

FOREST VIEW HIGH SCHOOL

2014

YEARBOOK

BITTER END

Forest View High School turned 40 this year

In 1974, the doors opened at Forest View High School.

The building programme was incomplete but the 185 Form 3 students could not be accommodated at Tokoroa High School, which had well over 1300 students. The town was growing at such a pace, that the Department of Education was contemplating having to open a third secondary school in the future.

In October, 2014, the School celebrated their 40 years with a reunion of staff, students and community supporters. A great time was had by those who attended the Friday night get-together, the Saturday formalities and sports, and the dinner Saturday evening. The weekend concluded with a church service on Sunday.

Leadership over the Years

Mr J. D. (David) Thain, Headmaster 1974- 1991

At the time of the School opening, His Excellency Sir Dennis Blundell said that whether or not the school gets off to a good start, or achieves fine traditions, depends on its foundation staff and pupils; that the Headmaster gives the impetus, and by learning in the broadest sense, the pupils will get the school properly off the mark.

In the 1974 School Magazine, Mr Thain wrote of the pupils and staff of the new Forest View High School as having "shared a real initiation of trial by endurance". The School opened two weeks late on 13 February; the grounds were a dust bowl; there was no heating at the start of winter; building was continuing so tradesmen were everywhere; there was no footpath up Baird Road to the new school; teaching resources were limited.

Despite the "tremendous challenges" of resourcing, Mr Thain set about establishing a school in which young people would be expected to work hard, to strive for excellence, to develop the resilience needed to overcome challenges and adversity. The expectations were embodied in the two School mottos, adopted during Mr Thain's tenure – **Kia Kaha, Kia toa, Kia Manawanui – Courage knows no defeat.**

In the early years, some people in the community referred to FVHS as "Tokoroa Grammar School" because of the emphasis on academic excellence and traditional values. The rules were there to ensure all were able to achieve and there was little deviation from these expectations – staff and students alike were treated with courtesy and respect, uniform was worn correctly, students were prepared for learning, homework was done, litter was put in the bins provided, students were expected to always do their best – in sport, in cultural pursuits, academically and as citizens. At that time, 'the cane' and 'the strap' encouraged some young people to adhere to the rules! Despite the usual school-yard pranks, most students left the School with high personal standards and values, well-equipped for life beyond school.

Mr Thain encouraged young people to enjoy their time at school and he was always supportive of extra-curricular activities such as school camps, the annual sports exchange with Taradale High School and the Sixth Form Trip to Auckland. A Maori culture group was established in 1976; school drama productions became a regular event in the eighties; a wide variety of sports were offered. Students who took leadership roles, or who represented the School in the top teams of their sport, were recognised with Representative badges, presented at assembly.

By the time Mr Thain retired, after almost eighteen years of service to Forest View High School, there was no doubt that he had ensured Forest View got off to a good start. The establishment of a tradition of excellence, and the concept of learning in its broadest sense, has enabled the School, its pupils and our community to enjoy success and have the resilience needed to overcome adversity.

He was followed by Principals - Peter Lee, 1991-1995; Robert Blucher 1996-2007; Richard Crawford, 2007 – 2012; Ian Ferguson, 2012 - present

The School has continued to build on the initiatives of past leaders of the School and to encourage students to strive for excellence. Students are encouraged to focus on their future and to adhere to the RAP values, taking advantage of the wide range of learning on offer both in and beyond the classrooms, gaining the necessary qualifications and aiming for excellence in their endeavours. Partnerships of benefit to the students continue to be developed within Tokoroa and further afield; e-learning is an integral part of learning.

Just as in 1974, Forest View High School is firmly committed to ensuring young people develop the skills, competencies and attributes needed to be valuable contributors to both School and society.

From the present Principal, Mr Ian Ferguson

When Forest View High School opened in 1974, no-one could have imagined the changes that would occur in curriculum. The pupils who started in those early years, were destined for traditional qualifications – School Certificate, University Entrance, Bursary and Scholarship examinations.

The advent of the Geoff Burrige Trust and the Forest Skills programme, transition courses and work experience, in the 1980's expanded opportunities for students. In 1999, Forest View High School made the innovative move to offer both the traditional qualifications and to introduce Unit Standards contributing to National Certificates. This move was made to ensure students were able gain qualifications that reflected more than examination performance.

In the early years, the role of teachers was to act as conduits of knowledge; calculators with relatively simple functions were introduced; almost all classes were taught on site; assessment took the form of written tests and percentage results; the curriculum on offer attempted to match courses to students' differing abilities, interests and likely career paths. Then, as now, the best teachers were committed and passionate people who developed excellent relationships with students.

The landscape of education has changed considerably. With the advent of NCEA, teachers, students and parents have to understand the number of credits needed to get Levels 1, 2 and 3; the use of assessment criteria to get achieved, merit and excellence grades; internal and external assessment regulations and processes. New courses are constantly being developed to meet student needs and prepare them for a wide range of vocational pathways.

An increasing amount of learning is occurring in partnership with the community. This year a group of students attended a Waiariki Polytech course in Healthcare; another group works at Carter Holt Harvey as part of the Wood Processing Academy; others are working towards qualifications in Agriculture, Business Administration and Computing; a large number complete work experience on the Gateway programme.

E-learning has been embraced by Forest View. Teachers and students can access the internet anywhere at School, through wireless connections, using a wide range of devices such as phones, tablets and laptops. Most classes have an e-learning component and a wide variety of software is accessed for learning. Soon all students will be able to access learning information, 24/7, through the internet. Students and parents can monitor achievement levels by using an app to access our student management system.

Forest View is part of the Volcanics E-learning Consortium which enables students to access a wide range of courses either not available at School, or unavailable because of timetabling clashes. This type of learning relies on greater levels of student self-management and the support of in-school staff. Teachers can collaborate with teachers from other schools using video-conferences.

In 2014 the role of teachers as leaders of learning is just as important as it was in 1974, but they work in different ways. Teachers are increasingly supporting students through individualised, and small group, learning. There is a focus on developing the key competencies of self-management, participating and contributing, relating to others, thinking skills and understanding language, symbols and texts, as these competencies are crucial to students becoming life-long learners. Learning activities are designed to encourage these competencies. How students use knowledge is now as important as acquiring knowledge.

There is certainly more freedom to learn in different ways, but at the core of good learning is the relationship between students and teachers and the quest for excellence – characteristics of Forest View High for forty years.

STAFF NEWS

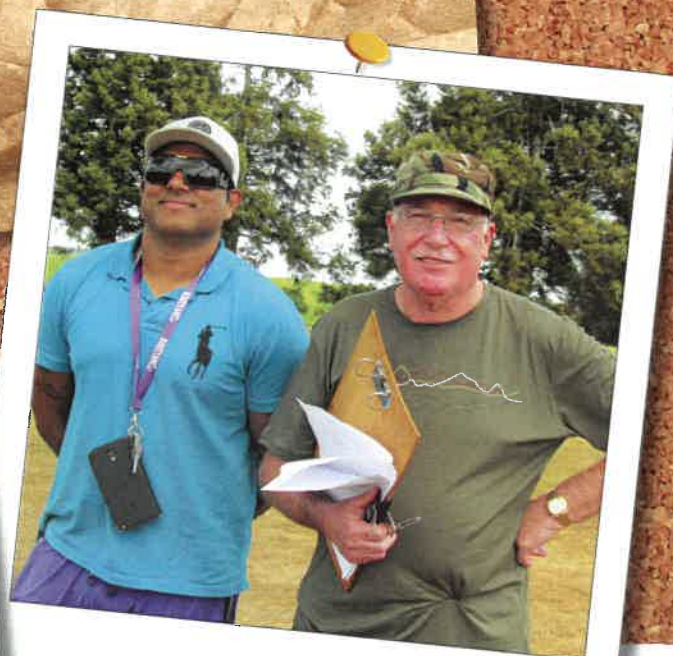

At the end of 2013, several staff left the School – Miss Sharon Livingston, Ms Prue Christie, Ms Vicki Wolfe left to pursue further studies. Between them, they had made a significant contribution to the School and their many years of service and friendship is greatly appreciated.

