Principals Report

I am so proud of the association that I have with the students of Forest View High School. I am excited about their state of readiness to excel in the future that beckons. It is indeed a privilege to be the Principal of Tokoroa's Forest View High School.

I thank parents and whānau for entrusting Forest View High School to educate their children. Forest View High School is determined to provide all of our students with a quality education that empowers them to become confident, actively involved, lifelong learners. In reflecting on the 2009 year, I could not help but pause to consider and appreciate the very special community of which we are part. In 2009 Forest View High School has positively and significantly contributed to the further development of what I refer to as the: "go and make it happen- ignore perceived barriers," Tokoroa approach to life.

As a member of the interviewing committee for the Board of Trustees Scholarship and the John Searle Scholarship, I gained a greater appreciation of the positive, affirmative, energetic, culturally assured, approach to life that is evident in most of our Year 13 students. The six students we interviewed were proud of their school, absolutely proud of their town, and were determined to apply the positive qualities and dispositions that they possess, to surmount any uncertainty and doubt that they may encounter in 2010 and beyond. I saw some of these same features in the two FVHS students who joined with thirty six other, high achieving students from other Waikato Secondary schools and were awarded a \$5000 2009 David Johnstone Charitable Trust Scholarship.

These young people show they have become confident, connected, actively involved, lifelong learners. They epitomise the type of school leaver that Forest View High School aspires to produce.

In 2009 we have embraced the challenge of preparing to introduce the 2007 Revised New Zealand Curriculum in to our school, aiming to ensure that our local needs are reflected in the learning that is occurring at our school.

A challenge in implementing this new curriculum is to ensure that the values, principals, vision, and ideals that are within the curriculum are indeed shared, and that they represent what our school community believes is important. This underpins many of the other important educational initiatives that we as a school are implementing to elevate current levels of student achievement.

Student learning and student achievement is the core driver of all that we do at Forest View High School. Our 2008 NCEA achievement not only led all South Waikato Secondary schools, but compared favourably to most NCEA national benchmarks. Forest View High School is one of seventeen schools that was successful in our application to be part of the Waikato University based Te Kotahitanga project. The primary focus of the project is for teachers to adopt strategies which are aimed at raising the academic achievement of Māori students. The data from other schools in the project shows that levels of achievement improve not only for Māori students, but for all ethnic groups, and we look forward to improved levels of achievement in 2010 and beyond.

In 2009 our students also excelled on the sports fields, on the stages of performing arts, and also in participating and excelling in community events.

I particularly want to congratulate our Polinetia Fa'atasi students who have worked tirelessly to achieve their goal of travelling to Australia. They have been, and will be, excellent Forest View High School ambassadors. This experience will expand their possibility thinking and provide them with confidence to pursue unseen horizons. I especially acknowledge the teachers and whānau who have selflessly worked to enable the realisation of this lofty dream.

In 2009 I have been privileged to lead a high quality team of teachers and staff. Collectively this group of people are the significant point of difference that makes Forest View High School the secondary school of choice in our Tokoroa community. I acknowledge their commitment and the genuine desire that they possess to make a difference in the lives of students that attend our school. It is a privilege to work besides so many dedicated professionals who are unrelenting in their desire to improve student learning and raise achievement. I also acknowledge the vision, commitment, leadership, and selfless service of the Forest View High School Board of Trustees. They are a highly competent group of people who have striven, at a governance level, to place Forest View High School on a pathway that seeks continual improvement.

I thank you all - students, board, staff, families -for the efforts that you have made to move our school forward in 2009.

We all look forward to the challenges and opportunities for growth, and improvement, that 2010 offers.

Kia Kaha, Kia Toa , Kia Manawanui (Be strong, be brave, be compassionate). Remember always that courage indeed, knows no defeat.

Congratulations Forest View High School, on another successful year of education and achievements. The school has grown during the year, with both highs and lows experienced throughout 2009 and the Board is pleased with the accomplishments that have been achieved.

During the year, the Board welcomed new member Brian Nicholas. Brian has brought his vast Board experience from Strathmore School to assist us with governance issues at Forest View.

The school has been working hard to prepare for the introduction of the new curriculum next year and has also continued its focus of professional learning groups for staff; ensuring our students are given the best possible opportunities for learning.

The BOT Property Committee was busy this past year and staff and students have enjoyed improvements to the toilet area in A block and the canteen. The extended space and improved equipment in the canteen has ensured our students continue to have access to healthy, nutritious food options to assist with learning.

The BOT is also currently working with a contractor on the upgrading and

reorganization of B block. Hopefully this work will be carried out over the summer break, so we can return in 2010 to some exciting changes. We are looking forward to supporting staff in the Introduction of Te Kotahitanga in 2010. This is an exciting initiative for the school and gives us the opportunity to improve learning outcomes for all our students. Staff will begin training for this programme in early 2010.

This is the final full year for our current Board of Trustees, as elections will be held in April 2010. I wish to thank them all for the hard work they have done over the three year term. It is an exciting role and satisfying to be able to play a part in the education and future of our students at Forest View High School.

Our school is committed to providing a learning environment that continues to inspire students to reach their potential and I thank all who have been involved in the success of our students in 2009.

Have a restful and safe festive season and I look forward to welcoming you back to Forest View High School in 2010.

Heather Rydon

Mayor Neil Sinclair with Morgan Pouau and Caitlyn Whitford

Maori Achievement

- Towards the end of 2008 the Forest View High School Māori Achievement Committee made a decision which was a significant change. The school traditionally held an end of year event to recognise and celebrate broad areas of Māori student achievement, such as academia, excellence in attendance, sport, culture, and leadership.
- The academic focus of The Māori Education Strategy 2008-2012, Ka Hikitia challenged the committee to critically reflect on whether it was time to change the focus and the timing of the Māori Achievement celebration evening, and place a stronger focus on academic learning and the raising Māori academic achievement. The committee recognised that previous areas of recognition were important, but felt that existing school celebration events held towards the end of the year already acknowledged high Māori student performance in these areas. The committee also felt that moving the event to the beginning of the year increased its capacity to influence current Māori student performance.
- After consulting with Mr Colin Tawhi, school kaumatua, and securing his support for the proposal, the committee remodelled the event for 2009. The criteria for recognition at the junior level were based on the school's Junior Certificate of Educational Achievement (JCEA, introduced in 2008, and at the senior level, the National Certificate of Educational Achievement. To be acknowledged were those who achieved at Merit and Excellence level in either JCEA or NCEA, and those who, in NCEA, exceeded the required number of credits by at least 25%. The deans were invited to identify a small number of other students, who had not reached these criteria but had worked with extreme diligence to achieve beyond expectations.
- This process identified 45 Māori students out of a school roll of 380 Māori students who would be recognised at the evening.
- Unsure of student and whānau support for the remodelled event, the school library was initially selected as the venue. However, this had to be moved to the school auditorium as acceptances from whānau to the personal written invitations indicated that at least 150 people would be attending. On the evening, over 200 people attended.
- The committee made a key decision that to a large extent accounted for the overwhelming responses that they were receiving. This decision was to recognise not only the student, but also their iwi affiliations. It resulted in whānau responding to the school request to confirm the iwi that they wanted to be acknowledged with their son or daughter at the evening.
- Previous student Newton Thompson, a recent graduate from the University of Otago, delivered a highly entertaining and relevant message as the guest speaker. Waiata and impromptu haka by other previous students contributed to his message that ***"as Māori there are no limits on what we as a people could achieve in the academic world."***
- Principal Richard Crawford commented that "the positive whānau and student feedback seem to indicate that the changes for 2009 have been positively embraced and over time the school will seek to imbed the event in to the culture of the school, to support our school community meet the ethos and the academic targets of Ka Hikitia."

Head Students

The year of 2009. Fun, challenge, tears and laughter. This sums up my year, pretty good. There's been so many good memories and friendships forged, it's difficult to find where to start. The beginning would be smart, there's too much to say.

The year has gone so fast, with lots to do, new things to try and papers to finish. We've had many last; Athletics, Cross country, production, Stage Challenge, assemblies, socials and the ball, all as tear jerking as the last, almost.

Being Head girl was oodles of fun and I learnt many things about my fellow head students:

John does **not** have 365 pairs of shoes, one for each day, he just has style.

Sean has an obvious tendency toward the male species.

Hannah was meant to be a male, so she could be head boy.

These three helped me to keep sane at the worst of times, by cracking jokes at 'inappropriate' times.

Thanks guys.

I also learnt to appreciate my teachers for all the support they gave me (I can hear them sighing of relief now). Special thanks to:

Miss Hack - For her patience and tolerance of my random appearances in and out of tutor.

Mrs Summerville - for her grin and bear it technique (thank you).

Mrs McGovern - For being the mother hen of our lake.

Mrs Priscott - for her stern word and tall personality.

Mr Crawford - for his wise words of wisdom, for this I'll never forget the RAP Values sir, ever.

Goodbye to the AHc, the A team and Arapuni, you guys are the best 4th place winners. A huge goodbye to all the year 13's, I'll miss you, especially 'the gang' (aka John, Ellen, Hannah, Jess, Simon, Craig, Ayden, Jordan, Sean and big Steve). You guys are awesome, keeping me level headed and stopping me from making a scene. It's been a sweet deal knowing you, I'll miss you long time.

Good luck to next years head boy and girl; Kelly and John (Bright not Mutambu). I wish you both the best and hope you enjoy your last year as much as we have.

To everyone else, good luck in all your endeavours, remember "*step up or step out*". I'll see you in 2010 for my second year of 7th form . . . **NOT!!!!**

Year 12 Camp

YEAR 12 CAMP

Day 1

On April 6th the time had come for the year 12's to venture off to the big exciting city of Auckland for the 4 day camp. Everyone managed to get themselves and their gear packed onto the bus ready for the long bus ride ahead. After surviving a few near misses with other cars, the first thing on the list of fun and adventure was Auckland Zoo where we were let loose from the teachers, to run wild. The zoo made for good amusement for long enough to stretch out and have a walk around before piling back onto the bus for what was next up; the pools. The wave pools made for a good chance to cool off from the hot day outside and no doubt for all the guys to check out the "inside scenery"...! and if you were daring enough people would take a jump from the diving boards. When we were done we all loaded back onto the buses and minivan to head off to Mission Bay for fish and chips on the beach. There were a few local people there having a kick around with a soccer ball and some of us decided to join in and make a game out of it. The late afternoon came quickly and we finally left to where we were staying to have an early night and settle in.

Day 2

After getting a rude awakening to do our delegated jobs, we eventually got up and ate breakfast just before we headed off to our career options (in school uniform even!) Some of us went to University, some to Hairdressing and a small group went to Sir George Seymour. At Sir George Seymour we went to the Auckland campus and had a quick tour before going off to the Training Plane situated in a large garage further away from the campus. There we got to experience what it would be like training as a Flight Attendant. We got the opportunity to jump out of the plane onto a large mat which they have to do to train for emergencies. After we experienced the training plane we were went to the airport to do a scavenger hunt where we had a quick muck around in the arcade and even saw a celebrity (former Miss New Zealand/the chick off mtv). We headed back to camp to get ready for the movies and if you were quick at getting ready you could play on the fooseball tables, table tennis and the trampolines outside. We had the choice of several movies and we got into the teenage horror "The Uninvited". After having a late night at the movies everyone needed a good night's sleep before the big day ahead.

