

IAN FERGUSON PRINCIPAL

In my 2012 Yearbook comments I mentioned that while our School has some challenges to face, we are heading in the right direction. This year Forest View has continued to place significant focus on ensuring our programmes are of a high quality.

The work being done by staff in curriculum and learning is ground breaking. An example of this is the development of clear learning pathways so that students can be inspired to work hard and make successful transitions to further education or employment. We continue to focus on Forest View being a school focused on 21st Century learning.

Our Performing and Cultural Arts continue to set high standards in all areas. The activities of Polinetia Fa'atasi, Te Piringitahi, Drama and the School Production showcased our enormous talent.

With the introduction of our Sports

High Performance Plan there was a clear improvement in the attitude and performance in all sports. The Junior football, Rugby 1st XV and Senior A Netball continually set high standards and are well-placed for further improvements next year.

An Education Review Office research team found the pastoral and guidance work at Forest View was of the highest quality and up with the best of the schools they had visited. Parents should take heart from the high level of support students receive.

In the hurly-burly of school life we can reflect too much on the challenges that face us and not enough on success

- but we should be very proud of our School and what our staff and students have achieved. There are great things going on and I am thankful for the hard work of the Board of Trustees and staff.

I wish to thank Robyn Mainland for her time as Curricular Leader in Science as she steps down from this role and takes on a part-time teaching position at School, and to acknowledge and thank our receptionist Beth Pita, who left at the start of Term 3 to pursue her teacher training.

Best wishes to the departing Year 13's and others who are leaving. We know they will make a significant contribution to our community.

FRANCES THEUNISSEN BOARD OF TRUSTEES CHAIR

This is my fourth year on Forest View High School's Board of Trustees and I have seen many changes.

The most recent was the changeover of the trustees in June. Thank you to the trustees who resigned from the BOT – some of whom had served more than three years – their service to the School has been valuable.

We have a mixture of existing trustees, experienced trustees who have served on other boards, parents who are first time trustees, the Principal, a staff representative and a student representative.

In the four months since the new board took office, we have attended board training and numerous meetings to ensure that we are meeting the commitments of the school in raising student achievement.

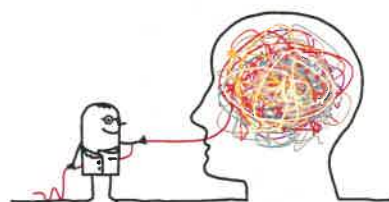

The Board is currently working in consultation with a wide range of community members to develop

the School Strategic Plan which will focus on pathways of learning and future development - to create lifelong learners who contribute to our town and the community.

The school continues to celebrate student success in all areas of the curriculum – academic, sporting and cultural. Our students have represented the school proudly and the community has enjoyed performances from our drama students in the recent production, and those by Kapa Haka and Polinetia Fa'atasi students.

I would like to acknowledge the commitment and tireless work of our principal, senior management, teaching, administration and maintenance staff.

I look forward to working alongside the current board and families, to raise student achievement in a safe and happy environment.

Staff News

February, 2013 saw a few familiar faces missing from the staff room.

Many years ago, Doug Clark was recruited from the UK to work in the Science Department and eventually was appointed Head of Department. He surrendered that role several years ago when his involvement with PPTA escalated and he felt he was unable to meet his HOD responsibilities in full. Doug left at the end of 2012, to accompany his partner to Thames, where he has been relieving in a number of Coromandel/ Hauraki schools.

Jeff Bennett also departed from the Technology Department, after nine years of service; we farewelled Ann Swanson who retired for the second time in two years from her dedicated work in the Hospitality area and bid farewell to Salesni Sharan from Maths.

Only 1 staff member has left during 2013 – we farewelled our friendly receptionist Beth Pita, to pursue her teacher training.

Special mention must be made of Mrs Williamson. Heather decided that she would move from HOD Digital Technology to a part-time position. This was a big move for Heather who has been at the school since 1975 and has made a significant contribution to the learning of thousands of young people in the classroom, as a tutor and especially on the netball courts. It has been nice to have Heather's company in the staffroom for another year.

This move on Heather's part meant that Ms Teresa Walker was promoted to the position of IT Curriculum Leader.

The Staff has enjoyed several opportunities to socialise – including a great mid-winter Christmas dinner and an entertaining Secret Admirers Week – thanks to an active Social committee.

SENIOR PRIZEGIVING 2013

At the Annual Forest View High School Prizegiving, **Jodie Bryant** was named Dux and best Science and mathematics student; **Stephen Rusk** was Proxime Accessit. Both young people head to university next year, to pursue medicine.

Selina Clark - Best Arts and Social Science

Courtney Rudolph - All-Round Pupil proceeding to Tertiary Studies

Mikayla Wilkinson - Top Maori Academic Achiever

Julio Rodriguez, Fonterra area manager, was the guest speaker. He spoke of his progress from straitened family circumstances in Mexico and California, to his current position with Fonterra. He had three simple messages for students.

He asked them to consider the concept of "Now". Whilst it is important to know who and where you are NOW, it is vital to think of the future; that what you are today, is not what you can be in the future.

He then compared a young person to an apple – the promise to grow and flourish is embedded in all of us, just as it is embedded in an apple-seed.

Finally he spoke of the importance of 1954 – the year in which the 4 minute mile was broken by Roger Bannister. Thereafter others were able to beat the mark, because Bannister's success had removed an invisible barrier – a lack of self-belief and doubt had been replaced with reality.

Mr Rodriguez reminded students that for hopes to come to fruition, hard work is required.

YEAR 11

Merit Awards for Outstanding Effort and Attitude

Sheldon Ahipene, Madison Chitty, Melissa Drysdale, Shaye Ehrhardt, Sophie Goodhue, Stacey Gurr, Kudzai Mafi, Codey Marshall, Leith McCloskey, Liam McKain, Conal Parker, Tionee Paul, Opal Petero-Anderson, Dylan Rouse-Carpenter, Jayden Smith, Talon Sneddon, Kyle Steed, Caleb Stevens, Michael Totton, Neil Wilkinson, Tequila Wilson-Thompson

DYLAN KNIGHT, HEAD BOY 2013

When I walked into this school as a budding Year 9 student, from little old Mangakino, I never thought I would be where I am today.

I always aspired to be Head Boy of Forest View. My big brother Tommy Knight, who was also Head Boy, is a constant inspiration and this led to my desire for leadership.

This year has been a successful one for FVHS. We had positive results in sports competitions for many codes; we had success on the cultural side of things and as always, our academic achievers were strong and committed.

At our annual sports exchange with Waitara High School we thrashed them, winning every sport we participated in.

Our first 15 rugby won their division as did the junior boys football. Our A netball team won team of the year and Sarah Young was named our supreme sportsperson of the year and she is now the Waikato Junior Sportswoman.

Polinetia Fa'atasi won the musicianship award at Pasifika By Nature and Te Piringatahi performed with mana at their regional competition.

We unfortunately lost our academic exchange with Rotorua Lakes by half a point, but we felt that if their school was up to our level of technology it may have been a different result.

My 5 years of high school have been unforgettable and the friendships I have made, and my accomplishments will be with me for the rest of my life. I want to thank the teachers who have guided me for the past 5 years. I love you.

To my mum and dad, thank you. You have supported me through my good times and bad and never stopped loving me for who I am and who I aspire to be. I can't thank you enough.

To my partner in crime Leah, you da bomb. You are so organised and talented, you kept me in order and made sure we were always on track. You are going to go far kid.

LEAH TOWNSEND, HEAD GIRL 2013

At the beginning of the school year, our Student Council had the vision of making Forest View High School "a place that the students want to be instead of a place they have to be". Through team work and putting strategies in place we have tried our best to achieve this goal.

We have had many great achievements, driven by our student leaders of our school. An admirable achievement that was student focused this year was the Cultural Chomp Week. This was to raise money for our cultural groups in school to help support them on their endeavours. It involved having different meals for sale every week from various cultures.

Our Community Services Committee set out to raise money for the Canteen Foundation. Over three weeks they raised \$650 dollars that they have now sent to the charity.

We also had a "student council day", where we set out to raise funds to provide more resources to the breakfast room. This is the place, run by Student Council, where our students can go for a free healthy breakfast provided by Sanitarium and Fonterra – with Milo and sugar from Council Funds.

I would like to thank the Student Council - Dylan and I would never have been able to be successful without you, and Mrs Priscott who has given us continued support throughout the year. As Head Girl I have been proud to represent Forest View High School for 2013, I have been privileged to work with a dedicated, and talented, group of student leaders.

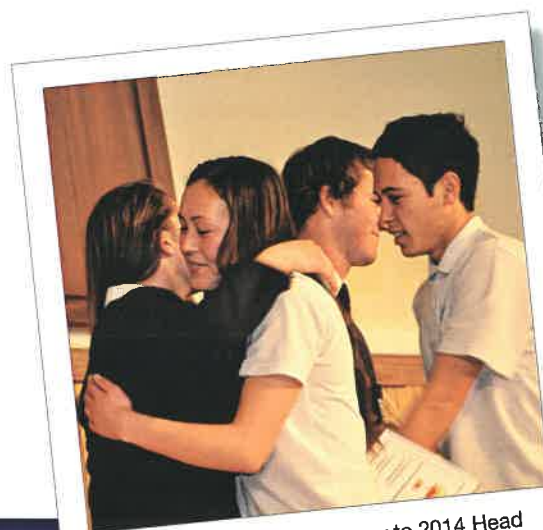

As I walked through that front gate 5 years ago, I never thought about what it would be like to be saying goodbye. I'd like to thank everyone who has made my time here at Forest View such an amazing experience. To all the students and amazing teachers who have guided and inspired me to be better; to my family who has been there every step of the way - pushing me and putting up with continual grumpiness.

TOGETHER

The Year 13 leavers have been very fortunate. We have been part of a school that has enabled us to grow into young adults prepared for the big wide world. At Forest View we have enjoyed a family-whanau environment; we have learnt to follow the RAP values and we have had great opportunities. Our teachers have given us support and always been there to help. On behalf of all Year 13s, thank you staff.

To the year 13's, it's been five years since we first walked in the front gates, but it only seems like yesterday. Together we have experienced high school and its dramas, and we will always remember the good times. Our friendships will last a life time and even though we will go our separate ways into the big world, we will always be able to count on each other for support.

Make the most of your time here on Earth. Follow your dreams and aspirations. Have fun and, most of all, live your life with no regrets. Good luck for 2014 and the rest of your life.

2013 Head Students hand over to 2014 Head students - Leonie Nugroho & Western Wilson

YEAR 13

At the start of the year, the majority of Year 13 students spent 2 days and nights at Totara Springs with their deans.

Whilst there, they worked on setting goals for 2013 and beyond, participated in a range of challenging activities, worked on team building and leadership skill development and prepared themselves for their roles as seniors of the school.

Feedback from the students was that it was a great experience – that they

had overcome fears, had their thinking challenged, tested their resilience and got to know their peers really well. They unanimously declared that the Camp was worth every cent and recommended it for future years.

We have booked the camp for the next three years to ensure others have this opportunity!

COURTNEY RUDOLPH BOT STUDENT REPRESENTATIVE

I have thoroughly enjoyed my time as BOT Student Rep for 2013. The Board has made me feel welcome and my contributions - my opinion and the opinions of Forest View students - have been respected.

The highlight of my time as BOT student rep was seeing what happens behind the scenes at Forest View. Through Board meetings, I've had the chance to see what staff actually do in school; I've realized that there are many things staff need to do other

than teaching in a classroom; it has shown me just how much staff value student achievement and how hard they work at continuously making Forest a better place.

On a personal level, the experience of being a part of the Board of Trustees

has helped me gain a sense of professionalism - that this position has given me more confidence speaking publicly and helped me mature.

I would highly recommend students to go for this position as it is a great opportunity.

Courtney Rudolph, (BOT Rep), Dylan Knight, (Head Boy), Leah Townsend, (Head Girl), Ian Ferguson, (Principal)

STUDENT COUNCIL

The student council for 2013 consisted of 16 leaders from our school - each leader is responsible for their own committee or group that works alongside the Student Council to make student driven ideas become reality.

Our goal this year was to make Forest View High school a "place you want to be instead of place you have to be." This is something we feel we have accomplished with the help of the various committees and Lake Councils.

The Academic Committee strives to find ways of enhancing the school environment so that it may be an open learning place - this year they encouraged the use of devices such as tablets, laptops and smartphones as technology changes. We want to bring Forest View High into a new generation of smart technology that enables students to research efficiently and effectively with unlimited resources at their fingertips.