In 2014, both Ms Olsen and Ms Toy went on maternity leave. Congratulations to Ms Olsen and her husband, and Ms Toy and Mr Mihaere on their new sons.

Perhaps the most significant change to staff has been the retirement of Mrs Williamson, who has served FVHS for 40 years. We will also be farewelling Mrs Stokes and Mrs Paki who are retiring at the end of 2014.

At the reunion, we also acknowledged the following staff, who have given over 30 years of continuous service – Mrs Sommerville, Mrs Gibbons, Mr Dowdle, Mrs Stokes, Mr Rice

These staff have given over 20 years of service – Mrs Paki, Mrs McGovern, Mrs Hein, Ms Watkins, Mr Potoru

Farewell to Heather Williamson, after 40 years of service

2014 has been a year of milestones for Heather Williamson.

Earlier this year, she and Brian celebrated their 50th wedding anniversary. Forest View High has been such a significant part of Heather's life that there was a big contingent of current and past staff at that function. And then we recognised 40 years of outstanding service to Forest View.

In October 1974, Heather's time at the school began, initially in a part-time role. Heather was the typing teacher – no digital technology then – working with Karen Bradley as her HOD. She quickly proved to be a dedicated caring teacher and, of course, she became firmly established as Mrs Netball in the school.

Heather was an old hat at life in the South Waikato, so took it upon herself to welcome newcomers to Forest View High School staff. She has extended the hand of friendship to new teachers from throughout New Zealand and from overseas, earning herself the honorary title of "Aunty Heather" from her colleagues and their families. She and Brian had a garage full of excess furniture which furnished many a school flat or school house.

Heather entered teaching through the back door – she was an accomplished typist and the school needed a typing teacher, so she accepted Mr Thain's offer of employment, quickly making herself invaluable to the school. However, she did well in later years to fit study into her hectic schedule – completing a formal typing qualification at one stage. She also completed the Graduate Diploma of Information Technology Education through Wintec.

A5 was her home away from home – such was Heather's dedication to this school and the young people in it.

Heather has given her all for what was initially the typing and commercial department, and then in recent years the Information technology department – initially as the typing teacher and then as HOD. She was quick adopter of technological change, moving alongside Hugh Durham, to get those first cumbersome computers of the 1980s into the school.

The enthusiasm with which she has adopted change also extended to NCEA.

In his nomination of Heather for a National Education Service Award, Robert Blucher wrote "Her foresight and drive in the development of National Certificate courses at FVHS make us a leading school in this field and provide wonderful opportunities for our students". Needless to say the nomination was successful and Heather was the recipient of the prestigious award in 2000.

Heather has been recognised as a leader in her subject, by serving as a University Bursary marker and a moderator for her subject area and introducing qualifications such as the National certificates of Business Administration & Computing.

She took responsibility for the stationery room, using the profits to buy computers as technology changed, to support the development of the IT department and to support other school-wide resourcing.

She was instrumental in establishing & administering the Mufti Fund which has supported numerous young people as they pursued their sports at regional or national level.

Heather has definitely been Mrs Netball at Forest View High School. Heather could have been excused if her local and national responsibilities to netball, especially in umpiring and administration left her no time to be involved with school netball – but she has a passion for the sport, and has instilled that same passion in several generations of Forest View High school young women. She has ensured young people not only achieve on court, at the highest levels, but she has encouraged them, and tutored them, to contribute to the sport as umpires and to coach "littlies" with Fun Ferns.

Not only FVHS netball benefitted from Heather's commitment. Her boys played rugby for FVHS; Brian was their number one supporter – a dedicated coach and manager. Rugby was a family affair. The team could guarantee a meal, some motherly advice, lots of laughter, some good parties – all available at Elizabeth Drive.

Heather has always had high personal standards and has gone out of her way to ensure young people adopted the same high standards. If a young person made the mistake of failing to say please, of not allowing an adult to go through the door first, of not removing a hat inside, it was Heather who quietly and gently pointed out that "That is not polite, nor good manners". She was their parent away from home.

Almost without fail, young people addressed her as Mrs Willi – not a sign of disrespect, but of affection. They have huge respect for Heather – they understand and accept, and most importantly, adopt her values and high standards.

Her Tutor group has always been dear to her – she has mothered them, cared for them, scolded them and loved them.

Each year she shopped for gifts for her Year 13 leavers – something they treasured.

Heather's concern has not only been for young people whilst they were at school – she has also served the school as Careers Adviser, helping many young people transition to the world of work and tertiary study.

Heather's contribution to our community has been significant. She has served the Hillary Commission, the South Waikato Education Trust, the South Waikato Sports and Leisure Board; most recently she has been part of the establishment of the Sports & Leisure Centre. She is a Justice of the Peace.

Through her involvement with these groups, she has made educational and sporting opportunities available for many young people. We are very glad that, although she is leaving Forest View High School, she is not leaving our community.

It was she who coined the phrase "Forest View Family". This is an important legacy that Heather leaves – the concept of family, of being whanau, has given the students and staff a strong sense of belonging; it has given strength in the face of adversity, and sadness; it has given great pleasure to be able to share times of celebration with the Forest View family.

We are very pleased that Brian and the boys shared Heather with us. She has been a friend, a colleague, a supporter, a sports coach, a mentor; an adviser, a counsellor, a wonderful skilled teacher and unstintingly loyal to the School.

Acknowledging our Servicemen and Women

In April, as in previous years, several of our ex-students returned from their postings with the Armed Services, to participate in Tokorua's ANZAC Day services.

In August, countries around the world acknowledged the start of World War One and Forest View High School also conducted a special assembly of commemoration.

Forest View High School is too young to have sent ex-students to serve in the conflicts and wars which occurred before the 1980s. But over the past 35 years, our ex-students have served with the Armed Forces - in military roles, peace-keeping roles and humanitarian roles, in such places as Bosnia, East Timor and recently, in Afghanistan.

We also took the opportunity to try and compile a list of our ex-students who are, or have served, in the armed forces. They were acknowledged at our special assembly.

These people are currently serving, or have served -

In the NZ ARMY

Mason Baker, Jonathan Bell, Jobie Breur, Ramone Breur, Luke Dixon, Ginny Douglas, Peter Dowdle, Dale Drake, Dion Everest, Luvu Foiaku, Tehu Ford, Ryan Hickey, Joshua Hill, Joshua Holland, David Hopkinson, Ethan Jansen, Bronwyn Jessop, Caleb Knight, Sam Lennox, Travis Liddington, Delaney Meacham, Jordan Monk, Mason Nestor, Albert Rothman, Mark Sade, Connor Salale, Liam Salale, Aiden Shattock, Aaron Smith, Eli Smith, Andrew Stevens-Bennett, Barent Swart, Deyton Takurua, Bronia Thompson, Daniel Truman, Joseph Tuaiti.