Day 3

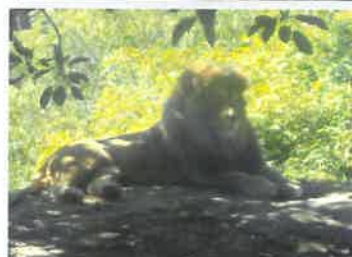

We started the day going to a mystery location given to us by what we had chosen as our interests. Some places that people went to were: Maori Television, Saatchi & Saatchi (advertising place/they do the Tui adverts), the Sky Tower and the Auckland Marine Centre. Once we all had spent an hour or so at the interest places we all headed to the Westfield Shopping Centre, where we got into groups to start our Amazing Race. The race included checkpoints where teachers were waiting such as: the bus stop in town, the Ferry and Kelly Tarltons and we all had to meet up again at the Subway Station to travel back to where the buses were to get back to camp. Some smart people managed to get themselves lost and they were way behind schedule causing Miss Gibbons to wait for the next train. Since it was the last night in the Big City Lights, the teachers were kind enough to let us kids go Ice-skating. The night was going well with no major injuries, up until our AFS student Moni fell down, needing to go to hospital (don't worry, she did recover!). After the buzz of ice-skating slowly died down, the teachers let us go out and get a quick late night bite before heading back to camp.

LAST DAY

Waking up to miserable weather to go to Rainbows End didn't put us off wanting to go out and have fun as most of us didn't mind sitting on the wet seats for the rides. As if it were meant to be, on entry the rain stopped and the sun began to shine! We couldn't spend a lot of time there because of the long ride home but we managed to twist the teachers arm to let us stay a little longer than they wanted. When the teachers finally roped everyone into the arcade they told us that we had to go back onto the bus. It was a long journey home and everyone was secretly waiting to see their parents...

So that was the Year 12 Auckland Trip. Everyone made their own memories I'm sure they will never forget and if we were to describe it in one word, it would be **AWESOME!!!!**

Written by Danielle Te Momo and Tania Wright

Squad Room Blues

Production was a great experience. The 5 years that have been a part production, I have many awesome memories and met lots of people.

Jessica McLennan, year 13

That being a part of production for 4 years have been oodles of fun. Where I got to form lots of friendships.

Shuannie Farr, year 13

"Raged it at production for 4 years. It's awesome, just do it!"

Ellen Chitty, Year 13

I've enjoyed the experience that our annual production has offered. Thanks heaps to all who made it possible. I hope to see future generations on the stage enjoying it just as much as we did . . . and finally I'd like to say . . . YOU'RE WELCOME!!!

John Mutambu, Year 13

PRODUCTION

Squad Room Blues

Over the last 5 years I have danced in production – I have had a whole stack of memories and friendships! Thanks guys you are awesome and production 2010 won't be the same without me! Enjoy production without me!

Hannah Clark, Year 13

As this is my first year it was really awesome for me. It was fun being part of the production and getting new experiences and friends. I hope next years production is as good or even better.

Simon Lemme, Year 9

"Squad Room Blues" had everything from insanity to cross dressing! But best of all – it had fun and camaraderie. Roll on 2010!

Kia Orana tatou katoatoa! Talofa Lava tatou uma!
Warm Pacific Greetings and welcome to our part of the Magazine!

What a whirlwind of a year we have had! 2009's main goal: AUSTRALIAAAAA!!!!

After a successful ending to 2008 with our group winning Best School's Float in the Tokoroa Christmas Parade, we were ready to face the New Year. Bring it on 2009!

What haven't we done? With a strong group of 40 students tutored by Mr Mutua, awesome Teachers and supportive parents, we geared up and quickly got into the island groove of things. Our first goal was to take part in the Waikato Secondary School's Pasifika by Nature Dance Competition, to be held in Hamilton. We spent many tiresome Term One evenings practising, being yelled at, mastering sit-ups, singing til we were blue in the face hahahahahahaha and still having a cool time getting to know one another. This leads us to ... our first sleepover.

We rolled up with our mattresses, (the thick, the high jump mat-like, the thin and the nothing lol @ Bianca) ready to unite as one as we prepared for the competition. Taking part in Samoan and Cook Island language class was how funny, especially when Mr asked for a volunteer to introduce themselves in full Samoan....(shot Michael who didn't listen), "Hi, My name is Mikaele bwahahahahahaha. What about when we were asked to share something new we had learnt about another person in our group...Bianca: "I have learnt that Abel eats too much"! bwahahahahahaha Who could forget our Easter Egg Treasure Hunt? We set off in all directions, North, South, East and West, by foot and by scooter, searching the fields and freshly mown heaped grass for the chocolate gold. Some conquered, some were left egg-less.

And what about the inter-group singing competitions that evening? We extended our vocabulary by using words such as expeditiously and instantaneously in songs. Wow, such talent! But who could forget the dance off between (once again), Abel and his team of Irish River Dancers and Bianca and her Hula Dancing Maidens? Clean sweep for Bianca! (Good times, good times) This leads us to ... the competition.

With our new beautifully sewn costumes, we wowed the Waikato crowd with our top performances of Cook Island Maori, Tokelauan and Samoan dancing. We were amped and ready to hit the stage. Shimpal from Sione's Wedding came into our Dressing Room and filmed us as we warmed up; we gladly put our 'we're gonna be on TV faces' on and smiled for the cameras. We even smiled and spoke politely as we were interviewed by TV One's Tagata Pasifika (Aye Adrian, Matty & Bianca!) hahahahahahahahaha all that effort for nothing, we weren't even shown on TV! Seems to be a reoccurring thing (aye John Rowles!) bwahahahahahaha. Victory was in the grasp of our hands and it was snatched from us! 9 seconds.....just nine seconds that separated us from the winners of the competition. Shot Tok High! All good, we were still proud, and all that hard work in practising leading up to the competition truly paid off. We had our Principal there to support us... meannnnnn. Overall we took home two beautiful trophies: Runners Up and Best Costume! Yeiyaaaaah! This leads us to ... Porirua!

POLINEITIA FA'ATASI

Polineitia Fa'atasi

Back Row: Toka Natua, Tayla Taikato, Jocelyn Paiti, Jerry-Lee Manu, Courtney McCloskey, Courtney Quirke
 3rd Row: Mr T. Potoru (Teacher), Tyrin Stuart, Samuel Brown, Leroy Ramea, Matthew Potoru, Adrian Joe-Barbarich, Kamryn Brown, Patariki Roberts-Takiri, Edwin Sinclair, Corben Brown, Mr P. Barbarich (Teacher)
 2nd Row: Ms S. Potoru (Teacher), Miss S. Livingstone (Teacher), Mrs J. Earnshaw (Teacher), Michael Earnshaw, Sebastian Uerata, Rangikura Ford, Apera Brown, Uma Kaea, Raymond Brown, Mrs T. Potoru (Teacher), Mr A. Matua (Tutor)
 Front Row: Ashleigh Joseph, Allana Joe-Barbarich, Daesha Allan, Sjaan Sikking, Davy Manu, Tay-jana Brown, Kai Aiturai, Della Pohatu-Abrahams, Nathan Gibson-Tunupopo, Jessica McCloskey, Terina Taikoko
 Absent: Sheridan Daniels, Bianca Kiss, Charisse Rudolph

Polineitia Fa'atasi

POLINEITIA FA'ATASI

In Term 3, our whole touring party travelled down to Porirua, Wellington. The purpose: to give us an insight as to what it will be like for us when we travel to Australia at the end of the year and to put on a concert for the people of Porirua, as a means of fundraising for us. We left Tokoroa on a sunny afternoon, after representing the school at the Oe Ceremony on route to the opening of the Pacific Games in Rarotonga. (Who pushed you over Sherri?) bwahahahahahaha

We had only been in Porirua for about 30 minutes when our bus was tagged on. Far out! Shot Mr Clark, good spotting! What an awesome time we had in Porirua. We will never forget the experience; putting on an A+ show, behaving well or else we'll get Mr's eyes, Laser Force (who ran into the wall?) bwahahahahahaha, having lunch together up Mt Victoria (priceless), 3 hour church service (OMG!) hahahahaha, the Uapou (Michael and that Mama with her bowl of money) bwahahaha, good food, good company, mean trip. Big Ups to Porirua College and E.K.K.A Congregation for being the best hosts ever! Love it!

Too many crack up things happened for us this year and we will always treasure these in our memories. Here are some of the highlights of 2009:

Baz's chop from Tyrin on Camera (Aww did you wana talk?) bwahahahahahahahaha

Tyrin's bleeding nose on stage (at least he bowed before he exited aye Tyrin) hehehehehe

John Rowles pulling out of Dancing with the Stars so we weren't on TV bwahahahahahaha

Sheridan and Uma's fiasco at the Old People's Home performance (Who was standing around in their undergarments in front of everyone??) bwahahahahahahahaha

"This is how you wear your red costume boys, to the side, and bend down and look for your green costume, so that everyone can see your undergarments clearly!" Shot Leroy!

Uma dancing with his socks on at the Rest Home gig??? Who does dat? bwahahahahahaha

Partsz' zipper malfunction at the Lions Club gig (Why did that Papaa Mama give you \$5 again?) bwahahahaha

Mrs Ramea's phone ringing in church puweeeeeeeee hahahahahaha

Charisse's stripping partner at the Cosy Club gig (Keep it on! Keep it on!) Grizzly Bear muj!

Hahahahahahahahahahaha

And here comes Fordy for the sasa.....wow what an entrance! Bwahahahahahahaha

All in all, we have had a superb year as Polinetia Fa'atasi, and it's not even over yet, the best is yet to come. We would like to take this opportunity to thank our tutor: Mr Mutua and Teupz, Alfie & Soop who helped to prepare us for the competition, thank you for sharing your love of your culture with us, our Teachers: Mr Mutua, Miss Livingstone, Ms Potoru, Mrs Earnshaw & Mrs Potoru for everything that they do for us; Mr Clark for being the best bus driver anyone could ask for; our Parents who have continuously supported us in everything we do; our group's Steering Committee who are the backbone of our group and organise everything for us, you guys rock hard out! Aunty Rangi Mutua, Mama Nane Lindsey, Aunty Janet Paiti, Aunty Yvette Brown and her awesome Mormon friends who gave up so much of their time to sew and make our beautiful costumes, we are truly blessed, thank you, thank you, thank you; and our School who have allowed us to do the things that we do. Thank you all for believing in us and giving us a chance to shine. To the community of Tokoroa for supporting our fundraising ventures throughout the year, thank you from the bottom of our hearts.

You'll have to wait til 2010's magazine to hear all the stories about our tour to Brisbane and Melbourne, Australia in November of 2009. Man, we can't wait! Cheee-hoooooooooooooooooooo!

Simon Morestin

Hi Everyone

My name is Simon Morestin. I come from France , a beautiful country in Europe. I've been in New Zealand for 8 months now. I came in February 2009 and will leave for home in January 2010. I landed in Auckland airport and stayed in an AFS camp for two days and I was really stressed about meeting my Host Family and going to school because my English was really bad and I couldn't understand anything. After a few months here I had a lot of friends who helped me to improve my English which allowed me to speak English to everyone and meet new people. The past eight months have been the best 8 months I have had in my life so far. I've seen so much

beautiful places, met a lot of people who are very nice and interesting. They helped me adapt to the New Zealand lifestyle and have really taken the time to teach me so many things. I'm talking about my host family, my friends and every person I've met.

I've learnt a lot of things about this country that I didn't know before. I didn't even know what a Maori person looked like before I came. The only Maori thing I had heard about was the haka and that's because I'd seen it during the Rugby World Cup. I've been to a lot of places here. I have been around both the North and South Island and have found that the South Island has better scenery. I have also found that the two islands look completely different and seem like two different countries.

I have gathered many wonderful memories from my stay in NZ. My best and favourite ones are being with my new friends and new family here. I would like to say thank you to everyone who helped me get these memories. I love you all. You guys are great. A special thank you to Jess, Thomas, Ethan and Roman.