The Cultural committee has promoted the many cultures we have in our school by having a Cultural Meal Week. This consisted of Sushi, butter chicken, chop suey and boil up; for sale. They have also promoted Cook Island Language Week with having games and free fruit up to grabs.

The Community Service Committee works on promoting community wellbeing - this year they have supported Canteen's bandanna challenge. The committee also worked on pay it forward day, a day of kindness and expecting nothing in return.

The Sports Committee has set up various sporting events this year such as Tri-Nations, where Maori, Pakeha

and Pasifika students battled it out on the field in a game of league.

All the Lake Leaders and councils have worked closely with their deans and assistant deans to achieve specific goals for their lakes and to support Student Council goals.

This year the Student Council has run two successful socials and a successful Student Council day. These were to fundraise for more equipment in our school breakfast room. The number of students having breakfast 'at morning tea' has increased since we moved from the Auditorium and so have our needs. Thank you to all the leaders who helped out on the Council roster.

Arapuni Lake

Dean's Message

Mrs McGovern

Our new year 9's arrived nervous, keen and excited – they quickly settled in with the help of our seniors from years 12 and 13.

Year 13 camp gave our senior Arapuni Students a chance to work together to set goals, and explore leadership potential. A great opportunity for challenge, solving problems, fun and forging friendships. It was awesome to have our year 9's out at camp for the day - we all had heaps of fun completing a huge variety of challenges with the raft race a real highlight.

Athletics Day gave Arapuni Students chance to shine in blue and bring home the shield. Well done especially to those who won events and progressed to Mid Island and Waikato Championships.

We started Term 2 with our Lake Day which was a chance for us to fundraise for our Lake by selling food – lolly overload and running a variety of activities.

Cross Country was great with some brave and determined efforts in particular from our juniors. Swimming Sports was hugely successful with our amazing students winning overall and also securing many personal victories.

At the end Term 2 school uniform was switched for smart suits and amazing ball gowns – our Senior Students were stunning – they scrubbed up fantastically!!!!

Several of our students were involved in production both acting, singing, dancing and back stage a perfect chance to showcase those singing, dancing and acting talents. I was so proud of our gifted Arapuni students who looked so at home in the spotlight!

With production and winter sport behind us it was now time to settle to study and strive to achieve the goals which were set this year.

The beginning of the end for the year 13's – lots of 'lasts' – last start of term, last assemblies, last prizegivings. The end of the line for our Year 13 Students time to say goodbye

to these wonderful young ladies and gentlemen who have made it through high school: Kurtis, Steven, Mitchell, Dylan, Cory, Mikayla, Corben, Reon, Jess, Jessie, Leah, Jason, Matthew, Nicole, Amber. Well done guys – you have been a fantastic group of year 13's - thank you for everything you have done for our Lake. You can proudly step into the Arapuni history books. Good luck for the future and keep in touch and don't forget us.

Best wishes to all those who are leaving us we wish you every success in the future.

Thanks to all our wonderful Tutors, Support Staff, Leaders and Students. Have a safe and enjoyable festive season and let's make 2014 another awesome year.

Lake Leaders Report

Kaitlyn Brookes and Mikayla Wilkinson

Lake Leaders - This year we have focussed on getting more students involved in Lake activities. At the start of the year Ms Toy, the Assistant Dean, was on maternity leave so we had support from Miss Mainland with our Peer Support training and programme, until she was replaced early in Term 1, by Ms Lazar. In Term 3, Ms Toy returned and assumed her role again. Special thanks to our assistant deans for helping us.

We formed a productive Lake Council who have helped us to manage and complete goals such as designing a new Lake Banner, holding a profitable Lake day and making us more competitive as a Lake overall. We are excited to see the result of this year's Inter Lake competition as we have worked really hard to get everyone involved.

Being the Arapuni Lake Leaders has enabled both of us to mature and ultimately become more organised and responsible – it has also given us a chance to develop our leadership skills.

Thanks to Mrs McGovern, our Dean, who has given us lots of support, and to our Tutors – Ms Abo-Ganis, Miss Mainland, Ms Christie, Ms Davis, Miss Ichimichi.

Maraetai Lake

Lake Leaders Report

Coming into 2013 as Year 13's and student leaders for Maraetai was quite daunting at first. We knew it was going to be challenging and a new experience, but regardless of whether it was going to be good or bad, fun or not, we were going to give it our best shot.

After being proud members of Maraetai for the four previous years, and not seeing our lake succeeding with lake points was disappointing, but the laughs and fun we had during the somewhat unsuccessful activities and events meant more to us than any point ever could. This made us as the leaders proud. We knew the relationships we built through participating and sharing in activities would stay with us and this was the highlight of our journey.

Speaking in front of our peers, organising lake activities, assemblies and Lake Day required courage and commitment. These jobs were made easier with the support of our lovely staff and the students who got behind us and helped out. Thanks Miss Olsen, for helping with Lake Council and supporting us throughout the year, we couldn't have done it without you.

We would like to say a huge thank you to our Dean, Mama Toy, for being there for us since introducing us to the Lake Leaders of '09. This helped us to evolve into this year's leaders and better students, encouraging and allowing us to reach our potential.

Our Tutor Teachers and the support staff for Maraetai also get a big thank you. You have all made our job easier and more enjoyable.

To the students of our lake, good luck for your futures in whatever you aspire to become. Strive for excellence, maintain respectful relationships and take opportunities to participate positively. Keep the values of our school and lake going, "Soar like Eagles", Maraetai.

Chyanne Hemara and Troy Winikerei
Proud Lake Maraetai members 09 – 13

MJo: Our tutor consists of Fashion designers, artists, musicians, sports people and future leaders. The first big event of the year was Athletics and MJO certainly did themselves and our lake proud with the results they gained. Although we are sad to lose our lovely Year 13's at the end of the year, Laura, David and Adam, we are looking forward to gaining some new year 9's in 2014 and continuing to be marvelous.

MLv: It has been another great year in MLv. We have had some of our students do very well in their sporting endeavors and produce some great academic results as well. I would like to thank every member of MLv for the great year. It is always a great atmosphere for students to come into at the start of every day. I look forward to next year and to the great achievements that we shall have next year as a tutor and as part of Maraetai!

MMg: It has been another full on year, with many opportunities for our tutor class students to become involved in the life of Maraetai and shine for all to see. I would personally like to say a big "kia ora" to present and past students of MMg for this year and all that you have been through. Well done and may I encourage you to do your best and especially enjoy school and what it has to offer while you strive to achieve your dreams and aspirations. Many thanks and God bless. Mr Matenga

MOI: It has been another great year in MOI and as always, it has been a pleasure being a part of our small class. Our new Year 9s have settled in well and are showing great potential for

our lake. As we say goodbye to our Year 13's, I would like to thank them on behalf of MOI for their leadership, support and excellent humour over the past five years. We will have nobody asking us what we had for dinner last night in the mornings now - as Strickland moves on. All the best for the future guys, I have no doubts you will make FVHS and MOI proud.

MPs: 2013, what a year! Firstly I would like to thank Ms Umaki for looking after our tutor in Term One. We truly appreciated her efforts and dedication to our tutor during Athletics and Lake Day. To MPs, thank you for being patient and flexible. You have made the transition back into tutor a smooth one. Have an awesome Christmas and a Happy New Year, Ms Potoru.

MTs: from the North, South, East and West, everyone knows that we're the best. We've passed the test and beat the rest, that's why we are MTS! Good luck to Stephen and Billy.

Assistant Dean's Message

Maraetai has again made us all very proud despite our small numbers this year. It has been amazing to see some excellent leaders develop among the senior year levels through peer support and things look promising for the future. A huge thanks to Troy and Chyanne who have been outstanding Lake Leaders this year. I hope they have inspired some younger leaders to step up into these big shoes! We may not have won many events this year, but I have been extremely proud of the way we all support each other and give it our all. Congratulations on a great year Maraetai!

Dean's Message

It is hard to believe that another year has passed us by and we have seen another lot of students come and go. The year has been unbelievably busy, packed with sporting and cultural activities as well as Production and Drama shows in which students from Maraetai, have all been well represented.

Chyanne Hemara and Troy Winikerei, our Lake Leaders, have ably led lake activities and Lake Council. They have been exceptional leaders and are to be congratulated for their contribution and commitment to our Lake.

Year 13 Camp was very successful with students reflecting on their efforts in 2012 and setting goals for 2013 and their futures. Our Year 9 students joined us at camp on the last day and our Lake Leaders ran the activities. It was an enjoyable and productive time, packed with challenging activities and the opportunity for students to test their problem solving and co-operative skills.

Of course none of this would be possible without a dedicated team of tutors and support staff. Thank you to Miss Olsen in her role as assistant Dean and everyone else for their contribution. Building positive relationships has been the key to a united and cohesive approach to assisting our young people to excel. To all of our Year 13's and any other students who may be moving into further learning opportunities or leaving, we wish you all the best for your futures. Remember that learning is a life long journey and you are about to embark on the next part of yours. Be proud of where you have come from.

He nui maunga e kore e taea te whakaneke, he nui ngaru moana ma te ihu o te waka wahi.

A great mountain cannot be moved, a giant wave can be broken by the canoe's prow.

Don't give up easily all things are possible with perseverance.

Ohakuri Lake

A message from the Dean

Mrs R Sommerville

It was pretty amazing that Ohakuri (OHA) won the Inter-Lake Competition for the second year in a row in 2012. It was going to be a big ask to do it again this year but we have tried and that is the most important thing.

Many of our OHA students have done well in academic, sporting and cultural activities and have shown the importance of the RAP values. OHA's goal is to try and have all our students applying the RAP values and we are proud of the students who achieve our Ohakuri RAP Awards in Term 4. 64% of our OHA students have been involved in sporting and /or cultural activities this year – a pleasing increase from 2012. Well done to those students who participated and gave their best in Athletics, Swimming and Cross Country.

Thank you to our Lake Leaders, our Lake Council and Peer support Leaders for their involvement and commitment in helping OHA be successful. In February the Year 13's were at Totara Springs Camp working positively together to accomplish a range of challenges and begin thinking about their goals for the year. The Year 9 students all came out for a day to spend time with their Lake Leaders. Building the rafts and the race down the river was certainly challenging this year.

Our Inter-Tutor competition is made up of wide range of activities. It looks like OWk may be in the lead but well done to ORi and OPa for their efforts in the Softball, OBa in Attendance, OTm in Junior Merits and OHa for trying.

We were thrilled to see Tullia Pye, as Year 13 Dux, and Hayley Gibson as Year 9 Dux, last year included Ruth and Dusky for being there every year since Year 9. Congratulations to our students who were invited to Principal's morning tea for having excellent Mid-Year reports (including Ruth & Dusky who have been invited for 5 years!) and to those who have won Sporting and Cultural Awards this year.

To our Year 2009 OHA survivors (18 of our original 41) - Ruth, Nicole, Dylan, Doug, Caitlyn, Ashley, Mitchell, Sam, Jacob, Ebony, Joedyn, Michaela, Rob, Jess, Ryan, Anika, Dusky, Sarah, and Natasha and Miri who joined us later. You've made great friendships, had fun times and not so fun times and will take with you many lifelong memories.

Thank you to Mr Bannister for his contribution as Assistant Dean, our OHA Tutors, Teachers and Support Staff for your support.

To all Ohakuri students leaving FVHS – Best wishes for a happy, successful future. Always believe in your dreams and aim high - you can all be whoever you want to be. Haere ra.

Ohakuri Lake Leaders

Leonie Nugroho and Western Wilson

Ohakuri has had another great year. Thank you to everyone in our lake who aimed to achieve and participated positively. Because of all our effort we won Cross Country and got Runners up in Athletics and Swimming Sports.

Near the start of the year an afternoon tutor softball competition was a joy. Well done to tutors; ORi and OPa for being top of the table. When it was too cold and wet to be outside, Multisports was the highlight of afternoon tutor. Each week two tutors faced each other in multiple sports, including; Basketball, Football, Handball, Netball and Turbo Touch.

This year a group of Peer Support leaders welcomed our new Year 9's and helped them feel comfortable starting their high school journey. Sessions involving games and quizzes got students going to class with a smile. We hope to continue this stepping stone for future years to come.

Our Lake Day was food-tastic. Sausages, steak sandwiches, cupcakes, popcorn and fudge were on high demand and it helped our funds as well.

