Fun Factor audience were being entertained by our four unlucky contestants, Sara Jansen (lake leader), Mr Paul, Mr Ukranic (teachers) and Tommy Knight (headboy). It was very funny seeing our contestants eating spaghetti with onions and weetbix mixed in it, being

blindfolded and applying makeup to live models, and lip sinching. One of the funniest sights was Mr Ukranic bare-belly hula dancing. Overall the winner was Tommy Knight. Those students enjoying the sunshine outside got to see Bash the Car and sponge throwing on the netball courts.

At the beginning of the year we congratulated N Yukich for gaining excellent NCEA 2 results and N Stairmand, N Tare-Jones, A Watts, J Hoo-geveen and R Mihaere for gaining excellent NCEA 1 results.

A number of our students have been very successful in the sporting arena. At the Athletics Sports V Morunga was runner-up in the Senior Boys and T Keith-Matchitt in the Intermediate Girls. W Gibson also did well. In the Cross Country T Keith-Matchitt, T Tereu, J Sneddon and S McGovern all gained top three placings. P Joynt has excelled in New Zealand Mountain Biking, representing New Zealand, as has S-L Giles in Roller Skating. This is a wonderful achievement. M Boseley has also done very well in his cycling.

We are proud too of the 2005 'Ohakurians' who have been very successful in their cultural and academic endeavours. A Dean and T Karora-Reu were members of the Az-One group which won the NZ

Pacifica Beats' Competition. N Yukich is to be congratulated for the wonderful effort made as one of three Directors of the Stage Challenge group. Ohakuri was very well represented with participants in this group and also the School Production. Sam McGovern and L Lancaster were selected in the Taupo Districts Pipe Band and Charissa Mamanu was granted an AFS/Pacific Business Trust Scholarship to experience life in Argentina. S Stratton achieved Distinction, A Dowdle and K Harris Credit, and P Joynt and J Yukich Achievement Awards in the Australasian Science competition and S Stratton and M Stairmand were part of the FVHS Wai Maths teams. N Stairmand has been a regular member of the Senior Debating team and J Sneddon has excelled in his Agricultural endeavours. Congratulations too to T Walker who graduated from Project K.

FVHS offers so many wonderful opportunities and we aim in Ohakuri to encourage the students to grasp as many of these as they can during their time at school as it adds so much to their final Record of Achievement. A significant number of students have done just this, which is great. A big thank you to the Ohakuri Tutors, supporting staff, Lake Leaders and students. We hope our leavers achieve all they set their minds to do. Best wishes for happy, successful futures.

Haere ra.

WHAKAMARU

Colour - Gold; Motto - "Go For Gold!"; Mascot - Kowhai the Lion

What do all Whakamaru people have in common?

They get involved and have fun together! Our Lake Day showed that!

We have so many pupils and staff involved in so much that this year it has become impossible to list them! Clearly, most of us are experiencing lots of activities, gaining new skills and generally enjoying school!

Academically we started the year well with Claire Wilson (NCEA 2), Joseph O'Sullivan and Kieran Wilson (NCEA 1) being in the top 10 achievers at our school. Jennifer Flintoff, Nom Stairmand and Sarah Riceman gained Gold Awards with Jennifer and Sarah also gaining Excellence Awards at Year 10. We had three teams in the Spellathon Competition, 14 pupils involved in the Academic Exchange and five pupils who competed in the Waimaths Competition. Claire Wilson, Colin Haa and Caren August were members of the winning teams in the Library's Trivial Pursuit Competition and Nicole McVicar and Dylan Guitink were poetry winners in the term two Poetry Competition. We have eight juniors in Future Problem Solving and at least nine seniors who have been involved in work experience through Gateway. The Computer Skills Competition saw Geno Milnes and Craig Pilott gaining Distinction, Hamish Arnold gaining Credit and Kelsey Haugh gaining Achievement. In the Australian Science Competition we had Craig Pilott and Dharni Kumar gaining Distinction, Caren August, Geno Milnes, Nom Stairmand, Ayden Stevens and Ben Wong gaining Credit and Colin Haa gaining Achievement.

Culturally we had 30 pupils in the Production and 26 students in Stage Challenge with Lucy Natua having a leading role organizing one section of the dancing. There were 10 pupils in Polinetia Fa'atasi and three in school rock bands. Jeremy Siulepa was a member of Az-One, the group that won the National Pacifica Beats Contest. The Shakespeare festival was a new experience for four of our pupils and debating was enjoyed by three others. We welcomed our AFS students, Laura and Tomas, and welcomed back Rodney August from his overseas venture in America.

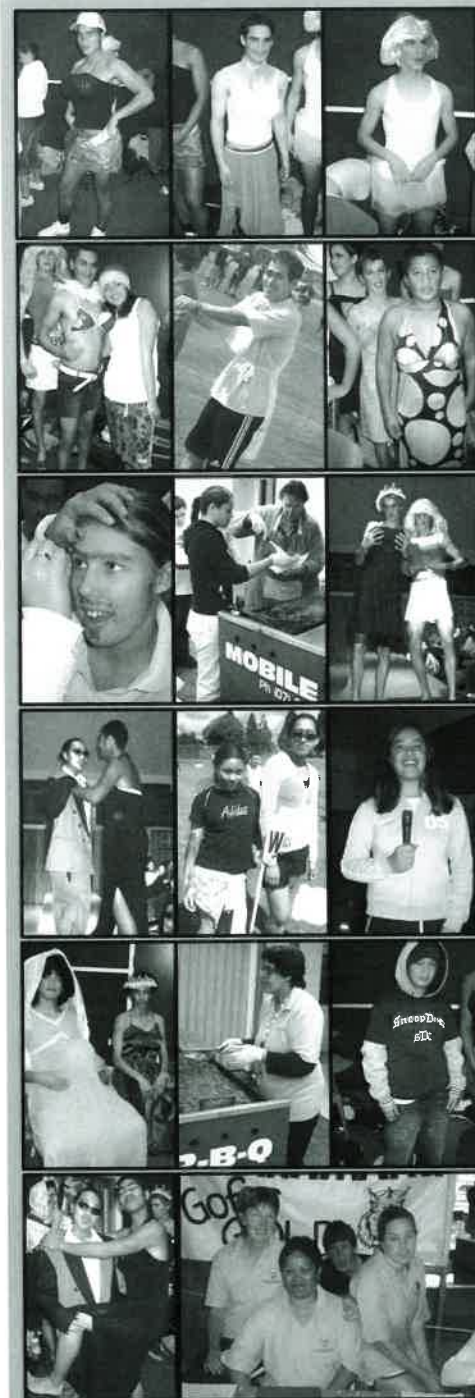

We were also well represented in sport, starting the year off with six of our pupils doing well in Athletics. Geno Milnes made

it to the North Islands and Shadrach Coake became the Senior Boys Champion. Six also represented us well in the Cross Country. Eugene Mihaere excelled in Touch, being selected for three NZ teams and Isaac John was selected for the development squad for the Parramatta Eels Rugby League Club. Dylan Guitink swam in the Division Two Championships and is now ranked 11th in NZ in the 50 m Butterfly. He won a gold medal in the Waikato Age Group Championships. Chris Totton came 2nd overall in the C grade of the NZ Secondary School Gymnastics Championships.

We were all very busy on a weekly basis in sports with two people involved in Triathlons, seven in Cricket, six in Touch, 22 in Netball, 10 in Basketball, seven in Hockey, 21 in Rugby, two in League, six in Soccer and one representative in Lawn Bowls!

Special mention must be made of our Year 13 students who led by example and who have involvement in all spheres of the school. We are very proud to have had you all in Whakamaru and we wish you all the best for the future!

Our Lake Leaders, Shadrach Coake, Heather Flintoff, Joseph O'Sullivan, Emma Whittaker and Claire Wilson also deserve a very special mention. Under the guidance of our excellent Assistant Dean, Miss Livingstone, they did a great job of organizing Lake Day and encouraging and motivating us and, as a Lake, we are very grateful for that.

Back Row: Toka Natua, Sophie Gavet, Naomi Stairmand, Leanne Joseph
2nd Row: Mrs Yukich (Dean), Jody Cunningham, Lucy Natua, Kieran Wilson, Tunisia Ngatai-McCaskey, Leanne Hoffman, Miss S Livingstone (Assistant Dean)
Front Row: Samantha Bloxham, Rapotai Samuel, Claire Wilson, Joseph O'Sullivan, Shadrach Coake, Heather Flintoff, Anaka Muihi, Billie Morunga

GOLD MEDAL SURVIVORS

WEs

Hannah – our quiet achiever who promises to be a leader in the business field!

Claire – our dedicated Lake Leader who committed herself to every possible activity in the school and still always found time for us!

WGr

Mercedes – our import who brought even more hilarity and fun into our Lake!

Emma – our bubbly ex Lake Leader who left to prepare for her future career in the beauty field!

Rodney – our AFS returnee, who changed from quiet to a star spangled banner singer!

WLi

Ben – our van driving musician who divided his time equally between the two!

Heather – our rugby playing dancer who was a welcome addition to the Lake Leaders team!

WMd

Shadrach – our sporty Lake Leader who went to any lengths, or G-strings, for the sake of Lake points!

Tush – our turnaround girl who still needs a watch but has become a computer operator extraordinaire!

Daniel – our bearded musician with mechanical aspirations!

Courtney – our ex homeschooler who has spread her wings at FVHS!

WUm

Blair – our independent young man who couldn't wait to start pursuing his career!

Travis – our firefighter who finally conceded that sometimes there are other's views to be considered!

Chrystal – our "I'll do what I want" girl who has refused many opportunities to leave and stuck it out to gain academic success, maturity and friendship!

WVo

Dana – our computer operator with a passion for rugby and a quiet leadership style!

Lucy – our choreographer who has expanded her horizons and involvement this year so that we could all get to know her better!

Nick – our other firefighter, alias "Slasher", who finally did convince us of his maturity!

Cheryl – our keeper of best friends, including the potato, who has a cheerful future just like her personality!

The Lake Council worked co-operatively to pull off a very successful Lake Day. The emphasis was on fun and food and everyone enjoyed themselves. The inter-Tutor multi-sports were once again hotly contested with WEs winning by two points. Well done!!! On behalf of the staff and students in Whakamaru I would like to thank Mrs Yukich for her commitment and dedication. Good luck to those who are moving on next year. For those returning I look forward to hearing your ideas for our next Lake Day and inter-Tutor competitions.

Miss Livingstone (Assistant Dean)

I think I can speak for all of Whakamaru's 2005 Lake Leaders, Shady, Heather, Jo and myself when I say that not only being a part of, but leading our Lake, has been awesome!

We started the year off with a "hiss and a ROAR" on Athletics day and kept on roaring right through till the end! During this time we said goodbye and good luck to Emma Whittaker, one of our original Lake Leaders, and in doing so, introduced Heather who has been great. Together with the Lake Council and Whakamaru staff we held what was by far the greatest Lake Day in the history of all Lake Days (we think so anyway), and we've put up more than a fight in the Swimming Sports and the Cross Country. "Big Up's" to all of our surviving year 13's, it's been wicked getting to know everyone so well. You're all legends in some way or another!

To next year's Lake Leaders – good luck, kia kaha, hope you have as much fun as we've had! To everybody else in Whakamaru – remember, it's GOLD not yellow, and participation, participation, participation!! Soldier on, we'll get there some day!

To Miss Livingstone, our Assistant Dean, to the Tutors and all the other Whakamaru staff members – thanks for the support and encouragement, a little bit of pride goes a long way! Lastly, to Mrs Yukich, our lovely Dean, what can we say Yukie, you're an absolute star, a genuine tribute to our Lake – WHAKAMARU!!!! Thanks a bunch!

From Claire

INTERCULTURAL EXCHANGE PROGRAMMES

This has been a really busy year for AFS at Forest View. FVHS has welcomed students from many parts of the world to our school. At the same time, a number of our students have grasped the opportunity to expand their horizons with a global education experience in another country. Leleina Tolovae returned from a year in Spain, Rodney August from the USA, Gaby Wooderson from Panama and Charissa Mamanu from Argentina. Cara Ryan is currently away in Brazil. Leleina, Charissa and Cara were all extremely fortunate to have been awarded AFS / Pacific Business Trust Scholarships. So far this year we have had three students selected to go away in 2006; Kimberley Wilson, Toni Jessop and Renee Anderson-Pitman. Three more students are awaiting selection and placement.

Here are some thoughts from our returnees and our hosted students.

Tomas Bolek

Hi everyone, my name is Tomas Bolek and I come from the Czech Republic. I'm 17 years old. I came to New Zealand about seven weeks ago and I already feel like a "kiwi". It took me a boring 24 hour flight to get here from my country, but now I can say that it was really worth it. Everything is so different! The people, the nature, the towns, the school, the food...so many things!

I am really excited about how nice and friendly the NZ people are and how easy it is to make friends. And I absolutely love the New Zealand nature, which was one of the main reasons why I came here. I would like to see as much of this country as I can and also try those activities NZ is famous for – bungee jumping, sky-diving and zorbing.

I really enjoy going to Forest View High School. I have lots of friends here, not only in my classes and with the AFS students, but also in other years. Although I am not going to sit the NCEA exams, I am really enjoying the classes, which are completely different from the ones in my country – they offer each student more opportunities to express themselves and to work more freely.

Choosing to be part of the AFS program was the best thing I could do for myself. I have new friends, a new lovely family; I am improving my English skills and becoming part of the "kiwi" culture. So: "Thank you, AFS and FVHS, for this opportunity!"

Tomas

Emiri Hachiya

Kia Ora Koutou! I am Emiri Hachiya from Japan. I have wanted to come to New Zealand since I fell in love with its great landscapes and SHEEP. My city, Tokyo has no greenery and a lot of buildings are hiding my blue sky. I am so happy to live in New Zealand, with the green grass, under the huge rainbow and the Southern Cross and with SHEEP!

I was less-confident at the beginning of this year and I could not talk at all, although I did know that people here were very nice. All I could do was smile at everyone. I must have been quite strange! But now, seven months later, I am very happy that I have such wonderful friends. Without them, I would not have enjoyed myself at this school! They keep talking to me and being interested in my culture. It helps me a lot! Thank you so much to everyone with a lot of love!

Taking part in the production was a really good opportunity to get acquainted with a lot of people from different levels. I am glad that I enjoyed it by sharing the same memory with them. My biggest activity at this school is, needless to say, Kapa Haka. To be honest, it was kind of scary to be in

the Kapa Haka group because I did not know anything about it and the Maori language confused me a lot. However, because everyone there helped me and had great patience and just kept being nice to me, I love being in Kapa Haka now! This is definitely one of my greatest experiences in New Zealand.

I am Kiwinese (Kiwi + Japanese) because I like my culture but I love Kiwi people! My host family always taught me kiwi styles and slang! "Kia Ora, Bro! Howz it? I am HOW happy being here! Do I want to go home? Not even owl!" Yes, I am learning New Zealand talk!

Thank you so much for everything. I want to shout it to all my friends, my host family, teachers, Forest View High School, Tokoroa and to New Zealand!

A particular thanks to Mrs.Sommerville, Ms.Toy, Mrs.Smith, Ms.Eamshaw, Mr.Matenga, Mr.Woodlock, Mr.McDonald, Mrs.Yukich and my AFS coordinator, Colin Dawson.

I love Forest View High School!

Arohanui Emiri

Gloria Quiros

Hola a todos mis amigos! Lol! I'm Gloria Quiros, the student from Costa Rica, and I have been in NZ since January. This has been an awesome experience and it has been a pleasure to study at Forest (nice buildings, big fields, a common room, etc). I learnt a lot from the subjects I took (well, after I understood what the teachers were talking about!). I am glad to say that I enjoyed this time.

Thanks to everyone that I met here, you guys made it easy for me to get settled and you shared your lives with me which I appreciate. Being an AFS student gave me the opportunity to try a lot of new activities (hiking for hours, athletics and other sports, living on a farm, doing black-water rafting, watching the rugby at the stadium, seeing the snow... and so much more!). I also learned more about myself. The most valuable aspect of my experience have been my kiwi family; the Cottons, and the friendships I have made during this year: I'll be waiting for visits to my country! Amo este pais, los amo! Gracias y Chao! Cya;

That's it!

Gloria

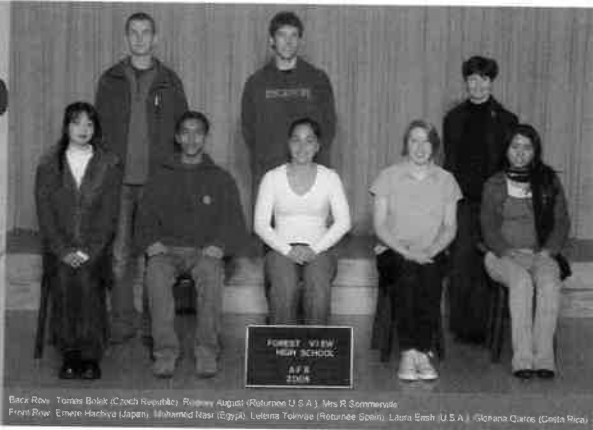

Mohammed Nadr

I have been here for only five weeks but I really enjoyed it. I enjoyed the school very much. I began to make good friends in the school and I joined the soccer team. I think I am very good at soccer. I am in the kiwi sports programme. In this I taught some little boys how to play soccer.

I enjoyed my time at this school. It is surrounded with green places and it isn't like my school in Egypt.

I have different ways to study in Maths and English so I learnt new information. I made a lot of friends here. They are nice people but I do not understand many words from them when they talk very fast. Of course they laughed at me when I did not understand "hahahaha". I have enjoyed this year and I wish to stay here for another year and then I will see you in Egypt.

Mohammed

ENGLISH DEPARTMENT

Stranger in the Night

A rusting pot in the corner of the room was positioned beneath a hole in the thatched roof, collecting drops of water from recent rain. Ana examined the shabby room and noticed a widening gap in the wall where yet another piece of tin had buckled away from the framing. A moth-ridden mattress - the only item of furniture in the room - lay in the corner.

Ana sighed. "Well, this is life!" she muttered sarcastically.

Ana's scream was stifled by a cracked dirty hand clamped around her mouth.

"Don't say anything!" came the gruff voice of her attacker as he threw her to the ground. A blood-stained machete, dancing to the owner's tune, slashed her torso and legs, leaving her nightie in tatters.

Nom Stairmand (Year 11)

Daisy Chain

I look at my daisy chain
So pretty and so new
Although I went through so much to get it
I give this chain for you!

Through cold and rocky waters
Thorns that made me blue
Over high hills and many borders
To make this chain to you!

Though my feet are sore
With cut and bruises on them to
I sat at the place with the daisies
And made this chain for you!

So here I stand today
My story is so true
And all I have to say is
This daisy chain's for you!!!

Reality

"Uncle Dave called me...and it's Koro...Koro's dying!" My sister holds her arms tightly around me and I clearly remember thinking: No, course not, Koro's not ready to leave yet, he has to stay for longer. I feel detached from the situation as though I'm watching from above. This isn't happening to me, this happens in books and in the movies. It can't happen to me. But it is, says reality.

Reality. This word enforces the destruction of our ideal worlds, when all we want is to be left alone to pretend. Reality won't let me feel aloof anymore.

"Oh my God. Oh my God." I feel as though the grief will engulf me. The pain is crashing into me with unforgiving waves. I try to swallow, feeling that this will mend some of the hurt. It only clears the way for an onslaught. My brain begins to play memories to me like I'm in a movie theatre. I clutch my sister, wanting her to keep me grounded.

Arielle Kauaeroa Monk (Year 10)

A Slice of Everyday Experience

Parking on an undesirable chair, I try to create opportunities for the blank paper staring at me. Music engraves ceaseless lyrics across the back of my mind. They disappear as I deny the next song. The dawning silence allows loneliness to invade empty spaces.

Surprisingly, an idea sprouts from nothing, my hand rushes to transfer the thought. I revise the opening statement, disliking the disarray already. I cross over it with frustration. The day's events cross my mind as I search for motivation. Barely hanging on, I examine the smells of dinner seeping under the door. I drift deeper into thought, releasing the memory of the task at hand. Regardless of the uninvited attitude of the uncomfortable wooden chair, stationary in the midst of the gentle furniture, my dreams manage to suppress the outside atmosphere.

An abrupt thump rolls through the walls from the neighbouring room, followed by a series of spiteful words. I grasp the memory and force my brain to concentrate on the impossible mission. I focus on opening up for new ideas but the force field seems unbreakable. I feel my head rest against the cool desk. As I study the white paper, I'm enveloped by darkness. Without hesitation I fall into a subconscious enchantment.