Stephanie Kirchmayr

My name is Stephanie and I'm from Switzerland. I've been here in NZ now for three months and I love it! I love my Host Family, enjoy every second with my sister, my Mum and my Nana. I live here in Tokoroa and go to Forest View, which is a really good school. The relationships between the students and the teachers are closer than in Switzerland and I really like to study and learn at this school.

At the beginning I was worried about my English. I was scared that I wouldn't understand the people but after a few weeks it's getting better and now I understand all even the kiwi slang which the teenagers speak. I think school here in NZ is much easier than at home in my country. I'm so happy that school starts at 8.40 because in Switzerland it starts at 7.20 and I'm happy I can sleep in longer in NZ.

NZ is such a beautiful country and I enjoy my time here absolutely. The kiwis are so friendly and outgoing and they help you when you have a problem. During my time here so far I've met so many awesome people. It's such a good experience and it's something that you take with you all your life. I will never forget my time here in NZ and I will never forget my family and friends here. I just love it.

Coralie Baussens

Hello everyone. My name is Coralie and I am an AFS student from France. I live in the southwest near Bordeaux. I have chosen to take time out of school and out of my country to go to New Zealand to learn English and Maori culture and to discover the beauty of NZ. I have chosen this country because it's really far away from my country. It's the other side of the earth! The first time when I arrived, I was really enthusiastic but scared at the same time. I couldn't understand any people and I realized, "I am here for one year, it's really too long!" But, in fact the time has passed very quickly. After two months I was understanding English better. Now after three months, I sometimes miss home because some things are really different eg school. The New Zealand school

looks like my secondary school at home because students are younger. The time in school each day is shorter than in France. Here I don't like to be at school because I don't really like my subjects. In France I very much like my school because it is a Technology school and I like my subjects such as Electricity, Programming, Mechanics, Physics Application. My school is bigger than FVHS and more open. We can leave it at any time when we have a blank line. I live in a city

AFS Intercultural Student Exchanges

Forest View has enjoyed the AFS students hosted this year. In January we welcomed Simon Morestin from France, Samia Cassimiro from Brazil and Monika Isaak from Paraguay. These students added to Lene Flyger from Denmark and Bianca Kiss from Belgium Flanders who had been with us since July 08. It was very sad when Lene, Bianca and Moni had their final day. They had integrated into the school so well and taken part in a range of activities. Bianca had been a member of Polinetia Fa'atasi and performed solo in her final performance. In July we welcomed Stephanie Kirchmayr from Switzerland, Coralie Baussens from France, Filippo Boselli from Italy (for 9 weeks) and Sebastian Anastasiades from Denmark. It was baptism by fire as the students had no sooner arrived than they were taking part in our school production. This is what AFS is all about, expanding one's horizons and taking every new opportunity possible.

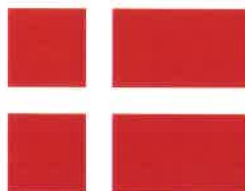

We are very grateful to those families who have opened their homes and hearts to make this year possible for these young people. They have made a dream come true. Thank you so much to the Cotton, Sn Tiro, Mason/Goossens, Jones, Dickson, Smith, Taikato, Boseley, Whitford and McGrath families.

This year Ayden Stevens and Rapotai Samuel returned from Venezuela and Denmark having gained much from their experiences. Three of our students have been successful in selection to go away in 2010. Ca Whitford was one of just 15 students throughout NZ to be selected for a six month experience in Japan with the Ministry of Education's Language Immersion Award. Helen Boseley was selected to go to Netherlands and Ashleigh Totton to Italy.

Samia Cassimiro

Hi, my name is Samia Cassimiro and I come from Brazil. I decided to come to New Zealand since it's a tradition of my family to go out as an exchange student before you go to university, being able to learn another language and meet different cultures. My first days in NZ were pretty weird, everything was new and different for me, I couldn't really understand the New Zealander accent what made me tired most of the first month, having to concentrate in what everyone was saying. Now I love New Zealand I couldn't have chosen a better country, life here is calm and we can enjoy every minute. FVHS is an awesome school with great teachers and staff group, making my school life easy. Having the opportunity of going on trips with friends and learning at the same time is a really cool. I have been in New Zealand for 6 months now and I don't regret anything that I've done, all my friends from Brazil reckon that I've changed so much (hope that all for good), but the best part of all that experience of living in another country is that now I have friends all around the globe what is why I am so grateful to AFS that made all these things possible having the camps where we can meet the other AFS students. Anyone who actually can have the opportunity of going overseas with AFS should do it, I am sure would be the story of your life!

Sebastian Anastasiades

My name is Sebastian P. Anastasiades from Denmark and I am here in New Zealand with AFS as an exchange student. I have chosen to take a year out of my school to go to New Zealand. So I can learn about a new culture – Try a new school system – And make lots of friends. When I first arrived at my school (FVHS) I noticed that it looked nothing like the Danish schools. In Denmark we stay in one classroom and the teacher will come to us instead of us going to them. So we don't have to rush from one classroom to another (the teacher has too). But what I really like about the New Zealand schools is that they are not as strict as schools are in Denmark. You have more "Freedom" and you have a longer interval = there is a lot of interesting subjects such as Woodcarving and Photography. One of the biggest adjustments that I have had to make is that. I have to say miss or sir to the teacher. While in Denmark you just call the teacher by their first name.

New Zealand schools also have a lot of different subjects that students can take. I was most surprised that they teach Woodcarving, Art and Photography. Those subjects would not even be considered subjects in my country.

A thing about Denmark is that most of our teenagers and adults are smokers. And I am a smoker too. That really surprised me when I got to New Zealand that almost none of the people are smokers. But since I am not allowed to smoke over here, I am trying to quit. I was on my first school trip some weeks ago and we went to Auckland. We were supposed to look at the differences between Rich and Poor people. So we were helping out in the Auckland city mission which was a great experience. Some of the things that I have really enjoyed are all the friends that I have made. The time I have had with my family, they have taken me a lot of places so I could see some of New Zealand such as Te Waihou walkway. So far in my stay here in New Zealand, I have learned that I can survive without my parents' help and appreciate new things that I didn't appreciate before.

Agriculture

AGRICULTURE

It has been a very eventful year for the Agriculture Academy students at Forest View. Some students have completed their National Certificate Level 2 and all have found a lot more about farming and its opportunities. Some students also took advantage of the opportunities offered in the Gateway programme. Students were involved in a number of social and training events.

Each year the school organises courses in practical farm skills. Students have learned to ride an ATV and motorbike although the trailer backing caused concerns for some. Tractor driving basic skills have been tackled and students have spent time outside honing their fencing skills ready for the big world. We have watched an autopsy on a calf done by Eddy from South Waikato Veterinary Services.

In April, a group of Agriculture students attended the Dairy3 "Big Day Off" event at The Red Barn, Piarere. This event was organised by DairyNZ for young farmers and those just starting out in the industry. Topics covered include bike maintenance, milk quality, budgeting, career paths and feed budgeting. The day was organised as an interactive event with groups rotated around each activity. During the day, "funny money" was handed out as a reward for involvement and at the close of the day an auction was held. Our students managed to purchase a variety of things including an MP3 player and socket set. It was a great event and well worth participation by those new to farming.

Two groups of students competed in an inter-schools competition at Ngatea and did very well by working together and planning activities.

June saw everyone off early to attend the National Fielddays to experience the wide variety of attractions there. Helping at the DairyPush fielddays provides a variety of learning activities including parking management, ensured handouts are distributed, registered attendees, cooking the BBQ and cleaned up afterwards. Students also gained an insight into the programme and the business side of farming.

A number of students have taken advantage of the opportunities offered through Gateway to either learn farm skills or to gain credit for work they are already gainfully doing out of school.

During the year, we have been lucky to add Mr Priscott to the staff in our classroom. We are also very fortunate to have the support of local farmers and other industry people who volunteer their time, expertise and workplaces to enable us to gain these extra skills. We are very grateful to the Tokoroa Host Lions Club for their on-going support which enables us to do a lot more for our students.

Automotive

Forest View High School has been operating its own Auto Shop since 1997 and is a fully accredited MITO (Motor Industry Training Organization) to deliver all Level One and Two /Unit Standards. We are also NZQA registered.

The workshop is run as a full year's programme giving students the chance to work on a range of engines and cars, and develop skills to gain Unit Standards for the trade.

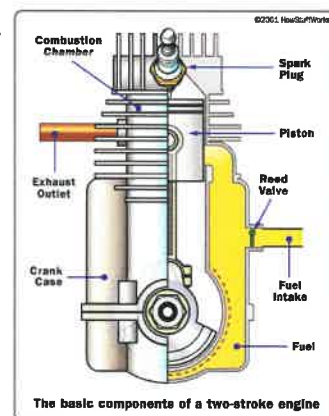

We ran the MITO National Certificate in Foundation Skills Level 1 Start-Up programme that is design to take students through the foundation skills that are requirements required to enter the automotive industry as an apprentice. It enables the students to discover whether they want to go down the road of the automotive apprenticeship or look at different aspects of the industry.

Once the students have completed this section they then carry on to the National Certificate pre-entry to the automotive trade's level 2. This enables them to go into an apprenticeship a lot easier and the time spent in a polytechnic will be reduced due to them gaining these Unit Standards.

The use of the workshop and classroom combination has enabled the students to do their theory as well as practical. This has made the explaining of theory on how engines work or operate a lot easier to teach as well as for them to understand how they work. The class room also makes as a great room for visiting speakers, who come and share about what is required for an apprenticeship, what bosses require from their workers and how their lives have been enriched within the automotive trade.

The Auto Shop is a hive of activity where engines are stripped down, measured and then reassembled. The engine must start and run correctly to gain a pass Students are taught the history of the motorcar, and the changes that have taken place over the years.

They are also given instruction into the different opportunities within the Arm Services; Army – Navy – Air force.

Safety in the Automotive Industry is an important part of the delivery of this subject where the students will have to complete one of the unit standards in a retail operating commercial automotive workshop.

The activities undertaken in the auto shop enables the students to experience working with hand tools and equipment use in this trade.

We have a number of cars that come from the public and the staff so that students can carry out different work on their cars. The types of work are: Oil changes, Tune-ups, Remove cylinder heads, and engines all under a qualified Automotive 'A' grade Tutor. They are also taught about customer care as well as care towards their cars and property.

The Automotive Industry is developing at a fast rate through the advancements in Technology, so the opportunities for specialized fields are many. This involves; **Electronics**-GPS, Radar, Tracking systems; **Computers**-Engine management, security, programming of engine systems; **Design**-developing cars of the future; **Engine Reconditioning and development** – racing cars, super stocks, marine just to name a few of the ever expanding industry..

The aim of the Auto Shop is to produce young students of both sexes to become top quality Automotive Mechanics, and Engineers whether it is in the fields of: Auto Machining, Panel beating, Car Grooming, Heavy Engineer, Tyre Fitter, Engine Reconditioner, Motor Cycle/Bike or Light Auto Mechanics.

Careers

This has been a busy year for the Careers Department as we continue to implement our CPaBL Career Education Plan that we developed last year.

As well as our 'in class' Careers education, the Year 12s visited Careers areas on their trip to Auckland and also went to Rotorua to the Careers Expo.

Careers Rapuara came to our school and spent the day delivering careers programme to our Maori students and also sent a rep to the Pacific Island fono to help PI parents with the careers service website.

During the year we have had reps from the various polytechs, unis and forces come to talk to our students. As part of subject selection for next year we held a Careers Evening here in August and this was attended by our local Polytechs, Universities, Forces and ITOs. This was a great success and the tertiary providers were very impressed by the number of students and parents who turned up to get help and information.

Thank you to the Deans, assistant Deans, Senior Management & all of those who have been involved in delivering Careers education this year.