In the NAVY

Tuhimata Bennion, Hannah Clark, Mike Kemp, Alyce Nicholson, Paul Theunissen, Chance Thompson, Aiden Tunupopo, Michael Walker

In the AIRFORCE

Rory Bretton

This list is probably incomplete, so we invite people reading this Year Book to e-mail the school so that a more complete list can be posted on the website.

Grace Coffin, (Student BOT Representative), Western Wilson, (Head Boy), Leonie Nugroho, (Head Girl)

Head Boy & Head Girl

This year at Forest View High School has been a memorable experience for us. During the year we have had the honour of being the face of the school, representing the School in the community. From formal occasions in the FVHS blazers to helping the Year Nines transition to high school comfortably, we both have loved the journey of being Head Students - although the workload was higher, looking back on the year it was worth it.

We were so lucky to already be best friends before the leadership roles because it made the job so much easier. As friends we organised countless assemblies and several socials. The assemblies throughout the year, were filled with many performances, guest speakers and laughs all round, especially from the infamous Bird House. The socials were great fun with many students dressing in theme. Big thanks to Shank and Taina for being the reliable Disc Jockeys

throughout the year.

This year we were humbled to be a part of the Forest View High School 40th Reunion. We got to meet the foundation staff and past students and observe how proud they were to see the school's growth.

We had the privilege to lead our Student Council which consisted of 16 leaders from our school. Each leader is responsible for their own committee which worked alongside the Student Council to make student driven ideas become reality.

Our goal for 2014 was to “maximise positivity and minimise negativity to create memories to be treasured.” We hope everyone has had a memorable year and we wish you all the best with your future endeavours.

Arapuni Lake

A message from the Dean, Mrs McGovern

Assistant Dean, Ms R Toy, Mr T Mihaere

Tutors, Mr K Nair, Ms G Davis, Ms J Abo-Ganis, Ms L Lazar

Staff, Mrs S Gibbons, Mrs M Mathis, Mrs G Hughes,
Mrs K Watkins, Mr D Leslie, Ms L Quaife, Ms D Brooks

Lake Leaders, Sophie Goodhue, Joseph Cathie

Term 1

Our new Year 9's arrived nervous, keen and excited – they quickly settled in to their Tutor Group with the support of Mr Mihaere and our senior leaders.

Year 13 camp gave our senior Arapuni Students a chance to work together to set goals, and explore leadership potential – a great opportunity for challenge, goal setting, fun and friendship. It was awesome to have our Year 9's out at camp for the day – we all had heaps of fun completing a huge variety of challenges with the raft race a real highlight.

Athletics Day gave Arapuni students the chance to shine in blue and retain the Athletics Shield for another year. Well done to those who won events and progressed to Mid-Island and Waikato Championships, and to those who worked hard to collect Lake Points by their participation. Even Mr Nair and Mr Mihaere got to run in the staff relay!

We finished off Term 1 with a very successful Lake Day which was a chance for us to fundraise for our Lake by selling food – lolly overload and running a variety of activities – well done to our Miss Toy and our Lake Council.

Term 2

Cross Country was great with some brave and determined efforts in particular from our junior and intermediate competitors.

Many Arapuni Students took part in the Waitara Sports Exchange and can be proud of their sporting performances – both on the sports field and as wonderful hosts.

At the end Term 2 school uniform was switched for smart suits and amazing ball gowns – our Senior Students were stunning – they scrubbed up fantastically!!!!

Term 3

Swimming Sports was hugely successful with our amazing students winning overall and also securing many persona victories.

Several of our students were involved in the production – acting, singing, dancing and back stage a perfect chance to showcase talents. I was so proud of our gifted Arapuni students who looked so at home in the spotlight!

With production, winter sport and so on, behind us it was now time to settle to study and strive to achieve the goals which were set this year.

Term 4

The beginning of the end for the Year 13's – lots of 'lasts' – last start of term, last assemblies, last prizegivings...the end of the line for our Year 13 students; time to say goodbye to these wonderful young ladies and gentlemen who have made it through high school:

Hannah C, Hannah M, Shevonne, Kaitlyn, Helena, Jess, Annalyse, Tayla, Nakita, Joe, Kevin, Isaac, Connor, Campbell, Tony, Imran.

Well done – you have been a fantastic group of Year 13's, thank you all for everything you have done for our Lake. You can proudly step into the Arapuni history books. Good luck for the future and keep in touch and don't forget us.

Best wishes to all those who are leaving us we wish you every success in the future.

Thanks to all our wonderful Tutors, Support Staff, Leaders and Students. Have a safe and enjoyable festive season and let's make 2015 another awesome year.

From the Lake Leaders

This year we have focused on the new Year 9's who have joined us in 2014 and endeavoured to become involved with them throughout the year; through Peer support, we have been encouraging them to participate in school sports and activities. With the help of our lake council we were able to produce a very successful lake day, and come away with a win for both the swimming and athletics cup. We have also created a lot of positive memories along the way.

We would like to thank Miss Toy, Arapuni's assistant dean, and Mrs McGovern the dean of Arapuni, who have helped us lead to the best of our ability.

We would also like to thank the Tutor teachers from Arapuni this year – Ms Abo-Ganis, Mr Mihaere, Mr Nair, Miss Davis, Ms Lazar and Miss Toy. And another big thank you to the members of the Arapuni Lake Council who have made this year possible and have really helped achieve our goals.

We have thoroughly enjoyed being a part of this lake. Being lake leaders has enabled us to grow, develop our leadership skills and learn valuable lessons, which we know we will use later on in life.

Savannah Whiteman, Renee McVarnock, Tutewhenua
Taylor-Tupaea

Peer Support Leaders, Charnelle Ahsin, Jade Trickey,
Simon Lemme, Matthew Beban, Shank Nair, Savannah
Whiteman, Kiri Shepherd

It was with great determination that we started the year with the intention of doing the best that we could in the interlake competition. This was one of the goals of our Lake Leaders, Charnelle and Jade. I congratulate these students for their contribution and commitment to our Lake. Our students have been encouraged to participate positively in Athletic Sports, Cross Country, Swimming Sports, Production and other sporting and academic opportunities. It was great to have increased participation in these areas and a number of our students were successful. We have also had a number of Maraetai students participate in the CACTUS Programme and they have all learned something valuable from this experience. They can be proud of their efforts to strive to be the best they can and uphold the RAP values. We are proud of you all.

The small group of Year 13 students at camp reflected on 2013 and set goals for 2014 and their futures. We saw a change to the structure of tutor groups where all of our Year 9's have stayed together as a group with Miss Johansson as their tutor. Our Year 9 students joined us at camp on the last day and participated in a range of activities. It was a positive experience for all involved and embraced the schools RAP values.

Of course none of this would be possible without a dedicated team of tutors and support staff. Thank you to Miss Johansson in her role as Assistant Dean and everyone else for their contribution. Building positive relationships has been the key to a united and cohesive approach to assisting our young people to excel.

We offer our congratulations to Miss Olsen and her husband on the birth of their son and welcome Miss Hollings who has taken over as tutor for MOI.

We are looking forward to the 2015 Year 9's joining us and the implementation of the STARS programme. We have a number of keen and able students ready to take on the role of peer mentors for these students.

To all of our Year 13's and any other students who may be moving into further learning opportunities or leaving, we wish you all the best for your futures. Remember that learning is a life long journey and you are about to embark on the next part of yours. Be proud of where you have come from, spread your wings and soar like eagles into the future.

He nui maunga e kore e taea te whakaneke, he nui ngaru moana ma te ihu o te waka wahi.

A great mountain cannot be moved, a giant wave can be broken by the canoe's prow. Don't give up easily all things are possible with perseverance.