Thank you to the wonderful members of the Lake Council who helped with the lunchtime rush, to the friendly Peer Support Leaders and Tutors. But a special thanks on behalf of Ohakuri to Mrs Sommerville and Mr Bannister. We really appreciate their organising of events, which allowed them to run smoothly. You held the lake together and made it another great year to be a part of Ohakuri. It has been a pleasure working with you!

Best wishes to all our OHA Students, and to our Year 13's who are moving on to live their lives after school. Good luck to our 2014 Lake Leaders! Let's make it another good year. Bring on 2014.

OBa: This year we had two year 9 students join us, Amber and Jurekah. They participated in peer-support activities with Year 13 leaders to make an easy transition to high school. We will have four Year 13 students leaving us who have been in our tutor for 5 years now, Douglas Gordon, Dylan Downes, Ruth Clarke and Nicole Durie. Good Luck to these students for their future adventures.

OHa: Our Tutor group is always talking, loud, relaxed and laughing. We all get along well and Mr Haines is always looking out for us and willing to help us with anything. We would like to say goodbye to our Year 13's after 5 years and wish them all the best. Good luck to all returning or leaving. Thanks for making this a great Tutor year OHa.

OPa: Is the best tutor group to be a part of; we have a lake leader in our tutor showing we are a tutor full of hard workers. We dominate the inter-tutor sports because our tutor group works well together. Over this year it has been really good, although boring sometimes our tutor always has this spark that keeps you coming back, I hope we get more Ice Blocks next year!

ORi: We welcomed Havary and Tony as our new Year 9's and midway through the year welcomed back Ethan after his time in the workforce. The highlight of our year was winning the Inter-Tutor group Softball competition. Everyone got involved and the Tutor spirit was high. At the end of this year we will say farewell to Michaela, Jessica, Ryan and Rob and we wish them well for the future.

OTm: (On The Money) 2013 saw the introduction of a new, fresh tutor group to Ohakauri. What was known as OWi was rebranded and moved (and did they moan!) to C16. We started the year with the introduction of Tahnee, Jason, Elise, Mereana and Sarah as our Year 9's and as the year draws to an end we get ready to farewell our Year 13's Dusky, Anika and Miri as they start a new chapter in their lives. To all my tutor I remind you to live by the OTm principle (On The Money) and you won't go wrong!

OWk: Our Tutor has once again been awesome this year as we welcomed our new Year 9 students and are sad to say goodbye to our year 13 students. Sarah and Natasha, who have been with us for five years, we wish you all the luck for the future! Thanks to our amazing tutor teacher, Mrs Walker for supporting and amusing us throughout the year! You are the best tutor teacher in the whole of Forest View High! Our tutor is by far the best in the school and most of us get along pretty well. Good luck for next year guys!!

Whakamaru Lake

This year was an exciting one. It was especially gratifying to be a part of the Year 9's growth in confidence in the FV environment. Getting to know the personalities and talents in our Lake was amazing. Being able to put our own spin on our Lake, by sharing our ideas in Lake Council and being able to put it all into play, was awesome. We wish all our Year 13 students all the best for the future.

Remember:

- Our solid gold Lake Day with Killer Karaoke. Who could sing best & survive being iced, pegged, snapped with rubber bands, spaghetti'd, and have fat-bottomed girls dance around you? Taina Nicholas & Bruce Nguyen!
- BBall, netball, dodgeball, 4 square, cards & enjoying the sunshine on Friday afternoon tutor times.
- Our lake sausage sizzle. Multi-sports on Tuesday mornings.
- The Y9 Big Day Out - being blindfolded, balancing on the obstacle course, climbing the wall and floating the raft to victory!
- Peer Support sessions-especially watching Tyrone Charlie & Lucky Uerata stuff chocolate in their mouths during the chocolate game!
- Taina Nicholas, Celina Hall, our wonderful Tutors and staff: Thanks-You're all so golden!

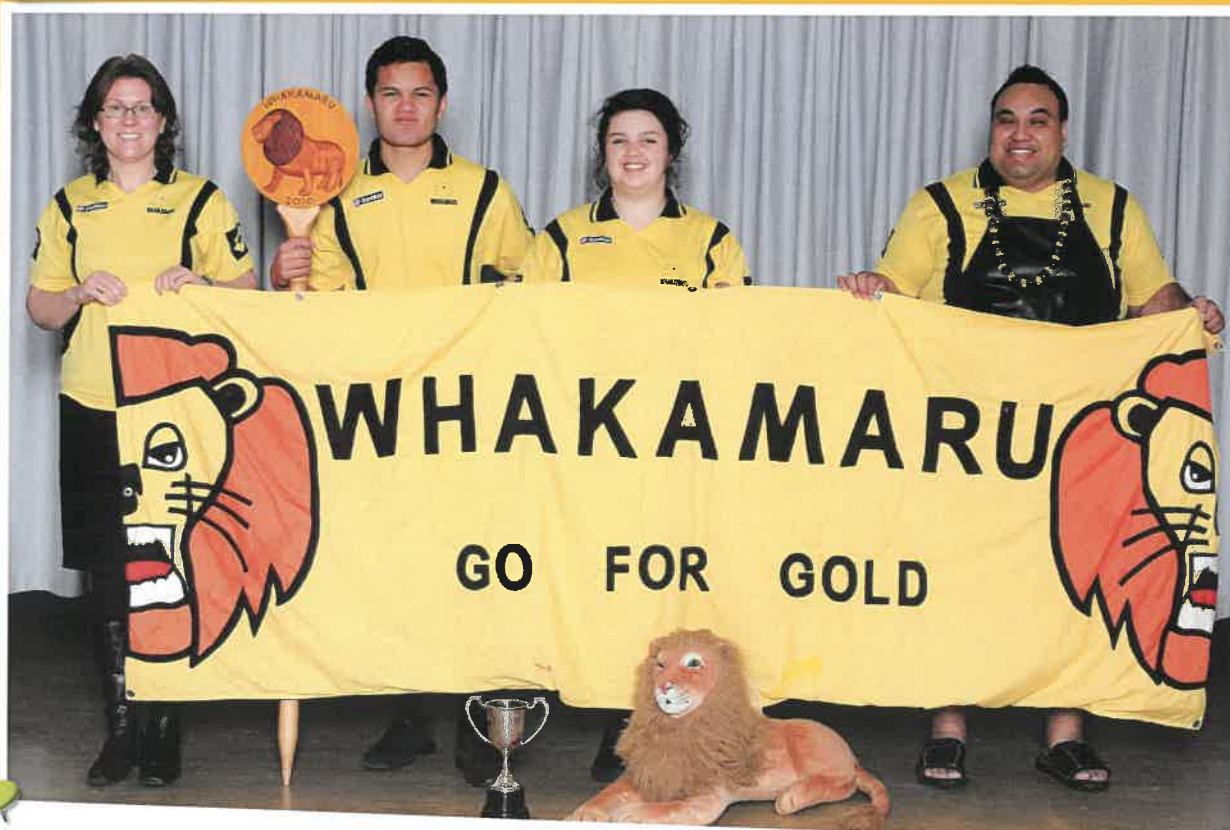

Thank you all for a great year! Go for Gold!

YEAR 9 CAMP

Rope swinging, blind walking, obstacle courses and raft building. There were just some of the fun activities Year 9s did on the Big Day Out at Totara Springs in Term 1.

The day started out by having the students split into their Lake groups and being led by our lake leaders. One of the hardest activities was climbing over the wall. We really had to work as a team to get our entire group over without injury or embarrassment.

We had the most fun having a raft race against each lake. We had to create a raft out of tyres, wood and rope. Then we actually floated the raft and kicked and splashed it down the river. There was trouble when the raft came apart and we ended up in 2 or 3 pieces floating away. Then we carried the raft back overland so we could do it all over again with other members of our lake.

It was a great day. The best part was getting to know all the leaders, and all the students in our lake. It was an awesome start to the year.

Kiri Jessop

YEAR 12 CAMP

Everyone piled onto the buses, half asleep but eager to go; rolls were called and off we went. Excited chatter filled the buses, on our way to Auckland

One of the bus drivers had only two songs on his CD that was on repeat the whole way there, pumping 'Young, Free and Single', I'm sure we all know every word against our will.

We arrived at the zoo and had to wait for the other bus that had got lost. We had an awesome time at the zoo, despite the drizzle. Then it was off to the Wave pools, and we finally got to the Hostel at 9.30 p.m. and unloaded the buses in the dark. We settled in our rooms, which were lined with bunks, resting up for the busy day that followed.

The next day we got up at 7.30 and not long after that we went on our careers visits. That evening we went to Paradise Ice Skating Rink - some of us were naturals and skated round with ease, but as for the rest of us, who were clinging to the wall - well, we embarrassed ourselves with our inability to stand for long.

The next day was jam packed full of things we embarked on: our interest visits, some of us going to Maori Television and Eden Park. That afternoon we all met Mrs Gibbons at

the mall and were sent off in groups for an Amazing Race around Auckland - having to navigate ourselves on ferries, buses and trains, an exciting way to see the sights of Auckland. That night we all went to the movie theatres and got to watch some hilarious movies. The final day of our camp, we cleaned the hostel, in record time, in the hope of getting to Rainbow's End faster. It was a boatload of fun and bonding - one I highly recommend it to any future Year 12's.

Celina Hall

SPIRIT OF NEW ZEALAND – TAKING UP A CHALLENGE

Inspiration voyages are run by the Spirit of Adventure Trust for physically challenged young people like me! I have mild cerebral palsy and I spent 5 days on the Spirit of NZ, thanks to Tokoroa Lions Club.

On the first day I flew to Wellington from Hamilton – my first time on a plane. On arrival, I got to know everyone else - 42 others on board –and we had our Safety instructions. That night we spent in Wellington, sleeping in bunk beds, 12 to a room.

On Day 2 we started to learn about sailing as we helped to sail from Wellington to Marlborough Sounds where we spent most of the voyage. On the third day I took the opportunity to climb to the top of the mast. On the way up, there are three platforms, before reaching the fourth & top! (see photo)

Not all our time was spent at sea.

On the fourth day, we rowed the 3 big kayaks to the beach. We had lunch there too and played some games.

On the final day we sailed back to Wellington Harbour, seeing dolphins on the way. The captain said that we could go for a swim, using a swing from the 2nd sail to drop into the water. We landed in water that was too deep to see the bottom or touch the bottom (but we had life jackets on). It marked the end of a great trip.

Things I remember

- Swimming.
- The food.
- The people in charge were nice
- Getting on with other people
- Jumping off the ship into deep water
- Climbing to the top of the rigging
- Seeing the Marlborough Sounds

Thank you to Tokoroa Lions for this opportunity.

Amber Pihama

ACADEMIC EXCHANGE

Twenty-five students travelled to Rotorua Lakes High to compete for the trophy. The topic was Pollution - Causes and Solutions. Our team explored water, air & land pollution but also the pollution of the mind.

The final performance incorporated all areas of learning: Science, Maths, ICT, Art, Music, Dance & Drama. It portrayed a story of a boy doing his homework on pollution and as he researched different internet sites, different pieces of the group's information were presented. Selina

Clarke was a stand-out leader who coordinated the whole process.

Everything was going to plan until we discovered that our Apple Computer was not compatible with their projector system. We lost by only half a mark.

However, we really enjoyed the sharing of talents and learning new knowledge.

LIBRARY NEWS

2013 has been a time of change in the way we can read books in the Library. As our school embraces BYOD (bring your own device) e-books were made available for our students and staff to issue and read on their own devices. Building up the e-collection will continue be an on-going process.

The Library has i-pads that are accessible to students to use during lesson time are proving to be increasingly popular.

At lunch times and intervals the Library is the place to be. Games and

computers are both available. Book club has a steady following on a Friday Lunchtime, the combination of eating and reading a draw card.

This year we say goodbye to our year 13 Librarians Amber and Rumbi.

Thanks for the help and laughs that we have had over the last 5 years and we wish you both well for your future.

Celina, Sam, Mikaela, Cameron and Tegan see you again next year!

Mrs Coffin and Mrs Stowers

Back Row: Mrs L Coffin, (Librarian), Cameron Pearce, David Murray, Tegan-Maree Shewry, Celina Hall, Mrs L Stowers, (Library Assistant)

Front Row: Drew Leaf-Dobbs, Rumbie Mafi, Sam Wills, Amber Pihama, Zara Morgan

FPS – FUTURE PROBLEM SOLVING

The topics for FPS this year were: Culture of Celebrity, Robotic Age and Megacities.