Katie Barber (Year 10)

The Deluge

The rain was gushing down in torrents. I sat huddled on the couch listening to the downpour beat a vibrant pattern on the sodden shingles. The day had been increasingly depressing, the weather grey and dreary, but in the past few hours the rain had steadily increased. Puddles were gathering on the glistening lawn.

I uncurled my legs and ventured over to the window. My breath steamed up the icy glass. I wiped away the vapour, scanning the bleak landscape. As I watched, the rain began to intensify. The wind whipped through the trees with horrifying force. I glanced toward the road and saw that it had transformed into a raging river. The water came rushing up the driveway, collecting in a huge pool near the letterbox.

Alysha Chitty (Year 11)

Amme

Love the way she looks at me
always with a smile.

That smile is so inviting,
you could see it from a mile.
I see her at least twice a day,
from here or there or far away.

This girl is usually laughing
with a great big cheesy grin.

I also see her hair, her lips
and her complexion.

I love this girl so much,
because this girl is my reflection!

Emma Wright

My Koro

Koro was never "unbusy". He always had something to do even when it was being a DIY disaster man when trying to fix the house. Sometimes he would succeed. Other times he just made it worse and caused my Nan to stress.

"Oh, shut up," he would say to Nan, "Stop looking at the things in the first place, that's the reason they break!" He cracked up laughing and took off outside before Nan could say anymore.

Now Koro is gone. My whole whanau misses him. He was a great person to know. He was so kind and loving. Lots of other people loved my Koro too. You could see that at the Tangi when you looked around. So many people turned up to pay their respects. The one best word that would describe my Koro is 'awesome.' No one will ever replace him.

Tara Cridge (Year 9)

Rainbow

The rain tumbles,
splashing clumsily on the ground
like silver tears from an upset child.

And then the sun shines brightly.
Blindingly.
turning everything to gold.

The clouds roll back
revealing a never-ending blue.
And a strip of many colours
arcs across the sky.

Ellen Chitty

The 37th Floor

The tower groaned with agony. Glass shattered into tiny fragments, blowing me from my desk and onto the rapidly shaking floor. Darkness ate my vision.

I awoke to a throbbing gash on my temple, blood dripping to my mouth. Wiping my face, I lay there, thoughts racing through my mind. I tried to get up but my strength had deteriorated. My energy sucked dry.

After many struggling attempts I got to my feet..

Clouds of smoke swept past me as I limped. Choking and squinting, I was surrounded in gloom. A light shone from the open stairwell door was a beacon in the smoky darkness. As I continued, I noticed a silhouette of a man framed in the light of the stairwell entrance.

"Come this way," the man called to me.

Hayden Whittaker (Year 11)

Compelling Views

I sat on the beach and listened,
to the stillness of the air.
When the sun rose and hit the sky,
I glimpsed its fiery glare.

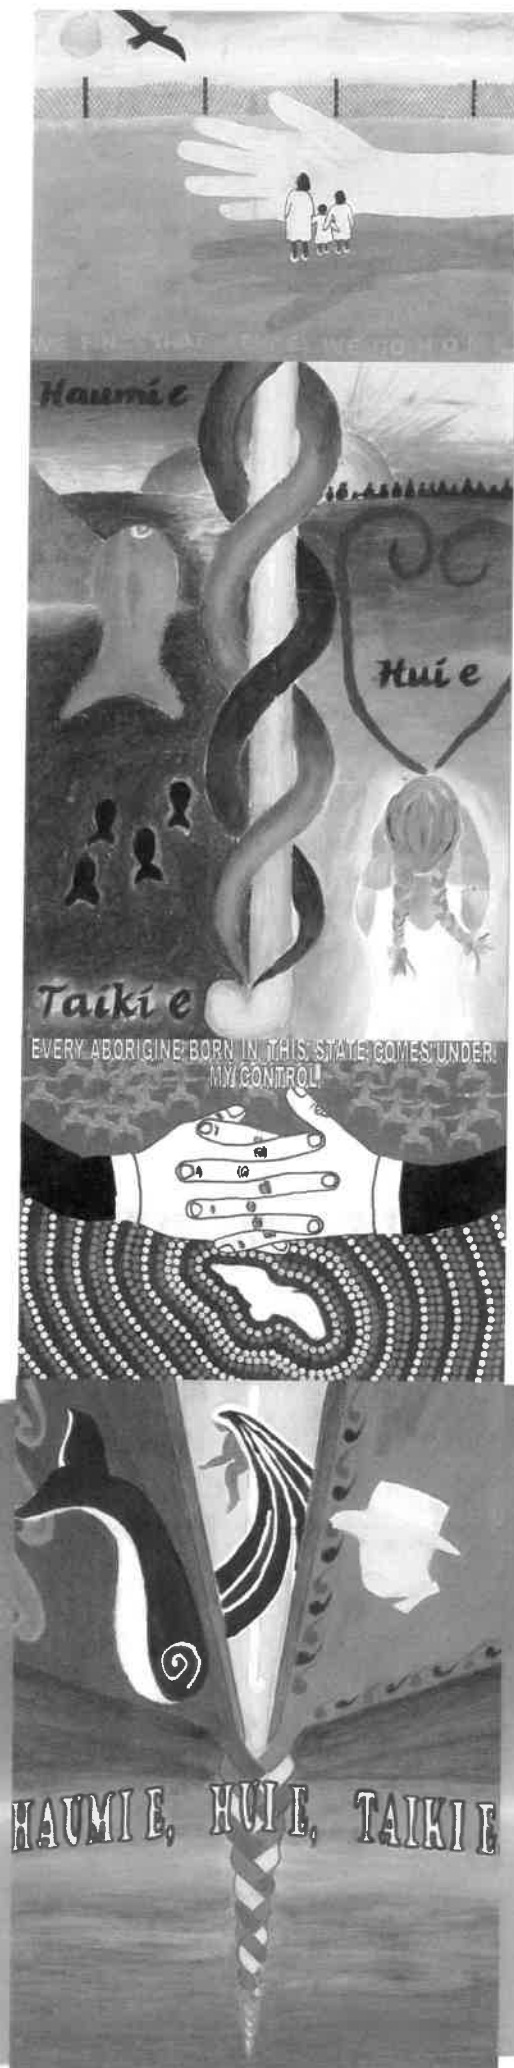

I traced the line of ridged shores,
thrust completely out of reach.
I felt the coldness of the water,
as the waves lapped upon the beach.

Some early morning joggers,
disturb the glistening sand.
The picture painted perfect,
as if crafted by a hand.

When I leave my cosy spot,
the crisp air stings my face.
But the footprints that I leave
match my slow, drawn pace.

My visit to the beach,
filled an emptiness inside.
Any feelings of misgivings
are swept away with the tide.

Ariana Pikari

MATHEMATICS DEPARTMENT

Defining Excellence to Infinity

Year 9 Mathematics

Each term this year, the Department acknowledged good students within Year 9 Mathematics' classes by sending letters to parents highlighting positive aspects of their child's behaviour and/or progress within the classroom. Perseverance, a positive attitude, high standard of bookwork or class work, an improved attitude and achievement were just a few examples of what Year 9 students were praised for throughout the year. It is important that we encourage our students to maintain high standards in the Mathematics classroom.

Competitions

We continued to encourage our students to participate in competitions in order to broaden their mathematical knowledge and to see other Mathematicians in action. Jessica McLennan, Alix Steven, Nathan Alley, Steven Salmon and Colin Haa gained a Distinction Award in the Australian Mathematics Competition. Twenty two students from Year 9 to 13 gained a Credit Award in this competition. Last year, Jeremy Warner was placed first equal in his division of the National Bank Competition. This year, Nathan Alley gained a Top 200 placing and Jordan Wood gained a Merit certificate in this competition. These students are to be congratulated on their achievement which shows their potential to excel in Mathematics.

We entered three teams into the Waimaths competition which was held in Hamilton and

involved schools from throughout the Waikato and King Country. We did not place in the top three of each division but students enjoyed the opportunity to pit their mathematical skills against other students of the same year level. The team members were as follows:

Year 9

Nathan Alley, Dharni Kumar, Sean Stratten

Year 10

Eddie Fong, Ethan Whittaker, Ben Wong

Year 11

Craig Pillott, Meg Stairmand, Nom Stairmand

A team, consisting of three junior and three senior students, was sent to participate in the Academic Exchange which was held at Rotorua Lakes High School. They were an enthusiastic group who were very vocal and entertaining to watch. They were narrowly beaten by Rotorua Lakes but they enjoyed activities such as pop the balloon, Mathematics' version of Taboo, constructing polygons and solving a rather hard sudoku puzzle. The team members were as follows:

Nathan Alley, Colin Haa, Mercedes Holland
Alan Watts, Jordan Wood, Ben Wong.

Maths Week

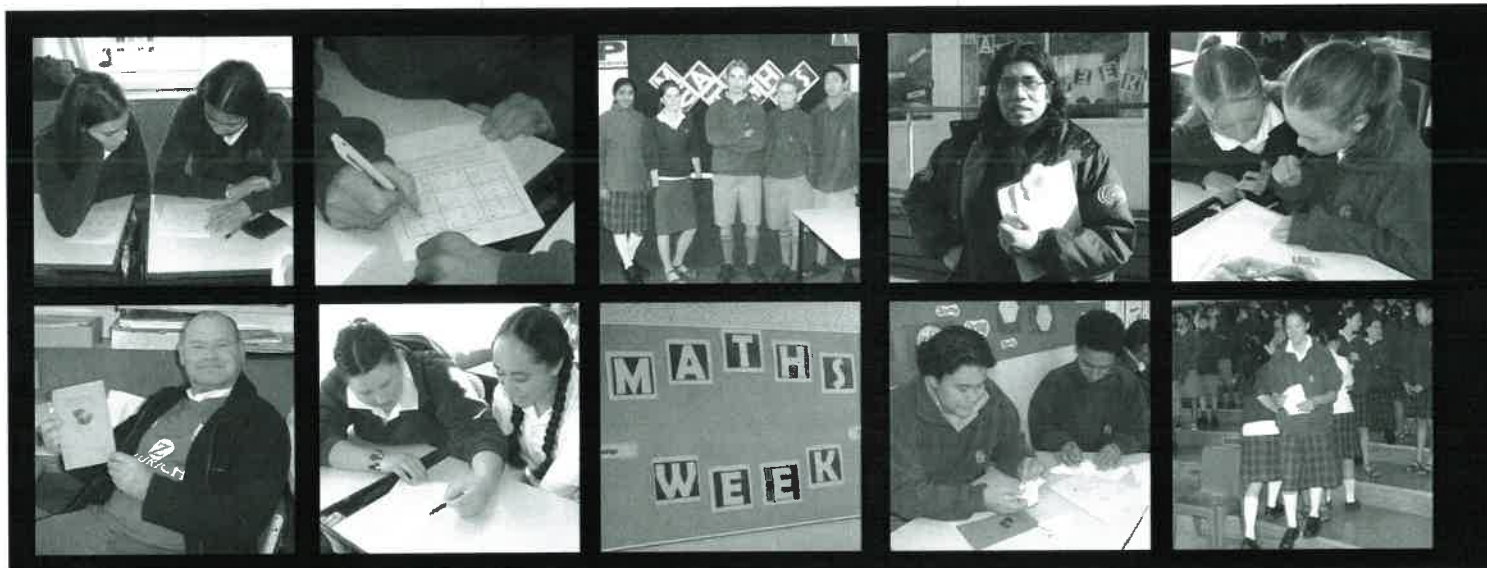

Maths Week is an annual event. Students and staff are treated to an exciting week of Maths, Maths and more Maths. This year's theme was 'Mathematics - A Timeless Treasure' and activities were designed around this theme.

Year 9's spent a hectic period racing from classroom to classroom trying to complete challenges in order to claim a share of the treasure. Activities included a Sudoku puzzle, wordfind, a construction task and a number puzzle. Shannon Ihaka and Ariana Pikari were the first pair to complete the Treasure Hunt.

Year 10 students delved into the history of Mathematics by researching topics such as Roman Numerals, Trigonometry and Binary Numbers. This gave them an opportunity to appreciate the role of Mathematics in history and across a range of cultures.

Senior students and teachers were also given their own Treasure Hunt. They were sent to complete challenges and to entertain the Mathematics Department. Challenges included finding the golden number, completing a sudoku puzzle, singing a Maths song to Mrs Douglas, finding the fibonnacci sequence and to write a lovely poem about Mathematics. Colin Haa and Andrew Dowdle were the first students to complet the Treasure Hunt. Mr Clark and Mrs Standen were the first members of staff to claim the treasure.

The highlight of Maths Week was our annual Year 9 and 10 Mathletics. Year 10 students were keen to beat the winning team from the previous year or if they were the winning team then they were keen to dominate! It was great to watch the different strategies employed by different teams. Congratulations to Arapuni who won the Year 9 and 10 Mathletics this year.

MATHS WEEK POEMS

Maths is smart
Maths is great
Maths gives me a headache

In my mind
It will always bind
Until the very end of time

Maths is cool
While at school
In the world it's a useful tool

Andrew Dowdle

Well its MATHS week again
Putting numbers in my brain
ADDING, SUBTRACTING
and MULTIPLYING
Making me go quite insane

FIRST it's a book I must view
Then a PUZZLE called SUDUKO
There's a song to sing,
A FIBONACCI thing
As if I don't have to teach too

MATHEMATICS week is cool
Makes kids want to come to school
TESTS your MEASURE
To find the treasure
MATHS DEPARTMENT you RULE

Mrs Standen

Maths is central to all subjects
Language is needed too
Without a base in both of these
There's nothing you can do

Chemists use numbers all the time
But Physics use them more
Without numbers on the sports field
It's hard to keep the score

Historical dates, geographers stats
Technology measurements
Receipts in food preparation
Use maths to help make sense

Mr Clark

Sin, cos and tan are just a few of some words you'll find anew,
Mathematics is fun with lots of new things,
but dividing and squaring becomes frustrating.
Not knowing the answer gets people mad,
They've tried to answer and wished they never had.
But here is a way,
You'll just have to think; that Mathematics is easy, if you come prepared,
a ruler, pen, calculator and twink.

Its Mathematics Week, only one of 52!
So lets all get our brains thinking: "what's one plus two?"

Collin Haa

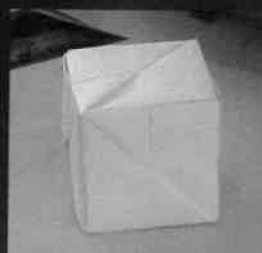

Maths is cool,
Maths is fun,
Maths is great for everyone.

The subject maths teaches a lot,
It keeps your brain from turning to rot!

Maths is brilliant,
Maths is cool,
Maths is the reason I come to school.

SOCIAL SCIENCE DEPARTMENT

This year has been a demanding but very rewarding one and I would like to thank each member of the department for their hard work throughout the year. It has been garnished with many high points, too many to mention in just half a page. As for low points: almost none. 'Woody's Angels' alias Ms Kelly, Ms Christie, Ms Eastham, Mrs Wiles and Mrs Hopkins (on leave, adding to the population) together with Mr Gray and Mr Ukrainic worked tirelessly to make the Social Sciences as interesting and successful as possible for our students. From the outset the Dream Team moved into action like a well oiled machine. Has there ever been a better and more dedicated group of practitioners? Up there with the great All Black teams of the past and the recent English Ashes cricket team? Almost certainly! Working as a single, highly motivated unit, the team moved through each term planning, assessing and constantly reviewing their progress in order to improve performance. With only our student's academic and pastoral welfare in mind we ploughed on. Operating like a Brazilian soccer team, nothing could stand in the way of this Social Science juggernaut. ERO came, observed, assessed and went away suitably impressed with the determined fluency and professionalism of the Forest View Dream Team. Not even the much feared and maligned 'Formative Assessment' could slow down 'the march'. But where is the march leading? You may well ask. Well, at the end of the year, to a group of well informed and suitably educated Social Science students with proven academic success. Hopefully, 2006 will be as successful as 2005.

Finally, I would like to conclude on a sad note. At the end of the year one of the 'Angels', our very own Jonny Wilkinson, Ms Eastham will be leaving the team to return to Wellington. She will be greatly missed by both staff and students and, just like Jonny, she may one day return!

Mike Woodlock

YEAR 11 HISTORY TRIP TO THE ARMY MUSEUM

In term two the History class made the lengthy journey to Waiouru to carry out a research project for our Internal History assessment. The trip seemed to take forever but when we arrived there was plenty to do. The museum was full of interesting and useful information about the various wars involving New Zealand. We had a lot to do in a relatively short time so there was little time to relax. When we had gathered all the necessary information and eaten lunch it was time to, once again, hit the road and begin the long trip home. It was an exhausting day but it was all worthwhile as those of us that worked hard, were rewarded with much needed NCEA credits.

YEAR 12 GEOGRAPHY TRIP TO HAMILTON

In term two the year 12 Geo students visited Hamilton to study the development of New Zealand urban centre. Firstly we attended a lecture at the Council Chambers where we were given heaps of useful information about the growth of Hamilton. After that, we carried out our own survey of how the people of Hamilton use the hinterland. The next task was to drive through Hamilton, starting at the CBD and finishing at the outer residential area. This enabled us to see how the structure of the city had developed. Our final task was to eat lunch! We were given one hour to enjoy our lunch break in the CBD before returning to Tokoroa. Overall, it was an enjoyable day which hopefully will prove to be a valuable learning experience for our Geo exams at the end of the year.

Ashley Risbridge

YEAR 13 CLASSICS

Before I started Classics Mars, Jupiter and Venus were planets. Juno was an exotic way of saying my Nana's name. Diana was a princess and I had not been exposed to Satire IX, clearly, my life was boring. My knowledge of the classical world stretched as far as to knowing all the words of the Hercules theme song - 'who puts the GLAD in GLADIATOR? - HER-CU-LES!' Now I know that Juvenal was pretty much a poor, lonely, perverted old loner. 'CLAIRE ME GRAPSEN' means 'CLAIRE PAINTED ME' and a Symposium is what we as young socialites get up to in the weekend. Did you know tagging actually originated in what was undoubtedly 'Gay' Greek society? It's true, they used to write messages quite similar to the macho 'expressions of self belief' seen around today: 'the boy is fair' and 'the son of Polydukes is a hotty' for examples! As you can see, Classics is a fascinating subject! Our all female Class of six students plus one courageous educator held some very interesting discussions and some very intense

recitation competitions; we watched Troy and drank Diet Coke, we even gave our own lectures (despite overwhelming giggles)!

We made up names for ourselves based on those of Brooklyn Divinities (eat your heart out Zeus).

Claire	LaQuantas
Lisa	Ebiniquewa
Toni	LeSquewgy
Jade	Jaydina
Vicki	Vikhilyn
Laura	Shaniquewa
Miss Eastham	Docta K

If you can pronounce these names I strongly suggest you take Classics. To conclude, I quote: from a great man's greatest Satire - Juvenal's Satire IX: 'Mankind is ruled by the Fates...' (I'll leave the remainder of this quote for you and your intrepid minds to discover!)

Claire Wilson

YEAR 13 ECONOMICS

Finally - our last year of Economics is over, what a mission! In hindsight, however, I will admit it hasn't all been bad! Sure there were a few more formulas and calculations than I'd intended on but there were also a few more shared lunches - we did, after all begin the year studying Marginal Utility - how many Toffee Pops can I eat before I start to feel physically ill? Cheers Miss Kelly! Our class of five were enlightened by Bens philosophies on, well, everything, Dowdles extensive knowledge of our crazy economy, my opinions on just about everything, Travis's ability to disappear for days on end, Hannah's tolerance to actually sit and listen to us and Miss Kelly's never-ending amounts of 'photocopies'. To outline a single highlight of our year is difficult but I'd have to say making coffee in the Staffroom takes the cake! It's been tough, but hopefully all our 'hard work' will pay off come exams.

Claire Wilson

“...the Forest View Dream Team.”

YEAR 13 GEOGRAPHY – WAITOMO

A wise woman once said: "One size fits no one" – she was right! For those of you who respect your dignity this is probably one of those trips you should just sit out. Sure, you get a brilliant lecture from a Waitomo local about tourism development in the area, but even that's no fun if your class is gutless – realistically you need to be a pack of nuts! Toss in an accent here and there, "a murry king named tee ferro ferro", Ben and a slide show, and then you'll have your selves a real hoedown!

Having discussed the revolution of tourism in Waitomo, down to the significance of every last blade of grass, it's off too the caves!

This all seems very well – until you're handed the wetsuits – WETSUITS!!!! Once you finally get these on not only will you look really stupid but you'll be extremely exhausted – (taking them off is much more fun – "hold on to the back of your seat and I'll rip your pants off" – "right"). To give you a visual of just how ridiculous you'll look in these suits I'll paint you a mental picture – obese eels with legs and helmets – it's HOT!!