From the Lake Leaders

Another year done and dusted and what a successful one it has been. When we stood here twelve months ago, we would never have thought that we could achieve what we have so far.

To our Year 9's, you guys have been the most incredible bunch to mentor this year, keep trying hard, hang in there, the best is yet to come. We will miss your cheekiness, your ability to always make us smile and we are so proud of what you have achieved this year. We know you all have bright futures ahead.

To the rest of the Lake, keep aiming high and keep striving to achieve your goals.

To our Lake Council, the biggest thanks to you all, we could not have done what we have without you and appreciate your support and hard work when it was needed.

Miss Johansson – 'Jowi', thank you for all of your support with everything we have done. Mrs Toy – 'Mama Toy' you are the mother of our lake and our rock, we couldn't have achieved the things we have this year without you, you are truly the best Dean we could have asked for.

Have a safe holiday everyone, and fly high like the eagles we know you all are. #Maraetaiwhanau

Charnelle Ahsin and Jade Trickey

Tutor Comments

MJO is a friendly bunch, welcoming new students with open arms. The humorous nature is appreciated and a real team spirit is evident in A13. A highlight for this year has been having all of our Year 9's together and observing their progress throughout the year.

MLV It has been another great year in MLV. We have had some of our students do very well in their sporting endeavours and produce some great academic results as well. I would like to thank every member of MLV for the great year. It is always a great atmosphere for students to come into at the start of every day. Congratulations to Charnelle, Shank, Alan and Levi for staying to the end and best wishes for your futures.

MOL continues to be a wonderful tutor to be in and we have welcomed the newcomers for 2014 with great pleasure. Thank you all for your contributions and I know that you will be in capable hands with Miss Hollings while I am away. Good luck to Liam, Simon, Renee, Narinder and Savannah for your futures.

MPS Thank you for 2014. It has been a year of many challenges and also blessings. Take care over the holidays and I challenge you to try something new and step out of your comfort zone. When I see you in 2015, you will be energized and ready to achieve your goals in all areas of learning. To Kiri and Jade, all the best with your future ventures. You will be missed in our tutor.

MTS From the North, South, East and West, everyone knows that we're the best. We've passed the test and beat the rest, that's why we are MTS! Good luck to Matthew, Ceri and Robert for their future.

Ohakuri Lake

A message from the Dean, Mrs R Sommerville

Assistant Dean, Mr M Bannister

**Tutors, Mr M Bannister, Mr K Haines / Mrs R Paki,
Mr C Rice, Ms Tatham, Mrs T Walker**

**Staff, Mrs D Hein, Mr B Dowdle, Mr S English,
Mrs S Luxford, Mrs A Deihl, Mrs L Stowers, Mrs W Ainsley**

Lake Leaders, Melissa Drysdale, Talon Sneddon

**Lake Council, Lake Leaders + Grace Coffin, Rachel Durie,
McKenzie Evans, Kaitlyn Lesa, Rebecca Muir, Leonie Nugroho,
Conal Parker, Zayne Singh, Michelle Waerea, Britney Ward,
Diva Wilson, Western Wilson,**

**Peer Support Leaders, Grace Coffin, Melissa Drysdale,
Rachel Durie, Rebecca Muir, Leonie Nugroho,
Talon Sneddon, Western Wilson.**

Thank you to Mr Bannister for his contribution as Assistant Dean, our OHA Tutors, Teachers and Support Staff for all your support.

We went close in 2013 to achieving the Interlake Trophy but well done to Arapuni who relegated us to second. This year we again won the Cross-Country but we didn't fare so well in the Swimming and Athletics. Many Ohakuri students have worked hard academically and been very involved in sporting and cultural activities. These students have shown the importance of our RAP values. This is the first year the Year 9's have been in their own Tutor group and many of the other Tutor groups seem to feel they would have liked for them to remain part of their groups.

A big thank you to our Lake Leaders, our Lake Council and Peer support Leaders for their involvement and commitment in working hard to help OHA gain success. 18 Year 13's worked hard together to successfully complete a range of challenges at Totara Springs and began to focus on what they wanted to achieve this year and beyond. Our Year 9 students joined with our Lake Leaders in team building activities and built rafts to race against the other Lakes down the river. Keeping the raft together was certainly a challenge.

We are nearing the end of the Inter-Tutor competition for 2014. OWk has won this for the past two years and want to do it again. They may just achieve this but it is very close and the Year 9 Tutor group OTm is close behind. 33 students were invited to the Principal's morning tea for having excellent Mid-Year reports and this included Rachel Durie, Leonie Nugroho, Grace Coffin, Rebecca Muir and Tianna Kreger who had gained this reward 5 years in a row.

To the OHA Year of 2010 18/38 have stayed with us and there have been no newcomers. You've made it through the ups and downs, you've made great friendships, had fun times and will take with you many lifelong memories. Best wishes for a happy, successful future. Aim high and follow your dreams. You can be whatever you wish to be. Haere ra.

From the Lake Leaders

This year we were proud to be selected to represent Ohakuri as Lake Leaders. We were apprehensive at first, but excited to take in the new challenge and become positive role models for our lake. We have enjoyed this year, as it has been a new experience for us and we have enjoyed getting to know the Year 9s. We, along with the other peer support leaders spent one tutor period a week with the students; getting to know them, playing games and helping them adjust to our school.

Ohakuri has had a busy year. We've spent afternoon tutor times with activities such as inter-tutor softball competitions, inter-tutor quizzes, and our teams took part in the Inter-Lake activities such as Touch, Volleyball, Flags and Netball.

We won the Cross Country trophy, which was a great achievement.

This year we chose to focus solely on food for our Lake Day and we feel this was a good approach. We'd like to especially thank the teachers who contributed to the organisation of the Lake Day for their help and support.

We'd also like to thank RD1 for the use of their BBQ and Daniel Sneddon for transporting it and helping with the food.

We personally would like to thank Mrs Sommerville and Mr Bannister for their constant support, encouragement and guidance throughout the year. We appreciate it immensely. Also, thanks to the Lake Council and the Peer Support leaders for their great ideas and their support. Best wishes to our Ohakuri students, for whatever 2015 may bring for you and thank you for all your support and positive participation. Good luck to the 2015 Lake Leaders. Let's make 2015 another awesome year!

Melissa Drysdale and Talon Sneddon

Year 13 2014

Dillin Blackburn - What even is tutor?

Grace Coffin - Rachel is dum

Larissa Davis - Aw sweet, thankyou!

Rachel Durie - Grace is gay

Claude Edwards - The quiet one

Nathan Harrison - Yolo

Tianna Kreger - Live to party

Talia Kuru - quoted "I fell off the treadmill once"

Ethan Morris-Stevens - You wot mate?!

Rebecca Muir - To be honest

Leonie Nugroho - MEOW

Naty Oviedo - Our Bolivian import

Shay Perrit - What even is class?

Zac-Owen Solomon - Black Zac

Kerale Stevens-Bennett - The artistic one

Regan Van der Putten - FBGM

Western Wilson - Semi-plastic Maori

Hoani Watarawi - Korobrownsworld G

O'Neil Zammit - Gains Bro

Whakamaru Lake

A message from the Dean, Mr Mutua

What a superb year it has been.

Thank you to all of our Tutor Teachers, Staff and students of the Golden Lake for your contribution this year to the work of Whakamaru.

Congratulations to our wonderful Assistant Dean, Miss Natua, for her dedication, time and enthusiasm in organising our Lake council, Leaders and staff. You are awesome Na!

Job well done to our Lake Council, though small in number but strong in delivery.