Gateway

This year 40 students at FVHS were involved in Gateway in the following areas – health studies, engineering, plumbing, carpentry, animal care, farming, teaching, forestry, beauty therapy, automotive, hairdressing, computing, hospitality, tourism and retail.

Students gained work experience, vocational credits and their first aid certificates as well as having the opportunity to explore their workplace first hand and make informed choices for their futures.

Thank you to the South Waikato community who took our students on placement and to Cath O'Connell our Gateway co-ordinator .

CAREER / GATEWAY

Vince Ford's in town ...

On Tuesday 12th May, we had the wonderful privilege of hosting NZ writer, Vince Ford, who facilitated an afternoon workshop for our gifted and talented students and student librarians. Vince has written 9 young adult fiction books and is currently a finalist in the senior fiction section for the NZ Post Book Awards for his novel "Scorched Bone," Book 1 of the trilogy called Chronicles of Stone.

Vince was an entertaining speaker and shared his personal journey, writing tips and some of the extensive research required to write the Chronicles of Stone trilogy which was set over 10,000 years ago. In one of my e-mail correspondence with Vince he writes... *"If there is a field nearby I might use it to demonstrate some spear throwers - technology central to my latest Ice age series."* The field wasn't the problem, the rain was, but we headed out anyway and Vince demonstrated spear throwing. It was awesome and helped bring the excerpts he read from the trilogy to life.

Oriental Wishes

This year's theme was Oriental wishes, a new take on a Japanese festival. The Pacific Island hall was beautifully decorated thanks to our dedicated Ball Committee. Everyone arrived in their exquisite rides, dressed impeccably. The night went without a hitch, everyone was drunk on the . . . festive atmosphere. A big thanks to Mrs Gibbons for making our night a memorable one.

Roman Marsters

TERM 1

We welcomed Ms Davies and Mrs Bonnar to the 'Blue Crew'.

Our new year 9's arrived nervous, keen and excited – they quickly settled in with the help of our Seniors from years 12 and 13. I'm sure we all remember the 'news paper fashion parade' when Mr Shortland strutted his stuff!!!

Year 13 camp gave our senior Arapuni Students a chance to work together to set goals, and explore leadership potential. A great opportunity for challenge, fun and forging friendships. The Burma trail was a real highlight.

Athletics Day gave Arapuni Students chance to showcase their talent, not only on the track but also in the various ways our Arapuni-ites wore their blue with pride. Special thanks to Mrs Swanson for her yummy blue cakes and our blue tent. Well done especially to Jessica Chitty, Jessie Middlemiss and Roman Marsters on their placings. Our year 12 students had an awesome time on their trip to Auckland, making the most of their retail opportunities !!!

TERM 2

We started Term 2 with our Lake Day which went well despite the poor weather. Our leaders put together an amazing array of food which went down really well. Especially those yummy deep fried Mars Bars.

On the sporting front we did especially well in Junior Girls Cross Country with Jessie and holly Middlemiss taking out 1st and 2nd places.

Swimming sports saw Tayjana, kamryn and Corben Brown show us their swimming talent – all of them placed!!!

Many Arapuni Students took part in the Waitara Sports Exchange and can be proud of their sporting performances.

At the end of June school uniform was switched for smart suits and beautiful Ball Gowns – our Senior Students were stunning.

TERM 3

Several of our students were involved in production and were fantastic. A chance to showcase those singing, dancing and acting talents.

After production things settled down and work towards the exams in September began in earnest. These exams were a timely reminder of where everyone was at and what needed to be done in order to be successful at the end of the year.

TERM 4

The beginning of the end for the year 13's – lots of 'lasts' –last start of term, last assemblies, last prizegivings.....

The end of the line for our Year 13 Students time to say goodbye to these wonderful young ladies and gentlemen who have made it: Ellen Chitty, Shaunnie Farr, Jess McLennan, Shyanne Day, Ashton Townsend, Emma Wright, Koryn-Leigh Wall, John Mutambu, Jordan Wood, Craig O'Donoghue, Bevan Simpson.

Well done guys – you have been a fantastic group of year 13's thank you all for everything you have done for our Lake. You can proudly step into the Arapuni history books. Good luck for the future and keep in touch and don't forget us.

Study, study, study it will be worth it in the end. Best wishes to all those who have exams and to those who are leaving us we wish you every success in the future.

Thanks to all our wonderful Tutors, Support Staff, Leaders and Students. Have a safe and enjoyable festive season and lets make 2010 an another amazing year.

Year 13 Arapuni

Once upon a time ... in a far away land there lived a crack team of superheroes dressed in blue spandex. Around the world they were known as "THE A TEAM". Each member had their own special superpower, combining their eleven strengths to create a lethal squad that let nothing stand in their way. Even Ninjas.

Wide Load (Jessica) had the ability to bounce into the atmosphere on her large backside proving deadly to anyone underneath her when she landed.

Style (John) had the ability to dazzle unsuspecting villains with his impeccable taste in footwear.

The Deadly Cheese (Craig) used his strength and accuracy to knock out his enemies by throwing blocks of cheese. When the price was too high, he stayed home.

Token (Jordan) had the ability to turn invisible at night.

Nyphodora (Shyanne) used her super strength to drag male victims into nearby shrubbery, where they emerged days later suffering memory loss.

She-Stig (Shaunnie) could use her power of flawless driving ability to squash enemies with her hot side-kick, **Green Betty**.

Sexy Exchange Student (Tequila or Bianca) caused peoples hearts to explode by flaunting her really, really ridiculous good looks.

Captain PMS (Bevan) created earthquakes with his enormous temper tantrums.

Green Betty (Emma) poisoned her enemies with her lethal remedies (such as rosemary and thyme. Oh, and mint).

Hypnolia (Ashton) had a super power of hypnotism that she used to put on victims in a trance and brainwash to do her will.

Breakin' Ballerina (Ellen) could melt peoples minds with her funky moves.

This year "THE A TEAM" has been amazing, we've been having fun and coming to our opposite first day. Big thumbs up to the Head Honcho (go Mrs. McGovern) and the Half Honcho Mr. Hill). We love you guys!

By Breakin' Ballerina, Wide Load & She-Stig.

Lake Leaders Report:

Being Lake Leaders of MARAETAI this year has been like a box of chocolates. Yes, just like Forest, we never knew what was going to come next. It has been a great experience for us and we have been proud leaders of the prestigious 'red' Lake Maraetai. Our year started off extremely well with us winning Athletic Sports for the 5th year in a row! We continued with our high participation rate and great enthusiasm to come 2nd overall in both Cross Country and Swimming Sports. Our lake spirit helped us run a successful lake day. We demonstrated our extreme 'mac and cheese' cooking skills, raising money for our lake fund and end of year barbeque. We would like to thank everyone in our lake for helping us out and making the year easier and enjoyable for us. We wish the Year 13 students well, and good luck to the 2010 Lake Leaders. Our challenge to our peers is to keep representing Maraetai wherever you go.

Whai's Thoughts:

This past year has been filled with all sorts of opportunities. One of the highlights was of course being a Lake Leader for the best lake, Maraetai. From the time I started at Forest View I remember seeing the Lake Leaders and wanting to be just like them. To me they were like super stars, wearing their cool RED t-shirts. I am proud to say my dream came true and this year I have been privileged to be able to do the same. We have had an awesome set of Lake Leaders this year and we worked as a team throughout athletics and swimming sports, cross country and lake day. We have also run Lake Council meetings and assemblies. It has been our mission to encourage students to boost our

lake points, and while it has been fun, we have also gained skills that will be valuable wherever our futures take us. We would not have been able to do this without help and would like to thank our great tutor teachers for their encouragement and support. Special thanks to Miss Potoru, Assistant Dean who has been our backbone and worked hard to keep us in order. Last but not least I would like to thank our Dean, Mrs Toy, who has steered our lake forward and kept everything together throughout the year.

Tutor Comments:

MDu - We are an awesome tutor group. We are always participating in inter-lake and school activities, coming out on top! This is only achieved because of the great sense of togetherness, fun and the wide variety of skills that our tutor possesses. It has been an awesome year! Thanks MDu for being the best tutor group a new teacher could wish for. You're the best!

MKI - This year was full of ups and downs for our tutor. We had more Year 13 students than ever before: Racqual, Zane and Ngari. We welcomed our newcomers as Year 9's and some Year 10's. We also had some of our students leaving. Despite the changes and attitudes at times, we have had a solid year. Inarguably, we won the inter-tutor volleyball. We have contributed strongly and been ably represented and recognised in a variety of activities. All the best to our year 13's and we will see the rest of you back in 2010!

MMg - Wow, hasn't Maraetai had fun this year and done well! MMg's tutor has been so cool... What great seniors we have who cared for and looked after our juniors. Chelsea has done a brilliant job reading the notices, we get to hear everything! The boys have become Hokioi (hawks) at playing cards and yes, it has been great to come back and say a karakia each morning. It is great to say something nice to someone and send out positive vibes. Go Maraetai and make sure you don't get anything in your left eye, lol. Have a safe Christmas break.

MPs: - 'GASP' What can we say about MPs! Well, it is not your average tutor, some of us have been here for four or five years and not much has changed. Miss P likes to keep us all in line – you know like a mother to a child.

We enter tutor and get together in our social groups, but as one we are MPs

We argue about the notices, sharing our food and who should push the chair in

But as one we are MPs

We laugh, yell and share the news that whispers in the school grounds

But as one we are MPs

We take Miss Potoru's growling, reminders and stern looks

But as one we are MPs

We have different attitudes and perspectives to learning, and understanding of how we should behave at school, but at the end of the day we know which tutor we belong to. As one we will always be MPs

MARAETAI

'Soar Like An Eagle'

MMn/MLa – Throughout the year I have to say the best times have been during tutor. As junior students we have been welcomed with open arms and treated like family. Our tutor has genuine students with outstanding ability in many areas. We have strived to be the best, especially at volleyball. Our shared lunches have been great as a reward. In our tutor we treat each other how we would like to be treated and we have all had a great year.

MTa – A big thanks to the students of MTa for a good year. 'Yes,' ko tureiti koe, (you know who you are.) Thanks to my senior students who have been positive role-models for our junior students. For many of you 2009 has been a challenging yet meaningful time at Forest View. All the best Turoa, Kaalee, Whai, Hannah. May you achieve your goals in 2010. Ma te Atua e manakii ki a Koutou kotoa.

A big thanks to Mrs Toy for all her hard work and time in helping Maraetai to continue to 'Soar Like An Eagle.' 'Too much' Miss Potoru, Kia Orana.

From the Whanau.

M is for the munchies we tried to have this year

T is for 'too much Tawha you were not even there

A is for the 'aye' in cake you know it's still da bomb

BUT most of all, remember this 'TE WHANAU, Tu Toa.

MTs – Yodigidi yoyoyo!

We be up in hur cause we MTs, we come from Maraetai, not ma left eye. M to the T to the S is where we be, come kick it if you wanna be just like me.

B to the E to the S to the T, yeh you know we be the best at everything! MTs.

Assistant Dean's Report:

Kia Orana, Talofa, Bula Vi Naka, Konichiwa and Kia Ora. 2009 has been an awesome year for Maraetai, and in all of our areas of learning many spectacular achievements have been made by students within our lake.

To our Lake Leaders, Whai, Chlesea, Indira and Morgan, thankyou for all of your hard work and dedication. Whai, all the best for next year and good luck for your future. To Chelsea, Indira and Morgan, one more year! Make it one where you involve yourselves in all areas that will help you to grow and flourish as a person.

To our tutor teachers and support staff, thankyou for your commitment and the support you offer the Tamariki in our lake. I know they appreciate your support and would agree that Maraetai staff are 'too much.' I would like to acknowledge and thank the Lake Council, Lake Leaders and staff who contributed to our awesome Lake Day which was very successful. Thanks to the cooks who helped before and during the day.