Time to expose yourselves – emerge from the changing room (where, if I may add, experimentation – ie; dolphin dives, may be necessary). Like little black chodes you'll waddle to the mini van. On arrival at the cave you are issued with a tube – cherish and love your tube, for it is your lifeline – if lost or bitten by killer eels you shall face a slow and excruciating death in darkness, beneath the ground, eels and grotty glow maggots; your only companions.

In the unlikely event that you do survive this treacherous journey – it's likely your action-packed day will end in a complete anti-climax; another cave, more glow maggots, kiwis and elephants – seen one, seen them all!

Despite killer eels and chafing, this trip is, in all honestly "a bit of alright yeah."

Claire Wilson

YEAR 13 GEOGRAPHY – TONGARIRO

Having conquered Mount Tongariro I now have an even greater respect for Sir Edmond Hillary – what a legend!

On our first 'Geographic Expedition' as year 13 geographers the Year 13 Geography Class was faced with, what I would consider, some of the roughest, most unforgiving, 'Mount Everestish' terrain on the face of our deceptive planet. What started off as a peaceful walk through the seemingly flat "Mangy-tee-po-po Valley" ended up as an all out endurance trek up the slopes of Tongariro! Having reached the summit we all looked down at the rubble beneath our exhausted feet; we couldn't see much else other than fog!

So, sat on top of a mountain with a distinct lack of scenery and left with nothing much to do but, well, head back down we got up; one hundred moans per minute, Ben first (token mountain goat), then Chance (sporting a lovely oil skin poncho – on'ya mate), all heading back down the southern slope. It seemed we'd been trekking for days when we finally reached the lakes – BEAUTIFUL!!! After many falls, namely Jade and I, it seemed our eyes at last had finally been rewarded; the lakes were stunning!

Next we stopped for lunch - time to fill our impoverished bellies and see to our battle wounds; blisters and gravel graze were rife! More walking followed, by this stage most of us (I was at the back so I could see everyone) resembled the living dead – but with backpacks! We were stumbling about, falling on our bums, laughing out of sheer exhaustion; real Iron Man stuff, until suddenly, out of nowhere there appeared a clearing, a glorious clearing – a car park, with our bus and tourists in it! We reached deep within ourselves, found that extra bit of energy we all had locked away (courtesy of countless Barley Sugars and chocolate raisins) and in a flash we sprinted toward the bus; the end!

After a whole lot of ecstatic screaming and debate as to whom had actually 'won' (sorry Chance but we're convinced it was Ben), we boarded the bus and headed home – quite possibly the most quiet bus ride I've experienced in my seventh form year!

In all it was a great 'educational' trip (despite exhaustion, and countless bruises, bumps and blisters), – I just hope next years' class of adventurers gets better weather than we did!

Claire Wilson

SCIENCE DEPARTMENT

It's been another busy year in C Block. Finally all of the Science Labs were reconciled into one area, meaning we no longer had to traipse across to A13 in the wet & the cold to collect or deliver resources. We traded A13 for C4 as a theory/agriculture room and it was to everyone's benefit. English took over A13 as an extra classroom and all were happy! The arrival of Miss Mainland from Tokoroa High School as an experienced and dedicated Biology teacher was a fine addition to the expertise in the department. We continued to build on the Achievement Standard successes of previous years and the first Level 3 results were in line with previous Bursary results. It was pleasing to see a huge increase in participation and success in the Australian Schools, a big thank you to Mrs Somerville for her organisation of the participants.

The staff continue to work beyond the call of duty again offering afterschool and evening revision classes for all external exam entrants and this has to contribute to our frequent above National Average results. I hope that the students realise how lucky they are to have such dedicated teachers and reflect this in their own revision efforts.

It is with mixed feelings that we farewell Mr Jennings who leaves at the end of the year. Sorrow to see him go, young and energetic with an ability to give real insight and meaning to his lessons. Happiness at having shared a couple of years with him and a touch of envy as he resumes his exotic travels to far flung parts of our wonderful world, good luck and bon voyage. Finally, a big thanks must go to all of the staff in the department who work hard on behalf of the students. Have a good holiday.

Good luck to all the students sitting external exams (although your results will have nothing to do with luck). They will reflect the work you have done. Good luck too, to all the students who are leaving to do other bigger and better things. To everyone, have a great summer and come back for another year of hard but exciting work in the Science Department.

Mr D Clark

YEAR 13 BIO TRIP – AUCKLAND ZOO

It was 6 o'clock in the morning when we all piled into the van with Miss Mainland to go to Auckland Zoo and Museum to help us with our study on Primates and Human Evolution. A van load of girls, and Tommy; bound to be a great trip!

After three hours of very harmonious singing we arrived at the Zoo. Here we joined Whangarei Boys High - 'YAY YAY', cello-tape and all, to learn about monkeys. Whangarei Girls were supposed to be with us too, but lucky for us (Tommy included), they were late and we got the boys all to ourselves. At question time we all made Miss Mainland proud as we quite clearly out-smarted the Whangarei boys with our extensive knowledge on the matter. Go Tommy you good thing, go! Monkey expert of the year!

After a very eventful morning at the zoo, which included a concert and a stray dog that decided it wanted to follow Miss Mainland around (very amusing), we headed to the Museum to see Virgil. At the museum we had a very interesting discussion with Virgil about skulls and rocks. This was the highlight of our day for sure!

After all the educational stuff we drove out to Manurewa to meet Mama Mainland, and oh she's so cute. We headed home and had a yummy dinner at Mercer. This was followed by the best trip ever! However, what happens in the van stays in the van! So don't worry Maggie and Tom, we won't tell!

Memories of us on our trip:

Chantelle.....	lame, can't do a dare.....	Monk
Amanda.....	look a ****'s.....	Aldridge
Nada.....	Strathmore Park.....	Yukich
Mara.....	ooooooooo cello-tape.....	Blucher
Toni.....	I don't know these people.....	Wi
Danette.....	yay, pokemon.....	Creigh Smith
Keryn.....	oh, turn it up.....	Ball
Tommy.....	keen for tongue.....	Knight
Mercedes.....	not keen for tongue.....	Holland
Miss.....	FURIOUS.....	Mainland

Mara Blucher and Amanda Aldridge

AGRICULTURE

The agriculture students at Forest View have had a varied year, with several students completing their National Certificate Level 2, some starting on their Level 3 (no mean feat!), some simply finding out a lot more about farming and its opportunities. Some students also took advantage of the opportunities offered in the Gateway programme. We also launched the Agriculture Academy this year which unites students as a team. These students were involved in a number of social and training events. We are very grateful to the significant sponsorship by Tokoroa Host Lions Club with proceeds from their "Raise a Calf" Scheme. We are also supported by Westpac, Farmlands, BNZ, RD 1 and Ecolab as well as a number of local farming families.

Judging Day

In March, students were invited to attend a stock judging training day at Gayle and Tim Sneddon's farm. Students had to present the cows assembled for the trainee judges to evaluate. Josh Sneddon was one of the judges - of special note because he was the youngest involved. The students learned new skills in stockmanship, patience and appreciated the home baking supplied by Mrs Sneddon.

Practical Skills

Each year the school organises a STAR funded course in practical farm skills to enable students to complete the practical components of their Level 2 National Certificate in Farming. At the end of March students spent a day on the Mathis's farm completing basic ATV skills and in May completed their tractor skills. They have been working on the theory unit required in class and in their own time at school. The course was run by Agribusiness Training and was very well organised. All students completed the basic skills unit and some completed more advanced levels as they had prior skills. This was possible because our students worked extremely well as a group and helped each other. We are proud of the attitude and effort given by them all. Two students completed a chainsaw course this year. Ecolab ran a dairy hygiene course for us covering basic milking plant operation, hygiene and safety. We have also continued to practice our fencing with some students showing excellent skills.

Competitions

Forest View was the host school for the farm skills competition. The students were organisers, hosts and competitors. We had a great day with two teams entered. Both did very well

with the team of Joshua Sneddon, Leonard Morgan, Allan Flutey and Colin Mathis being placed first. Edwina Wooderson did a sterling job of collating results and a wonderful lunch was provided by the Soccer Girls.

Trips

The Agriculture Academy students have had several excursions out into the wider world of agriculture. In June we went to the National Fieldays where we tested our prowess at fencing (especially Allan and Josh), as well as collecting enough pens to ensure class work was completed during the year. The BNZ acted as hosts for our group. We have also explored the Lichfield Cheese factory and discovered how much more happens to the milk collected from farms. South Waikato Veterinary Services and Kev's Home Kills autopsied a sheep for our class so we could identify its internal organs and learn a whole lot more than in the textbooks.

The Agriculture programme at Forest View is well supported by the community and has a neat bunch of students.

Mary-Ann Mathis
Teacher in Charge Agriculture

PERFORMING ARTS

The year is 2005 and what can I say but what an absolutely **FANTASTIC** year it has been! There has been disaster, disappointment, drama and a pure feeling of un-adulterated satisfaction, elation and triumph!

The students at Forest View High have upheld the school motto and participated in so many extra curricular activities in the Performing Arts. We have had the following events run this year and each has had overwhelming support by both students and teachers.

1. Shakespeare Festival
2. Theatre Sports
3. Subway Stage Challenge
4. Production "I was a Teenage Jekel and Hyde"
5. Smoke Free Rock Quest Regionals "MAVEN" and "BASIC" Bands
6. Smoke Free Pacifica Beats Regional & **National Final Winners "AZ-ONE"** in Wellington Town Hall
7. Play it Strange Song writing Competition **MAVEN top 31-50 bands** nationally
8. Polenitia Fa'atasi - Regional Finals - **Best Samoan and Cook Island Performances Won**
9. Star Quest - Hamilton finals
10. Recording of two original songs AZ-ONE songs called **Tok Soundz and Be Proud**
11. Prize Givings
12. The T Y Festival October 15th
13. Royal New Zealand Ballet - "Dracula" attended by senior dance classes
14. NZSO - symphony Orchestra group - Seen by students

It is always gratifying to see our students shine and perform well in the limelight. However, we must never forget all of the support, especially teachers and tutors who give up their free time for our students. Special thanks goes out to, Miss Wade, Miss Eastham, Mrs Yukich, Mrs Priscott, Mr Ukraine, Ms Hein, Soup Paito and Auntie Moana for all of their dedication and hard work. Thank you so much for making this year so successful.

To those who didn't participate, get in next year, we are going to have a lot of fun, so get in early!

Peace Out!!

Mrs J Earnshaw

AZ-ONE

'IN LOVING MEMORY OF'
JANTZ DAVID KIRIKAVA
'RELAX IN PARADISE'

It has been two years and this band is still together ... AZ-ONE. 2005 was a year full of triumph and also tragedy. AZ-ONE had two original members, Chance Thompson and Jantz Kirikava, leave the band due to other commitments, so we welcomed our brother Jack Tuputala and stole Ashleigh Paito from another band. It was later on during the year we kidnapped Steven Sattler from the same band.

Our first performance was at the 1st XV Rugby Girls Talent Quest Fundraiser. It was quite nerve racking as we hadn't performed together since 2004 and we had new members. After an amazing talent show, AZ-ONE won the overall award. Now it was time to focus on Smokefree Pacifica Beats.

With only one week of practice for the Regional Finals because of the School Production, our songs 'Tok Soundz' and 'Be Proud' were completed to our satisfaction. Our performance started and ended with a bang which had the crowd tapping their feet and dancing. "Second prize goes to... Forest View High School, AZ-ONE!" Coming second meant we had a chance to compete at the National Finals. Day after day we waited anxiously for the reply and finally we got one ... we were off to the National Finals! We were so blessed we celebrated for days, until, sadly, we were struck by tragedy which affected the band so badly.

Five days before the National Finals, one of our original members of AZ-ONE, Jantz Kirikava passed away in a tragic accident. This tragedy was so damaging to the band but it also gave us that desire to win the finals for 'Jantz Boy'!

The night of the Smokefree Pacifica Beats National Finals was a night to remember. Before going on stage we sang and prayed in remembrance of Jantz which brought some of us to tears. It was time to wipe the tears away and show New Zealand what we had. Our performance had a lot of energy which had the whole audience moving and cheering. After we performed, we nearly forgot the photo of Jantz which was still sitting on the amplifier. OOPZ! We sat backstage while they were announcing the winners...

"The overall Smokefree Pacifica Beats winner for 2005 goes to... AZ-ONE!"

Ian Tiputala

Aaron 'Beano' Dean
Ronnie 'Ronald' Paparoa
Jeremy 'Seu' Siulepa
Ben 'Uncle' Taiki
Tamatoa 'Tito' Karora - Reu
Ashleigh 'Paitz' Paito
Jack 'Phat J' Tuputala
Steven 'Multiman' Sattler
Ian 'Toopz' Tuputala

These boys have shown others at Forest View High how far one can go with the right attitude, commitment and sheer guts, blood sweat and tears. Hopefully they will not be the first and last band to share national success!

Mrs J Earnshaw

B.A.S.I.C

B.A.S.I.C was formed this year by members from AZ-ONE. B.A.S.I.C actually stands for Ben Taiki, Ashleigh Paito, Steven Sattler, Ian Tuputala and Chance Thompson. B.A.S.I.Cally the band is the heavy metal version of AZ*ONE. This year was the first time we entered Smokefree Rock Quest Competition involving over 600 bands and we were fortunate enough to make the Regional Finals in Rotorua. Two original songs were composed and performed, called "Running out of time" and "Life that I had". The finals night was a great experience which we thoroughly enjoyed. Even though we had no placings, it was great to experience jumping up and down in a mosh pit surrounded by sweaty people ... an awesome experience!

Ian Tuputala

MAVEN

We started in 2003 called Filth Train and we made it at Regional Finals then. This year we, Sam Haines, Ben Hoyte, Daniel Hall, Joseph O Sullivan and Keiran Wilson, automatically went to Regional Finals in Rotorua for the Smoke-free Rock Quest. This was absolutely fantastic with huge amplifiers and mics supped right up to full volume! It would have been nothing without the awesome crowd though and a special thank you to our FVHS supporters who I know had a cool experience. It's definitely a highlight of our high school years! Our two original songs were "Leaf" and "Party". The song "Party" came in the top 31-50 in the Play it Strange national competition which is an awesome achievement for young songwriters. "Big Ups" to the Boys for their commitment and dedication to music this year.

Sam Haines and Mrs Earnshaw

PE DEPARTMENT

We have had yet another busy year in PE with our new year 9's keeping us on our toes. Along with year 10's they have been busy working on Athletics, Large Ball Skills, Aerobic Fitness and Striking Skills. The Juniors have proved to be a talented and enthusiastic bunch who have worked hard throughout the year. This group are looking forward to their EOTC trips which are scheduled for the end of the year.

Our numbers have climbed at the Senior level and it has been pleasing to see the good results gained by many.

intense competition at the front of the races. The staff enjoyed a wonderful final afternoon tea from Mrs Slade, as we have after Cross Country for the last 22 years - many thanks!!!

Swimming

Swimming sports are optional and a dedicated group splashed their way up and down the pool. Swimming attire varied and some chose interesting togs to say the least! Another good day was enjoyed by all - in particular the relays at the end.

Ms K Clark

Athletics

Our Athletics Championships were held, once again on a wonderful fine summers' day. The ideal conditions saw some excellent competition. Everyone joined in with enthusiasm and certainly 'raised the roof' with the excitement of the relays as the finale.

Cross Country

The school Cross Country events passed by with all taking part with varying degrees of effort. We have some talented distance runners and it was great to see

FOOD TECHNOLOGY

Food is a word that evokes thoughts of comfort, relaxation, enjoyment and pleasure. The kitchen is not merely a place where food is prepared, it is a science laboratory, an art studio and a valuable source of general knowledge. In the kitchen young people can experiment and develop their ability to be creative. The kitchen is also the centre of our homes and a marvellous source of stimulating ideas, hospitality and enjoyment with others. There is nothing more satisfying than treating your very best friends to a meal that you have made yourself.

2005 has seen a number of pupils of all ages, both male and female develop their skills in all areas of Food Technology and Hospitality. The results were sometimes amusing, usually edible, often creative and enjoyed by all. More and more frequently in the media we see the effects of our poor diets and many New Zealanders are reaping the results. A knowledge of nutrition and of good eating habits, as well as culinary skills, provide a future career, but will ultimately empower them and their families in the future.

Bon appetit!

"The ideal conditions saw some excellent competition."

TECHNOLOGY DEPARTMENT

AUTOMOTIVE

Forest View High School has been operating its own Auto Shop since 1997.

The workshop operates as a full year programme, giving students the chance to work on a range of engines and cars, and develop skills to gain Unit Standards in the trade.

The workshop has a relatively new classroom area, enabling the students to do their theory work also. It is a great room for visiting speakers, who come and share their experiences within the automotive trade.

The Auto Shop is a hive of activity. The engines are stripped down, measured and then reassembled. Students are taught the history of the motorcar, and the changes that have taken place over the years. Safety is also taught, along with hand tools and equipment use.

We offer Unit Standards that are part of the pre-apprenticeship scheme. This enables the student to go into an apprenticeship when they leave school if they choose to. This opportunity also reduces the time spent in a polytechnic.

We also have a small number of cars that have come to us from the public and also teachers. The students are taught to carry out oil changes, tune-ups, and how to look after customers' cars.

The Automotive Industry is developing at a fast rate through the advancements in Technology. This is an area that is becoming very popular at Forest View and many students are achieving excellent results and learning valuable skills.

The aim of the Auto Shop is to produce top quality Automotive Mechanics and Engineers. Students are very keen and work hard. Many are well on their way to achieving this aim.

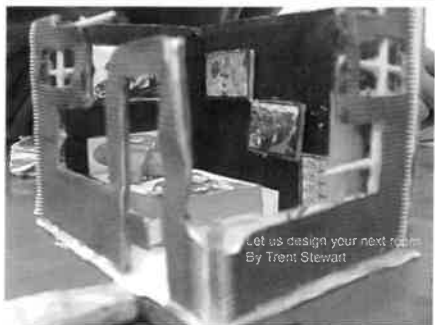

Well done to all of my students for another successful year and good luck for the future.

Mr K Haines

INFORMATION TECHNOLOGY DEPARTMENT

During the year all schools in New Zealand received exemplars (Excellent examples) that were assessed for the 2004 external NCEA Achievement Standards. Congratulations to Andrew Smythe who had his Design document chosen as an exemplar to be circulated throughout New Zealand. The task to be completed for Design was hot air balloons.

We are hearing of many success stories of students who have completed their National Certificate in Computing – Level 2 and Level 3 and their National Certificate in Business Administration and Computing Level 2 and Level 3. By gaining these National Certificates and their NCEA Certificates, students gain entry into much higher level courses at polytechs.

Web Design Course

This year we have continued offering our Web Design course in association with the National College of Design. A number of students have learnt features of web page design from designing and creating websites to creating flash animations for web sites. Students have found this to be very enjoyable using their imagination to create these animations. There are a considerable number of Unit Standard credits available in this course up to level 4 and students who have completed them in the past have gained entry to Polytech level courses.

Business Academy

Fifteen students gained selection to the Business Academy in 2005. Students worked hard to gain their National Certificate in Computing and their National Certificate in Business Administration and Computing.

Heather Williamson

“Congratulations to Andrew Smyth...”

SPECIAL NEEDS DEPARTMENT

THE AUCKLAND HOLIDAY SEMINARS

On the 10th to the 15th of July 2005 a group of 15 Forest View High School students arrived at the Tibbs House Hostel in Auckland. On Sunday we did nothing special but met new people who were also attending the seminars. We got settled in and had to go to sleep early (bummer!) so that we could wake up for the long walk to the University where the classes were taking place. We could choose from the following subjects:

Business Studies, Anthropology, Computing, Problem Solving, Philosophy, Health and Fitness, Reality TV, Drama, and Personality.

After our first class we walked across the University to go to our next subject. After that we got to go to the food court where we got a "mean feed". Then we made our way to the last class of the day. In many of our options, they saved the best for last... Reality TV, (for most of us). Each subject lasted an hour. In the early afternoon we walked back to the Tibbs house, or if lazy we caught the bus back. Each day had something new to experience. For example; Meditation, Self-Defence, Tai Chi, Yoga, Chess, Movies, Ice skating, Kelly Tarltons, Rainbows End, Maritime Museum, Motat, Art Gallery, Zoo, Talks, and a Talent Quest. These were spread out over the week.

The food up there was to some people's liking, but to others it just wouldn't do. We were in a jam; we didn't know what to have. Then we realised we were in Auckland and guess what's in Auckland?... PIZZA HUT!! We think Pizza Hut reached an all time high for selling pizza's to one place in one week.