Lastly, thank you Bruce and Zak for being great leaders this year, we wish you both the very best for the future.

Farewell our Year 13 students; congratulations on completing five years of high school, thank you for your service to the work of our Lake.

GO FOR GOLD!

A message from the Assistant Dean, Miss Natua

"If you can imagine it, you can achieve it; if you can dream it, you can become it"

Thank you to everyone who supported our Lake this year especially on our Lake Day which was a huge success.

I really appreciated the support and help from our Whakamaru students and our teachers.

Thank you to our tutor teachers for supporting me through this journey, and massive thank you to our Dean Mr Mutua who works tirelessly at organising our Lake to make sure we can be the best that we can be.

GO FOR GOLD.

From the Lake Leaders

2014 has been the fastest years of our lives especially now we are Year 13s. The day out with the Year 9s has only felt like yesterday. It has been a pleasure getting to know and see them seep into the high school environments as we were once in their shoes.

To the rest of the students in our lake we wish you all the best on your endeavours, especially to the Year 13s who are going into the big wild world. Big shout out to Miss Natua for guiding us as leaders through all the activities that we have done.

To the Lake council you've been a huge help not just with Lake day but Daffodil Week which was run by Anisha TeHiko who had the big idea. We hope you all step up and strive for more leadership roles at this school because you are more than capable and we believe in every one of you.

Finally we would like to give a big thanks to the king of the jungle – Mr Mutua for giving us this opportunity to lead the lake and supplying us with all the gold goodies for photos throughout the year.

Cheers for the year, hope you guys have more good ones on the way and GO FOR GOLD.

SENIOR PRIZEGIVING 2014

At the annual Forest View High School Prizegiving, Leonie Nugroho was named Dux and Rachel Durie, Proxime Accessit. Both young women were also among the scholarship winners announced at the function.

Next Year Leonie is heading to China on a Gap year and Rachel is aiming to attend university and complete an Agri-business degree.

The guest speaker for the evening was Raewyn Kirkman – a foundation student and ex-deputy Head Student. She holds a variety of governance roles in community organisations and enjoys success in business and especially in the Rotary organisation.

Her messages were very practical and based on her personal experiences – organisation is vital if goals are to be attained; that it is better to 'keep up', rather than to try and 'catch up'; life is not without challenges and adversity and so it is important to learn and grow from all situations.

Through all things, it is important to be true to oneself; to be proud of your achievements and recommended students seek to achieve the satisfaction that comes from serving your community.

Creston's off on Pinnacle

The Pinnacle programme is a programme that helps young kiwi kids, aged 15-18, develop potential in ways other than sport – it covers the arts, business, Science, music and much, much more.

My name is Creston Wereta and I am one out of six students selected nation-wide for this amazing programme.

I simply filled in an application form and was selected from 700 other applicants. I am stoked to have the opportunity to show what potential I have to the selectors and mentors. Some of the mentors include past Silver fern, Bernice Mene, TV presenter Toni Street and musician Peter Ulrich.

This will open up doors for me in relation to sport and music, but it will also enhance my academic side and involve some deep thinking.

I would like to thank Mr Ferguson – he is the person who brought in Mike Alsop, Guest Speaker for the Pinnacle programme, to talk to us about achieving, reaching goals and maximising potential in youth.

On 30 November, I head to Auckland for the first workshop; on 8 March I start a 10-day journey on the Spirit of Adventure.

This programme will open my eyes, helping me set higher goals and gain maximum success.

Library Report

This year we have had eight student librarians. We have all helped Mrs Coffin and Mrs Stowers with the up keep of the Library and making it a friendly place for all students to be.

We have learnt the processes of issuing and returning books. We have also looked at what happens when a book comes into the library and the process it goes through before it sits on the shelf for all of the students to access.

I have found that being a student librarian gives you responsibility whilst teaching you valuable skills that enable you to help others. I have really enjoyed being a student librarian this year and I cannot wait to start again next year.

Agriculture Academy

There have been two major events this year for the Agriculture programme.

The first has been the establishment of a TeenAg Club which has developed leadership skills for students and been fun. A day out paintballing was the result of a concerted effort in fundraising and produced some dramatic bruises!

The second event has been Caitlin Bridson and Rachel Durie making it into the National TeenAg competition in Christchurch. It is the third year in a row our students have succeeded in getting into the finals and is the result of a lot of hard work by the students involved.

The National Field-days at Mystery Creek, chainsaws, the Get Ahead Day at Karapiro, Teen Ag competition, Exchange to Raglan with Fraser High School and Inter-schools Skills Day have made it a busy year for the Agriculture students at Forest View. Opportunities were also taken with the Gateway programme and a number have gained employment as a result.

A number of this year's students are now moving on to university and agricultural training places and I am sure that they will continue to make us proud of their achievements. We are very grateful to the significant sponsorship by Tokoroa Host Lions Club with proceeds from their "Raise a Calf" Scheme

Mary-Ann Mathis, Teacher in Charge Agriculture

BCATS WORX & Wood Processing

Once again, the School has had the benefit of working with CHH on the wood processing programme.

The group of students have had a full induction to a wide variety of aspects on wood processing and gained an understanding of the possible vocational pathways available with CHH and in the industry.

The BCATS and WORX students have continued to learn valuable skills as they have completed a number of projects of benefit to the School.

Scrapheap Challenge

The annual Scrapheap Challenge took place at Holsters Engineering and Forest View's team of Sheldon Ahipene, Kyle Pearce and Jacob Maj emerged victorious.

Their carefully constructed motorbike was an intricate design and defeated the efforts of students from Waiariki Polytech, Tokoroa High School and Putaruru College, giving them the trophy.

Absent: Ryan Livingston, Jacob Reece

Gateway

It has been another busy year for Gateway at Forest View with over 50 students having been in the programme this year.

Placements have been in a wide variety of industries – building, agriculture, physio, Fonterra, automotive, early childhood and primary teaching, engineering, vets, hospitality,

painting, sport, tourism, music production, psychology, dietetics, medicine, hairdressing, CHH and lots of other odd ones.

Students gain valuable vocational credits on their placements as well as attending workshops on health and safety, customer service and getting their first aid certificates

CACTUS Programme

During Term 1, the school was approached by Kylie Tatham of Bluelight and Graham Hill of the Tokoroa Police and invited to join the CACTUS programme. Twenty five students, Years 11-13 were selected to participate in this pilot programme, to start early in Term 2.

Following the success of the first group, a second group of 26 students took part in the Term 3 group.

Each group committed to being ready for the programme, three days a week, for eight weeks, at 6.00 a.m. in the morning. The students in CACTUS are challenged to push themselves in physically demanding activities, to work as part of a team to overcome challenges; to prove to themselves that "I can", not "I can't".

Day 1 of the programme was the first exposure to the discipline which is an integral part of the programme. Students had to be ready to start the demanding physical activities by 6.00 a.m. Those who were late were visited by the other students, who had to run to collect them. Obviously, no-one was late thereafter! Adults were to be addressed as 'Staff'; the discipline of marching was taught; students had to have a quick shower and be dressed for school before marching to breakfast.

Breakfast required a commitment from families – parents, family and supporters were at School at 6.45 a.m., cooking the wonderful food that was so generously donated by New World, Tokoroa.

The programme culminated for each group, in the "Longest Day", on the final day of Term. Students slept over at the School Library (thanks to Papa O Te Aroha for the mattresses). They were awakened by a loud noise at 3.00 a.m. and then underwent 12 hours of demanding activities.