Students developed critical thinking strategies such as 'free-wheeling' to create imaginative ideas and 'hitch-hiking' on each other's information to devise inventive solutions. Participants were: Kiri Jessop, Tony Nugroho, Dong

Mei Lim, Amber Mahi, Bostyn Stothers, Adam Meredith, Liam Van der Putten, Keegan Hall, David Murray, Britney Ward, Madison Clarke, Kathleen Taylor, Eli Togia, Stacia Storer-Tilby, Kathaleen Te Hiko, Hayley Gibson, Nick Shewry,

Billie Vi, Maddi Dahm, Elise Parker and Nav Kaur.

Visitors to the Library, during FPS sessions, could hear the brains whirring and imaginations whizzing! Thanks for your enthusiasm and effort FPSers!

AGRICULTURE

Fencing days, the National Fieldays at Mystery Creek, tractors, motorbikes, the Get Ahead Day at Karapiro, Teen Ag competition and Inter-schools Skills Day

It has been a very busy year for the Agriculture Academy at Forest View. Opportunities were also taken with the Gateway programme and a number have gained employment as a result. We are very grateful to the significant sponsorship by Tokoroa Host Lions Club with proceeds from their "Raise a Calf" Scheme.

Caitlin Bridson and Rachel Durie competed well in the TeenAg National competition in Auckland in May. They were tested on a wide variety of farming skills and knowledge.

Of special note this year has been the sad passing of Adolph Mathis who has helped so many of our students over

a lot of years. The support given to the family by the Agriculture students has been appreciated.

**Mary-Ann Mathis,
TIC Agriculture**

Principal's Note: Adolph has made a huge contribution to Forest View High School – as a parent and especially, supporting his wife Mary-Ann in the development of Agricultural knowledge and skills amongst our young people. The School has lost a generous and loyal supporter and friend.

Back Row: Ella Livingston, Ethan Morris-Stevens, Amber Pihama, Jaylene Thoms
2nd Row: Ryan Livingston, Richard Malcolm, Dillin Blackburn, Caitlin Bridson, Larissa Davis, Cole Follas
Front Row: Jayden Smith, MaryAnn Mathis, (Teacher), Campbell Evans, Lauretta Karl, (Teacher), Jayme Walker
Absent: Jon-Paul Jackson, Zara Morgan, Amien Davies

BIOLOGY – YEAR 12 FIELD TRIP

At 8.15am 26 students headed off on Tuesday 17th September, with Mr Haines driving the bus, and Miss Mainland supervising the trip. Mr Ferguson saw us off, which was great.

Mrs Hughes couldn't come as planned, as she had a bung ear!! Ha had the AC cranked up, freezing us to death, but he explained that it would help us get prepared for the cold at the beach... really thoughtful of him... not! Had a quick trip, with time for a pit-stop at the loos before heading round the Mount to our sampling site.

After finding appropriate rocks for each group, students began sampling and recording data. Mrs Deuschle arrived to help offer support, with Miss Horsfall arriving a short time later – thank you both for coming to help on the day.

Courtney nearly got dragged out to sea by a giant octopus... not... but one cute little brown octopus did nearly touch her foot, before swimming away into a rock pool deep under a rock... One group found giant bright orange "snot bubbles" under the rock they sampled (golf ball sponges). We also

found the biggest starfish we had ever seen (Miss Mainland has been doing this trip for 19 years and had never seen one like it before). It was an amazing purple/mauve colour and was at least 60cm across, and it was chasing a crab for its dinner.

The weather wasn't the best – overcast and quite breezy. The sampling/data collecting took us until 1pm to complete, and then we headed off to Bayfair for an hour to have lunch and a wee browse of the shops before heading back to Tokoroa. Caitlin/Kaitlyn bought dresses and Miss Mainland bought a bum birthday card for her brother... It was a good trip home, with plenty of food, drinks and lollies to enjoy....

A great day for a field trip, with plenty of written work/reports to complete in the following week!

MATHS WEEK

What has Marilyn Monroe got to do with Maths??? Elvis Presley? Harry Potter?

The Math Department, under Curriculum leader Sandra Umaki, decided on the theme of Hollywood for the week, and the daily tutor competitions and staff competitions related to the theme. The Maths classrooms were decorated flamboyantly in theme and arrivals to the school or staffroom encountered

amazing displays.

The week culminated in a day on which students worked in small groups to solve Mathematical challenges around the school and staff dressed as Hollywood stars. Mrs Stokes decided her hair was already platinum blonde and that Marilyn was just the girl for her!

GATEWAY

It has been a busy year for Gateway at FVHS with over 50 students having placements this year.

The Gateway programme is designed to strengthen pathways for secondary students to further education and training for employment. It supports students to undertake learning and assessments in the workplace.

The range of placement opportunities has grown each year and this year included health, engineering, hairdressing, fashion design, building and construction, teaching, agriculture,

beauty, sports, hospitality, sound and lighting, electrical, plumbing, defence forces, floristry, animal care and media.

Thank you to the Tokoroa Business community for supporting Gateway at Forest View High School, to Andy MacDonald for running the BCITO programme in school, to Mary-Ann Mathis for our Agriculture programme and to Cath O'Connell - our hardworking cluster co-ordinator.

OUTDOOR EDUCATION

Outdoor Education classes got off to a slow start this year as all of the local pine forest was out of bounds a result of a ban due to high fire risk. The Navigation exercises had to be put on hold.

However the kayaking was not affected by this, and after a few lessons investigating the theory of kayaking and risk management/safety, a great day was enjoyed by both the Level 2 and Level 3 students on Lake Taupo.

Skiing and snowboarding on the slopes of Mount Ruapehu with an overnight stay at the National Park village, was next on the agenda. Two

days of practice and assessment followed and although the weather was not the best, everyone came back in one piece and with a few stories to tell.

The latest trip to Taupo saw many of the students dangling in thin air at the High Ropes course just outside of Taupo - this challenged many and taught some of the group how to face

their fears and overcome them. Trust is a big thing when your mate is on the other end of a rope that is the only thing that is going to stop you hitting the ground 10 or 15 meters below, should you slip.

Next year, we hope to continue with the same activities and are looking to add mountain biking and Bushcraft to the experiences on offer

GRAPHICS AND TECHNOLOGY

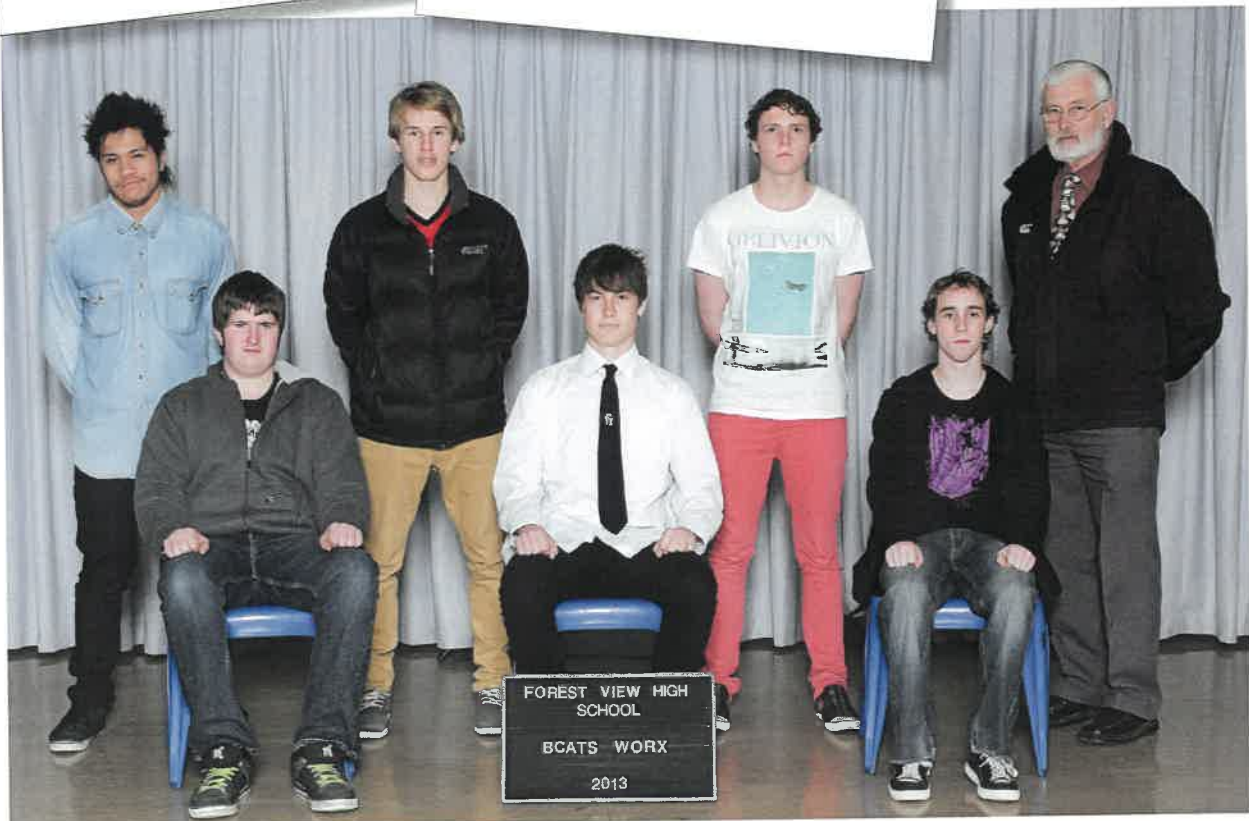

This department continues to evolve with time. The essence of technology is to adapt to change in the environment and society.

As technology continues to change, this department is focused on satisfying the needs of the students and the employment environment. This department aims to provide the skills and knowledge required for the industrial environment and has a close association with Tertiary Institutions.

The courses all offer a practical approach and outcome. Courses include Automotive , Building Construction, Graphics and Building Worx, along with Mechanical Engineering with some Electronics. Each context is student driven and the skills are taught to the suit students' needs for the development of their project.

BCATS

Back Row: Bradley Wirihana, David Wright, Adam Lemme, Mr A MacDonald, (Teacher)
Front Row: Samuel Nield, Mitchell Barber, Nathan Gibson

AUTOMOTIVE

Forest View High School has been operating its own Auto Shop since 1997.

It is a fully accredited MITO (Motor Industry Training Organization) and delivers all Level One and Two /Unit Standards. We are also NZQA registered. The workshop is run as a full year's programme giving students from Year 11 - 13 the chance to work on a range of engines and cars, and develop skills to gain Unit Standards for the trade.

The activities of the Auto shop involve the stripped down, measured and then reassembling of engines that must start and run correctly to gain a pass. The activities undertaken in the course enables the students to experience working with hand tools and equipment use in this trade..

The use of the workshop and classroom combination has enabled the students to do their theory as well as practical. This has made the explaining of theory on how engines work or operate a lot easier to teach as well as for them to understand how they work.

The Automotive Industry is developing at a fast rate through the advancements in Technology, so the opportunities for specialized fields are many -the aim of the Auto Shop is to help foster top quality Automotive Mechanics, and Engineers in any of the automotive fields.

ICT

There have been a lot of changes this year in our Department.

After many years Mrs Williamson has stepped down as Head of Department and Mrs Walker has taken over the role. I would like to take this opportunity to thank Mrs Williamson for her years of hard work and dedication.

We introduced a Digital Information Technology Level 2 and a Computer Hardware and Software course. We also had our inaugural Digital Technology week to promote the use of technology.

The majority of our senior students have completed or are nearing their completion of a National Certificate in either Computing or Business Administration and Computing.

In 2014 we plan to introduce Level 3 Digital Information Technology and Computer Hardware and Software to keep building on the subjects that we can offer our students to study, both of these courses are approved subjects for University Entrance.

SENIOR PE

Senior PE has once again had a successful year in FVHS.

With a large number of students coming through the facilities each week, it has been rewarding to be able to offer them full use of the brand new gym once again. The Year 13 PE class has had a busy year - training for the Rotorua Tough Guy and Tough Gal Event (mud run) which they completed while enduring a massive hailstorm. The class had an excellent time and were overall very successful in the event.

The Year 12 and 11 classes have been busy throughout the year with internals and practical assessments. The Year 12's have been coaching Year 9 Volleyball, as well as creating a number of Get up and Go events for students to participate in. A great year all-round.

SCRAPHEAP CHALLENGE

Forest View High School has been involved in the Waiariki Technology Campus and the South Waikato Trades Training Centre Scrapheap Challenge.

This Scrapheap Challenge is similar to the TV Scrapheap - where the teams of three have to find scrap material to design and build a winning design.