Thursday was 'Get lost in Auckland for a

Day' which for most of us came true. Some went shopping, some went to the movies, some went to Rainbows End, the Zoo, and some just hung out at the hostel.

All in all it was a really good time. We met lots of new people, and many of us will never forget some of the experiences we had. We'd like to thank Carter Holt Harvey, Rotary, Lions and other sponsors on behalf of those that took part in the Auckland University Holiday Seminar. We'd also like to thank Mrs Somerville for making this experience possible for us. Thank You.

Kelsey Haugh, Kathryn Harris, Nathan Alley, Dharni Kumar, Jordan Wood.

"The Auckland University Holiday Seminar was quite eventful. The classes were all right. Reality TV is the best! But of course my highlight was PIZZA HUT!" **Kelsey Haugh**

"I really liked meeting heaps of new people from all over the country, exploring Auckland, and learning what University life is like." **Kathryn Harris**

"But of course my highlight was PIZZA HUT!"

"They gave us tonnes of independence and the supervisors were awesome. Also socialising with completely different people was cool." **Nathan Alley**

"I enjoyed meeting new people and living like others do when they are boarding. It was a very good experience." **Dharni Kumar**

"The highlight for me was meeting heaps of new people and learning new things. They had very nice food and very laid back supervisors." **Jordan Wood**

"The Auckland Seminar was fun and exciting in many ways. But my highlight was shopping on Queen Street." **Katie Barber**

"The Holiday Seminar was well organized and the supervisors were all quite laid back about everything. I met so many cool people from mainly the North Island. My highlight was talking to people from all over." **Keaton Dham.**

"I found the Auckland Seminar awesome. We got to drag it up on Queen Street, eat Pizza Hut, and max out my Mum's credit card... Boya!" **Anna Knight**

"The holiday seminar was very interesting. We did a lot of things like ice-skating and learnt about computers, Health and Fitness and more. I want to go again next year." **Geno Mills**

"It was a lot of fun. We met people from different parts of the country. The supervisors were fun, they didn't mind too much. It was great. The Pizza was great!" **Trent Stewart**

"The Holiday Seminar was great and I would do it again. My highlight was meeting new people." **Joel Yukich**

"It was really cool and I learnt heaps of stuff. They also had really nice food." **Ayden Stevens**

"I was really worried that the food was going to be yuck and have onions in it, but luckily it was prepared by a chef." **Sean Stratton**

"It was a great chance to meet people from all over the country. We still keep in touch. The lectures were very interesting and challenging. I loved Reality TV." **Ellen Chitty**

FUTURE PROBLEM SOLVING

This year the Future Problem Solvers were entertained, terrorised and depleted of oceanic species, at least these were the topics! A variety of skills were learnt by these creative thinkers: how to think outside the square, hitch-hiking on other people's ideas, imagining what it is like 50 years from now, working in group skills and how to survive the pressure of working under a time restriction. The lollies helped!

Congratulations should go to the dedicated students who were determined and dedicated to finish the year and participate in the non-competitive division of the National Future Problem Solving Competition. They were the teams of Hannah Clark, Chris Totton and Hannah Winikerei; Emma Wright, Jessica McLennan, Alix Stevens, and Ashton Townsend; Laza Karaka, Ben Wong, Eddie Fong, Joel Yukich and Trent Stewart; and Anna Knight, Kelsey Haugh, Jessica Munday, Sophie Gavet, Leah Coffin and Susan Pakoti. Good luck with your future, problem solvers!

NATIONAL DRAMA SCHOOL

When I found out about the National Drama School down in Napier, I knew straight away that I was keen to go! I took all the forms back to Mrs Sommerville and she sent them away for me. About three weeks later I found out I had been accepted to attend the National Youth Drama School along with 215 other students! I was so excited and even though there was still a month to go I couldn't wait to get there.

My parents drove me down to Napier on the first day and met the family I was staying with. They left, and my billet and I went to sign in at Drama School which was in Havelock North High.

The next day we had to catch the bus to school. We met our class mates and played games to get to know each other and feel comfortable around each other. After school we went home and had to come back around 6 o'clock to watch a show (we did this every night except Tuesday). We did pretty much the same thing at school over the next two days.

After we all felt comfortable around each other our tutor (who was all the way from Canada) put us in pairs and gave us scripts. These were the plays we were going to be performing in front of about 300 people that coming Saturday! We all practised hard out. After school one day we practised until 11 o'clock! It was heaps of fun though. Lunch times were my favourite times of the day. Meeting heaps of new people was one of the highlights. Meeting people from all over New Zealand and keeping in touch with them is so cool!

On Saturday night we did our performance. It was so much fun. Then after that we had a party because we were all going home the next day. It was really sad on Sunday. We had all only been down there for a week but it felt like we had known each other forever! We drove back to Napier, where I had to catch the bus home. I didn't want to leave but I had to. We all shed a few tears over the goodbyes!

That week of my school holidays was one of the funniest, happiest times I've ever had! I can't wait to go back to Drama School next year and I hope that I've made some of you guys want to come with me too! I know you will have a great time and that's a PROMISE!

Shiloh Hodges

EXTENSION OPPORTUNITIES AT FOREST VIEW

Students at Forest View are very fortunate in having such a vast number of opportunities available to extend themselves in academic, cultural, leadership and sporting areas. This year to date, over 300 students have taken part in these activities. These include Future Problem Solving, the Academic Exchange with Rotorua Lakes High School, The Holiday Seminars at Auckland University, the Year 10 visit to Waikato University Open Day, participation in the Australasian Academic Competitions, BNZ Maths and WaiMaths; Debating; BP Technology Challenge; Holiday Science University courses for Seniors; Year 10 Extension group; the School Leaders Course in Auckland; the Captains' course; Stage Challenge; the National Drama School; Drama School; the Production; Kapa Haka; Polinetia Fa'atasi; School, musical groups; Kurayoshi Exchange; AFS; OPC and a number of Extension Seminars which run throughout the year. Most of these will be written about in other sections of the magazine.

This year over 100 students have taken part in the Extension Seminars offered throughout the year. The first of these was Debating held in Term 1. This was facilitated by Anisa Barrowclough, a Waikato University student and currently the co-ordinator of the Waikato Debating Association. Most of the students had not been involved in Debating before. It provided interested students with the chance to learn the techniques involved in being a successful debater such as trialing moots, working closely together as a team and having to listen well and think quickly. As one student put it "it was civilized arguing". Most importantly the students indicated that they'd had fun and many wanted to get involved in the future.

In Term 2 the seminars focused firstly on Science and secondly on Elite Sports people. The Science day was taken by Mr Clark. 24 students from Years 9 to 12 took part. All who took part said they would love to have another Science day. They were able to dissect a heart and other parts from the body as well as learn about genetics. They couldn't believe the size of the human heart and lungs or that a pig's heart was the same as a human's. Comments made included, "It was so much fun because the learning was very much hands on: I've never done anything like this before", "It was really educational". The second Seminar was for our top sports students and was taken by Cindy Moser of SPARC. It was divided into Seniors and Juniors who had been selected regionally or nationally in their chosen sport. This was focused on goal setting and motivation and received excellent feedback from both students and parents.

In Term 3, students were fortunate to experience the 'Sharemarket Game' facilitated by Mrs Hopkins and Miss Kelly. 27 students took part and it was interesting that boys far outweighed the girls in numbers wanting to learn about how to 'make their first \$million!'. The students learned how to invest wisely, how to take calculated risks or 'gamble intelligently' and make very wise decisions. Many want this to be done again in 2006 and statements such as 'it was primo', 'working in an international market would be even more challenging' and 'this learning was so much fun' were made.

Seminars on bone carving, quilting and the Technology Challenge, were held in Term 4. Forest View certainly aims to offer many diverse extension challenges to its students.

"Meeting heaps of new people was one of the highlights."

ART AND LANGUAGE DEPARTMENT

2 005 has been a great year for the Art Department. Just a few of the exciting events, tasks and happenings in 05 were:

- Year 10 Sculpture
Eg: Playboy Bunnies, Planes, cars etc..
- Senior Art Trip
Valentines....Jelly Beans....Complaints!
- Senior Boards
Stress, Stress, Stress
- Cool new Photography Dark Room
- Rotorua Lakes Exchange Art Competition
A draw, shot guys!
- And being surrounded by.....The ball
Committee, Production, Stage Challenge etc etc

Thank you heaps Mr Matenga (Old Matenga as he calls himself) you have been awesome! Vicki, Heather, Anita and I would like to thank you for all the help and support you have given us throughout the years of taking Art.

Jade

A note from Mr Matenga:

Thank you Jade for the above kind words.

It has been another sweet year. The students just seem to get better and better..... attitudes, commitment, skills and so on..... I have been saying for some time that I'm going to miss my senior art students.... It is so sad to farewell them as they are so special..... all the best and God bless!

C U ALL IN 2006 and don't get into trouble.... Stay safe and don't forget to do the dishes and lawns, help the folks out! Happy Christmas and have a blessed New Year.

Mr Matenga

MANU KORERO

Fresh and ready for the day ahead of me, I woke early, ready to leave to attend and participate in the annual Manu Korero Competition.

Running through my speech in my head, over and over again, I was hoping to prepare myself mentally for my performance. The topic I chose was "a stereotypical Maori". This was stuck in my mind all the way to Morrinsville. I pondered over what the audience would think of my opinion and of my speech, as well as what they would think of me after I presented it to them.

It turned out that my prepared and impromptu speeches went very well. I was placed second in the prepared and third in the impromptu. I was pleased with my performance, especially with the way I presented my prepared speech.

During the day I was accompanied by E Pa and I was awahi tautoko'd by my former school, Tokoroa High School.

I was grateful for the opportunity to participate in this competition and I look forward to giving it another go in the future.

Jordon Monk

YOUNG LEADERS FOUNDATION EXPERIENCE

On the 12th of May students from Forest View High School attended the Young Leaders Forum, held at Trusts Stadium in Henderson. Ten committed young men and women woke up at 5 am to catch the mini-van with Miss Mainland on a vigorous journey to Tamaki Makaurau (Auckland). Students who attended were: Colin Haa, Jody Cunningham, Shiloh Hodges, Tehu Ford, Renee Anderson-Pitman, Tracy Keith-Matchitt, Nina Stairmand, Kieran Wilson, Jordan Merrin, Jackie Rivers.

One thousand future young leaders from across the North Island were introduced to various successful New Zealanders such as Pat Lam, a rugby hero and coach of Auckland NPC teams, as well as Neil Waka from One Sports News. These people were very influential and portrayed potential future paths for us as young leaders.

This 'once in a lifetime experience' was enjoyed by all who attended. One of the key ideas of the day was to "keep going, no matter what, even if you get knocked down, you get up again".

Colin Haa

TAIOHI TU TAIOHI ORA

In March a group of senior Maori students headed to Rotorua for a Career Awareness Seminar called Taiohi Tu Taiohi Ora run by Rapuara - Career Services. Tutors and students from Te Whare Waananga o Awanuiarangi helped to run the day.

This was an excellent experience for the students who were unsure of what they wanted to do when they left school. With the different workshops available, we were able to decide on the possibilities we may want to explore in the future.

On a personal note we enjoyed the day, especially socialising with the other schools. We left Rotorua on a high note after having made many new friends. It was cool to see everyone stepping out of their comfort zones and because of that, Forest View won a maori kete after Toni Baker was voted by the tutors for displaying outstanding personality! Well done!

LITERACY WEEK

The week of 7th June to the 10th June saw an outburst of orange everywhere and it was not the orange blossoms. Literacy week had burst upon the scene with a flourish. Some of the highlights were the student's daily quiz, tutor quizzes and the Fizz Quiz, otherwise known as Trivial Pursuits. For the more erudite we had a poetry competition with the Four Seasons as the theme. Thursday saw staff and students looking very decorative in their orange outfits, even the office staff entered with great gusto. Friday saw the culmination of Literacy week when teams from each lake competed with each other for the coveted title of Spellathon champs. The winning team came from MARAE-TAI (yippee). All in all we had an excellent four days and everyone enjoyed themselves, especially the staff who had a special orange treat each day for morning tea (thanks Mrs Paki). Big thanks to everyone for their fantastic participation. We are sure you all had a great week. (By the way if you are unsure of any of the big words in this article, be sure to visit your friendly and helpful School Librarian who can introduce you to the Oxford English Dictionary!)

We look forward to another positive Literacy Week in 2006!

The Literacy Committee

ACADEMIC EXCHANGE

F.V.H.S's Academic Exchange with Rotorua Lakes High School is always hotly contested - this years exchange was no different.

On what may well have been the most miserably rainy day of this century, around 80 Forest View students headed off to Rotorua Lakes High School.

This year there were several categories - from music to debating, this exchange really had it all! We're still not a hundred percent sure as to whom actually won the exchange overall but it was a great day - (it's a genuine conspiracy if you ask me, a Class A cover-up!) I can, however, officially tell you that both the senior and junior debates were taken out by Forest View teams, as was the music section. Our schools Artists produced a beautiful mural, our Theatre Sports team all received Oscar nominations and our Math, Science and General Knowledge Teams also did us proud.

It was a great day, despite the horrible weather. Best of luck to those who compete next year. Lastly, thanks a bunch to the teachers who helped us get there.

CHESS CLUB

This year we started the Chess Club in Term Two as many members wanted to enjoy the warmer weather. However once the weather chilled down there was a sudden rush for chess boards. This year has seen an increase in senior players with a few of the finer females joining in and surprising a few of the macho male players!! Mr Rewiti Brown (a reliever at Forest) spent many lunchtimes in the library coaching and playing, a huge thanks to him for all his effort and support. Sadly for us he took up a position at Putaruru High School and although we miss his company we wish him all the best.

This year we took one Chess Team through to the Central North Island Inter-school Chess Championship at Southwell School in Hamilton on August 7. Unfortunately we had a little hitch before we left in that we lost one of our players... (sorry about that Teheu) so we had to play with only 3 in the team. But our boys are always up to a challenge and despite being disadvantaged were placed third. What a great achievement! Well done to Isaac Koopu, Heremia Tahere and Delany Meacheam. I'm sure we'll attend the competition again next year and with 4 players who knows what we could do?

Mrs Smith & Mrs Coffin
Chess Club Managers

IN THE LIBRARY...

Who can believe it - another year over and as usual we have been kept very busy in the Library. This year has welcomed a few changes. Swish new tables that look great and of course the new extended reference section. We have also moved all the Maori non-fiction resources to their own section so that they can be easily found and used by you all. A big thanks to Mr MacDonald who further highlighted this section by making a wonderful 'whare' and to TFEA who kindly donated funds for the purchase of additional resources and carvings.

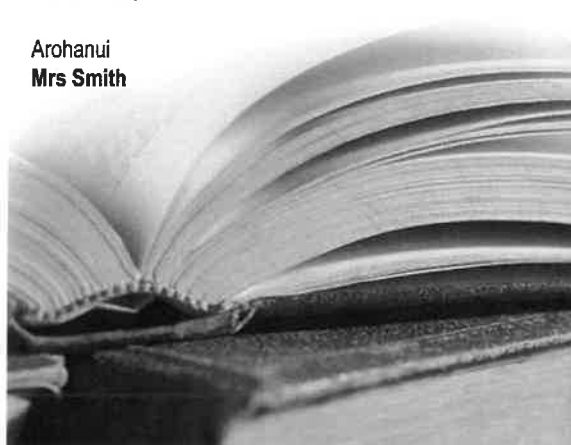

I must also give my thanks to the Student Librarians who give up their lunchtimes to do exciting things like shelving and issuing - we do have the odd fish'n'chip lunch and trip out of town to look at different Libraries. Sadly we farewell our Yr 13 Librarian, Robbie Hinkes who will be leaving us this year. Thanks Robbie for an awesome effort. We will miss you next year. More thanks, to Mrs Coffin our very enthusiastic and efficient Library Assistant.

This year we introduce the Fizz Quiz (trivial pursuits competition) which has been held once a term during a long lunch period. There are some very competitive and dare I say it 'intelligent' teams despite their names that would suggest the contrary. E.g. Colin's Caulis, K-Sox, Admin Wahines.

2005 has been another great year in the library with you guys making sure there is never a dull moment. I am already eagerly awaiting the arrival of next year... who can I remind that we don't eat in the Library? Who can I growl for swinging on the chairs?... Who will pinch all my tissues? ... Who will I remind that sleeping in the library is really not ok?... but amidst all of this we look forward to working with you to help you find the information needed for those great school assignments.

Goodbye to all our year 13's. For some, we have had quite a journey together. Make the most of every opportunity that comes your way and of course make sure you always find time to read!!

Arohanui
Mrs Smith

Back Row: Mrs L Coffin, Teina Tokorangi, Robbie Hinkes, Shayna Bonnar, Chris Totton
Front Row: Kaylee Freeman, Steven Salmon, Stephen Dowdle, Ethan Starr, Stephanie Freeman
Absent: Mrs R Smith, Tung Huynh

DEBATING

This year Debating did not flourish as it has in past years as we did not compete in the Hamilton competition. Nevertheless, Forest View still showed great strength when we did compete. This year our senior team consisted of: Claire Wilson (1st Speaker), Nina Stairmand (2nd Speaker) and Mara Blucher (3rd Speaker).

The highlight of our year was totally obliterating Rotorua Lakes in our annual Academic Exchange. The three of us spoke very well and I was very proud to be apart of the team.

Good luck to Nina, who we leave behind this year to hold the fort for next year. I am positive you will be well supported with some good talent coming through from the likes of Carla and Rauhina.

To all of you out there, give Debating a go. It is lots of fun and it really challenges your mind.

Finally, things cannot happen without the endless support of our teachers, Mr Rice, Mrs Slade and Ms Wolfe. Thank you all for your help and contributions this year.

Mara Blucher

LAW MOOTING

The Law Mooting competition is organised by Waikato University and is open to all schools in the top half of the North Island. Teams have to study an imaginary case, use the legislation that is given with the case and prepare to represent either the appellant (the person whose case is being appealed) or the respondent (the crown). This year's case was based on the sale of a van that was unfit to be on the road. Forest View's team comprised Mara Blucher (Senior Counsel), Claire Wilson (Junior Counsel) and Chantelle Monk (Solicitor). They now have a clearer picture of the customer's rights and the salesperson's legal obligations when purchasing a vehicle.

Entering this competition requires hours of preparation, minds that can approach a problem from several different standpoints, public speaking ability, confidence and the ability to think on your feet when the judge asks difficult questions and expects you to know the relevant law inside out. Stressful, satisfying and exciting are words that best describe the experience. Participants who go on to apply to study Law at Waikato University are given preference when students are selected to do the course. This was the first time that the students in Forest View's team had tried Mooting, they acquitted themselves well and learnt a lot at the same time. Well done team.

WOW... what an experience (and a half)! It is very hard to put this all into words, but here goes, "Moot, Moot, Moot, Moot!" Yes, it took awhile for us to overcome our thoughts on the stupidity of the word "Moot". Eventually we did - actually, no we didn't, but we tried our best! By stretching every inch of that word out it kept us entertained during the hours and hours of incredibly boring - oh, I mean, intellectual work we had to do in preparation for the big event. I am actually very proud of our team, Claire Wilson (Junior Council), Chantelle Monk (Solicitor) and myself as Senior Council. We did very well in Moot School, a.k.a learning how to moot for those who did not have a clue (a.k.a. "us")!

Our case study was rather disappointing. No, it wasn't anything exciting like a murder! We were given the faulty van case - yes, that's right, the FAULTY VAN!!! Exciting stuff! Anyway, we did our thing and along the way we presented our case, wrote a story and made up a dance. The most memorable moment was when Barry could not assist the count on that matter, sorry your honour!

We need to give a huge thanks to Mrs Slade for organising us, driving us around and keeping us in line.

To next years' Mooters - good luck! It is a challenging yet very rewarding experience. We encourage you all to give it a go. Well that's it from us: "mootcha later"!

Mara Blucher, Claire Wilson, Chantelle Monk

POLINETIA FA'ATASI

This year Polinetia Fa'atasi has been a dynamic, enthusiastic and very successful group. Senior students, Lucy Natua, Ian Tuputala and Sara Aloiai were very strong and effective group leaders and succeeded in attracting another 35 people to the group.

This group of forty or so were tutored by Moana Kiikoro-Tiaki and Sopoaga Paito, who enlisted the help of others to tutor the drummers. Practices were well-attended and the group was very impressive on Open Day when it became obvious that future performances would require a bigger stage.

Perhaps the biggest thrill was winning both the Samoan and Cook Island awards at the CenPac Festival in Rotorua in September. At assembly the week before the performance, the group performed for the whole school and impressed the visitors from ERO so much, that two ERO people attended the Festival! They also performed at Tokoroa High School to support the THS tour group fundraising.