It was incredible to see that, although they were exhausted, and some distressed, from 12 hours of "torture", they found the courage to work as a team and tow the fire truck – the first group towed from the Police Station, to the Fire Station; the second term's students towed from the Fire Station to the Leith Place clock and back to the Fire Station.

They were very tired in the evening, at the graduation dinners, shared with family and supporters - some too tired to eat

Thanks go to the sponsors of Bluelight, the Tokoroa Police staff who were so supportive, the guest speakers, Roger Whale from Tokoroa Police who attended every session, Mama, who came to help out with the cooking for her nephew in Term 2, but was there every day in Term 3, along with Joanne whose daughter was also in Term 2, but continued to cook in Term 3.

Very special thanks to Bluelight Co-ordinator, Kylie, who gave up so much of her family time to go beyond the call of duty, and to Graham; the changes and resilience observed in the students involved made your efforts worthwhile.

Literacy Club

This year an invitation was extended to all families in our community who have children in Year 6, 7 and 8 to be involved in a free Literacy Club run each Thursday from 4pm to 5pm.

The purpose of the club was to extend the literacy skills of children who were needing support or extension in reading and writing.

Sharon Luxford also volunteered to assist and together we worked on independent Literacy programs for students to develop and extend their reading and writing skills. Each session included thinking skills games, reading and writing tasks and visits to the school library.

We look forward to continuing this club in 2015.

Melanie Tatham TIC Literacy Club

South Waikato News Competition

This year we were invited to be part of the South Waikato News Education edition. This required students to create adverts for businesses in our community.

Students; Aidan Blowes (Yr 9), Niwa Ahomiro (Yr 9), Leith McClosky (Yr 12), Leevon Uili (Yr 9) and Jesse McGee (Yr 9) were each given a community based business to design an advert for that would be included in the Education edition.

Thank you to the businesses who supported this initiative and allowed us to design adverts for them; Tokoroa New World, Waiariki Institute of Technology, Raukawa Youth Services and Illuminated Sound-DJ and thank you to the Aidan, Niwa, Leith, Leevon and Jesse for designing such great adverts.

Melanie Tatham TIC

48 Hour Film Competition

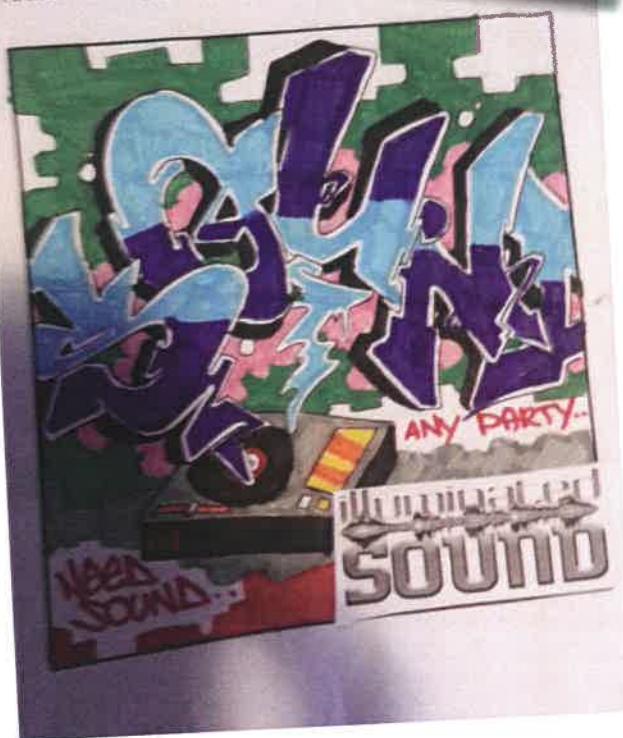

Twenty students from Forest View High School took part in the National 48 Hour Film Competition this year. This competition sees film makers of all ages and ability spend 48 hours producing a film from set components.

As 7pm drew near, students eagerly awaited the text message that would inform them of the genre, prop, character and line of dialogue that must be included in a film no longer than 7 minutes. Despite initial disappointment with the genre, 'Against All Odds' the team went on to produce a compelling script.

The storyline had a 'Tom Hanks, Castaway' feel, with the main character seeing his deceased best friend in the

Advertiser:
Artist Name: *Leith*

form of soccer ball. The students maturely approached the film of coping with grief.

A group of talented musicians worked on composing original scores but unfortunately due to deadlines we were unable to add these to the finished product. Despite the challenges, the lack of sleep and inexperience, the creative group persevered and by 7pm Sunday the final product, 'Caught in the Reeds' was submitted.

Caught in the Reeds was nominated for two Regional awards, Best use of Prop, and best use of the dialogue, "Not with that, you're not."

After attending two Hamilton Screenings it was exciting to hear that Caught in the Reeds won the award for best use of dialogue.

We are hoping the experience will put us in good stead for 2015.

A Johansson TIC Media Studies

Mai Biz

On Wednesday the 11th June to Friday the 13th June 60 Year 12 and the Year 11 Business Studies class had the opportunity to take part in the Mai Biz programme.

This is fully funded by the Maori Woman's Development Incorporated. Two external presenters from the business field worked with our students during this time. They took students on a journey from developing the seed of a creative idea to forming a tangible framework and presenting the concept and business plan.

Each team had to be very innovative and create their team's service or a product. The completed plan included financial and marketing skills. The students worked really hard under pressure. Finally on the final day they presented their final product to five judges from the business community at an expo. Team work was the really big thing. Each team member needed information from the previous team member's task. Every member had to play an important role so they didn't let the team down.

The different groups came up with products such as a Sober Key to check for alcohol levels before a person could drive; a heated pack for the soles of shoes; a Dream Pillow that recorded dreams, a filter to reduce pollution from chimney fires; a pump that charges your phone and a special children's fort. The judges were amazed at the creativity and the business skills shown by our students. For some it was a stressful but overall it was a productive and interesting learning experience.

The winning product was a Robot Rubbish Bin which emptied itself and picked up the litter. Each member of this team was presented with a medal of excellence. Team leaders as

CEO's received a leadership award and all students received a participation certificate. If the innovation shown by our students was anything to go by, NZ is in good hands.

From this course Anisha TeHiko applied for, and was selected to attend, a week long business course called Te Wero Pakihi.

Anisha TeHiko

During the first week of July holidays I had the once in a life time opportunity to participate in a week long business course called Te Wero Pakihi. The entire trip was free, sponsored by Maori Woman's Development Incorporation and Westpac. It was situated at Awataha Marae in Auckland but all our work was based at Massey University and off site.

Just from partaking in this course I have learnt many new skills and strategies that will benefit me not only with business but also with my life. I met many inspiring new people such as Ralph, who is a senior professor at Massey University, Nicole and Shasta who are a part of the Human Resources Department at Westpac and also the director of two famous shows on Maori television called "City Slickers Rodeo" and "Hoiho".

This course had lots of hard work but we were also rewarded with an evening trip to Waiwera Hot Springs and on our final night, a spectacular dinner at Sky City.

The highlight of the entire week was being exposed to all the different opportunities there are in the business world. It made me seriously think about what path I want to take to determine my future. I hope that next year, when this opportunity is given to Year 12 students, that they apply because it will benefit them in many ways and their eyes will be opened in way they have never been before.

Year 12 Camp

9:00am, Monday 15th of April - the bus and minivan filled with bubbly students and 5 teachers departed Forest's bus bay destined for Auckland.

Monday was filled with getting lost amongst all the animals of Auckland Zoo, whilst filling in the quiz to be in to win some prizes; swimming in a wave pool at Henderson's pools; a dinner of fish and chips at Mission Bay; then finally it was time to head to Willow Park Christian Camp, which was to become our home for the next three nights.