The whole game was designed to give students the chance to experience a freedom of design and build a product that will catch the eye of the umpire. The winning team receives a crafted trophy that was sculpted by local Tokoroa Sculptor.

The competition against Tokoroa High School, Putaruru High School and the South Waikato Trades Training Centre has created some lively interaction and fun, making it a day that all students and teachers will remember for a long time.

WOOD PROCESSING

This Year saw the introduction of a Partnership programme developed between New Zealand Primary Industries, Carter Holt Harvey and Forest View High School.

This programme was to give students the experience of working in the industrial environment. The Partnership allowed for students to experience the work environment at CHH Plywood Factory.

The students went through the complete employment Health and Safety procedures including drug testing, H&S induction course followed by ten visits. On each visit the students worked at different work stations and got first -hand experience of what employment was about.

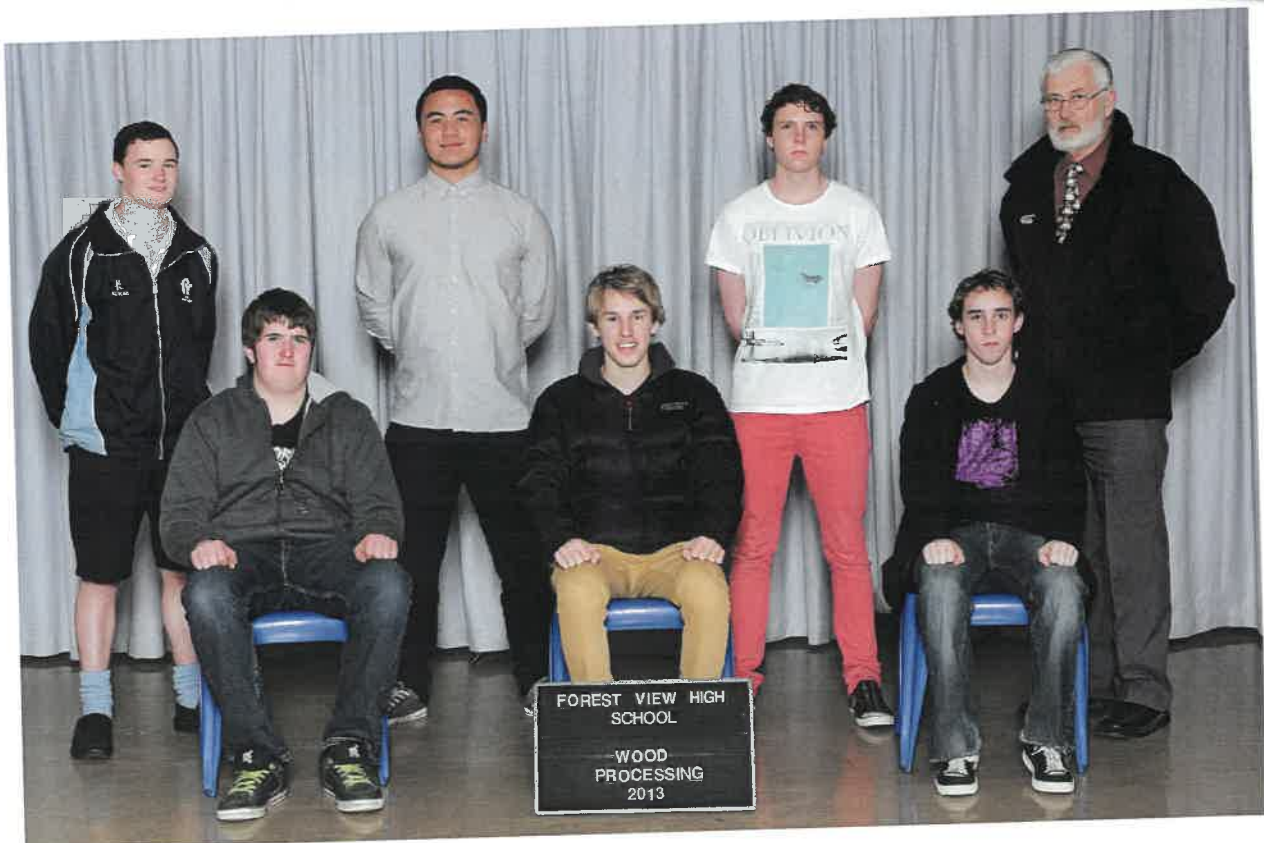

The students were exposed to the industry expectations and worked alongside experienced process workers. They were also given lectures on the processes required to work in the Wood Processing Industry. As well as the lectures given at the Plywood Factory, students were given Unit Standard work which is credited against their Level Two NCEA. There

were valuable lessons learnt about Time Management and Expectations in the Work Place.

There were a few teething problems at the beginning of the course, but these were rectified as time progressed.

Our thanks go to Carter Holt Harvey Plywood Factory at Kinleith for working with us and putting together a worthwhile programme. To the Ground Floor workers who treated the students as work mates - this was appreciated by the students and they acknowledge your expertise and time, thank you.

We look forward to developing the programme further and giving our students a true life experience.

TE PIRINGATAHI KAPA HAKA 2013

2013 has been a hectic year where we have made massive accomplishments within our group. Our year began with meeting and nurturing our Year 9 students and new comers. The existing members have shown amazing leadership and guidance as we entered into the busiest and by far most intense part of our year.

The Tainui Secondary School Regionals were held at Hamilton Boys High School where we took the stage by storm. The preparation leading up to this event was massive from parent consultations to hours of practice and fine tuning of our performance. The support that we had from whanau and community was overwhelming. To see the students on the stage performing with their heart and souls out for all to see was nothing more than breath taking.

We managed to get new traditional kaakahu which we placed 3rd for at the Regionals. It is such a huge accomplishment that we were able to purchase these and wow do our students look amazing in them! Tony designed the pattern and created a medium between the original design incorporating new and future

aspirations for our group. They are truly stunning and when worn, show the co-operation of many hands that helped to sew them.

A special mention goes to Taina Nicholas who has been our Kaitataki Tane for the past 4 years. He is an amazing young man who leads our group strong and convincingly every time. His ability to enhance his performance has been awesome.

It is with great sadness that we farewell some amazing young people who have made everlasting impressions on our group. Chyanne Hemara - our Kaitataki Wahine for 2013, an amazing young lady who shows tenacity and great leadership in many situations. She has been a strength within our group and what a stunning performer, truly inspirational to others.

Ebony Haare has shown compassion and commitment throughout the years she has been involved. Her patience and perseverance has helped her to shape members of our group into great performers.

Troy Winikerei, a young man who shows commitment and continued growth in his performances. He brings his A game every performance.

Elaih Winikerei, A young man who brings a caring and humorous approach to the group. He is supportive of other members and brings the warrior out when performing.

Wiremu Johnstone, a long standing member who has truly grown into a fierce performer. His initiative to lead and challenge himself has been so pleasing to see. To all of our leavers we wish you well for your futures and thank you for your contributions to Te Piringatahi. Your footprints will be forever remembered within the TP whanau.

Back Row: Tayla Jenkins, Maire Toka, Kiri Jessop, Sharelle Waddell, Anisha Te Hiko, Jaylene Thoms

3rd Row: Ariana Ainsley, Ebony-Leigh Haare, Camryn Nicholas, Shavaughan Uerata, Tutewhenua Taylor-Tupaea, Wiremu Johnstone, Bocky Blackburn

2nd Row: Rachel Toy, (Teacher In Charge), Tara Kemp, Sasha Te Whare, Elaih Winikerei, Troy Winikerei, Taini Taylor-Tupaea, Brittany Waddell, Tony Mihaere, (Tutor)

Front Row: Bonnie Te Miha, Jayme Walker, Taina Nicholas, Chyanne Hemara, Zac-Owen Solomon, Dillin Blackburn, Nakita Burich

Absent: Jahmin Kawhena, Jacobie Wheeler, Cairo Samson

POLINETIA FA'ATASI

Polinetia Fa'atasi remains a committed group to educating young people on the traditions of Pasifika cultures at Forest View through song, dance and drama.

We were placed an awesome 2nd place at the annual Waikato/Bay of Plenty Pasifika by Nature competition and also picked up the Best Musicianship trophy for the first time which was a huge accomplishment. The many nights of practises were endless and the preparation of all the costumes showed real team spirit. We saw many students shine as singers and soloists, many not of Pacific heritage, it was wonderful seeing them indulge in our cultures. No one could forget Teao's shining moment on stage either.

Combining with our school's Kapa Haka group was a great experience, putting together a multi-cultural performance for the opening of the MMA event in Tokoroa. It was a true gathering that displayed our school values of Respectful relationships, Aim to achieve and Positive participation.

On December 7th 2013, 40 of us will be flying to Sydney, Australia to board a P & O cruise sailing around the South Pacific.

While in Sydney for three days, we will be performing for the Tokoroa community now residing in Sydney. We will then sail for eleven days to Noumea, New Caledonia, Vanuatu, Mare Island, Liufou Island and Isle of Pines - performing aboard the P & O cruise ship Pacific Pearl and enjoying the ship's luxuries. We are looking

forward to learning basic French and speaking it to the local people of these countries - hopefully it also reminds our young people of the importance of learning their own Pacific language and speaking this daily.

2013 has been another great year for our group, but we farewell a number of Year 13 students, most of who have been in our group for five years:

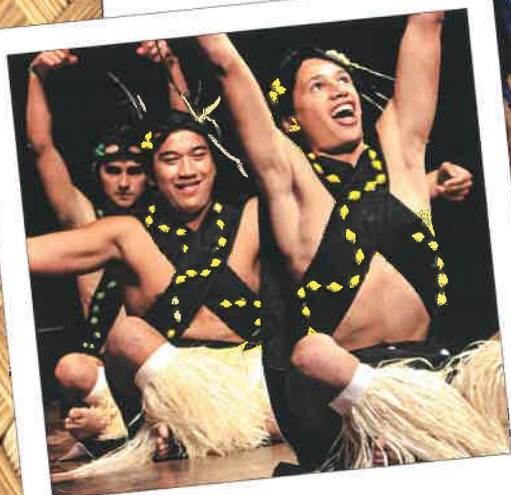

Edwin Sinclair, Truice Sinclair, Jessica McCloskey, Corben Brown, Tyrin Stuart, Jocelyn Paiti, Strickland Temiha-Gage, Pedro Alfaro, Joedyn Nathan-Tangihaere and Bradley Wirihana. We especially acknowledge Edwin, Jessica, Tyrin, Corben and Jocelyn for five years of service and commitment to the group. God bless you all, Year 13s and our best wishes for your future endeavours.

Yr 13 memorable Poly moments in Poly history

- Edwin- Poly jail in Brisbane for turning every ones air-con up to 39°... getting lost in Melbourne as a Year 9 student... probably gets the most growlings in history
- Tyrin- bleeding nose during the Tokelauan performance in PBN 2009, bows gracefully then exits...also gives Sebastian the chop during the BOT video commentary

- Truice- our new 'ka'ara' player and lead drummer winning best musicianship trophy, falls off his chair at the Kapas and Poly practise all we see is 'legs in the air'
- Jess- cried in her first ever Poly practise in 2009, transformed to a graceful! Samoan Taupou
- Jocelyn- a member of the search party angrily searching for Edwin, Sam and Patariki at Melbourne's Flinders Street train station
- Strickland- finally joined Poly (about time man!) TEEHHH
- Joedyn- the shyest dancer in the audition who was the most happiest when he made it jumping around all cray cray loi
- Pedro- our Costa Rican/Cook Islander who cracked up when Teao's Tongan skirt fell down
- Bradley- Energizer bunny who is always moving or dancing "sit still man" TEEHH
- Corben- only ever got one growling and was shocked when he got it.

To all students, tutors, staff, parents, steering committee, all who are involved in the success of this group, thank you, we could not do this without you. Kia manuia te Kiritimiti e te Mataiti ou.

Absent: Taijah Ratai

AFS INTERCULTURAL PROGRAMMES

This year Forest View has continued its long association with AFS.

Pedro Alfaro from Costa Rica.

Hi, I never thought about going on AFS but my Uncle gave me this opportunity, so I said yes. I didn't take time out of school because I finished school last year. This year was going to help me know what I was going to study when I go back. I'm going back on the 10th of January and know I want to be a Veterinarian.

When I arrived at the Auckland airport my Cook Island family was there with big welcome cards and leis to welcome me. I was not expecting that. That night more of my extended Cook Island family came to our house and put on a huge feed for me. They welcomed me in a traditional Cook Islands way with the drums and dancing, down our driveway. It was so cool, and very different. I went to school the second day of my arrival and people were very friendly and nice. I really enjoy being surrounded by people like that because in Costa Rica not everyone is nice.