To all of the students of Maraetai, keep on keeping on. Always aim for the best, and never let failure become a barrier. Turn it into a learning experience. Last but never least, thank you to our Dean for guiding me and teaching me the ropes in my role of Assistant Dean. Your support and patience has been appreciated.

Shenell Potoru

Dean's Report:

'A problem shared is a problem halved.' Once again I have been very fortunate to have had the support of a very dedicated and enthusiastic team of colleagues. Thanks to our Maraetai tutors and support staff who have worked tirelessly throughout the year to encourage our students and foster within them a desire for life long learning. Special thanks to Miss Potoru who bravely stepped into the role of Assistant Dean at the beginning of the year. It has been great to see her take ownership of it and try new initiatives with the Lake Council and Lake Leaders.

Our Maraetai whanau has had a very busy year. In proud tradition we kick started the year by winning the Athletic Sports for the fifth time in a row. We also did very well in the Swimming Sports and Cross Country events. Our students have continued to represent us successfully and proudly in a wide variety of events throughout the year. It is great to see them taking advantage of the many opportunities that our school and community offer. Many Maraetai students have positively participated in sports, academic and cultural teams, groups and events, as well as individual pursuits. It is always a pleasure to witness their growth and success. I would like to congratulate these students for embracing the RAP values and encourage others to give new things a go.

Our year 13 students and some Year 12's have been working hard to prepare themselves for life after school. Some of them are going on to further education and some will be starting new jobs. I hope that the skills they have developed, knowledge they have acquired and people they have met at Forest View stand them in good stead. Remember to stand tall and be proud to represent your whanau and community. Best wishes and good luck for whatever your future may hold. I look forward to hearing about your future progress and success.

"Waiho i te toipoto, kaua i te toiroa"

"Let us keep close together, not wide apart"

MARAETAI

Ohakuri

Camp at Totara Springs was a highlight for many of the students. The focus was on leadership and problem solving as a team. Putting up a tent blind folded presented a few challenges especially for the mainly boys' team. The Ohakuri group were a great group to have away. Whether the goals set for the year at camp have been met – well that's another story!!

The 2009 Interlake Competition began with Athletics sports. 'Green for Go' was shown by all those who came dressed in creative green outfits etc. There were a number of excellent individual results. Senior: Boys 1st R Breuer; Girls 3rd H Clark; Intermediate: Boys 1st D Trueman, Runners-up T Duncan, R Ball; Girls 3rd = N More, L Clark, T Keith Matchitt; Nadine and Richard went on to the Waikato Champs.

The Swimming Sports showed a positive team effort to win the Interlake competition and a number of great personal performances. Senior: Girls 1st H Clark; Boys 2nd K Keith-Matchitt; Intermediate: Girls 1st = L Clark, T Keith-Matchitt; Boys 1st T Duncan; Junior Boys 3rd J Jackson. Cross Country – again a number of great efforts to help us win the overall event. Intermediate girls. Senior: Girls 2nd H Clark; Intermediate: Boys 1st R Ball, 2nd N Flutey; 3rd D Steed; Girls 2nd T Keith-Matchitt; 3rd J Jackson.

A number of our students have been very successful in their chosen sports. Baldy Noho National Touch Tournament team; S Henderson BOP and Rangers U15 Touch; D Steed and N Flutey Cycling and Mountain Biking; C Tereu Rep Rugby League; R Toka Rep Rugby; H Clark, Netball Coaching; E Haare Rep Netball; Zac Amohia Hockey BOP Un 16 Reps. FVHS Leadership in Sport and the National Mutual Trophy H Clark.

We have a number of very talented young people within the Lake. M Stratton was a member of the Barbershop Quartet which reached the National Finals; R Grant and D Trueman were members of the Rockquest band; C McCloskey was an MC for the Pasifika Achievement evening;

33 students were invited to a morning tea with the Principal which was recognition of their excellent Mid-Year reports. Of special note was Hannah Clark and Amy-Leigh Christie who had received invitations for each of their years at our school.

I would like to thank Mr Bannister for all the work he has put in as Assistant Dean, my wonderful Tutors, Lake Leaders, Support Staff and all those students who have shown respect, aimed to achieve their best and participated in FVHS opportunities. I'd like to wish all the Year 13's and all other students leaving best wishes for the next stage in their lifelong learning journey. Remember to be proud of who you are and where you came from. 'Always aim high and be the best you can be'.

What is the Whakamaru Lake? It is the people in it! We love to have fun together and we are proud to be part of the Lake! Winning the trophy isn't everything but it does drive us to strive for the best possible participation we can! We respect each others differences and similarities and we aim to achieve. Values are what we value!

Our solid gold citizens, nominated by their Tutors, exemplify the schools RAP values and we are proud to have these students leading the way in our Lake. Our Leaders have worked tirelessly this year and I would like to thank them for showing the way. I would also like to thank Mr Mutua for just being him - the perfect exempla of RAP! To all the tutors and staff in Whakamaru, our students couldn't hope for better role models – thank you.

Whakamaru Year 13

John Albert – “The best thing about being at FVHS has been being a senior.”

Arianna Ashworth – “I have a lot of great memories at FVHS, its been a great 5 years. Scared to be leaving, but I was privileged enough to have great teachers and good role models. I will remember my years here always.”

Harley John – “The funniest memory I can think of is when I ran and head butted Uma at the year 10 Pacific Island Sexuality thing. Uma = Coconut head! Good Times!”

Neta Mataiti – Getting to know the staff as friends instead of teachers.”

Geno Milnes- “I have overcome many challenges and grown in confidence here and my most enjoyable moments were winning the inter-tutor trophy 2 years in a row.

Toka Natua – “FVHS has been all about taking a chance, its better that you tried something and didn't like it, than wished all your life that you had given it a go.”

Seri Teina – “I will remember the common room and the free periods!”

Chris Totton – “The friendly life where everyone is noticed and people say ‘Hi’.”

Hannah Winikerei - “My best memory of high school was the day I found out Mrs Yukich was my Dean, haha, because she is the best.”

Atapo Tahere – “The best time I have had here at FVHS was when the year 13 tourism class went on our school trip, HOW MEAN!!!!”

Ayden Stevens – “My favourite part about my 5 years at FVHS was being in the 7th form. We had a lot of freedom and even our own room.”

Lake leader write ups

Ethan

Being a lake leader for Whakamaru (the best lake) has been a great position to have within the school. I would like to say that being a lake leader has been really hard work but with the help of three other dedicated leaders, Mrs Yukich and especially Mr Mutua, it has made this year challenging but still a lot of fun. From reping Kowhai on athletics day, dressing up so much that you can barely tell who people are to helping out with interlake competition like tug-of-war. Mrs Yukich even promised me that she would have a go at tug-of-war.... I hope she keeps her promises to next years lake leaders! Just jokes. You have been the best Dean, Thanks!!

Ashleigh

Being a lake leader for Whakamaru has been one of the best opportunities ive had so far. Im proud to say that I have been one of four student leaders of what I believe to be the best lake this school has. I'd like to thank everybody who has made this opportunity possible for me, also Mr Mutua for all his help and organisation towards our lake, you definitely made this year more enjoyable. For me the best part of this year has been having responsibility towards something important to me, and being part of such a great team.

Toka

“Vote for me” was how our speeches ended. We waited nervously. We were all privileged to get this leading role. The feeling of getting this role was a feeling like no other. It surely put a smile on our dial. Being a Lake leader helps you not only build your confidence but gain new friends and become more of a positive person. Organising different activities was an awesome challenge. It helped us realise the differences in people. Having the students enjoy our activities is an awesome feeling, especially when you know you have worked hard for it. Everyone should have a go at this Lake leader role because Whakamaru is a Lake that you can be proud of. Thanks to Mrs Yukich and Mr Mutua for always being understanding and supportive. Without you 2 our year wouldn't have been filled with enjoyment.

Assistant Dean's comment

2009 has been a busy year for Whakamaru! With the help of my boss, Mrs Yukich and our four awesome Lake Leaders: Eth, Tox, Ash and Charisse, we have made 2009 another great year for Whakamaru.

Kick starting the Lake Days this year, we painted the school 'YeLLoW' in preparation for our Lake Day. We were glad that our balloons lasted "all five minutes", as long as there was a sense of 'YeLLoW' pride! Thanks to all our wonderful bakers, cooks and supporting families, we had a plethora of food to sell; up for sale: chicken burgers, sausage sizzles, chop suey and rice, steak sandwiches, pineapple pies, cheese-cakes, and oodles of muffins; not forgetting our helium balloons which quickly became a fashionable hair accessory.

Our lunchtime concert saw members of staff and students showcase their talents as dancers, or in some cases, dust off their dancing shoes with our 'Dancing with the Stars' show. Who could forget their entrances, costumes, and moves? Ray and thugged-out Mrs Priscott's rendition of Krumping was a show-stopper; Mr Tawha and Ellen's musical dance routine showed off Mr Tawha's quick feet CHE-HOOO; Mr Shortland and Allana's hula item wowed the crowd especially with his chant; John and Senior A Netball representative Hannah's tango, displayed true talent; but the show belonged to First XV representative Tuari and his dancing partner Nadine who graced the stage with an awesome rhumba, too good alright! All in all, it was an awesome day enjoyed by everyone.

Our Inter-tutor competitions saw true team spirit and pride from the various tutor groups. Successful tutors in each competition this year were:

Contributions to Lake Day: 1st: WGr 2nd: WMt 3rd: WEs

Tag: 1st: WMt 2nd: WWf 3rd: WMd, WTm, WLi, WGr

Multi Sports: 1st: WMd 2nd: WWf 3rd: WMt

Tug-o-War: 1st: WEs 2nd: WMd 3rd: WMt

The overall winning Tutor for 2009: WMt (Shot my tutor!!) HAHAAHAHA

It has been a pleasure to work alongside many of our Year 13's and I wish them well as they take this next path of their lives. To the die-hards of our Lake Council who carried on the work for our Lake, a huge "Meitaki Maata" as we say in the Cook Islands; thank you for your dedication and perseverance, mad love for ya'll! To the no-shows, pick ya'll game up!! LOL

Thank you to the teaching staff, support staff and tutors of Whakamaru for making 2009 a great year for us all! To our boss Yukie who is a great leader – HIGH FIVE man! To our Lake Leaders – good times, good times! Continue being the leaders you are, you have done us all proud this year – true to the yellow aye! LOL. To next years Lake Leaders, I look forward to working with you!

2009 brought out some interesting moments for the 1st XI Girls Cricket squad...

Taupo-Nui-A-Tia bowlers are allowed three bounces and are still allowed to class that as a fair ball and bowl one of our girls out. *How that works I don't know.*

Mariah is a great batswoman! *Even though she thinks she's not!*

Jessica is lazy and sits down in the outfield. *However, she moved slightly when a ball rolled past her!*

Hannah got her first four ever! *That led onto being her highest score of 20 something! With multiple fours!*

Morgan hates bowling and would much rather bat! *Good thing she can bat well!*

Chanel apparently plays cricket. *She got a rep badge for a team she doesn't even play for...how does that work!?!?*

Acacia and Teahlie are the best supporters ever! *Acacia doesn't play cricket!*

Erika shouldn't bowl! – *Ever again!*

Hazel just stands and smashes the fours. *No sixes – but a fair few fours.*

Laura hates bowling, batting and wicket keeping. *And somehow she's good at all of them?*

Chrae likes catching people out! *And chasing the ball all over the field – even with an injured ankle. SORRY CHRAE!*

Sisters should never be in a team together. *Letitia and Tayla Taikato, and Laura and Hannah Clark! There was a constant battle of the egos and sisterly clashes!*

We had a fun season and ended up losing one game (I think) and that was to the locally ranked St Peters side. However – in our defence it rained a whole stack and for most girls it was only their second or third game of cricket ever so I think we did well! A lot of good stuff came from that game and a whole stack of laughs! Which was awesome - we didn't lose to them by that much but we learnt heaps and had an awesome road trip! We had organised a game against a touring Aussie team – but they were too scared to face us as they had heard how amazing we are! So they didn't even get on their plane and stayed in Australia. (=

A huge shout out and thank you to our head coach and newly appointed new coach! You guys are awesome and we couldn't have played cricket if it wasn't for you two. I know you'll miss me next year but do try to enjoy coaching the girls when I'm gone! (= Thanks heaps again for everything! To all the friends and family the braved our fantastic-ness – thank you heaps for your constant support and cheers from the sideline – even if we were getting it handed to us on a plate! It was much appreciated!