At the time of writing, the group was preparing for the Manu Ariki competition at Taumarunui, having performed at the Hamilton Pasifika festival as guest artists.

Many thanks to our tutors, to our staff supporters, our families and the special ladies who sewed the wonderful new blue costumes that looked so magical on stage!

Back Row: Jeremy Siulepa, Tino Pio, Abraham Aloiai, Ronnie Paparua, Ian Tuputala, Aaron Bell

2nd Row: Toni Baker, Reynee Anderson-Pitman, Lucy Natua, Mii Ryan-Teokotai, Maine Natua, Heather Flintoff, Roger Karaitiana, Jordin Aituruau
Front Row: Raquael Anderson-Pitman, Eva Marama, Tracy Keilh-Matchitt, Natasha Gage, Toka Natua, Patrice Kuru, Phoebe Aukuso, Kotini Tekia, Rauhinia Tipuna

KAPA HAKA – TE PIRINGATAHI

2005 began very well for Piringatahi. Our numbers increased as old and new members came together. We have had a busy year performing on many occasions. We had the opportunity to powhiri visitors and to support our fellow friends from Putaruru College and Tokoroa High School. We also went to the Manu Korero annual speech competitions to support our speaker, Jordon Monk as well as the speaker from Tokoroa High School. Another key event for our group was when we gave over a great asset; Matua Rewiti Whakaware Brown to Putaruru College. This was a sad, but at the same time, joyful occasion.

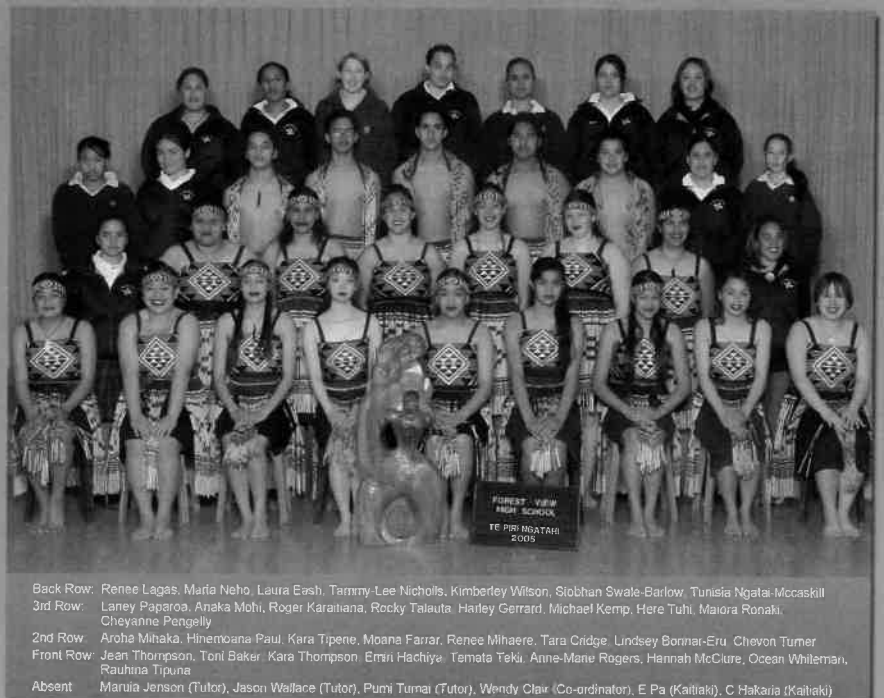

On the 7th November we travelled to Manuariki to compete in the Manuariki Competition. It was an awesome fun-filled competition for the senior students and also an awesome experience for the juniors to perform at the secondary level.

We have been lucky to have excellent Tutors this year. The number one tutor is Maruia Jensen!

Overall, 2005 has been an awesome year for Kapa Haka. I look forward to next year!

Kia kaha, kia toa, kia manawanui!

Karamaina Thompson

"...dynamic, enthusiastic and very successful group."

SHAKESPEARE FESTIVAL

In April a group of enthusiastic thespians from FVHS travelled to Putaruru College to take part in the annual Sheilah Winn Regional Shakespeare Festival.

For about 6 weeks, the group had been learning to wrap their tongues around Shakespearean English, cope with Mrs Priscott's instructions and act at the same time, as they attempted to show the devastation of Juliet's 'faked death' in Romeo and Juliet.

Whilst some of the students had been involved in school productions before, most had little or no experience of Shakespeare and were ably led by Colin Haa.

The group performed very well, keeping in character well and speaking very clearly so their every word was heard by the audience. Special mention was made by the judge, of Marnie Rydon's performance as the wailing and distraught Nurse.

Although the group was not placed, their performance was very credible and all participants made excellent progress. We all look forward to the performances in 2006, when hopefully, a student will take up the challenge to support the teacher- directed entry and direct an entry in the 'student-directed' section.

THEATRE SPORTS

Looking for a new experience?
Looking for something fun to do at school?
Why not try your hand at Theatre Sports?

This year has been fun and entertaining. We've competed in many competitions with lots of success. We have entertained a wide range of people who enjoyed watching us in action. Thanks to Mr Ukranic for all of his help this year.

The new and improved team has many ideas for next year and we look forward to seeing new people at our practices. What do you need to be like to join the Theatre Sports Crew? It is quite simple. You need to have a sense of humour and be prepared to be amazed. No experience needed! If you are in a bad mood, we can fix that. Imagine the funniest movie that you have ever seen and you will be able to envisage how funny Theatre Sports is. See you all next year!

Rauhina Tipuna and Zia Mahia-Rewita

Back Row: Benjamin Hoyte, Daniel Hall, Mrs Earnshaw (Teacher)
Front Row: Joseph O'Sullivan, Kieran Wilson, Samuel Haines

BASKETBALL AT FOREST VIEW HIGH SCHOOL

This year Forest View High School fielded five teams in two different leagues. The Thames Valley League involved four of the five teams. This league involved schools from Cambridge, Paeroa, Te Aroha, Ngatea, Matamata and Thames. It involved long nights, but players enjoyed spending time together and playing Basketball. We had some ups and downs as a group but overall it was an enjoyable season. The Senior Girls and Junior Girls gained a place in the semi-finals. All teams are to be congratulated on their successes over the season.

The Junior Girls' team was the largest team. They tended to spend a lot of time in the changing rooms before and after games! However, the girl's were enthusiastic and eager to learn new skills.

The Junior Boys' team had raw talent and a lot of potential. We were not able to find a coach that could harness this potential but many visiting coaches noticed their talent. They had a mixed season but they ended the season as a mature group of players.

The Senior Girls' team had a mixture of young and experienced players. They played with passion, often forgetting to track their fouls and at times had to finish the game with four players. This team developed well over the season by reducing their foul count and by increasing their shooting average. Their three-points-shooting was superb by the end of the season.

The Senior Boys' team played with maturity and consistency. They were very businesslike in their approach to the game. They focused on the game rather than on the players and were able to show their talent on the court. They were a good team to referee as they were clean players who did not foul very often and were very respectful of the referee.

The Senior Girls' B team was in the Rotorua Social League and won a majority of their games. They had a core group of players who will have developed enough skills to vie for a place in the Senior Girls' A team next year.

ACKNOWLEDGEMENT OF VOLUNTEERS

In order to be able to offer students the opportunity to play Basketball, volunteers are needed in terms of coaching, refereeing and to carry out general administration. This year, it has been hard to provide consistent coaching due to coaches leaving; their contribution, however brief, was greatly appreciated.

Mara Blucher is our star volunteer this year. She has been a great source of support in terms of Basketball over her time at Forest View High School. Mara has not only played, she has also coached and refereed games over the last few years. She took over the coaching of the Senior Girls' A Basketball team and through her leadership and guidance, she lead them to the semi-finals of their division. This is Mara's last year and it will be hard to find another student to fill her shoes.

Mr Blucher is also a great supporter of Basketball. He will often travel to games to provide moral support and his refereeing expertise. Mr Blucher has been extremely busy this year and it was a privilege to have his support throughout the season.

It was also great to be able to pass one team onto Mrs Earnshaw. She worked in isolation, as her team was the only team entered into the Rotorua League and this required her to travel to Rotorua every Thursday to their games. She has had to juggle family commitments in order to be able to support Basketball at this school and this was greatly appreciated. We look forward to her continued support.

During the season we lost an excellent referee and experienced coach. Mr Tajima felt the tug of his homeland and returned to Japan before the season ended. He was passionate about Basketball and his contribution was greatly appreciated.

Every contribution to Basketball, no matter how small was greatly appreciated. Mr Tawha started the year coaching teams but had to withdraw for a variety of reasons. His experience and knowledge of Basketball was vast and we will need to encourage our future basketballers to show the commitment and discipline he requires if we are to entice him back to us. He worked behind the scene ensuring that the gym was ready for visiting teams.

We must also acknowledge the support our parents gave to our sport. It is quite a big ask to expect parents to wait for their children as late as 1.30 in the morning. Players appreciate family members supporting their games. One such family that needs to be acknowledged is the Pene family. Mr Pene has been the No 1 supporter of the Senior Boys' team and he took over from Mr Tajima when he left.

Students have also contributed to Basketball throughout the season. Non-basketballers such as Praew Viraseranee and Andrew Lemme have helped on the scorebench. Mara Blucher, Toni Baker and Victorhea Teina have often helped to set up the gym, clean the gym at the end of the night as well as to work on the scorebench throughout the night.

The captain and vice-captain of each team looked after their teams well ensuring that uniforms were collected and that their team behaved appropriately both on and off the court. The captain and vice-captain of each team were:

Junior Girls: Keziah Coake and Racqual Anderson-Pitman

Junior Boys: Laza Karaka and Heremaia Harawira

Senior Girls: Mara Blucher and Toni Baker

Senior Boys: Luke Jones

It is really important that we continue to have strong supporters who are willing to give up their time to coach or referee. Without volunteers, Basketball will not exist at Forest View High School.

Ms Umaki

Back Row: Azza Pene (Assistant Coach), Mark Alono (Coach), Chris Campbell, Heremaia Harawira, Sabastian Matangi, Reece Te Whaiti (Assistant Coach)
Front Row: Ben Wong, Mata Kamire, Laza Karaka (Captain), Andrew Mangi, Tamaatea Gore

SENIOR A BOYS BASKETBALL (SAINTS)

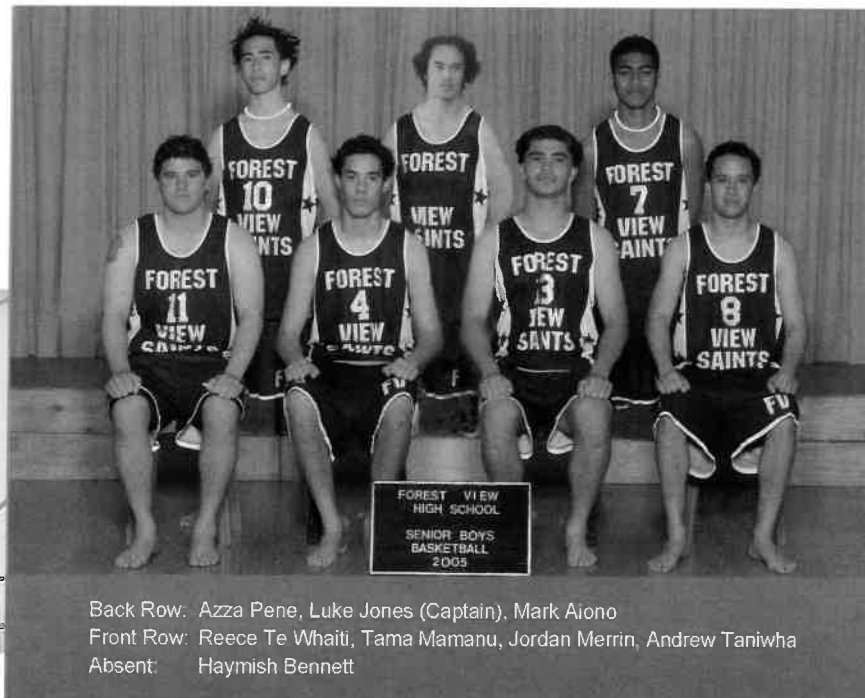

Luke Jones (Spooks)
"Dee hard and give me the ball" Mad Hops
 Tama Mamanu (Mata)
"Play hard boys and give me the ball" Talented baseline player
 Andrew Taniwha (Anjo)
"What should I run? nah, I'll just drive" Sick street baller
 Hamish Bennet (Dux)
"I wanna block Spooks" Good defence
 Leezane Takao (Lee)
"What's da plays again" Mad left hand lay-ups
 Reese TeWhaiti (Hardman)
"Lets go for a game" Da driving guy
 Azza Pene (Peneman)
"Give us a three pointer" Three point king
 Jordan Merrin (Tiro)
"Luke Show me that lay-up" The blocking guy
 Ra Pene (RA)
"I don't play this game" Great role model
 Toru Tajima (Tajima)
"Speak slower" Good referee

1 2 3 Saints.

O when the saints, o when the saints go marching in!

First of all, thanks to the boys for the funny experience this year. Thanks to our coaches Ra Pene and Toru Tajima. Without you both we would not have been able to play. You gave us some very good techniques and life experiences.

We had an average season but what counts is that the boys had fun and played hard. We would also like to give a special thankyou to Mr Blucher and

Back Row: Azza Pene, Luke Jones (Captain), Mark Aiono
 Front Row: Reece Te Whaiti, Tama Mamanu, Jordan Merrin, Andrew Taniwha
 Absent: Haymish Bennett

Ms Umaki for putting up with all the boys' antics on and off the court.

Thanks for being a Saint. Make sure you boys wear the singlet with pride next year.

Luke Jones

JUNIOR GIRLS BASKETBALL

This season many of our players in the junior girls' Basketball Team played for the first time, and to our surprise we weren't all that bad. The season began, and our first game was against Saint Peter's in their new gym. Unfortunately we did not win, but we have the memory of jumping in the pool (when being told not to). With it being our first year we were the first team to get caught and we had to clean the bus for punishment!

All the girls enjoyed the long trips home, as it was something new. We went on to play better Basketball and made the semi-finals in Paeroa. However, we discovered on arrival at Paeroa that we were a day too late – just a slight mishap! (LOLZ). Not that we are blaming Ms Umaki because we don't think that is fair, but we did miss the chance to qualify for the finals. You should have seen our faces! That day Ms Umaki came up with a good idea and straight after school we all travelled to HAMZ in the school mini-van for our break-up.

We all became closer as a team and bunch of friends that day. We had an awesome day and a brilliant season.

We would like to say a big THANKYOU to Ms Umaki for organising everything and an even bigger THANKYOU to Mara Blucher (MARZ) for being our coach and teaching us nearly everything we know. We love you so much, and you are going to be dearly missed by all of us. GOOD LUCK for University, we wish you all the best. To Keziah, Moe and Cheyenne we hope you go far in B-ball even though you will not be with us in junior girls next year. To all the junior girls – see you next year on the court. Finally, to the team, thank you so much for your dedication this year. Love you heaps.

Racqual Anderson-Pitman.

Back Row: Mara Blucher (Coach), Cheyenne Lagas, Moetu Kaitai, Hinemoana Paul, Lindsey Bonnar-Eru, Renee Beale
 Front Row: Racqual Anderson-Pitman, Ashley Preston, Keziah Coake, Rapotai Samuel (Captain), Arianna Ashworth

Keziah Coake – Captain (Ziah)
"Does my hair look all right? Where's a mirror?"
 Racqual Anderson-Pitman – Vice Captain (Raxy)
"Can't come this week. I'm GROUNDED!"
 Arianna Ashworth (An)
"I'm sure Ms Umaki won't notice if I go for a short walk."
 Ashley Preston (Ash)
"I'm the blackest Maori out G-UNIT!"
 Renee Beale (Beale)
"I better put my phone away, oh nah but Andrew might think I'm dissing him."
 Rapotai Samuel (Rapz)
"Aw I forgot a clean sock!!"
 Moetu Kaitai (Moetz)
"If she looks at you funny, I got your back, she ain't that big."
 Hinemoana Paul (Moe)
"I don't want to go to training tell Mara Make up a lie for me."
 Lindsey Bonnar-Eru (Taku Poi)
"I don't like to mock people but it comes naturally."
 Cheyenne Lagas (Shiz)
"Are you coming this week? I'm too shame to come."
 Mara Blucher – Coach (Marz)
"Nah that's it girls SUICIDEZ!!"
 Ms Umaki – TIC (Umakz)

SENIOR A GIRLS BASKETBALL (ANGELS)

This basketball season was really great. The Angels have flown high and proud. Even though we lost a couple of players and our coach during the season we still managed to come second in the South Section and make the semi-finals. We were unlucky to come up against the top seeds Paeroa in our semi-final. We ended up losing this game, but the girls can be proud of their effort especially keeping so even with Paeroa throughout the game.

After this game (which was played in Cambridge) we headed to Hamilton and went out to dinner for our break-up. This was a great trip and we had lots of fun.

A big thank you must go out to Ms Umaki for everything she has done for us this year, which is a lot. Also thanks to Mr Blucher (thanks Dad) for refereeing our games when you could find the time in your busy schedule. I must also thank Mr Tajima for coaching us for part of the season. And thanks to Raquel, Arianna, Keziah and Moetu (junior girls) for filling in when we needed you.

Lastly, thanks to the girls especially Toni, my vice-captain and lovely bubbly polar bear. Thanks for making my last year awesome! To Toni and Awhi keep on playing. You guys have a great future ahead of you. To all the remaining Angels keep up our good record and most importantly have fun!

I have enjoyed being the captain of such a great team this year and even your coach when we needed it. So my last words to you all is keep playing Basketball and be proud to be an ANGEL!

Mara Blucher

MARA (MA) – *"Just don't defend!! We need the points."*
Well that's me so I'll just thank you all again for a great season.

TONI (POLAR BEAR) – *"I wanna play for my stupid."*
Our little bundle of energy on court with great defence skills.

AWHINA (AWHI) – *"Sorry guys I have work again."*
Always under the basket getting great rebounds and awesome shots.

LORA (JEAH) – *"That girls how good Toni."*
Number 1 street baller with the best dribbling and always sinking the shots.

VICTORIA (HOFFA) – *"I'm number ten OK Toni and Naedine."*
Absolutely wicked driving skills and always getting great intercepts.

REYNEE (NAYZ) – *"I wanna go on a food holiday with Mr Blucher."*

Miss Versatile playing up top and down bottom, great skills and fitness.

NAEDINE (DAZZEL) – *"Three pointa comp on aye Mara."* Awesome blocking (and no they're not fouls) and great three pointers.

SASHA (KAHN) – *"Training, what training?"*
Great skills for such a new player, it was a shame to lose you when you left.

MS UMAKI – *"Can I have some? NO MORE FOULS GIRLS!!"*

Thanks for looking after us all season. Great knowledge of the game.

Back Row: Naedine Cassidy, Awhina Hawkins, Victorhea Teina
Front Row: Lora Navaja, Yvonne Teao, Mara Blucher (Captain), Reynee Anderson-Pitman, Toni Baker

Back Row: Lora Navaja, Victorhea Teina, Yvonne Teao, Lasiana Trainor, Mrs Earnshaw
Front Row: Zia Mahia-Rewita, April Lepaio, Sarah Aloia (Captain), Toni Jessop, Cassandra Aloia

BOYS 1st XI CRICKET

We had a great season this year. We were entered in the Rotorua competition. We managed to win every game and take out the competition. In our first Gillette Cup match against Putaruru, a great batting display by Wayne Gibson scoring 59, followed up by some great bowling saw him take 3-12. We won our first Gillette Cup match in years! In our second match we won by 59 runs against Otorohanga at home. The third match, we lost against St Johns College. Overall it was the best Gillette Cup season Forest View has had in many years!

The leading run scorer was Delaney Meachem scoring 174 runs. The leading wicket taker was Thomas Fergusson with figures of 11-88.

Thank you to Mr and Mrs Farrar for managing the team and driving the van. Also thank you to Ron Motley and Mark Turnwald for coaching us.

Liam Cunningham

Back Row: R Motley (Coach), Walter Downey, Kyle Pourau, Max Turnwald, Thomas Fergusson, Danny Tunupopo, Mrs D Farrar
Front Row: Adam Stokes, Kane Adams, Delany Meachem, Liam Cunningham (Captain), Kieran Wilson, Wayne Gibson, Cameron Farrar

GIRLS 1st XI CRICKET

Our team, F.V.H.S first and only Girls XI Cricket Team, entered an eight-a-side, Waikato Tournament and what our season lacked in length, it more than made up for in good times (not always on the field either)!