At school in Costa Rica you are not allowed to choose your subjects, you have to take the subjects given. Here at FVHS we can choose our subjects and I think that's really cool.

At FVHS I have been part of a lot of extracurricular activities. I'm in the Outdoor Education class and I have been kayaking, snowboarding and tree planting. I was also in the First XI Soccer team. Our season is over and we came 2nd in our division. I'm also dancing in Polinetia Fa'atasi and we competed in the PBN competition in which we came 2nd and also got the Best Musician trophy too. Practices are hard, as I've never been a dancer, but I have learnt to do dances from Samoa, Tonga and the Cook Islands.

It is very hard to do, but in the end it looks and feels awesome. I am looking forward to travelling to Sydney and then sailing on a P & O cruise around the South Pacific with our Poly group. It's going to be awesome!

I have really enjoyed everything; I can't say anything bad about this country or this school. Celebrating my 18th birthday with my host brother Isaiah, who also had the same birthday as me, was cool and we had all our boys at our house.

I think I'm another person now, I have changed a lot. I have learnt how to be independent, because I don't have a maid here as I do back home. I've had to do a lot of things for the first time, like weeding the garden lol. I know 2 languages now, and my outlook on things is different. I can understand English easier now and I'm more mature than I was before.

Pascal Kristen from Germany.

Hi, I am 16 years old and I am have spent my exchange year here in New Zealand. I chose to go to another country because I wanted to experience another culture. Another reason was to improve my English since it's one of the most common languages in the world. I thought it might be a good idea for the future to be fluent in English.

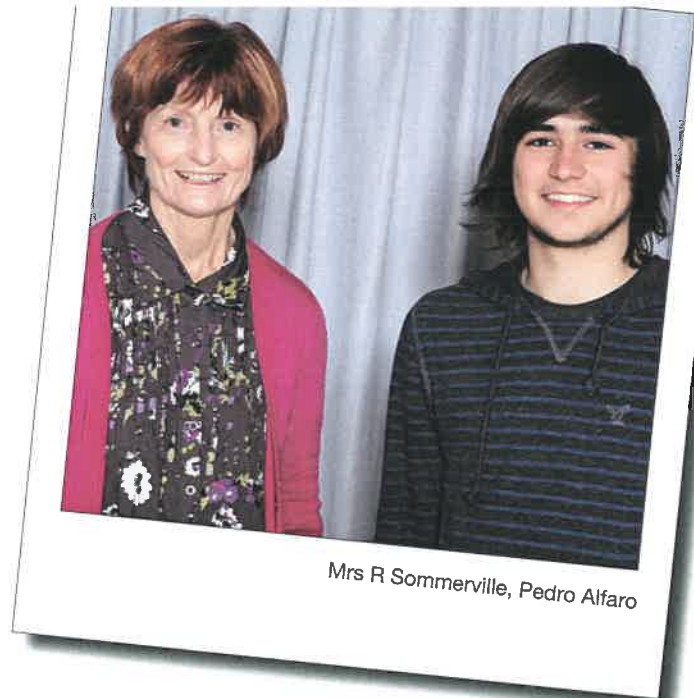

When I first arrived in NZ one of my biggest worries was that I wouldn't fit in the social community, that I wouldn't be able to find friends. Adjusting to the behaviour of New Zealand people was a major difficulty for me – for example,

participating in a new sport or cultural group. I had to learn to be more open for new stuff.

What I really like in New Zealand is that people have got an open mind for almost everything. They are interested in sharing their culture and getting to know other cultures.

Comparing FVHS to my school back in Germany you can see some big differences, starting with the number of students. FVHS has got 430 students and back in Germany in my school we had three times that many. FVHS has a lot to offer, with the cultural groups, the different sport teams, a rugby field, a soccer field, netball courts and a huge area around school. I really enjoyed the regionals and Kapahaka performances so far and all my rugby games. I enjoyed visiting Auckland at the Year 12 trip and visiting other near towns.

I participated in FVHS's 1st XV rugby team and Te Piringatahi Kapahaka group. I really enjoyed participating in both of those, because I learned a lot, not only about the sport or the culture but also about me and what I want to do with my future. Since FVHS is a small school compared to my old one in Germany I realised how it cares about each individual student at school. This made me want to change school in Germany to a smaller one.

Mrs R Sommerville, Pedro Alfaro

MISATO KITA TRIP

In September a group of six students and two teachers went to Japan for our annual exchange with Misato Kita High School, just outside Tokyo. The whole group stayed with different Japanese families for the first four days

and attended classes at the school. The next Ten days were spent touring Japan, visiting Tokyo, Kyoto, Hiroshima and Osaka. The students learned a lot about the Japanese culture, language and landscape. As well as making lots

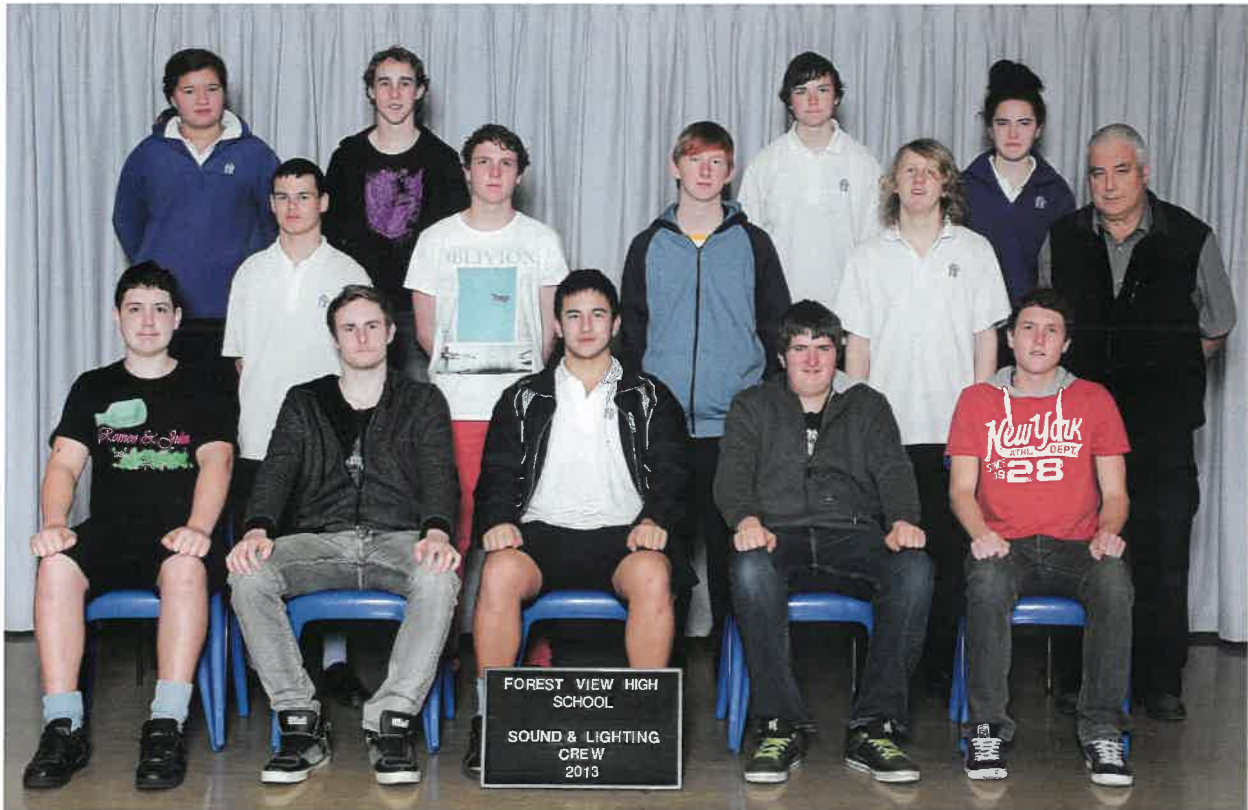

of new friends the whole group felt they had forged a strong bond with another country. We look forward to hosting students from Misato Kita here at Forest View next year.

LIGHTING & SOUND

The lighting and sound crew of Forest View High School is a group of students who throughout the year operate the lights, sound, video filming and design/build of different stage

settings for: Productions, socials, cultural and school events.

This is led by Mr Haines and is a stepping stone into a career in Lighting and Sound at events.

Back Row: Celina Heke, Nathan Gibson, Matthew Beban, Hinekura Green

DRAMA

Chicken, Goat, Nipper, Tiniwhakawaewae, Griff, Jowwii... these are just a few of the personalities that make drama a unique and engaging learning environment.

This year we have been lucky enough to have 3 drama classes, a Year 9 rotation, a half- year group of Year 10's and a full year Senior Drama class. Each group have embraced challenges - most recently a performance evening for the community. Our seniors have spent time work-shopping, not just their own performances, but working with primary school students to

introduce them to the wonderful world of drama.

They should be proud of all they have achieved this year, I know I am - Leadership; Creativity; Adventure; Journey; Pride; Fartss; Trust; Amazing; Family; Drama; Dapper; Conventions; Aroha; Blackout.

Ms Johansson

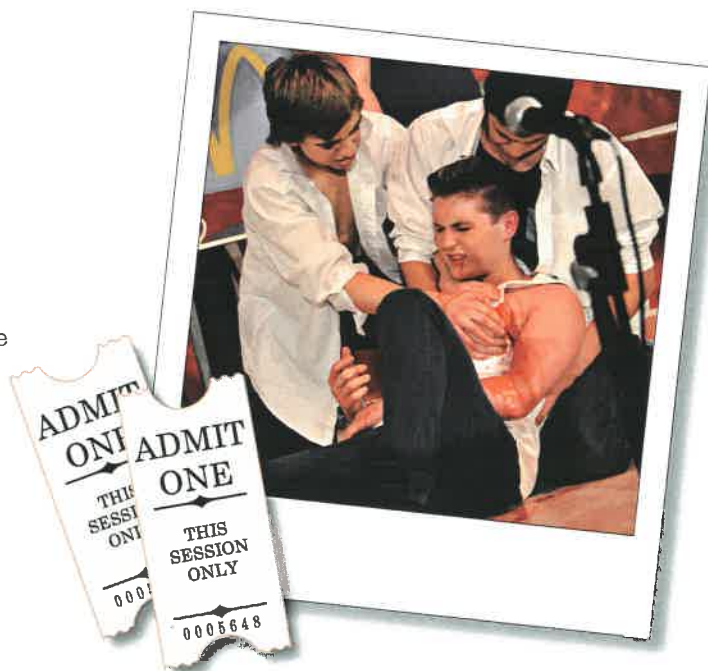

SCHOOL PRODUCTION

100+ students performing their version of Romeo & Juliet!