Tuesday was the day of our Career visit. Students did all sorts of things.

One group went to Auckland University where we had a tour of the university and two of the resident halls. Another group went to the AUT town campus and also the North Shore campus, where we got to explore different lecture rooms and play in the TV and radio room.

Then we all met up for some shopping. That night we went to the movies; we had two options – Captain America 2 or the new Divergent movie.

Wednesday, the lack of sleep was beginning to catch up on everyone. This was the day for our interest visits with groups of students heading to a variety of places, including Sky Tower, Saatchi and Saatchi, Les Mills, Mind Lab and Eden Park.

Stacey - I was in the group of lucky students who went to Saatchi and Saatchi which is a huge advertising company. We had a tour of their building, looked at what they do as a company and the campaigns such as the L&P towel and Jandals campaign. For this they created bus posters made of two layers of foam. One layer actually had Jandals cut out in them where anyone could walk up to the poster and take a free pair of Jandals.

The towel campaign was where towels were laid out around water fountains, beaches, or hung up as posters and again people could just take these. This was all part of L&P's hold onto summer campaign.

We also created some "Tui, yeah right" billboards. With one of them being "I'll do it tomorrow, yeah right" created by Sasha

Creston - My group went for an outdoor adventure at Eden Park where we were taken for an amazing tour around the stadium. We were taken into the dressing rooms where all the players names from the previous rugby world cup were shown, we all sat by our desired jerseys. "Tutz Bill Williams" & "Karly Cruden". We also got the honour of running down, the through the tunnel onto the artificial grass, as we weren't allowed to touch the real grass.

After our interest visits, we all had to make our way to the shopping mall on Queen Street for the beginning instructions for our Amazing race, which actually wasn't a race, around Auckland city.

This activity took us on bus and ferry rides over Auckland, it also took us to the amazing beachside aquarium of Kelly Tarlton's.

Then we all headed to the train station to take a train to the bus so we could go and have dinner - the amazing group of DeeJ, Karly, Jayme & Creston was the first group to arrive at the train station. After dinner that night we all travelled to the Paradise Ice Skating rink in Botany. Ice skating was a lot of fun with those who were not so experienced clinging to the wall and the frames, whilst those who could ice skate showed off a little - but everyone was hoping that they would not fall over.

Thursday was the day that we would leave for home but first we were going to Rainbows End - but the weather had other things in mind for us. We woke up to pouring rain so our plans had to change. Instead we spent the day ten pin bowling, playing laser strike and playing games in the arcade.

Year 12 camp was an amazing experience and I would do it again if I could.

We would like to thank those teachers who came along, as without you we wouldn't have been able to go. Also a huge thanks to Mrs Gibbons – without you there would have been no camp for us to go on.

Creston Wereta and Stacey Gurr

School Production: Grease is the Word!

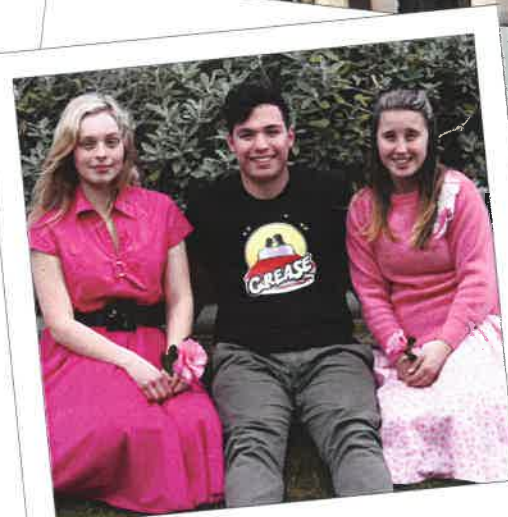

Grease is a huge musical that has been all over the world, from Broadway to the silver screen.

2014 saw Grease arrive at Forest View. Over 100 dedicated students and staff took part in bringing this world-famous musical to life. As with putting on any show, there are always challenges but everyone involved worked hard to overcome these.

The first challenge was casting! With so much talent we ended up double casting, each lovable character had two different actors playing them. This allowed the actors to have a rest, as the show was very demanding with full on singing, dancing and acting. The young people of Forest View never failed to surprise us with their energy, commitment and talent.

A huge thank you goes out to everyone involved; especially our lighting and sound crew who put in some very long hours, their efforts were much appreciated. The community support did not go unnoticed with the final nights selling out. It was great to have each and every person on board to make Grease a success.

Birds of the Balcony

For the very first time, a band from Forest View High School band, has won the elusive Smokefree Rockquest Regional title.

Birds of the Balcony's Sasha Te Whare(lead vocals), Joseph Cathie (rhythm guitar and backup vocals), James Ellis (lead guitar), Daniel Gooding (bass guitar), Sophie Goodhue (keyboard) and Bruce Nguyen (drums), wrote and performed two original songs, Palisades and Home, at the regional final in Rotorua in June and came 1st with a flawless performance.

Their dedication and hardworking professional attitude toward practice and performance is what stood out. I would like to thank teachers, Miss Johanssen and Mrs Hughes, as well as parents and friends who came over and supported them, making the win so much more rewarding and memorable. I am so proud of them. They are truly talented and are one of a select group of three that I consider to be my most talented bands ever. They are the best!

Mrs Earnshaw

Back Row: Bruce Nguyen, Daniel Gooding, James Ellis, Mrs Jess Earnshaw (Teacher)

Te Piringatahi

Little Brown Kiwi Tours

We have continued our contract with the New Zealand operated company to bring authentic Maori cultural experiences to groups of Tourists from across the world.

We have been recognised for our professionalism and friendly hospitality which keeps the groups coming back to Tokoroa to be a part of our interactive sessions held at Te Papa o Te Aroha Marae. It has been an exciting experience to be part of such an amazing venture and we look forward to continuing to gift our performances to such groups in the future.

Te Wiki o Te Reo

Our students ventured out into the contributing schools during this week to share aspects of Te Reo Maori with the younger students. They were able to lead classes in a variety of activities such as story telling, bingo, traditional Maori games and much more. It was an awesome opportunity to interact with other students in a different environment.

Community Service

We have had a goal to do more within our community and so as part of this we visited David Henry Kindergarten and performed for them. This was another great way to continue to raise the level of performance and to interact with a different age group.

Overall another successful year. We would like to wish Taina, Dillin and Tara all the best in the next chapter of their journeys. Each one of them has made significant contributions to our group and will be sorely missed when they move from School.

The Boys in Hawai'i

In September, Mr Mihaere, Dillin Blackburn, Taina Nicholas and Jayme walker headed to Hawai'i with a group of video-conferencing students.

The day had finally arrived, 25th of September. We were off to Hawai'i. With our bags packed and excitement levels high, we headed for the Auckland Airport for our flight at 11:55pm. When we arrived at the airport, we met up with our online Level 3 Te Reo Maori class. We all had dinner together, followed by a group talk and karakia for safe travels. It was time to board! We boarded the plane and prepared for our 8 hour 45 minute flight. Almost everyone on the plane was asleep, apart from us four boys from Forest View, constantly talking about our plans when we were to eventually arrive in Hawai'i.

We arrived in Hawai'i, one word...HOT!!

On our first day we ventured through Waikiki, planning out what shops and restaurants we were going to visit over our stay. We also ventured out at night time, the nightlife was incredible!!

The Friday was spent shopping all over Honolulu, especially at the famous Ala Moana Shopping Centre. On the Saturday we went to the Polynesian Culture Centre, where we were able to put on a show for the visiting tourists, by replying to the Powhiri at the Maori Village.