SORRY IF I MISSED ANYTHING!! BLAME JESSICA FOR THAT (=

Have an awesome season next year guys and go hard!!

Hannah Clark (departing captain 09)

Forest View Junior A Netball team had a very successful season this year. We've had very good competition we came very close with our own Junior B team. We had a couple of loses this year, but also with very rewarding wins. In the overall competition this year we took out the B grade.

This year we couldn't have done it without our coach Ngaire Taikato. Our lovely manager Rebecca Smith and our courtside managers Shirley and Antz Haare that would kick our asses if we needed it. We couldn't have done it without you guys.

A special thanks to the girls, you guys were awesome. It all paid off. When we took out the B-grade. Nice work guys and I hope to see you all playing next year.

Royal Netball Team

Our season this year wasn't very good nor was it bad. We did lose quite a few games but even so we still held our heads high, let it get us down. Unfortunately our coach left us in the lurch not even half way through the season so we were left to coach ourselves. Although it didn't all go to plan like we hoped but we managed in the end and we did have Mrs Stavert there for support when she could make it. Thanks a bunch Miss.

The highlight of the season for me was having the chance to play netball with the girls that were in the team. They were all great, had great sense of humours, they were easy to get along with and we all worked together.

I just want to thanks the girls for being such a great team even though some were unable to make it to games but lucky we had other people to fill in for them. Also id like to wish the girls good luck for next and hope that you will all be playing netball again. You all have potential and good netball skills that can and will get you far if you just try.

Thanks for a great season girls!!

Skye Netball

T – O to the K what
T – O to the K what
T – O to the K – S – K – Y – E!

Being captain of the Skye netball team was awesome! The season was full of smiles, both on and off the court. When we first started we barely knew each other for a team of year 9's and 10's with totally different abilities. I think we did really well. The seasons over and Skye Netball team has left me with a new experience and a whole lot of new friends.

Netball Senior B Article

Well done to all the girls that made our Senior B Netball team this year. We started the season a bit unsure of each other's abilities but we soon adapted and became a team thanks to Maria and Mrs Olsen. We had very talented players and that showed on the courts. Big thanks to Maria Potoru and Emily Olsen for the support, coaching and training. We learnt a lot from both of you and we improve heaps. I enjoyed being captain of the team and I hope that all the girls still keep up the great work next year.

NETBALL

Netball Senior A Article

2009 – WHAT A YEAR!! This year an experience team of nine were named – with eight of the nine being originals!! This year we welcomed Toka Natua to the crew and also Mrs Yvonne Charlie – better known as Mrs C. So we had three year 13s, two year 12s, four year 11s, two crazy coaches and one manager! WHAT A TEAM! After making the premier grade we had a fantastic, amazing game against the top team in Tokoroa (for the last five years) and with only seven ecstatic girls we took to the court one freezing cold, windy Thursday night and lost to United Force by one goal!! It was a nail biting final minute and a memorable game for all of us! A fantastic feat girls!! This year we ventured to the week-long Upper North Island Secondary Schools Netball tournament – better known as UNISS or tournament week. For the week we borrowed Acacia Jessop to fill in the team as we had various injuries and other commitments. (Thanks Acacia!) We played some awesome netball and ended up being 11th out of a grade of 32! We lost to the team who won our grade by 5 goals. So it was a tight competition. Overall we had a fantastic week, with many, many enjoyable moments resulting in life-long memories.

However after a fantastic end to the season we do say goodbye to a few key people, our injured returnee Racqual Anderson-Pitman whose support, smiles and laugh have been greatly appreciated and enjoyed by everyone! You're a fantastic netballer Rax thank you for coming to your senses and returning to the squad!! (= We also lose our original defender Julie Jackson to Taupo next year – which sucks for FVHS netball. BUT we could have lost you a whole lot earlier so we thank you for sticking with us for the season! You have improved so much in the last few years and we expect big things from you – but only if you keep your head up!! (= We lost Toka Natua as well! She was the new kid in town in 09 and fitted in really well! Your smile and bubbly attitude was a huge asset to the team and we all appreciated your smiling and trying your hardest! That positive attitude will get you far in life! Thanks heaps for sharing the memories this year! (= This year we lose our influential captain and the longest surviving member, Hannah Clark (me).

Netball Senior A Quotes

Rae – Never gave up! EVER! Even when injury time was called!! Full of smiles, stories and constant laughter! Always had something to talk about! *Perfect shooting and sinking all the long-range shots, also retrieving fantastic rebounds! Awesome through-court vision and timing for passes and intercepts.*

Chrae Awatere

Rax – Injured for most of the season, but tried so hard to get back on court! Your patience and constant support was much appreciated by everyone! *Great at getting the ball through court and fantastic vision up and down court and with all the sneaky passes into the circle! Racqual Anderson-Pitman*

Hanz – 100% focus and concentration every game, hated being on the side line! *Excellent movement onto space and a pro around the edge of the circle. "Remember to stick to the basics girls"* **Hannah Clark**

Lauz – Awesome timing for driving, dodging, moving and all the intercepts and pressure in the world! *Permanent WD this year! So annoying around the edge of the circle and throughout the whole court – getting all the tips and hassling everything! Great backup and communication on court!* **Laura Clark**

Julz – Refused to leave Forest just so she could play netball!!! Thank you heaps for that!! We would have been so lost without you! Remember to keep your head up and you'll be sweet! *Awesome movement in the circle and constant hunting for everything! Also you have the best concentration facials ever!!*

Julie Jackson

Mik – Fantastic base line drives and movement in the circle and third. Great full court vision and getting us out of trouble when we needed it by sinking all the shots! *Always got us to remind you to bend your knees and keep your head up! Don't know why but it sure worked!* **Mikayla King**

Naez/Naa – Always full of energy and going for everything on and off court! Always trying and supporting the girls with everything that was done – even if it meant you played centre for a game! *Even with the extreme height difference you still somehow managed to get rebounds over some tall ladies! Awesome work this season! Full awareness on court for the drives and tips.* **Nadine More**

Kellz – Missed us so much she came back to netball!! And thank goodness she did! Although she did leave UNISS to play golf..! *Awesome moving in the circle – just pops up from nowhere and is so easy to feed to! Primo shooting and rebounds with a permanent smile on her face!* **Kelly Nicholas**

Toxy – Constant support and laughter everywhere you went and that was awesome for the girls! *Awesome movement in the circle and you kept trying no matter what was happening and did everything with that huge smile over your face!* **Toka Natua**

Mrs C – Our other new addition to the crew! Knows exactly what she wants from us (which is good!) and always had new ideas and visions to improve us over the season. Always full of the things we didn't want to hear like *"Are you girls talking netball? No..okay on the baseline! 6's...in under one minute..twice. GO!" "Where's my smiling assassins?!"* **Yvonne Charlie**

Football

It has been quite an exciting year for football with 5 teams entered in the Waikato Secondary Schools Competition. Interest in playing football has been strong in the boys, that we needed to create 3 teams for them this year. There was also a change in the girls teams structure where we dropped the Junior girls team and created a 2nd XI Girls team instead.

The 2nd XI Boys and Girls teams have been interesting to watch and support personally with their mix of Year 9 to Year 13 players. The 2nd XI boys were triumphant in their grade running out the clear winners being unbeaten in all their games. Who would have thought they would have had such a dream run after some outright thrashings in their grading games. The 2nd XI Girls came runners up in their grade and were unlucky not to take the competition outright. They played with the same guts, determination and enthusiasm as the 2nd XI boys, for example in one game, our goalie fended off a penalty kick from the box only to break her wrist saving the goal. (Shot Rebekah)

The Junior boys started their season well, I was delighted to see a couple of excellent games with some exciting goals scored at pace. The season as it went on was not so kind to the boys towards the end as health and injury took its toll on some the players. Nevertheless the boys enjoyed a season of very competitive football and thoroughly enjoyed themselves.

Both 1st XI teams moved up a grade this year, the boys were in the 2nd division and came 5th. The girls were in the Premier grade and came 5th as well. Congratulations to both teams on their efforts this year. I will leave it to them to say a few more words about their season.

Finally my gratitude and appreciation goes out to the people who given their time and support for football this year. The coaches Dave Wilson, Ian Christie, Colin McLean, Darren Manthey and their families. Also Terry Rasmussen, Kyle Pourau, Andrew Whitford and the Sports Coordination team of Iwi and Denise. To all the parents and friends of the teams it was great to see you all there in support. See you all next year.

2nd Row: Ian Christie (Coach), Renee Randall, Caitlin Whitford, Kaalee Ogden-Woodhouse, Nerissa Whitford, Nas Ukraineec (Teacher In Charge)
Front Row: Hayley Rees, Morgan Pourau, Thea Keith-Matchitt, Chelsea Alley, Chanell Scott
Absent: Crystal Ahipene-Farquharson

2009 saw the girls play their first year in the Waikato Premier Division. Up against the top teams in the Waikato forest View preformed with distinction throughout the year.

From promising young goal keeper Thea Keith-Matchitt through to the outstanding goal scoring efforts of striker Chelsea Alley some top individual performances added up to a team effort that saw all players add significant contributions.

Experienced senior players lie team captain Crystal Ahipene- Farquharson, vice captain Caitlin Whitford, Chanell Scott, Emma Woodrow-Smith and Morgn Pourau always worked hard and provided the backbone of the team. This allowed talented youngsters Letitia Taikato, Renee Randall, Nerissa Whitford and Amanda Andrew to flourish.

Rounding out the squad were hard working team players Amy-Leigh Christie, Kaalee Ogden-Woodhouse, Laura Thomas and Hayley Rees.

The stats show games played 15 won 9 drew 1 lost 5. 52 goals for 42 against. A fifth place finish Waikato Premier Girls Division. Two pre season tournaments, Western Heights and St Peters, the 5 a side post season tournament and a visit from Taupo nui a tia made for a 'full on' season.

Many thanks for their efforts through the year must go to coordinator Nas Ukraineec, Coach Ian Christie, Andrew Whitford, Rosmary Pourau and Kyle Pourau as well as others who provided transport and support through the year.

Girl's 2nd XI Football

Absent: Colin McLean (Coach), Alexandra Sanft, Brooke Harrod, Caitlyn Gillard

Well done to all the girls, we improved so much throughout the season and we all got fit from all the running (thanks Colin). We really did well in some of our games like the game against Morrinsville which we won when we only had 8 players while they had a full team and were "top of the table". We all got along really well and worked as a team. A big thank you to Colin Mclean for coaching us and all the guidance in our games and also for putting up with our screaming and complaining at training. Also we would really like to thank all of the supportive parents that came to our games throughout the season!!

Remy – Great captain, awesome back and always made us laugh.

Briana – She has a beauty of a kick!!

Helen – Always using those long legs and great support on the field.

Bianca – "the more screaming the more running" (directed at Brooke, Remy and Briana).

Beka – Dedicated goalie, awesome at back!!