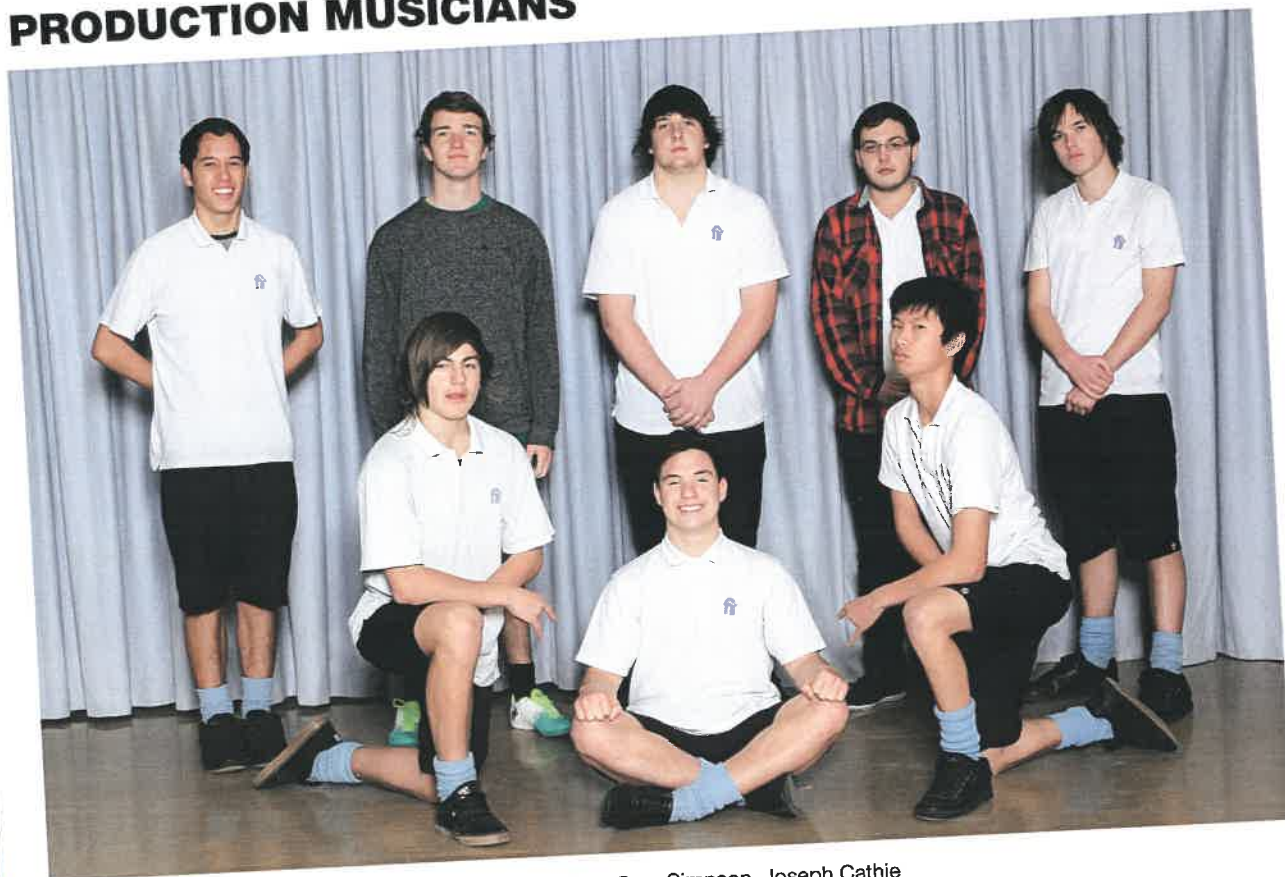

William Shakespeare wrote poetry; so does Miss Johansson!

Dear Shakespeare,
For production we borrowed your classic, R & J.
The students at Forest all had a say.
Hope you don't mind, we changed it a bit,
Added some Tok flavour- it was a hit!
We had so much talent, casting was tough
Dancers, Choir, & Band all knew their stuff
Courtney and Sasha played the love birds
So many lines to learn, too many words!
Everyone involved played their part - perfectly
(We are more talented than the cast of Glee.)
The teachers involved gave great advice
ES wanted it slick, WF always said something nice
Lights, camera, actions - it's time to hit the stage
We made a great show, fun for any age
After months of rehearsing, hard work and fun
Romeo & Juliet - Tok Style was done
Our audiences loved us, we had praise galore,
And even fan mail from schools(who we adore).
We added modern songs and lingo to your play
We hope you're like us and find this all okay.

**Regards,
Miss J -TIC Production**

SPORTS PRIZEGIVING 2013

Guest speaker at the Annual Forest View High School Sports Prizegiving, Damian Karauna, the New Zealand Sevens analyst, shared with the audience the tools and statistics used as the basis of player and team improvement in the Sevens team.

He had 3 simple messages for students and their supporters - sportspeople should focus on the little things that lead to improvement - if they were the best at the basics in their sport, they would be the best at the top level of their sport. He asked that those who gained representative honours remember the responsibilities that go with the status and finally he asked players to remember, with pride and respect, those who have played and excelled in the same position before them.

The Supreme Sportsperson of the Year

Award went to Sarah Young, for the second year in a row. Sarah is enjoying success at the highest level in NZ Equestrian sport.

ATHLETICS

Once again this year the school grounds were transformed from regular fields into an athletics arena for the annual athletics day.

Students donned various "interesting" outfits in order to support their lakes. The belly dancers proved a topic of conversation throughout the day, as did various other outfits, though not to take away from the excellent athletic performances also on display.

This year's athletics day was regarded as a great success with many records broken and close finishes. The highlight of the day as always was the relays, in particular the new "staff vs year 13" relay in which the staff were robbed of glory by match officials after a controversial baton change decision. A great day was had by all, and thanks must go to all staff involved, and the Lake Leaders who organised their lakes in an excellent manner.

Following school athletics day a team was chosen to represent the school at Mid Islands at Rotorua Lakes on March 7th.

We took the biggest team of any school as participation is an important part of our values and got some excellent results on a very windy day.

CROSS COUNTRY

As the weather got cooler it was time to start preparing for the annual cross country event at FVHS.

As has happened in recent years, we have altered the day to ensure our runners get the best out of the course, and those who were out for placing's did not let us down. The weather also held out and made for a great day. Those who were out to collect participation points for their lakes did just that and were extremely supportive of those who were running. After some very close racing, the winners were apparent. Congratulations to all those who placed in this event. Thank you to all staff that helped out, especially the PE Department, the Agriculture Academy and Mr McGovern who helped on the course.

SWIMMING SPORTS

A small but enthusiastic group headed to the pools for our annual swimming sports.

This event was in effect the finale for our Year 9 after their swimming module during term 2 and also gave our top swimmers the chance to showcase their talents. The efforts of some gave spectators an insight into how much work is needed to make it as a top level competitive swimmer.

Congratulations to all participants on their enthusiastic participation and well done to Lake Arapuni on winning the event.

WAITARA EXCHANGE

This year a new format was trialled for this exchange reducing it from 3 to 2 days. This meant we had to leave FV at 8.00 on Sunday morning and believe it or not, all 70 students were there on time.

The new format meant after a short powhiri we were into our first game. Mixed Hockey headed to the turf and Boys Football took to the field. Due to last minute injuries Leonie & Grace took turns filling in & the boys won 14 - 0.

Hockey returned after winning 7 - 1 and next was the Basketball Girls. This was a good team effort by the girls with Esther, Charnelle, Mikayla and Danni-Jane leading the way. Final score 37-22 to FV. The boys only had 6 players and when Bryce fouled out at the beginning of the second half the remaining five had to stay strong and not foul. Campbell, Isaac, Daniel, Robert and Jason did just that and won 47-21.

Monday morning the 'A' netball team made history after beating Waitara for the first time - in an exciting game winning 33-32 with excellent shooting by Camryn and Paige. The girl's football team looked great in their new strip and won their match 5-3.

With just the rugby left to win to complete a clean sweep, and the boys having lost the last two years, the pressure was on. After a very rousing and intense Haka by both teams, the battle was on. The boys completed the sweep with a 28-7 win.

At the farewell luncheon Waitara announced the following FV players of the day:

Boys Football - David Wright

Girls Football - Natasha Samson

Boys Basketball - Isaac Tiro

Girls Basketball - Esther Ahsin

Mixed Hockey - Matthew Shewry

A Netball - Paige Cuff

Rugby - O'Neil Zammit

We look forward to hosting Waitara here next year.

Denise Hein - Sports Co-ordinator

BASKETBALL

Back Row: Taini Taylor-Tupaea, Uma Takave

FOOTBALL - GIRLS

Overall the football teams have done well this year.

The Senior Girls' 1st XI were in Division 2 and ended up 3rd. We had a great year with the Y13's & we'll miss them heaps next year:

Nicole, Tash, Jessie, Sarah - you are stunning, gorgeous and beastly.

Grace - captain, you player of the year you, thanks for your leadership and commitment.

Paige - golden boot with more than 20 goals in a season!!!!

Maddi and Raelis - you were definitely the most improved- could you be related?

Christina - such an attacker.

Ashleigh - hip, hip, hip replacement!

Rachel - amazing dedication and attitude.

Leo - thanks for your all round contribution and effort.

Sharna - vetted out half way through & missed ya.

Many thanks to our coach, manager and many supporters.

FOOTBALL - SENIOR BOYS

The Senior Boys' 1st XI team was in Division 5 and ended up 2nd by only 2 points from Otorohanga.

The 1st XI Boys' had an up & down 2013. They had a first ever Knockout Cup win, 5-0, against Fairfield.

Star performers were all across the team - from our amazing goal keeper, Adam; to the rock hard defence of Reon and Simon; the creative mid-fielders, Western and Jade; and the deadly strike force of David, Richard and Jacob. Special thanks to Steve and Jayden for their time coaching. Thanks for an amazing year guys, and good luck for the rest of your footballing lives.

Dylan Knight

FOOTBALL - JUNIOR BOYS

The Junior Boys' team was in Division 4 and won the overall competition.

They were unbeaten over the season, scored 32 goals against the other teams and only let in 13 goals. They had 24 points and the next team (Te Aroha in 2nd place had 19 points.

Top of the Division IV. Seriously-did we need a coach? And did we really need to practice? We were top without losing a game! Many thanks to the dedicated parents who supported us all season!

Summeet (Panda) ; Isaac (Gilly); Brandon(Frodo); Amos (Ramos); Dylan (Beiber); Lloyd (Reon Junior); Trevor (Hillbilly); Tony (LOL); Jack A (Blonde); Jack H (Long Blonde); Martyn (Marty); Jason (Li' man); Leslie (Scumpy); Harte (Speedy); River (Flowed away)

HOCKEY - GIRLS 1st XI

At the beginning of the season we didn't have a team.

With only 8 out of 14 players, that clearly wasn't enough. With the determination of our 8 players we were determined to have a girl's team, but we need girls to commit to meetings and trainings. We needed these girls at trainings because most of them didn't know how to play. So with 1 hour long training on Mondays the girls had the basics and that's all we needed to start the season.

Every Tuesday night we would meet at the Information Centre an hour and a half before our game. We would have parents that would drive the van that was supplied by the school. The first night everyone got in the van it was a quiet drive to Rotorua. By the end of the season, it sounded like a party bus. Week after week I could see the improvement in all the girls and I could see everyone getting along. After a long season, we got ourselves in the position to play off for 3rd and 4th. Going into the game with our confidence through the roof we played the best we had ever played. This showed as we came away with 3rd place in C grade.

We would like to thank all the parents for their ongoing support and driving the van. Also a big thank you to Lionel Hemming for being a great coach and Mrs Bennion for being a great manager. To all the girls - thanks for your commitment throughout the season; we wish the girls all the best for the future in hockey - we are sad to be leaving.

Sarah Hemming (Captain) / Natasha Samson (Vice Captain)

Back Row: Paige McCloskey, Sharna Loye, Natasha Samson

2nd Row: Vicki Wolfe, (Manager), Maddi McMeekin, Leonie Nugroho, Christina Perceval, Jessie Middlemiss, Noel Mansell, (Coach)

Front Row: Ashleigh Murray, Raelene Loye, Nicole Durie, Grace Coffin, (Captain), Rachel Durie

Absent: Sarah Hemming, Stephanie Vaipo

Back Row: Matthew Beban, Bruce Nguyen, Reon Sattler, Richard Malcolm, Kevin Fan

2nd Row: Jayden Norman, (Assistant Coach), Dylan Rouse-Carpenter, Simon Lemme, Western Wilson, David Wright, Steve Norman, (Coach)

Front Row: Robin Dahm, Jacob Draper, Adam Lemme, Dylan Knight, (Captain), Joseph Cathie **Absent:** Jade Trickey, Pedro Alfaro