In our first game – (I stress first) we were destroyed by Cambridge High School. Having little over a week to recover from our first match we loaded up the minibus, support crew and all (Danny and Kyle), and headed for Hauraki Plains High School. What a game! We crushed the girls from Hauraki, Mercedes retiring at forty and Tush discovering you don't have to run if you hit a four! Victory was, however, very short lived. Our next few games were much less impressive!

Our last game was a home game, our last chance to redeem ourselves! Mara and Jody battled their way through the T.A onslaught. A slight tap of the ball into unmarked territory, a safe and sound single, and our girls had won the match.

We had a great season and have some pretty impressive stats to show for all those 'hours' of training - despite receiving an extremely fat lip courtesy of Kyle's bat, torment from my team mates for my 'buckle bowl' and frequent nose dives!

Mercedes Holland had a batting average of 24. Tush Ngatai McCaskill bowled 3/6 in 2 ½ overs and Shiloh Hodges took two brilliant catches.

Thanks to our Coach Miss Eastham and our assistant coaches/umpires/gear boys/tag alongs; Danny and Kyle.

Claire Wilson (Captain)

Back Row: Kyle Pourau (Assistant Coach), Cassandra Alorai, April Lepato, Mara Blucher, Danny Tunupopo (Umpire), K Eastham (Coach/Manager)
Front Row: Shiloh Hodges, Mercedes Holland, Claire Wilson (Captain), Tunisia Ngatai-McCaskill, Jody Cunningham
Absent: Tern Joseph

Back Row: Mason Baker, Kane Adams, Ethan Whittaker
2nd Row: Rocky Talauta, Cameron Wilson, Sean Stratton, Sam Lennox
Front Row: Kody Quaife, Joel Yukich, Eli Smith (Captain), Gavin Brown, Jordan Wood
Absent: Mr Matenga

"...a safe and sound single...our girls had won the match."

BOYS 1st XI HOCKEY

Thomas K "but I didn't push him"
 Cameron F "anger management"
 Cam W "one time I took this"
 Kyle P "but I don't wanna go 2 Waitara"
 Alan F "Goalie Killer"
 Scott S "Open goal and..... Miss"
 Andrew D "I got a hat trick"
 Steven S "Kinky"
 Rodney A "I want a red card"
 Paul R "Well I don't know, shut up"
 Lance A "124 shots over top, 125..."
 Liam C "Injury prone"
 Thomas H "Super sub"
 Grey A "I don't want to play wing...."
 Michael B "I was with my Girlfriend"
 Danny T "He's mine"
 Blair R "Yeah dude"

What a team. We came together at the start of the year, a real mixture, young and old, new and experienced, good-looking andwell yeah. But once again we all managed to join together to become one slick well-oiled machine.

Who could really ask for a better season? We went into our first games not expecting huge things, and came away at the end of the season "B Grade Champions" and only losing one competition game. We couldn't have done it without the dominating play of Lance and Cameron, and our impenetrable defence of Alan and Danny, as well as all the others persistence and hard work.

We couldn't continue our reign of B Grade without

the help of our highly committed team of coaches, managers and supporters. Special thanks to our team parents Mr and Mrs Farrar, driving the van every single week for the last two years, running the team's line up for the games and always being there for moral support. But once again who could forget our Auntie Yukich. Although she only knew the basics of the game she coached our team, making it possible for us to play, and also made sure we were always ready to play. She gave up her love of Bridge to run a team of 16 "interesting

boys". For that we are grateful. Also a big thanks goes to all those who supported our team during the year.

For now we can relax as Champions and reflect on all the fun we had, and there was plenty of it. Just remember for next season..... Winning isn't everything, it's the only thing! Play hard, play fair and have fun!

Dowdle

Back Row: Rodney August, Kyle Pourau, Thomas Knight, Michael Bryant
 2nd Row: Mrs D Farrar (Coach), Cameron Farrar, Lance Alloway, Allan Flutey, Denry Tunupopo, Mrs C Yukich (Teacher in Charge)
 Front Row: Paul Rei, Thomas Henry, Andrew Dowdle (Captain), Liam Cunningham, Scott Sisking
 Absent: Mr G Farrar, Steven Sattler, Gray Alloway, Cameron Whittaker

GIRLS 1st XI HOCKEY

We've had our ups and downs this year, coming away with a couple of very convincing wins and some embarrassing losses. However, no matter how the game went we always came away with a smile on our faces! This year's 1st XI was made up of a very talented group of girls ranging from year 10 to 13. Improvements were made by all and I wish the team for next year the best of luck.

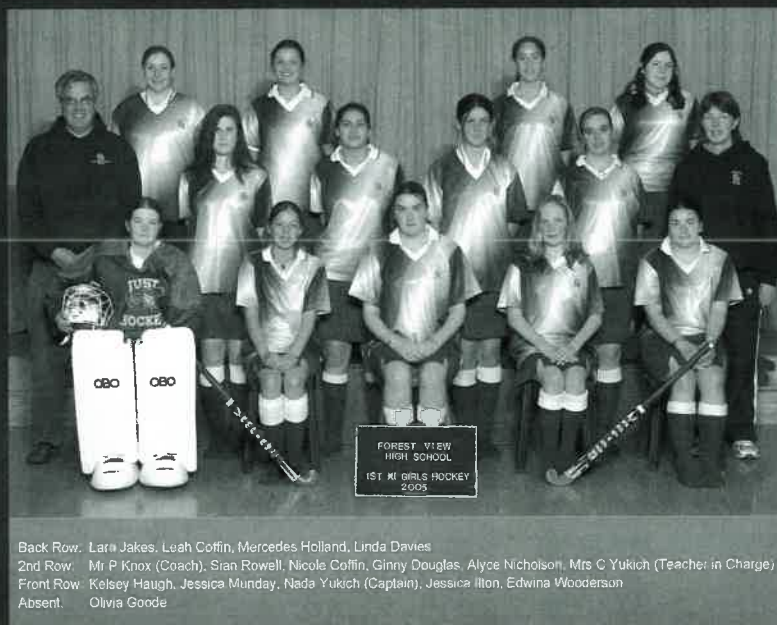

Our season included a couple of exciting games such as our victory against Waitara High School during our annual sports exchange. After entering the game nervous but determined to win, we came away with a score of 9-4. This demonstrated our excellent teamwork skills once again. We left the field with our heads held high feeling very proud of each other. However, the highest and most memorable moment of the season that will stay with everyone forever has to be our amazing win over Ruamata Girls. After being defeated by this team twice previously this season we had the

drive to go out there and prove that we could do it, and we did, coming away with a 2-nil win!!!!!! Nothing could break how high our spirits were that night. We managed to rise above the opposition, ignore their attitude problems and play our game. FVHS has never beaten Ruamata in nine years up until this day and everyone was on a high.

I would like to thank all of our supporters including, parents and friends. Thank you to the girls for making my final season memorable. Last, but definitely not least, our incredible support-team needs a big thank you. Firstly, our manager, Mrs Yukich, who made our season easy-sailing when it came to travel, uniform and all of the organisational side of the business. Secondly, our Coach, Mr Knox - he was our driving force, our inspiration, our fun and our help. He put in an incredible amount of work this season and gave up his time for every game and practice. On behalf of the team I would like to say THANK YOU for everything! Our victory over Ruamata shows just how much influence he has had over our team!

Our 2005 Hockey season has left us with some unforgettable memories. Good luck for next year girls.

Nada

Back Row: Lara Jakes, Leah Coffin, Mercedes Holland, Linda Davies
 2nd Row: Mr P Knox (Coach), Sian Rowell, Nicole Coffin, Ginny Douglas, Alyce Nicholson, Mrs C Yukich (Teacher in Charge)
 Front Row: Kelsey Haugh, Jessica Munday, Nada Yukich (Captain), Jessica Ilton, Edwina Wooderson
 Absent: Olivia Goode

Jessica Munday - Little Miss Rep
 Jessica Ilton - Little girl with the BIG swing
 Nada Yukich - Captain, Injured
 Kelsey Haugh - Do I have to put the pads on for the photo?
 Nicole Coffin - Nickers, Vice captain - did an awesome job while Nada was injured
 Leah Coffin - The leaches are coming
 Alyce Nicholson - Black undies girl
 Lara Jakes - I can't come today
 Olivia Goode - Ruamata's balls couldn't get passed me!
 Ginny Douglas - Are there boys watching us?
 Linda Davies - But my boxers keep me warm Nada!
 Edwina Wooderson - Weena
 Sian Rowell - Blondie
 Mercedes Holland - Number 16, NZ idol wannabe!

NETBALL AT FOREST VIEW HIGH SCHOOL

Netball at Forest View High School continues to be a popular activity for over 120 netballers. This year we had twelve teams in the Tokoroa Netball Centre competition. It is great to see young players involved not only in playing, but also contributing to other areas of the game.

Many players played representative netball and attended (by invitation) training camps. The FVHS A team played in the Upper North Island Secondary Schools Championships in October. The Tournament was at Mt Maunganui. In Term Four we received great news that Torea Tereu has been selected to attend a Netball NZ Secondary School

Coaching Clinic in March 2006.

Seven people helped with the Fun Ferns. This is a Netball NZ programmer for 4-7 year old budding netballers where they learn skills about balance, jumping, catching, throwing and about the game. Fun Ferns helpers were Alix Stephens, Stephanie McGovern, Sara Jansen, Jaime Hill, Hannah Clark, Meg Stairmand and Samantha McGovern.

The following committed netballers received FVHS Service Awards for their contribution to the game. Many of these people coached Forest View High School, Intermediate and Primary netball teams and are dedicated

volunteers for netball:

Sara Aloiai, Torea Tereu, Kristin Beale, Leanne Joseph, Meg Stairmand, Renee Tairi, Shiloh Hodges, Shanice Wilcox, Lauren Bennett, Nom Stairmand, Jennifer Flintoff, Sarah Riceman, Sara Jansen, Andrea Wood, Nada Yukich, Mara Blucher.

Sincere thanks to all coaches, managers, parents and helpers. Our netball family needs you to enable the organisation runs smoothly.

Heather Williamson

9A Netball

As Tokoroa Intermediate Form2A in 2004, we became Forest View 9A in 2005. The team resembled last years', except for Toxy and Bona, who we welcomed into the team and got along with the rest of us really well. We had a great season together and enjoyed being with our same Coach and Manager as 2004, Kathy Clark and Fran Thompson-Stevens. These two amazing people pushed us to improve and work together as a team and loved being with us girls at trainings and games (well, we're sure they did!!!).

We won our grade on Open Day and then in the first tournament, we won our division. We also won our grade in the Bill Gray Championship. Each individual showed talent in their position, leading our team to victory week after week. However, along the way we had some devastating loses which we quickly overcome and went back to our winning streak.

All of our team learnt a lot and improved in many ways throughout the season. We would like to thank Kathy and Fran for giving up there time to coach and manage us and for having fun with our team. And lastly our girls. You are all awesome people and players. Keep up your netball next year, but 'most of all, yeah,' ENJOY IT!

Alix Stevens and Racqual Anderson-Pitman

Alix Stevens – Lix

"O.K I'll quickly squeeze and run

Racqual Anderson-Pitman – Raxy

"Jezz your hands are scaring me."

Hannah Clark – Clarkz

"D like me, star jumps on. It works..... kinda." lol

Hannah McClure – Hanz

"Is my hair going to look good after I leap."

Renee Beale – Beale

"Hold up, wait on just one more TXT."

Moetu Kaitai – Moetz

"Man I'm hungry, Kortz lets go get a munch."

Kotiri Te Rore – Kortz

"Please Miss can I shoot, please, please, please."

Toka Natua – Toxy

"I got it, I got it, I got it..... don't got it, me bad."

Anaka Mohi – Nix

"It's alright if I'm 10 minutes late, aye?"..... 1 hour later.

"Wheres Anaka?"

Lindsay Bonnar – Eru – Bona

"Can I have a ride to the end of the hills, at the corner please?"

Back Row: Racqual Anderson-Pitman, Lindsey Bonnar-Eru, Toka Natua

2nd Row: Kathy Clark (Coach), Moetu Kaitai, Hannah Clark, Fran Thompson-Stevens (Manager)

Front Row: Kotiri Te Rore, Renee Beale, Alix Stevens (Captain), Hannah McClure, Anaka Mohi

"...leading our team to victory week after week."

9B NETBALL

Ashley Hayes-Lennon (Captain) "I lost the ball again"
Reiarn Jones (Vice-Captain) "1,2, Step"
Ashley Preston "Hard out, aye aw!"
Moana Nelio "Calm down girl!"
Teina Tokorangi "Where was she?"
Eva Marama-Nepe "Betta give the ball or I'll smash you!"
Arianna Ashworth "1 . . . 2 . . . 3 . . . TEAM!!"
Rebekah Cooper "Go shorty!"
Hannah Winikerei "Always at training.. SHOT HANNAH!"
Mara Blucher (Coach) "RUN ARI!"
Nada Yukich (Coach) "Yes you can have a ride"

Over the netball season our team did really well. Winning the sponsorship round made us very happy. That put us into the B Grade with our 9A team and THS 9A team for the championship round. We lost most of our games in this round but we still have a lot of fond memories.

Not everyone always came to trainings but when it came to our games on Saturdays we worked well as a team.

We would like to thank Mara and Nada for coaching our team and we wish you both all the best for the future.

PS: Don't go anywhere Mara coz I'll find you!! *LOL*

Arianna Ashworth

Back Row: Mara Blucher (Coach), Eva Marama, Teina Tokorangi, Ashley Preston, Moana Nelio, Nada Yukich (Coach)
 Front Row: Reiarn Jones (Vice Captain), Arianna Ashworth, Ashley Hayes-Lennon (Captain), Hannah Winikerei, Rebekah Cooper

SENIOR A NETBALL

The year started off great with a good mix of 5th, 6th and 7th formers selected for the team. We began with encouraging victories over some of Tokoroa's top teams – Excels, Eagles and United Force, which landed us in the top grade for the sponsorship round. A big effort from the girls then saw us through to the Premier grade in the championship round (the only school team to do so). It was a privilege to be in the top grade and although we didn't win many games, all the girls gained a lot of experience playing against such a high calibre of players.

We finished off the season in Mt. Maunganui with the UNISS netball tournament. It was an awesome trip where we all bonded and really got to know each other. With three wins, three losses and a draw, we ended up 9th and had really improved our game.

We'd really like to thank our beautiful coach, Chrissy Cook for putting up with us for yet another year. With such a busy life, we are grateful for the time she still manages to spend with us. We have learnt SO much from you . . . THANKS! We'd also like to thank Caroline Moranga and Iwi Benion for taking us to the UNISS tournament. GREAT TIMES! A big shout out also to Mrs Willie, Wendy, Denise Lee and all our parents for supporting us through the season.

And last but not least, to all the girls! We are very proud of you and wish you all the best for

Back Row: Heather Williamson (Teacher in Charge), Bronwyn Jessop, Florence Cassidy, Naedine Cassidy, Alyssa Tai
 Front Row: Lilia Downey, Shanie Wilcox, Mara Blucher (Captain), Torea Tereu, Leleina Tolovae

the rest of your netball at FVHS! You Guys Rock!!
Mara Blucher and Leleina Tolovae

MARA – Our strong, smart, straight up captain who lead us proudly through the season. Great skills and attitude on and off the court. No. 1 ghost storyteller!

"Heads up! Lollies at ½ time Bronny . . . FATTY CLUB!!"

LEINA – I'd personally like to thank you guys for welcoming me so positively back into the team. I had an awesome season with you all and wish you all the best for the future!

"Kill yourself on court girls!! I'll die for you!! Is that us Tia?"

TERRI – Always positive on court, always on the line backing up the attacks. A shame to lose you when you left school.

"Pwesh pwesh girls! YEAH UNIT."

LATIA – Our strong, fit WA and C, great attacking skills, wicked defence. Always keen for a good time!

"BUNS OF STEEL!! Heya . . . Nice car! Keen to get on it Leina?"

TOREA – Changed from both ends of the court throughout the season, and proved to be our LETHAL WEAPON! We are so proud of you Tord's!

"Open the window, there's my man! He's SO sexy! Heeyaaa!"

BRONNY – Our breath of fresh air on the court! Always smiling, always going hard, positive as . . . and always getting wicked intercepts!

"FATTY CLUB HARD!! . . . Broke my leg in the supermarket!"

SHANICE – Sinking all the shots! Carved up at UNISS. Always there to make us laugh! You go girl.

"Chicken, Rabbit curry . . . Miss photogenic!"

FLO – We're so lucky to have such a skilled, committed junior in the team! Excellence on court, and even backed us up while injured. Shot Flo!

"There's a HERO . . . Owe Forence!"

NAE – Awesome defender in and out of the circle. Always putting on the pressure. A true asset to the team.

"Did you see that cow? Oooh I want one!! They're SO cool!"

LAYSE – A great GA, awesome moving in the circle and always landing the long shots and basketball lay-ups.

"My boyfriends a Maori. Whaddup Homes! Bludy ref."

JEN – THANKYOU GIRL for coming into the team at the end of the season, you're an awesome defence and you've got a wicked netball career ahead of you!

"And to the left we have Cameron's bedroom, don't worry I know the neighbours."

CHRISSY – Our amazing coach who has taught us so much over the last three years. Thanks for helping us become confident, skilled senior players. YOU'RE DA BEST! MWAH!

"Put your W up girls! Fast feet Latia . . . FASTER!!"

Front Row: Renee Tairi, Leanne Joseph, Alesha Dick (Captain), Patrice Kuru, Sara Jansen

SENIOR B NETBALL

2005 was a mixed season for us. We worked very well as a team and we learnt lots of new skills along the way. Even though two players left our team during the year, we kept our heads high and played to the best of our ability. We lost lots of games, but we kept a positive attitude and played with enthusiasm.

We would like to thank our coach, Caroline Moranga who worked really hard with us all season. She gave us heaps of encouragement. Finally, many thanks to our fellow team players – shot girls! Go hard next year.

9 BLUE NETBALL

This year Sara Jansen and Andrea Wood coached the Year 9 Blue Team. It was a lot of hard work but a lot of fun as well.

They quickly realised that they had to work together as a team. They worked hard all season and although they lost games at the beginning of the season, they ended up winning lots of their games by the end.

I would like to thank Jessica M's Mum for helping us throughout the season. The team had a lot of fun this year and were a pleasure to coach.

Andrea and Sara

ROYAL NETBALL

It was a hard year, but most definitely a good one. Having the best coach ever (Chrissie Cook) was probably the highlight of the season. But then again beating Putaruru College B was a major highlight too. (We won't be forgetting that game in a hurry now will we girls?) What a game that was, well for most of us!

Nada was out for six weeks with ankle injuries, then the week she came back she fractured her arm in the first quarter of the game! Kelly was also out for a little while. Sarah hurt her back. Finally, the flu destroyed most of us at times. Although it always seemed like someone in the team had something wrong with them, we always had enough players and everyone was really committed even if they weren't feeling 100%.

This year was my best year of netball, simply because of our great Coach and our team work. I am sure all of the girls would agree with me!

Shiloh Hedges

Back Row: Sarah Riceman, Kellie Lamberton, Nada Yukich, Kristin Beale

 Shadrach (Blackie) - "Look at my bum"
 Ashley (Monkey) - "Let's not do the haka"
 Luke (Spooks) - "Are we going to do the haka?"
 Tino (Paleasins) - "Hey uso you wanna go"
 David (Chef) - "I'm god's gift to the female species"
 DannY (Deweller) - "I'm not coming to training Renee's here"
 Ian (2ps) - "Boyz we come 2nd in the regionals"
 Tamatoa (Roofeo) - "I'm not playing any more coz of league"
 Aidan (G Burger) - "I didn't score any tries"
 Eugene (Golde) - "See my step woowoo"
 Vincent (Carmont) - "It's not my birthday"
 Abraham (ABlacks) - "Got ne food for the chips"
 Jacob (Swarm DUS) - "Hey big boy"
 Mark (Mr Incredible) - "Did you see me start that fight"
 Richard (Unknown) - "I can't come today me working"
 Jeremy (Aaron) - "We won Nationals"
 Lance (TXT PUN) - "This chick from Waitara txt'd me"
 Aaron (Luke McAlister) - "Did you see my try celebration"
 Liam (Rooster) - "I got a yellow card in my first match"
 Keirean (Irish Tongan) - "Leave me alone for I'll get my Tongan cuznz on u"
 Simon (Sy Dog) - "Where's da p*** up"
 Seo Aloiai (Mr V) - "Drop step is the key to a good break"
 Niko Aloiai (Unco) - "Continuity"
 Ian Fergusson (Fergy) - "Toughen up boyz"
 Shane Gilvray (Coasty) - "Stop being pussyz"

1st XV BOYS RUGBY

The year started off with a positive feel and the team was anxious to get on with the season. We were placed second in the Waikato Secondary Schools 7s tournament and then qualified for the Invitational 7s tournament at Hamilton Boy's. The boys were not successful but it was a great experience.