Brooke – Played the WHOLE season!!

Terry – Dedicated Player.

Jessica – Improved over the season.

Nicole – Most improved player over the season and had the best parent support!!

Jayme – Never texted at training and never got caught!!

Jessie – Secret weapon, speed demon!!

Lacyann – Great at corners!!

Alex – Didn't get taken out from the huge beast in Piopio.

Chantal – Drama much?

Summer – Always full of energy and always wanted to leave the goalie box and gas it up mid field.

By Helen and Brooke

Under 15's Rugby

Back Row: Jayden Watene, Kyle Gates, Anton Milnes, Patariki Roberts-Takiri, Keanu Roberts, Trae Rowbotham, Mr Brett Watene (Coach)

2nd Row: James Vaeau, Isaac Goldsworthy, Sisa Manu, Rewi Toka, Anthony Marsh, Maxwell Toka

Front Row: Hone Matenga, Taihia Hasini, Michael Gerrand, Damien Daniels (Captain), Hemiora Lagas, Caleb Wetini, Aiden Bell

Absent: Zeb Goldsworthy, David Kuru, Ryan Pikari, Kowyn Stothers

We started the season with boys changing teams and took awhile to settle. We had a couple of pre-season games against RBHS and this showed us how much work we still needed to do.

All of our games were close and the team worked well together by mid-season.

We were pleased to get three players through to the U15 Development camp and to end up in the top half of the A grade.

We are looking forward to a good hard season next year with a committed team and coach.

Caleb	Got a red card and had a holiday
Patariki	Not at training again – family issues bro!
Damian	Our kick back Captain
Sisa	I'm a tired man
Anthony	Broken down – had to rest for awhile
David	D – Whack!!!
Trae	Is my hair right guys?
James	Ran straight up the middle
Hemi	Improving his line-out skills at basketball!!!
Anton	You're not the kicker Anton!
Jayden Watene	Daddy's boy – moved on
Rewi	'Knock on'
Max	Showed big bro how its done
Isaac	Good support player
Zeb	He supported Isaac
Keanu	Always there for the team
Taihia	Mr Versatile – player for forwards and backs
Kyle	Good work down the line
Aiden	SKUXX
Jayden Wirihaana	Mega fend
Hone	Scored on the wing
Michael	Saving for real socks for next year
Ryan	Showed up for a while mid-season
Brett	Busy at work
Kotiau	Filled in as coach – thanks bro

Under 16's Rugby

Back Row: Shiloh Edwards, Mitchell Hansen, William Morris-Stevens, Joshua Cameron, Nelson Chan
2nd Row: Jordan Karauna, Deyton Takurua, Jeremy Brooks, James Sutherland, Jesse Chettleburgh, Mr John Kamire (Coach)
Front Row: Gabriel Albert, Ricardo Ward, Sebastian Uerata, Aidan Campbell (Captain), Mason Nestor, Conor Salale, Sam Flavell

Our season was an interesting one, we started well with a 70 odd win over Cambridge, sending a clear message to the other teams, and resulting in 3 consecutive wins by default. I can't really blame them. Anyway, this put us at the top of the table, even above Hamilton Boys A, and in a good position to start out the season.

As it turns out, our season wasn't nearly as promising as it had first seemed. Every game we played hard, making every team earn their points. Unfortunately we lost almost every game, but we still had fun. For everyone to keep playing, even after losing week after week, showed good commitment - if only everyone had the same attitude about trainings then we could have maybe won a few more games.

Finally, at the end of the season, we were able to pull off a win against Matamata, the top of the B grade, and give our fans something to be excited about. All of the hidings throughout the season paid off, and we showed them what it meant to play against an A grade team, taking the win easily. It was a positive way to finish a season that some had described as "more painful to watch than having teeth pulled out".

Thanks to our coaches, JK and Walter Downey for giving up their time this year to train and organise us. The amount of patience these guys showed to actually keep turning up was amazing. The boys appreciated everything they did for us this year and wish them well for the future.

Also thanks to our managers, Iwi Bennion and Sheryl Salale for all the behind the scenes work that they put in to make the season possible for us. Your input was invaluable and much appreciated.

RUGBY

1st XV Rugby

Back Row: Mrs Denise Hein (Manager), Adam Nathan, Geno Milnes, Callin Tereu, Corey Brooks, Leon McPhee

2nd Row: Mr Terii Potoru (Assistant Coach), Adrian Joe-Barbarich, Dylan Shortland, Baldy Neho, Cassius Read, Kale Pomare, Ngari Hawkins, Mr Paul Barbarich (Teacher)

Front Row: Taurion Samson, Matthew Potoru, Riki Grant, Zane Costar (Coach), Sean Stratton (Vice Captain), Apera Brown, Raymond Brown

Absent: Wesley Johnstone

We started the season with 2 Coaches, 2 Managers and 29 players and got down to 1 Coach, 2 Managers and 19 players. After a couple of pre-season games, a win against RBHS 2 XV, and with a new set of jerseys we were ready for our first comp game. Baldy learnt quickly the importance of a mouth guard, Otorohanga suffered a big loss and Wesley was smiling. Mid week we let Mr Crawford down by just managing to draw with Fraser but stepped up against Waitara and showed them how it was done on and off the field (52-3). Abel played to the crowd big time!!! Then we bounced back and played THS mid week and a big crowd turned up to watch us win.

By the end of the season we had lost so many players and had so many breaking down and a couple times we went without a coach as Paul had shift work, but we hung in there till the end.

Thanks to Paul for coaching and Terri for always being a 'Dad'. Cheers to Mrs Hein for all of her help, organisation and commitment to the team and to Mrs B & Mrs Potoru for running the kitchen and making sure we always had the best after matches in the Waikato.

1st XV Rugby

Apera	Size 13 jandals
Raymond	Hard knuckles
Corey	Here we goSharks!
Zane	Hard azzz.....lead by example
Rikki	Always flying high
Isaac	Where's Izzy???

Girl's Rugby

Back Row: Chyanne Hemara, Racqual Anderson-Pitman, Arianna Ashworth, Leah Townsend, Alice Marama-Nepe
2nd Row: Cassandra Aloiai (Coach), Mrs I.W.I. Bennion (Manager), Allana Joe-Barbarich, Samone Henderson, Ashleigh Rahiri, Sarah Aloiai (Coach)
Front Row: Emma Totoro, Renee Bartie, Emma Wright, Chelsea Alley (Captain), Toka Natua, Kim Totoro, Aroha Foreman

We had a lot of new girls join the team this year along with the old faces and four girls from Tokoroa High. Pre-season training started mid March to get us ready for the Waikato 7's. Unfortunately we were the only school to get our act together early so were unable to take part due to lack of opposition teams.

We had a pre-season game against Te Puke High and things looked promising for us.

Unfortunately we were left without a coach before the competition started but luck was on our side when ex old girls, Sarah & Cassie Aloiai stepped up to the mark and became our coaches for the rest of the season with their dad Niko helping.

We went through the season winning by huge margins but as it progressed the games were getting tougher. This was reflected when we played Fairfield in one of our most toughest games and just managed to come away with a draw.

We played Rakaumanga in the semi finals then faced Fairfield again in the finals just two days later. In a hard fought game we managed the narrowest of wins to end our season as Waikato Girls champions for the fourth year in a row.

The team would like to acknowledge the recent passing of Mrs Irene Aloiai, who played an important role in the team over the years. In the past Irene looked after all our after-match functions for us and was one of our best supporters.

Thank you to our coaches Sarah, Cassie & Niko, Dayna Lepaio, Mrs B for organising and getting us to our games and to our parents and supporters.

Girl's Hockey

Back Row: Hayley Moon, Lydia Wairua, Rikki-Lee Cupples, Tay-jana Brown, Indira Hodges

2nd Row: Leah Haire, Samantha Miller, Erika Manthey, Hayley Rees, Danielle Arnell,
Rebecca Harvey (Coach)

Front Row: Chanell Scott, Rebekah Manthey, Chelsea Alley, Cody Magee, Morgan Pourau,
Laura Clark, Robyn Joynt

Absent: Vienna Smith, Laura Knight

Well, well, well. Another great season wasn't it girls?

We had our fair share of winning..and losing haha. But all up we had a great time and heaps of fun.

In the end it was never about us winning, pretty much just about the McDonald's and Burger King after each game.

From Bekah's miracle goal to Chelsea being the over user of ATP when she ran after a ball, that no one else would even attempt.

No matter which group of subs was playing, we all managed to work well as a team and make the most from our games, whether we won or lost. And somehow we always ended up getting yelled at at halftime or trainings when we got the giggles, took more than one lolly or when Sensei fell over.

Thanks to Miss Harvey for coaching and managing us, and Ms Douchle assisting.

Also thanks to all the supporters, especially the 'Assistant substitution manager's' haha.
Great year girls, hope to see you all next year! :)

HOCKEY

Boy's Hockey

Back Row: Martin Bennett, Matthew Shewry, Caleb Knight, Ryan Quirke, Mitchell Barber
 2nd Row: Zac Amohia, Jesse Chettleburgh, Keegan Jones, Patrick Barber, Thomas Henry (Coach)
 Front Row: Trent Main, Fraser Flutey, Scott Sikking, Joshua Cameron, Levon McCloskey
 Absent: Ben Burton-McKenzie, Lloyd Parry

Scotty - "My party was WAY better than Erika's."

Fraser - "I put that guy in hospital."

Keegan - 2 Redbulls and a Demon Shot.

Zack - "Bro, Isabella's how hot!"

Trent - "Piston Power."

Josh - "Got any sisters?"

Patrick - "Aww I don't wanna be goalie anymore."

Marty - "Skuxx. . . . NOT!!"

Levon - "UMMMM."

Mitch - "Shut up Mitch!"

Lloyd - "I'm gunna go play Runescape."

Ryan - "Albaquirky."

Matt - "Gun Back."

Ben - "Flossy."

Caleb - "Snowflake - > Snowman."

Jesse - "Goldilocks"

Thomas - "Is that your girlfriend Thomas?"

Mr Hill - "I'm off to get a coffee."

"Fat Chicks on 3!!"

We had a pretty sweet season, winning most our games. Cheers to Thomas for coaching us and Mr Hill for driving the van.

Waitara Sports Exchange

On Sunday June 7, with everyone running on time two Go Buses and one of the school vans headed off to Waitara for our annual sports exchange. This is a major highlight on our sports calendar. After a lunch break, Waitara practice and waiting for Mr Tawha, Mr Crawford and their van load to catch up with us in Te Kuiti we were back on the road. We arrived in Waitara with time to spare to find that Waitara High School are undergoing major renovations to their Administration/Auditorium block. The powhiri was brief with a very strong Waitara kapa haka group supporting their speakers and Mr Crawford replying on behalf of Forest View. At the conclusion of the powhiri and pairing students with their billets everyone headed off home.

Monday morning started with Boys Volleyball followed by Girls Volleyball with both FV teams suffering very close defeats. Boys Basketball ended the morning session in the Gym & again Waitara were to take this game out. Mixed Hockey players headed off to Stratford and FV had success with their game. Meanwhile B Netball took to the Clifton courts but were to also lose. Boys Football was played on Clifton Park and FV came out winners and Girls Basketball ended the first day of competition with a loss to FV.

Later that evening with temperatures dropping to freezing and students having to negotiate a makeshift pathway through the building site to get to the Auditorium, a well organised social got underway.

Tuesday morning dawned with Girls Football and A Netball playing at the same time. FV 1st X1 Girls came out victors but again Waitara were to prove too strong for FV in netball.

The final match of the exchange was the 1st XV rugby and despite Waitara losing by a huge margin the game was played in great spirits with supporters from both sides thoroughly enjoying an entertaining game of rugby. However Waitara did not come away empty handed as they have scored themselves a FV match ball courtesy of an un-named person who didn't want to climb up the tree and retrieve the ball!!!