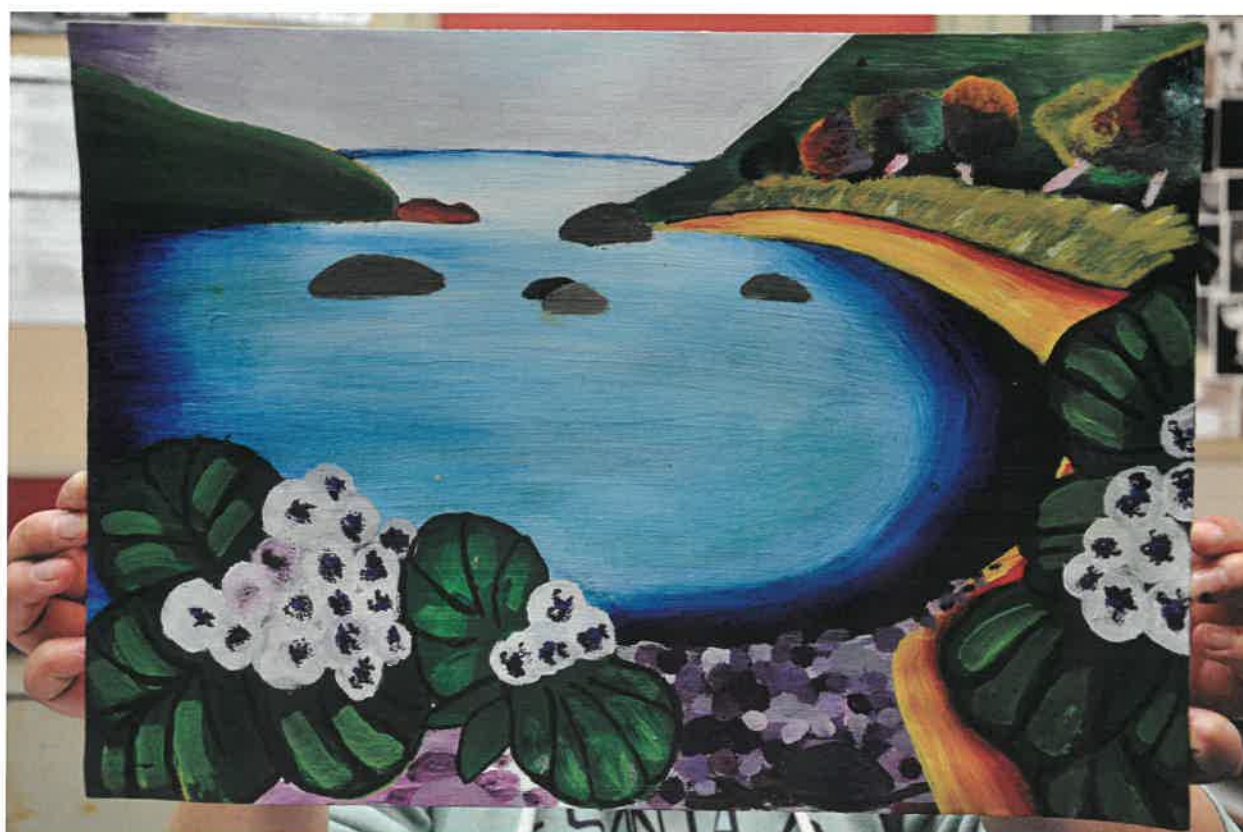

Back Row: Jason Kreger-Wall, Jack Howard, Jack Andrew, Leslie Park
2nd Row: Harte Hewson, Tony Nugroho, Dylan Samson, Martyn Allison

2nd Row: Cole Follas, Matthew Bullock, Ethan Morris-Stevens, Nicholas Shewry
Front Row: Bryce McMullen, Campbell Evans, Ryan Quirke, Bradley Wirihana, Matthew Shewry
Absent: Cath Morris-Stevens, (Manager), William Morris-Stevens, (Coach), Alan Flutey, (Coach)

NETBALL

Netball kicked off early this year with pre-season running for all who wanted to at Cougar Park. It was pleasing to have a dedicated group making an effort to improve their fitness for trials at the beginning of March. After trials, teams were selected and training began earnest and the season was upon us.

Throughout the year our girls coped with poor weather and a nasty spate of injuries - all three teams being affected. Good luck to our Year 13's who are leaving. We look forward to seeing everyone back on the courts in 2014, - watch out for pre-season training early next year.

Senior A Netball

Wow! What a year we have had this year.

We began the year with a massive amount of injuries and lost one of our key players, Jessica Chitty. However despite this we pulled through to come third equal with Tokoroa High School in the Premier Grade. We travelled to Waitara and came out on top and won for the first time in 13 years. We trained harder than we ever have this season with morning trainings and killer Colsen Hill runs.

We finished off our season with an outstanding effort at the Upper North Island Secondary Schools Competition coming 17th overall. We would just like to say a huge thank you to our new coach Emily Olsen who travelled from Taupo to help us improve our skills and performance on court, and Mrs McGovern for everything she done behind the scenes.

A huge thank you to all the supporters who have stuck with us throughout the year. We enjoyed our season and really gelled as a team. I am proud of every single one of our girls. I wish all the players who are leaving next year the very best. To next year's team good luck!

Ebony Haare

Senior A - Uniss Report

After a 5 year absence FVHS Netball Club made a commitment early this year to take our Senior A Team to UNISS (Upper North Island Secondary Schools Championships) - held this year at Howick/Pakuranga Netball

Centre. Commitment became reality when after many hill repeats, 6's and court work a-plenty we found ourselves at the bridge on Baird Road for a 5.30am start on our journey North. The team donned their flash new Netball Dresses warmed up for the game against Takapuna -ranked 11th. After tight game FVHS lost by just 4 goals - a pleasing start for sure.

In the next game the team defeated 14th ranked Northcote

In the break between games Anthony and Shirley Haare headed off into the city to check out our accommodation and the news was not good - our "home" for the next 4 nights was to say the least not ideal. Mrs McGovern discovered that the mini-van was too tall to fit in our booked parking slot despite the efforts of Danni-Jane lifting the barrier higher than it was supposed to go!! Thing brightened up when the girls headed down to the Viaduct Basin to do their hot and cold recoveries - the team was photographed by heaps of tourists which was cool! Back for a lovely dinner prepared by our super chefs Ants and Shirley in the basement kitchen which did, at times resemble the United Nations with visitors there from all corners of the globe.

Other games - we defeated Hoani Waititi winning convincingly 35-9! This was the end of pool play and we finished in second place; the next game against Selwyn resulted in a 2 goal loss; a win over Botany downs and a loss to Papatoetoe - by this stage the weather was miserable and our plans of a bbq at the beach rapidly faded away; a loss against Western Springs and tragedy when Paige fell and had to be taken to A & , returning later with her arm in a cast; a win against Kamo; and a win against Henderson before a second crack at Selwyn to decide 17th place in the tournament.

Before the game emotions were running high - it was Ebony's last game after four years with the Snr A team, the girls were determined to win and make her final appearance for FV a success, and we were looking for revenge against Selwyn! Ebs lead her team with focus and was as always a fantastic role model with her constant encouragement on the court and it paid off with a 5 goal win.

We finished up in 17th place - a great improvement from our ranking of 38th, also Danni Jane was named in the C Grade Tournament Team and also as the best defender in C Grade.

Despite breaking down on the way home and waiting for a replacement van, we had a great week away at tournament - we are grateful to all the super supportive parents, FV Mufti Fund, Tokoroa Netball Centre who made the whole adventure possible. In particular a huge thanks to Shirley and Ants Haare for their amazing support both in Auckland but also for the past 5 years.

Netball - Senior B

Congratulations girls for a hard and successful year of Netball.

By having amazing trainings and adjusting ourselves to the new corners of the team, we became close and made friends and memories that will last a lifetime. No matter how many ups and downs we had, we stuck together to the end.

A huge thank you to our manager Ms Johansson for all the support on and off the court, and to our coach Danni Jane - thanks for all your time and the effort you put into our trainings to help better our team. Proud of all you girls! Keep up the hard work and strive to be the best. Kia Kaha Kotiro ma.

Love Chyanne

RUGBY – 1st XV

Training for the 1st XV started about half way through February, in preparation for what turned out to be a successful year.

The boys were all keen for the season to start, and our first game for the year was a pre-season match against Rotorua lakes. The boys put set moves together well, and had a comfortable win, which was a good start to the year.

A few games later, was the local derby match against Tokoroa High. Tokoroa High, along with the plentiful crowd were stunned after we took it to them and gained an early lead of 14 points within the first 15 minutes. However Tokoroa proved why they were in the 1st division, and took the win.

After our grading matches we found ourselves in division 3. We went undefeated throughout the competition and had a comfortable win over Cambridge in the final, to once again become holders of the Marty Holah cup. Many thanks to our coaches and management team, who made the season possible for the boys.

Families and Supporters "Key to our success/rides to and from" Thank you all!

Jeremy "Chief / Woahziz / Tricep Extension / Guuuyys / I don't wana do it" **Harrison**

RUGBY – UNDER 15

2013 was a really tough year for us.

The team had a mixture of U15 and U14 players and we were put into the U15A division. Most of the time we struggled to get enough numbers to training and to the game but we still managed to play most Saturdays.

We would like to thank our two coaches Craig Jones and Abel Brown and our parents who supported us throughout the season.

Even though we didn't win many games we still had a number of our players make it into the Tritons U15 & U14 teams. Congratulations to the boys who have also been chosen for the Waikato U15 Development teams.

RUGBY GIRLS

We began our season with two new coaches Laura Horsfall and Dillon Nathan and a keen bunch of girls. Our trainings were well attended and we looked forward to our season starting.

Unfortunately things started to unravel early in the first round when injuries and girls being unavailable due to other commitments started to take a toll. We completed the first round and then the team had to withdraw from the second round due to the lack of players.

Despite this Ella Livingston, Paige McCloskey, Anisha Te Hiko and Mereana Anderson were selected for the Waikato Development squad and Anisha and Mereana made the Waikato team.

A highlight of our season was when we had the rugby roadshow at school and past student and current Black Fern player Chelsea Alley helped Alf Daniels and Rhys Bayliss run our session.

We would like to thank our coaches Laura Horsfall and Dillon Nathan and our manager Mrs Bennion. Thank you also to our parents who supported us and helped with the transport.

Girls Rugby 7s

A mixture of experienced, and first time players, has represented our school at two WSS Girls 7s tournament this season.

In both tournaments Forest View made it as far as the semi-finals but were beaten by very well drilled and experienced teams - Sacred Heart and Hamilton Girls.

The girls thoroughly enjoyed this open style of rugby and hope there are more tournaments for them to enter into next year. Thank you to our coaches Laura Horsfall, Dillon Nathan and Aaron Kelly.

U15 Rugby 7s

In a one-off tournament earlier this year Forest View entered a U15 team into the Waikato SS 7s and made it through to the semi-finals.

The team used this as an opportunity to prepare themselves for the upcoming rugby season. Thanks to Tony & Aaron for taking the team.

Back Row: Lucky Uerata, Aaron Marsh, Quinzel Cody, Phabeyn Mankelow **2nd Row:** Dante Watson, Bostyn Stothers, Logan Billett, Fiamalu Ribabaiti, DeAngelo Paki-Snowden, Mr Craig Jones, (Coach) **Front Row:** Luther Murray, James Togia, Daniel La'aiva, Flynn Jones, (Captain), Phoenix Mankelow, Quinnton Liutogiatama, Jarvis Matetaka-McRoberts
Absent: Javaryn Adams-Watson, Faizal Cecil, Amien Davies, Ephraim Hall, Taine Leigh, Steele McMeekin, Tutewhenua Taylor-Tupaea, Taini Taylor-Tupaea, Jacobie Wheeler, Abel Brown, (Coach)

Back Row: Ella Livingston, Anisha Te Hiko, Larissa Vaeau
2nd Row: Paige McCloskey, Kiri Jessop, Chanya-Rose Ruka, Taylor Briggs, Mrs Iwi Bennion, (Manager)

Absent: Eden Quaife, Moana Totoro, (Captain), Laura Horsfall, (Coach), Aaron Kelly, (Coach), Dillon Nathan, (Coach)

TOUCH - MIXED

Our trainings started early in Term 1 to prepare us for the Waikato Regional tournament which was held in Hamilton in early March.

It was a long, very hot day and FV came up against very tough opposition. Forest View posted wins in pool play sending them through to the top 4. This automatically qualified them to represent Waikato in the Zonal Qualifying tournament in Rotorua later in March.

Unfortunately we just missed out on qualifying for the Nationals but a very young and inexperienced team did well for themselves.

Head Girl Leah Townsend has led the team with her representative experience and kept the team settled against very experience teams. Young players Anisha Te Hiko and Quinzel Cody, who both represent the Bay of Plenty, did huge amounts of work and were invaluable throughout both tournaments.

Senior boys - Zak van den Berg, Bryce McMullen, Ryan Livingston, Karly Karauna, Matthew Bullock and Teau Takave - worked hard at link and mid

and were well supported by the new boys - Sasha Te Whare, Jayme Walker and Uma Takave.

Success at Mixed Touch meant that the new girls had to step up and Ella Livingston, Shavaughn Uerata, Sarah Coffin and Raelene Loye did just that.

Our goal is to qualify for the NZSS Nationals in 2014 and training has already started for us to achieve our goal.

Thank you to coach Rani Te Hiko for the work being done with the team.

Back Row: Ella Livingston, Uma Takave, Shavaughn Uerata, Anisha Te Hiko

2nd Row: Quinzel Cody, Ryan Livingston, Jayme Walker, Sasha Te Whare, Teau Takave, Denise Hein, (Manager)

Front Row: Matthew Bullock, Raelene Loye, Bryce McMullen, Leah Townsend, (Captain), Zak van den Berg, Sarah Coffin, Karly Karauna

Absent: Rani Te Hiko, (Coach)