Injuries to players affected the team's results and the small size of the squad meant that players could not get the recovery time needed. The team had some excellent performances against top Waikato schools, but were unlucky to miss the semi finals due to a five point loss to Church College.

Congratulations to Chance Thompson who made the Waikato Secondary Schools A Side and Walter Downey who made the Waikato Secondary Schools B Side. A number of players were unlucky to miss out on Waikato call ups.

The season couldn't have been as successful and as fun without the help of our coaches Ian Fergusson, Seo Aloiai, Shane Gilvray and Niko Aloiai. Thanks also to Ms Hein, Matti and Dawn Mihaere for the wonderful steamed hangi every week. Thanks to all of our supporters and the school for there help and support.

UNDER 14A RUGBY

Our Season didn't start off very well as we lost two of our three grading games which placed us in the B Grade. However in this grade we ripped up!!!! We had nine wins and only one loss during the season. We scored 393 points and only 45 points were scored against us. Our biggest win was against Te Awamutu 73 to 5. Our seven's team also won the Waikato Sevens Tournament at the beginning of the year.

We would like to thank Darin and Neville who coached us this year and did an awesome job. Thank you to all of our supporters for coming to games and providing transport. Last but not least we would like to thank all the boys for putting in the work to make the season awesome.

Sean and Nathan

Back Row: Baldy Noho, Trent Nikora-Roberts, Sean Stratton, Joel Yukich, Cassius Reed, Jarrod Taylor
 2nd Row: Eddie Fong, Logan Nestor, Cameron Wilson, Harley Gerrard, Riki Wheeler, Nathan Alley
 Front Row: Kody Qualie, Jordin Aituroa, Ngari Hawkins, Callin Tereu (Captain), Geno Milnes, Dominic Uerata, Ethan Whittaker
 Absent: Darin Costar (Coach), Neville Hawkins (Coach), Zarie Costar, Dodge Nikora, Darren Quafe (Coach)

Back Row: Wireless Ford, Mason Baker, Corey Morehu, Brandon McLean
 3rd Row: Shadrach Coake (Coach), Tuhimata Bennion, Ezra Berghan, Gavin Brown, Mrs Bennion (Manager)
 2nd Row: Walter Downey (Coach), Jordan Wood (Vice Captain), Here Tuhi, Uma Kaea, Anthony Ogden, Joe Raki, Paul Callander, Mr Bennion (Coach)
 Front Row: Trent Lincoln, Richard Wilson, Chevy Blue, Daniel Waerea (Captain), Chris Morgan (Vice Captain), Shaun Van Orsouw, Regan McCormack
 Absent: Junior Joe, Josh Metekingi

UNDER 14B RUGBY

After the trials were held and our team was selected, our Coach had to withdraw and we were left with no Coach.

Mr Ferguson asked around and Shadrach Coake and Walter Downey took the job on until we got a permanent Coach. Mr Bennion stepped in and Mrs Bennion became our Manager. Shadrach & Walter still took us when Mr Bennion had to work.

Our Coach had a lot of work on his hands because most of our team had never played Rugby before. He had to do a lot of basic stuff at our practices.

There were eight teams in our division and even though we only won two games we improved with each game and really enjoyed our season. A highlight was when we went on Mr Bennion's family bus to our away games!

We would like to thank Mr and Mrs Bennion, Shadrach and Walter and our parents and supporters.

UNDER 16 RUGBY

2005's tournament was tough. The boy's in the Under 16's stepped up to the plate and dominated the competition. Throughout the year we only lost one game in total, against Piopio. We had already beaten them in a preseason game. However, when we played them at their school for the second game it did not even look like the same team with so many different players! We did not complain, but we put up a strong battle, even though Piopio had luck on their side and the Ref!

Coach, Ra Pene's contribution to the team was the key to our success! He brought the team tighter as one unit. This brought big crowds to the games to see the speedy backline manoeuvres and the solid defence.

The combination of the teams' skills made an unbeatable arsenal as throughout the season our opposition were defeated. Several new players were brought into the team who contributed very well, bringing some new skills with them.

All in all, a good season and it will be awesome if we stay together in the first XV next year. Peoples' Choice Player of the Year = Josh Sneddon with his big hits and his work off the field. (Shout out to his mum for the good words at training).

Back Row: Jordan Magee, Jacob Wright, Rory Standen, Max Turnwald, Sean Follas, Jordan Merrin, Jordon Monk
 2nd Row: Tehumaire Ford, Kane Adams, Delany Mearcheam, David Tuputala, Azza Pene, Thomas Fergusson, Josh Sneddon, Wayne Gibson
 Front Row: Keith Watson, Zane Boss, Victor Karora-Reu, Reece Te Whaiti (Captain), Sean McKain, Coro Elder, Aiden Tunipopo
 Absent: Scott (Scotty) Pickering (Assistant Coach), Ra Pene (Coach), Colin Mathis, Shayne Okaroa

"...an unbeatable arsenal..."

1st XV GIRLS RUGBY

The Girls Rugby kicked off the year with the UBIX tournament which is held every year at Western Heights High School. We came away from the tournament with two wins and a loss. This was an excellent opportunity for us to establish a tight relationship with each other.

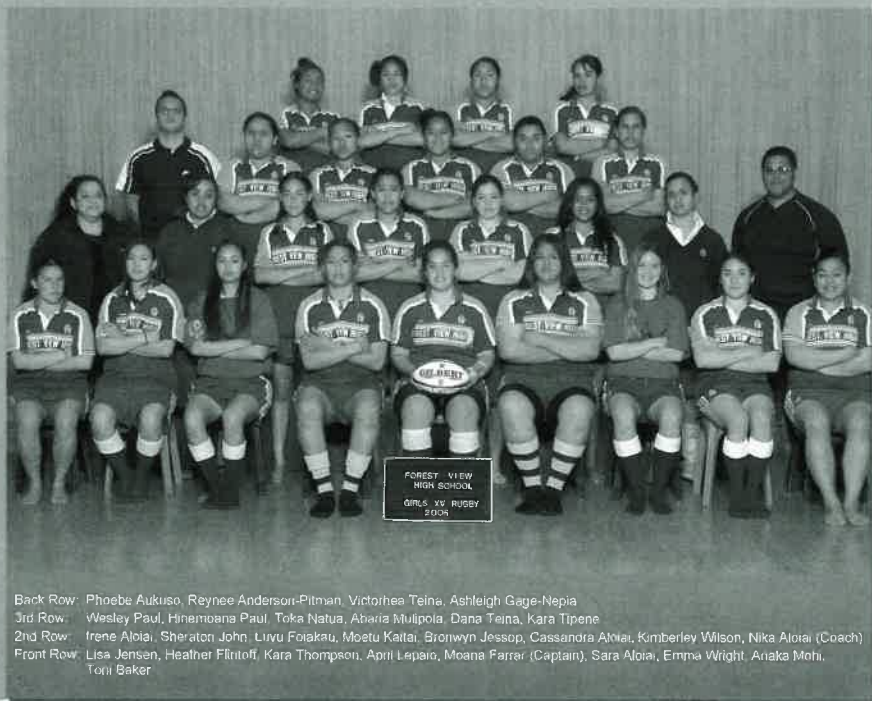

Next we prepared ourselves for the Seven Aside Tournament held in Hamilton. We entered two teams and came away with 2nd and 3rd placings. We were finally ready for the very familiar Bay of Plenty league, where we had both 'home' and 'away' games. It was a new experience for some people and gave them the opportunity to establish themselves on the field for the first time. It also gave the older girls the chance to improve themselves. This year we had a major change within the team. Sarah Aloiai stepped down from the position of Captain. This gave Moana Farrar the opportunity to lead the girls. We finished in a well deserved third place. Thanks to Sarah for her continued guidance and support.

Thanks to all of our supporters, parents, linesgirls, Miss Kelly, Mr Fergusson and Mr Paul. Also, thanks to our two and only coaches, Niko Aloiai and Papa Sio. Finally, thanks to our personal chef, Auntie Irene. We couldn't have survived and been as well built without her.

Until next year girls, peace out, we luv ya!!

Moana Farrar and Toni Baker

Moana (Momo) - "Oh my gosh sherry"
 April (Polo) - "Ara, Ara!"
 Sarah (Grandma) - "Get in there girls!!"
 Cassandra (Cassie) - "I wonder wot Aprils doing"
 Kara Tipene (Nina) - "Hey Honey B"
 Toni (Grandma Komeme) - "Hey mama"
 Anaka (Nika)
 Emma (Stinkbum) - "Moana's got a stink bum"
 Kara Thompson (Lamb) - "Can I have sum"
 Lydia (German) - "Dats how choice oi"
 Victorhea (Hoffa) - "Dink Moot"
 Moetu (Moe) - "Hi Moana"
 Hinemoana (Hine mo) - "I can smell punani"
 Pheobe (Phe-Bob) - "In da chungle, they could see my hi-ball"
 Reynee (Naez) - "Wots tommrow?"
 Lisa (Leese) - "Oh dumb"
 Heather (Nezie) - "Hmm pie, Foodtown eat fresh, dats hot"
 Luvu (Granny racer)
 Toka (Toks)
 Abaria (Ria)
 Ashleigh (Ash)

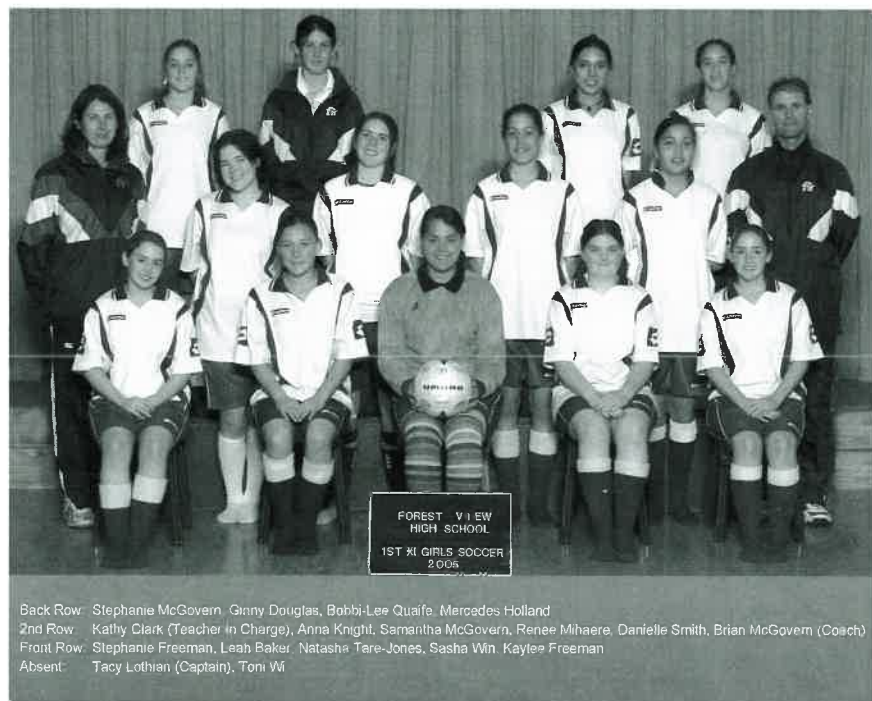

Back Row: Phoebe Aukuso, Reynee Anderson-Pitman, Victorhea Teina, Ashleigh Gage-Nepia
 3rd Row: Wesley Paul, Hinemoana Paul, Toka Natua, Abaria Muliola, Dana Teina, Kara Tipene
 2nd Row: Irene Aloiai, Sheraton John, Luvu Fojakau, Moetu Kaitai, Bronwyn Jessop, Cassandra Aloiai, Kimberley Wilson, Nika Aloiai (Coach)
 Front Row: Lisa Jensen, Heather Filinoff, Kara Thompson, April Lepain, Moana Farrar (Captain), Sara Aloiai, Emma Wright, Anaka Mohi, Toni Baker

1ST XI GIRLS SOCCER

We had a mixed season this year. The grading games were a success, with us winning lots of games. However, we were unable to keep this up during the rest of the season. We played very well against Waikato Dio, giving them a good challenge. Although the results were mixed, we all enjoyed the season. The highlight was our victory against the "shirt and tie" team; Waihi. Well done girls!

Leah Baker (Angel) - "Head in the clouds!"
 Ginny Douglas (Ginge) - "Go up to work!"
 Kaylee Freeman (Stretch) - "Smart ass"
 Stephanie Freeman (Google) - "Rad"
 Mercedes Holland (Cdz) - "Can I touch you're?"
 Anna Knight (Annamal) - "Do ya luv me?"
 Tacy Lothian (Tace-t) - "huh?"
 Samantha McGovern (Mz Beckham) - "I luv Beckham"
 Stephanie McGovern (Princess) - "Not even ref!"
 Renee Mihaere (Renee) - "Assassin"
 Bobbi-Lee Quaife (Rotazchild) - "Lol, is that a chick?"
 Danielle Smith (Huni Buni) - "Yea I sat on the ball!"
 Natasha Tare-Jones (Innocent) - "Rainbow socks"
 Toni Wi (Tili) - "ssshhh, don't tell Mum!"
 Sasha Win (Sash) - "okay!"

Back Row: Stephanie McGovern, Ginny Douglas, Bobbi-Lee Quaife, Mercedes Holland
 2nd Row: Kathy Clark (Teacher in Charge), Anna Knight, Samantha McGovern, Renee Mihaere, Danielle Smith, Brian McGovern (Coach)
 Front Row: Stephanie Freeman, Leah Baker, Natasha Tare-Jones, Sasha Win, Kaylee Freeman
 Absent: Tacy Lothian (Captain), Toni Wi

1ST XI BOYS SOCCER

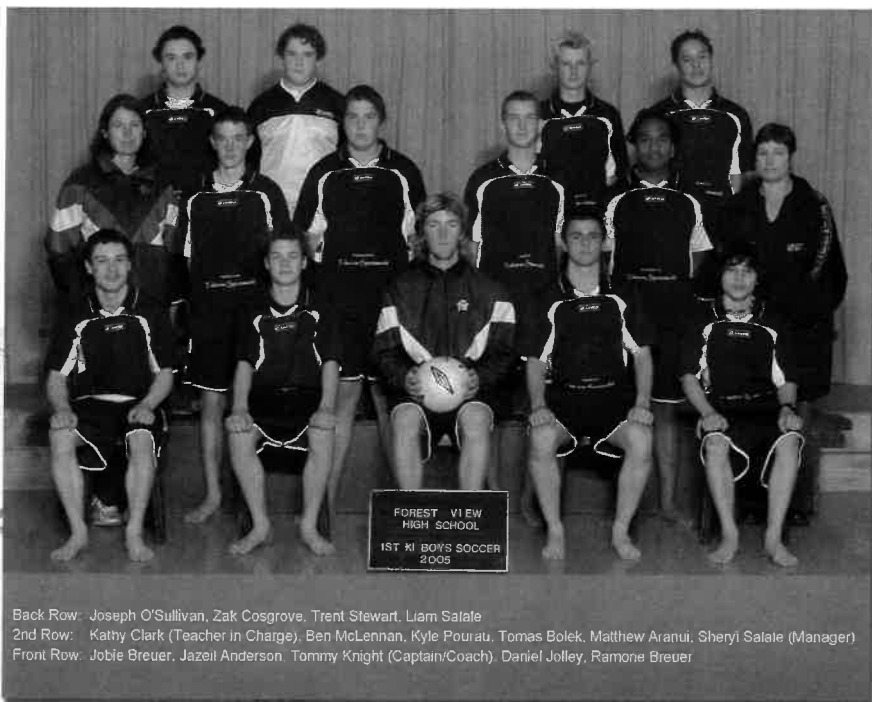

This season started off disappointingly as usual. Ex-players not returning and a successful Junior Boys team from last year was broken up, to have enough players to field the first team.

We suffered some heavy defeats in the opening weeks. 5-0 to Putaruru 1st XI, 6-1 to Hamilton Boys 6A, but this was avenged with an 8-0 defeat of local rivals Tok High. Unfortunately, the same defensive problems saw us loose five times during the normal season, and drawing two games which we should have won. In the final week we were rock bottom of the table, and weren't expecting much at the start of the final series. We relaxed and came together as a squad, and we won all three of our last games, and didn't concede a goal! We did the impossible of overtaking top placed Hamilton Boys with 10 men, and beat them 4-0; finally unleashing the potential that had been hidden all season.

Many thanks must go to our team mother Sheryl Salale, who washed our strip every weekend and took us to just about every away game. Thank you to Kathy Clark, for stepping up to take over as Soccer Co-ordinator and doing a fantastic job. Thanks to our parents for supporting and helping out when needed. Lastly, of course, the boys; I'm really going to miss the laughs we've shared over the last few years. These are memories I will keep forever. I hope you learned something useful while I was coach. I'm so glad I got to be a part of this team this year. You guys can be whatever you want to be.

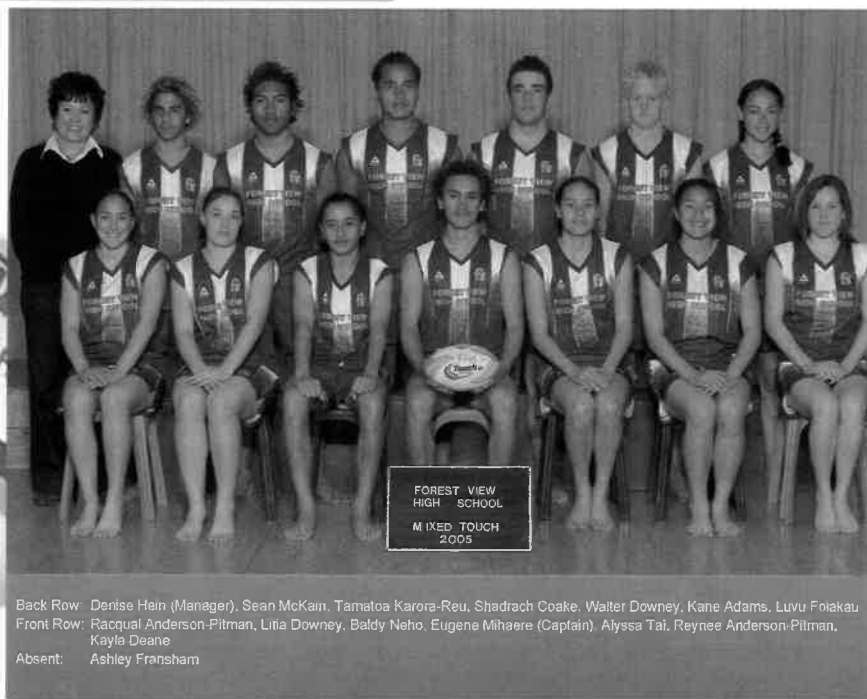

Congratulations to Daniel Jolly and Matthew Aranui who were selected to play in the South Waikato Reps.

Good luck and God Bless,
Thomas Knight

Back Row: Joseph O'Sullivan, Zak Cosgrove, Trent Stewart, Liam Salale
2nd Row: Kathy Clark (Teacher in Charge), Ben McLennan, Kyle Pourou, Tomas Bolek, Matthew Aranui, Sheryl Salale (Manager)
Front Row: Jobie Breuer, Jazell Anderson, Tommy Knight (Captain/Coach), Daniel Jolley, Ramone Breuer

Thomas 'Coach' - "I can win the game by myself" Knight
Daniel 'Pom' - "Do you remember my goal last week?" Jolly
Kyle 'Drunk' - "Watch out you've got jizm on your shirt!" Pourou
Joseph 'Hung-over the entire season' O'Sullivan
Tomas 'Check' - "Hi Tommi!" Bolek
Mohammed 'Momo' - "We must train harder!" Nasr
Jobie 'Iron Chest' - "Why chest the ball?" Breuer
Zak 'Keeper' - "Can he catch the ball? NO!" Cosgrove
Matt 'Chocolate' - "Does my hair look okay?" Aranui
Ben 'Super Sub' - "Still learning" McLennan
Trent 'Trenticles' - "Ouch my leg!" Stewart
Liam 'Black Man' - "Can you buy my lunch?" Salale
Jeziel 'Jizm' - "I can't I'm snowboarding this weekend!" Anderson
Ramone 'ADHD' - "Little psycho kid!" Breuer
Anna 'Annamil' - "I'm a boy, I'll prove it!" Knight
Connor 'Little Liam' - "Against Tok High; age 11!" Salale

Back Row: Denise Hein (Manager), Sean McKain, Tamatoa Karora-Reu, Shadrach Coake, Walter Downey, Kane Adams, Luvu Foliakau
Front Row: Racquel Anderson-Pitman, Lilia Downey, Baldy Noho, Eugene Mihaere (Captain), Alyssa Tai, Reynee Anderson-Pitman, Kayla Deane
Absent: Ashley Fransham

TOUCH

The 2004 season drew to an end with the Mixed team playing at the Nationals in Wellington from December 10th – 12th. Many teams were to discover on the first day, that cold and blustery weather is not the ideal conditions to put up gazebos and tents!!!