With the tally of 6 games to 4 in Waitara's favour, the poroporoaki (farewell) got under way in the Auditorium with the Waitara High School kapa haka group providing the pre-lunch entertainment.

After speeches from Mr Tamiti, Mrs Hein, Head Students from Waitara and Forest View, the team Captains exchanged gifts and then the players of the tournament were announced for each sport code. They are as follows;

Boys Volleyball	Mike Earnshaw	Boys Basketball	Ryan Khan
Girls Volleyball	Kylee Ogden-Woodhouse	Girls Basketball	Racqual Anderson-Pitman
Mixed Hockey	Levon McCloskey	Boys Football	Ramon Breuer
A Netball	Nadine More	Girls Football	Morgan Pourau
B Netball	Erika Manthey	1st XV	Apera Brown

Thank you to our students who travelled, for their excellent behaviour and especially to those staff and coaches who came with us and did so to make this exchange such a success. Thank you to Mr Crawford for allowing this exchange to take place and for coming to Waitara to support us.

Denise Hein
Sports Co-ordinator

Mixed Touch

Back Row: Halena Anderson-Pitman, Trae Rowbotham, Racqual Anderson-Pitman
2nd Row: Mrs Denise Hein (Teacher In Charge/Manager), Allana Joe-Barbarich, Adrian Joe-Barbarich, Kale Pomare, Samone Henderson, Mr John Kamire (Coach)
Front Row: Toka Natua, Dylan Shortland, Zane Costar, Sean Stratton, Chelsea Alley
Absent: Baldy Neho (Captain), Isaac Hosking

Our Touch season started in Term 4 last year, when the Mixed team started training for Nationals. It was a long hard build up but we knew that the level was going to be high.

It was a very young FV Mixed team who attended the NZ Secondary Schools Touch Nationals held in Palmerston North at the beginning of December. Playing in the Mixed Grade the team were a mixture of new and experienced players and were of mixed ages with an average age of just under 16.

Day 1 of the competition saw them unbeaten and by winning their pool they went through to the Championship round for Day 2. It was now time to see everyone step up and at the end of Day 2 they had only lost one game and that was by a single point.

With three teams in their Division finishing on equal points FV endured a tense wait until confirmation came through to a delighted team they had qualified for the semi finals on points count back.

Despite loosing to St Andrews in the semi's the team were pleased with their top four placing and were equally proud they were the only team to have beaten St Andrews & Opotiki - the two finalist teams, earlier in the competition.

Everyone played well and as a team. The mids were controlled by experienced players Zane Costar, Baldy Neho and Kale Pomare who set up plays and led by example on defense. Racqual Anderson-Pitman showed the girls how a NZ player works hard and she was well supported by Chelsea Alley and Toka Natua.

The new boys took over their roles in the team with Adrian Joe-Barbarich, Dylan Shortland, Trae Rowbotham and Sean Stratton all making good yards and working hard on defense. The new young girls Halena Anderson-Pitman, Samone Henderson and Allana Joe-Barbarich all were solid under the long ball and on defense.

At the completion of the tournament Zane Costar was the top try scorer and Kale Pomare, Racqual Anderson-Pitman and Baldy Neho made the Tournament Team.

With all of the team back this year, we were excited with what we could do in 2009 and started training as soon as school started as the Mixed team felt they had unfinished business in Palmerston North, the city where the Nationals is going to be held again this year.

The first step was to qualify for the Zone competition by coming in the top three at the Waikato Regional Tournament. We were very pleased when the Mixed Team won the Waikato competition and the Boys team were third in Waikato giving us two teams in the Zones.

At the Zones the boys came up against tough competition from the large boys schools and failed to qualify. The Mixed Team had a good day but lost the final to Opotiki – last year's NZ champs. This put them through to the Nationals.

The Mixed team has started their training now for the Nationals, totally focussed with just one goal in mind – TO WIN NATIONALS.

Mixed Touch

Baldy	Ow Zane – ready? – time to warm up Baldz
Zane	Ow Baldy – ready?
Sean	Flash! – watch the white boy go!
Kale	Pfffft! No touch sir!!!
Dylan	Ooh aah ooh aah wheres the bananas at???
Trey	Little man
Isaac	Where's Izzy???
Adrian	Leave the girls alone Adg.....
Callin	Half a game wonder!!!
Raks	The fat boy didn't get me
Chelsea	We're running every night
Toka	Puts her body on the line
Allana	High school musical star
Samone	Moaney, always there
Halena	The mouth on the wing
JK	It 'NZ needs me'
Mrs Hein	The 'Organiser'
Mr Shortland	Deserted us after Nats -- gone to da beach!!!
Mrs B	Invaluable help at Nats

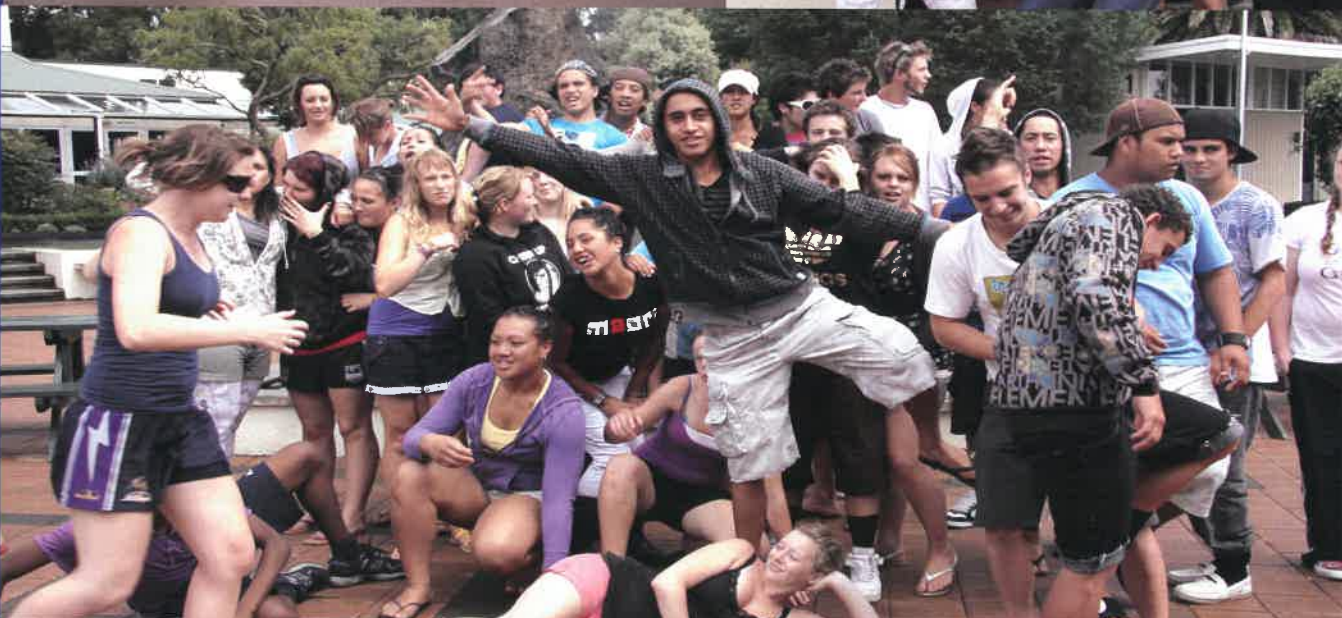

TOUCH

Memories can last a lifetime

YEAR 13

YEAR 13's 2009

YEAR 13's 2009

Name: Neta Mataiti
AKA: Netz babe
Best remembered for: Socialising 24/7
Probable destination: London
Ambition: To travel the world
Tagline: "Thanks Moana for sharing The Secret with me, just believe and receive all"

Name: Kaelee Ogden
AKA: Kz, Bum =p
Best remembered for: Being Sonic up the wing
Probable destination: ???Somewhere out of New Zealand???
Ambition: To conquer Michael Jackson's moves
Tagline: "Has anybody seen Seri? Watta Ninjah"

Name: Chiscone Fourie
AKA: Chizzy, Hoochie Mama
Best remembered for: Being the imported hoochie South African
Probable destination: A wet t-shirt comp (hmm shame)
Tagline: "Erika rox my sox" . . . "Cheese"

Name: Chabonei Fourie
AKA: Chabz
Best remembered for: Being the quiet immigrant
Probable destination: A beach in the Bahamas
Tagline: "Don't be mean"

Name: Erika Manthey
AKA: Eks – Wagging toe rag Manthey
Best remembered for: Driving on flat tyres
Probable destination: A house on a street in town
Tagline: "This one time at band camp"

Name: Hayley Rees
AKA: Hailz, haybail, haiz, storm
Best remembered for: Being a blonde and being late all the time
Probable destination: On a boat mother F*****r
Tagline: "I'll smash you"

Name: Sam Morris
AKA: Samikins
Best remembered for: Being a bit too eccentric (not crazy)
Probable destination: Wherever THEY can't find me
Ambition: To get help
Tagline: "*BBUURRPP* Pardon me, it slipped out"

Name: Emma Wright
AKA: Emz
Best remembered for: The girl with the most frees
Probable destination: Mangakino, Moana Crescent
Ambition: To join the Green Party
Tagline: "hey lil child"

Name: Ashton Townsend
AKA: Tinny, Ashy
Best remembered for: For joining Emma in her frees
Probable destination: The other side of the rainbow
Ambition: To get past level 3 in Pacman
Tagline: "Awww . . . Maybe

Name: Jessica Tetevano
AKA: Jess, Titties
Best remembered for: Dedicating my heart to Tuari and getting married at sixth form. LOL xox ha-ha xox
Probable destination: Mexico, Thailand, and Spain with Tuari
Ambition: To have 3 kids, not 8

hehe

Tagline: "Tuari this, Tuari that"

just a little bit"

Name: Scott Sikking
AKA: Lanky
Best remembered for: My RAGING Party
Probable destination: Crashing a helicopter on an unknown Island full of sexy girls
Tagline: "My party was better then Erika's"

Name: Whai Matenga
AKA: Pooti, Blondie
Best remembered for: The nice Christian girl who can fight
Probable destination: Manager of Cadbury
Tagline: "Kia Ora koe, (thank you)"

Name: Toka Natua
AKA: Tox, Tookie, Toxy
Best remembered for: Singing and singing
Probable destination: On Shortland Street – T.V. (not in Tok)

Ambition: To be a better singer then what I am
Tagline: Smile though your heart is aching, smile even though it's breaking. You'll find that life is still worthwhile, if you just smile.

Name: John Mutambu
AKA: Jonathan, LB1
Best remembered for: Shoes and 'Afterball Incident'
Probable destination: Drive – Thru Brothel Owner
Tagline: [Insert movie quote here]

Name: Ellen Chitty
AKA: Chellen, Goose, Ellenora, Helen, Ellena, Ellie, White girl, Speedy Gonzales, Smiler, Smellen, Elly Belly Smelly Pants.
Best remembered for: Shaking my groove thang. Being so white I glow in the dark. Turning

extremely beetrootly red when embarrassed
Probable destination: Booty Shaker for Snoop Dogg
Tagline: "I'm not sulking, I'm just sick, sore and tired and sick of your s@%t."

Name: Shuannie Farr
AKA: Nawnie
Best remembered for: Eating a packet of Odd Fellows in under 10 minutes and backing into the same pole 2 days in a row
Probable destination: Company owner of Nestle
Tagline: [Insert movie quote here]

Name: Hannah Clark
AKA: Hanz
Best remembered for: Being amazing
Probable destination: 'In the Navy' or On a Boat
Tagline: "On that's the S%@T bro!!"