Our final game that was to eventually see us placed 8th in our section, was also the last game for three of our senior players who had been with the team for about 3 years – Racquel Standen, Shontelle Stowers and Adam Tafau. Tai Holland and Patrick Russell who had joined us at the start of the season also played their last game. For Racquel nostalgia and sadness was soon replaced with jubilation when she and Eugene Mihaere were named in the NZ Secondary Schools Mixed Touch Team.

The 2005 season was all to soon upon us when the Mixed, Boys and Girls teams traveled to Hamilton to play at the Waikato SS tournament in March. Having passed their Level 1 Coaching Course in 2004, Eugene Mihaere, Ashley Fransham and Shadrach Coake with Lisa McKenzie helping out, put their skills to good use by coaching the Boys & Girls teams and ex-student and NZ Touch Rep Haysley Metu helped out with the Mixed team.

Both the Girls and Boys teams faced tough competition throughout the day and while they never made it through to the Zones they look very promising for next year. The Mixed team went through their pool undefeated, met their old rivals Putaruru in the semis and then faced Ngaruawahia in the finals - the team FV had lost to at the Nationals and who were to eventually become 2nd in NZ. FV rose to the challenge and had a great game winning 5-1 and making them Waikato Champions and putting them through to the Zone Champs at Mt Maunganui the following week.

At the Zones FV once again won their pool, went on to beat Western Heights in the semis and for the second time in two weeks, faced Ngaruawahia in the final to come out winners again. This made FV the top Mixed team in the Waikato and BOP region and top qualifiers for the Nationals. More good news was to come our way when Ms Hein was able to secure well known BOP Touch identity Pakanui Tuhura as Coach for the Mixed team. The team has been actively fundraising for the Nationals which will be held in Napier from December 9 – 11.

We wish the Management – Denise Hein, Pakanui Tuhura, Iwi Bennion & Dawn Mihaere and the players – Eugene Mihaere (Captain), Shadrach Coake, Ashley Fransham, Walter Downey, Tamatoa Karoroa Reu, Sean Claude McKain, Kane Adams, Baldy Neho, Kayla Deane, Litia Downey, Luvu Foiakau, Reynee & Racquel Anderson-Pitman and Alyssa Tai all the best.

Back Row: Victor Karoro-Reu, Callin Tereu
2nd Row: Shadrach Coake (Coach), Ian Tuputala, Aaron Dean, Azza Pene, Nathan Alley, Eugene Mihaere (Coach)
Front Row: Danny Tunupopo, Ngari Hawkins, Jeremmy Siulepa, Mata Kamire, Trent Lincoln
Absent: Chris Campbell, Zane Costar

Back Row: Lasiana Trainor, Lisa McKenzie (Coach), Lora Navaja
2nd Row: Shanice Wilcox, Chontelle Tanoa, Torea Tereu, Yvonne Teao
Front Row: Rapotai Samuel, Renee Tairi, Leanne Joseph (Captain), Keziah Coake, Kotiri Te Rore

ATHLETICS & CROSS COUNTRY

At the end of 2004 our top athletes competed at the New Zealand Secondary School Championships in Hamilton. We had 10 athletes competing, with a great result coming from Amanda Aldridge, who won a Bronze Medal in the Open Girls 300m Hurdles. "Top-eight" placings were also gained by Mara Blucher (Hammer), Colin Mathis (1500m & Road Race), Jacob Wright (Discus), Reynee Anderson-Pitman (High Jump), Kevin Aldridge (1500m), and the Senior Girls Relay (Amanda, Mara, Reynee and Teresa Boss).

Our 2005 FVHS Athletic Sports were held on 15th February. It was a beautiful day with great lake spirit in evidence. New records were set by Nathan Alley (Junior Boys 300m and 800m (held since 1978)), Geno Milnes (Junior Boys 3000m), Amanda Aldridge (Senior Girls High Jump), and the Maraetai Year 11 Girls Relay. The Lake competition was won by Maraetai, who gained the most competition points and the most participation points. Congratulations to our individual champions – Shadrach Coake (Senior Boys), Amanda Aldridge (Senior Girls), Jacob Wright (Intermediate Boys), Reynee Anderson-Pitman (Intermediate Girls), Nathan Alley (Junior Boys) and Racquel Anderson-Pitman (Junior Girls).

Mid Islands this year was held in Rotorua on 1st March. FVHS kept up its reputation of being the top school in the region, with our students gaining 24 1st placings, 14 2nd placings and 10 3rd placings. Nathan Alley broke the Junior Boys 300m record, one of only two records broken on the day. Our Intermediate Girls and Senior Girls won their Relays, and the Intermediate Boys won theirs twice! (It had to be re-run due to a protest).

29 athletes qualified to compete in the Waikato Bay of Plenty Secondary School Championships on 19th March. Overall we had a very successful day, with 11 athletes qualifying to represent our region at the North Island Champs. We gained five titles at the WBOP Champs – Reynee Anderson-Pitman (Intermediate Girls High Jump), Jacob Wright (Intermediate Boys Discus), Racquel Anderson-Pitman (Junior Girls Discus), Chad Totoro (Junior Boys Shot), and the Senior Girls Relay (Amanda Aldridge, Mara Blucher, Lora Navaja and Patrice Kuru). Congratulations to Amanda, Mara, Reynee, Jacob, Racquel, Chad, April Lepaio, Kara Tipene, Wayne Gibson, Nathan Alley and Geno Milnes who were selected as Waikato BOP representatives.

The North Island Secondary School Champs were held in Hastings on 2nd & 3rd April. Amongst very tough competition, our athletes did very well. Amanda won the title in the Open Girls 300m Hurdles and Jacob came 3rd in the Intermediate Boys High Jump. Amanda was also 5th in 400m & 5th in High Jump, Jacob was 4th in both Long Jump & Discus, Mara was 5th in Hammer & 6th in Discus, Chad was 5th in Shot, Racquel was 6th in Discus, Geno was 7th in 3000m & 8th in 1500m, Reynee was 7th in High Jump, April was 8th in Discus, Nathan was 8th in Discus, and Kara was 11th in Shot. These are a great set of results against the best in the North Island.

Amanda has had a great year in Club Athletics. She won the title in the New Zealand Heptathlon Championships for Women Under 17, and was selected to represent New Zealand at the World Junior Athletic Championships which were held in Marrakech in Morocco. She has now gained a ranking of 33rd in the world, and is still improving. Congratulations on this awesome achievement!

Our FVHS Cross Country Champs were held on 9th May. Congratulations to this year's champions – Geno Milnes (Junior Boys), Aroha Mihaka (Junior Girls), Colin Mathis (Intermediate Boys), Tracy Keith-Matchitt (Intermediate Girls), Haymish Bennett (Senior Boys) and Amanda Aldridge (Senior Girls). The Lake competition was won by Arapuni. The top 10 athletes in each group qualified to compete at the Mid Island / Bay of Plenty cross Country Champs on 17th May. Our best results on the day were from Geno Milnes (5th Junior Boys), Kevin Aldridge (5th Intermediate Boys), Haymish Bennett (8th Senior Boys), Paul Rei (15th Junior Boys), Letitia Reihana (17th Junior Girls), Cameron Whittaker (19th Intermediate Boys) and Joshua Sneddon (20th Senior Boys). A smaller group of runners went on to compete at the Waikato BOP Champs on 7th June, with our top results coming from Colin Mathis (6th Intermediate Boys), Kevin Aldridge (18th Intermediate Boys), Paul Rei (42nd Junior Boys), Maurice Davies (36th Senior Boys), and Geno Milnes (49th Junior Boys).

Back Row: Phoebe Arakso, Moana Farrar, Jason Nuku, Paul Rei, Joan Sneddon, Chad Abbott, Harley Gerrard, Whai Matenga, Sean Stratton, Maurice Davies, Cassandra Aloia
4th Row: Carson Deane, Kayla Deane, Kasey Follows, Jennifer Flintoff, Lauren Bennett, Naomi Starmand, Danny Tunupoko, Jaina Farrar, Ngari Hawkins, Mr R Blucher (Teacher), Letitia Reihana, David Tuputala, Ashley Pransham, Shadrach Coake, Thomas Knight, Chris Campbell, Haymish Bennett, Walter Downey, Danielle Smith, Mrs D'Han
3rd Row: Connie Towler, Resam Jones, Loteya Parai, Natasha Gage, Tracy Keith-Matchitt, Ashley Preston, Anaka Mohi, Aroha Miska, Suranatha Bloxham, Edra Berghan
2nd Row: Racquel Anderson-Pitman, Nathan Alley, Reynee Anderson-Pitman, Amanda Aldridge, April Lepaio, Mara Blucher, Kara Tipene, Jacob Wright, Geno Milnes
Front Row: Kevin Aldridge, Colin Mathis, Chad Totoro
Absent:

NORTH ISLANDS ATHLETICS TRIP

North Islands was such a great trip. This year it was held in Hastings.

Everyone did really well over the two days of the competition but the most memorable performance came from Jacob, who to his surprise was in the Waikato relay team who won! He did REALLY WELL!!

North Islands is the highlight of the athletics year as it is the last competition of the season. It's so sad to think that this was our last year and we won't get to go again, however we have so many great memories from all the trips over the years.

What's a year book article without including some of those great memories from this year. Now where do we start? Well of course there's the lovely lady in the red car! Mara getting her cookie out of the packet and finding a large bite already taken out of it! Kara going swimming with all the boys and Jacob doing his spider into the pool again and again and again! Geno misplacing his rugby ball and of course Genos bedtime! Mr Blucher losing his red folder! Riding around the super market with Rax in the trolley! Meeting a very charming boy from Hamilton Boys who just invited himself into our room and started going through our fridge! Doing the trolley thing again in the Warehouse and having a photo with a lovely old lady! Finding out by the checkout guy that Rax was priceless! Nathan texting Amy or was it Amy? Mandy scaring off all the little girls that liked Nathan and the not so little ones like Rebecca! Mara, Mandy and Rax going for a drive and getting lost! Mara getting scared she was going to miss her event and that her dad would kill her! Playing on the moon hoppers! Chad eating the roll up, the entire roll up paper and all! Mara, Mandy, Reynee and Rax singing their best all the way there, all the time there and all the way home! Rosana narking on Mandy to Alan! April and Kara missing rugby! Mara beating Rax in discus! Mandy still winning yay yay yay! Mara, Reynee and Rax not climbing out the window with the chair! Mara not being able to get the chair back in the window! Amanda getting snapped! Jacob getting snapped! Racquel and Mara finding their true mother! Taking lots and lots of photos! Staying in the same motel as Sean! Buying all the baby food! Going out to dinner and Mr Blucher being approached by a random drunk lady! Jacob and Nathan trying to go into the club with the drunk lady! Playing pool! No scrubs! Chad deleting the cool photos off his phone! Geno posing by the pool! Geno posing by the TV! And of course Geno nearly getting in there! Edward comping forever hardout! Nathan and Rax playing superman with the Waikato flags! Blasting pokemon really loud in the stands! Play fighting on the bed and everyone getting completely owned by Jacob! Mr Blucher nearly falling asleep on the way home! Mandy offering to drive! And the list goes on. Well, what can we say? It was a great trip!

We must thank Mr Blucher for putting up with us for yet another year and for everything he does for us. Thanks also to Rosana Milnes for coming down and helping out. It was most appreciated. To all the guys remaining at school keep going hard in athletics and do us proud.

Mara Blucher and Amanda Aldridge

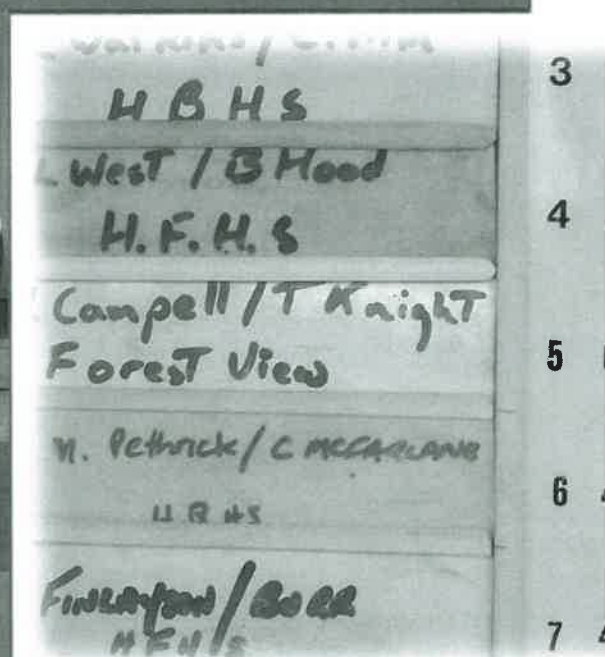

"FVHS kept up its reputation of being the top school in the region."

THE EDITORS' COMMENTS...

It seems like only yesterday that I was preparing to leave school for a year off on maternity leave. Now, with 2006 only just around the corner, it is time for me to prepare for my return to the classroom! I have had a wonderful year. Sure, there have been many challenges along the way, all of which have been overcome, or at least checked off the list!

In January, on my birthday, our beautiful son, Bradley Thomas arrived. He was six days early and obviously eager to get into this exciting world to discover it for himself! Clearly, I have lost my birthday for at least the next fifty years! Although, I cannot now imagine life without our special little man, who has been nothing but an angel right from the beginning! I am still undecided whether my apprenticeship into motherhood has been a challenge. Demanding at times, a little scary too, yet already I have a lifetime of wonderful memories and experiences!

Perhaps the biggest challenge of all was to compile and edit the 2005 Yearbook! In hind sight, I cannot believe I offered to take on this task! It has been one challenge after another! Child birth was difficult, yes, and somewhat of a shock, yet actually tying down a year's worth of articles with accompanying photographs is perhaps unattainable! Time goes too quickly for anyone to find a moment to reflect on what happened yesterday. Our busy lifestyles and ever-demanding occupations fill the precious time that we have! Therefore, I wish to thank everyone who contributed to this magazine. I appreciate those who met the deadlines, wrote well-written articles and took great photos! Those people were a big help through this lengthy process. I can promise you that every article that I received has been published and I am pleased to comment that most events and groups have been covered. If you notice any missing articles, I accept no blame. Perhaps you could make sure your team or group writes something for next year's magazine.

I need to thank Anna Ryder. A truly amazing young person who will, without a doubt, go far in this world! She is responsible for the superb layout. Hundreds of hours of work have gone into these pages! I can only say that I was very lucky that such a talented young woman offered to help me out. Thank you Anna!

Lastly, I want to wish all of our year thirteen students all the very best for next year and beyond. These students started High School the year I began at FV. I have been privileged to be able to watch them grow up into outstanding young people with bright and exciting futures! Good luck to you all!

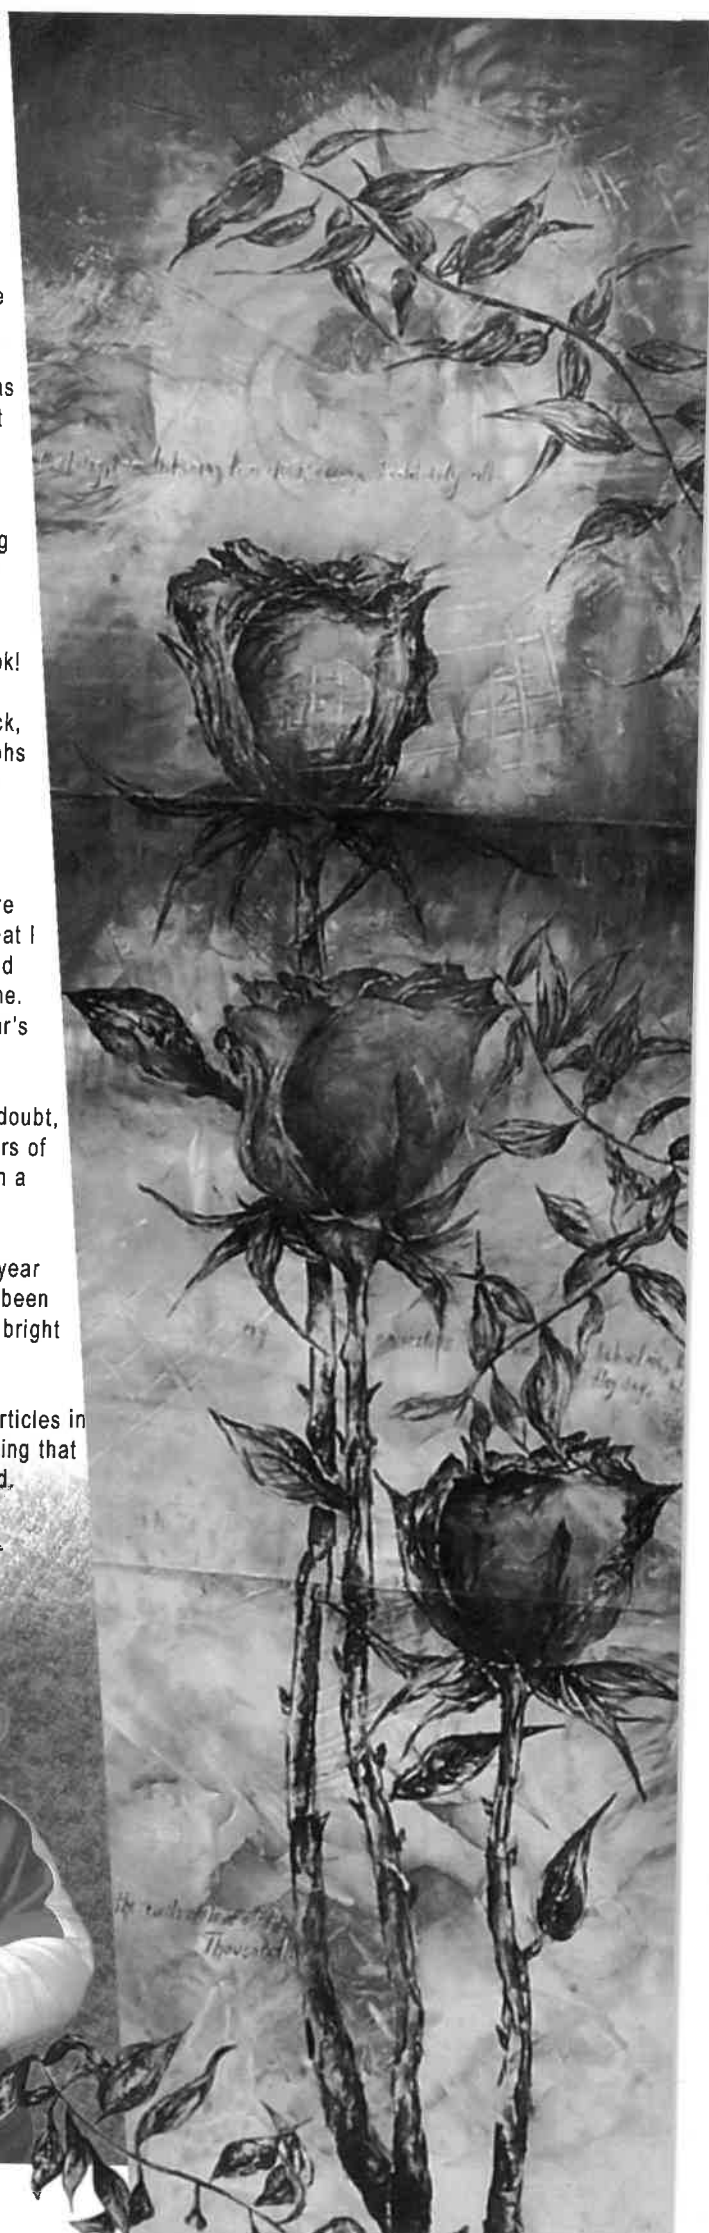

I also need to thank Claire Wilson, who spent time typing, chasing and writing articles in order to fill the gaps! Finally, thank you to Nada Yukich and Mara Blucher for going that extra mile to get missing photos, write articles and help me in anyway they could.

I hope you enjoy reading about the life and journey of the students and teachers of Forest View High School in 2005. There are a couple of new additions to the Yearbook. Hopefully, these insertions meet your approval.

We have a fantastic school, with wonderful students who are supported by caring, hard working, teachers. This is the recipe for some excellent reading! Enjoy!

Susan Hopkins
Mother and Editor 2005