Monday and Tuesday was spent at Punahou High School (which U.S President Barack Obama attended) where we were billeted out. The fact that we were able to make friends in another country was awesome, and we were even able to experience what it was like to learn in the classrooms over there.

The next few days were spent looking through the remainder of Honolulu and around the Island of Oahu. The experience was amazing and we even got to swim with a turtle!!

We woke up on Thursday morning almost in tears over the fact that we were about to leave. The flight home was sad and dull.

We all enjoyed our experience in Hawai'i, it was an incredible place and we all vowed we'd be back to visit!

Tony Mihaere, Jayme, Dillin and Taina

Mikaela Pennefather also travelled abroad with her video-conferencing class

On the 23rd September, I was lucky enough to join Tauhara College's trip overseas, which took us to England, France and Spain. For 18 days, 17 of us ventured through five different cities and towns, seeing a wide range of different sites and cultures that I never thought I would see before I left school.

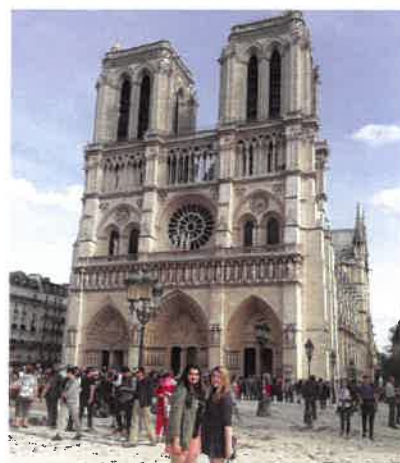

For 24 hours, we flew to our first stop in London, where we stayed for four nights - seeing and experiencing the magic of the capital city. We took the chunnel to Paris, France, the place I had only dreamed of visiting, and for four nights we saw and learnt about the famous icons - including going to the highest point of the Eiffel Tower!

Then, before we travelled to Spain, we stayed for three nights in a fortified French town. Our Hostel was actually inside the walls of a medieval castle!

After that, we travelled to San Sebastian, staying a few meters from the beach for three nights. Continuing our journey, we spent our last five nights in Spain's beautiful capital, Barcelona, seeing all the amazing sites, and shopping till our hearts content. Leaving behind all these beautiful cities was hard.

I thank Video Conferencing through FVHS, which allowed me to connect to Tauhara College to learn, first-hand, French with this amazing trip enabling me to see and experience more than I ever thought possible.

Mikaela Pennefather

Polinetia Fa'atasi

The year we have continued to represent the Pacific Islands within Forest View High School.

For the first time we joined up with our Kapa Haka group, Te Piringatahi and competed in Pasifika by Nature. Practices were long and hard as students tried their very best to learn new Polynesian cultural dances. It was great to see almost everyone try something new. For a few, this was their first time at Poly dancing.

With items from six countries, Aotearoa, Tahiti, Samoa, Tonga, Hawaii and the Cook Islands, we rallied together to perform our very best in front of a packed-out Claudelands Arena in Hamilton. The whole group was in good spirits before and after our performance which was awesome to see. The standard of competition this year was exceptionally high, and though we did not place this year, we joined in celebrating with Puna Vai Ora from Tokoroa High School who were superb!

A very proud moment for many of us was watching Year 13 student Charnelle Ahsin perform the role of the Samoan Taupou - she performed this beautifully and truly showed the growth she had made in learning more about her Samoan heritage.

This year we had Naty Oviedo from Bolivia and Lea Ulrich from Switzerland who joined a long list of AFS students who have been members of the Poly group.

This year we farewell Poly veteran - Year 13 student, Teao Takave, who has been a member of the group for five awesome years. We thank him for his dedication, enthusiasm and commitment to our group. Poly memories: Year 13 girls putting make-up on him on the Northland Tour in Ahipara in 2010, ripping his shorts right down the middle while dancing during a practice in 2013, the awkward way he sleeps...and snores, especially as guests were present in the hotel room in Hawaii in 2011, being skux on the P & O cruise, but more famously - his Tongan hula skirt falling off while dancing in PBN 2013. We will miss you Teao (Tee-ow)!

We also farewell Charnelle Ahsin (KFC girl and 4th place, hahahaha), Shank 'o le Tank' Nair and Zak Van den Berg (our Palagi Cook Islander). We hope each of you take good memories with you from being part of the group - though it was only a year, you remain part of our legacy. All the best in your future endeavours guys!

To the staff, tutors and supporters of Polinetia Fa'atasi, thank you for your ongoing support of our students. Your time and effort has not gone unnoticed - know that we cannot do this without your help. Thank you.

E komo mai 2015!

Back Row: Celline Glassie-Ginns, Alora-dhyne Craig, H'venlee-Blu Craig **3rd Row:** Belinda Liutogiatama, Kaitlyn Lesa, Teao Takave, Uma Takave, Tionee Paul, Michelle Waarea **2nd Row:** Esther Ahsin, Danni-Jane Umaki, Zak van den Berg, Kingston Tahau, Tatum-Leigh Atera, Charnelle Ahsin, Bonnie Te Miha, Ms T Natua (Teacher)

Absent: Quinton Liutogiatama, Naty Oviedo, Naydean Friday, Shank Nair, Cheyenne Uerata-Tangihaere, Brittany Waddell, Mr A Mutua (Tutor/Teacher In Charge), Ms S Potoru (Teacher), Mrs T Potoru (Teacher)

Polinetia Fa'atasi – South Pacific Cruise

On the 5th of December 2013, 45 staff, students and parents flew to Sydney Australia to begin a two week cruise aboard the Pacific Pearl cruise ship around the Pacific.

We stayed in Sydney for three days performing for communities, sightseeing and shopping before sailing. We visited many well known Sydney attractions including the Opera House, Bondi Beach, Sydney Harbour Bridge, Paddys Market, the Canterbury Bulldogs and Manly Sea Eagles home turf.

The P&O cruise ship Pacific Pearl was stunningly huge! It was a floating community, complete with restaurants, entertainment, leisure and great company. We quickly made a name for ourselves and became almost like celebrities. We met and became great friends with people from all around the world and from all walks of life. With so many things to do on-board, you could not get bored. We did it all – tried our hands at karaoke, bingo, horse racing, movies, gym, spas, scrabble, quizzes, Xbox, swimming and dining – “All you can eat” restaurants...dangerous.

Noumea: For many of these students, this was their first time on an island. Noumea was beautiful and HOT and not as simple as we thought it would be – quite commercialised, but still beautiful. Using Polynesian francs and speaking French was all part of the experience. We toured the island, and mocked the tour guides ‘dry’ jokes. We stopped at a coastal area called Lemon Bay where we swam in ‘island’ waters. There was a pontoon in the middle of the lagoon, which we owned lol and bombed for gold into the beautiful warm water. Out of the blue, we could hear the booming sounds of Swiss’ ‘If tomorrow never comes’ echoing through the bay as the kids ‘chehooooooooed’ dancing in the lagoon and dancing on the pontoon. The students were not used to seeing women with hairy armpits!

Lifou Island: Very much like Aitutaki, but the lagoon not as clear as Aitutaki’s. We met turtles here and got our buzzes to see and swim with them, some of the boys even swimming on the back of them. However, this island also had SEA SNAKES! Ewww man did we scream whenever someone yelled out “Sea-snake” or in the Kanack language “Valalaa”...they were black and white! ewwww yuck and really scary – even though they don’t bite, just the thought of a snake sends shivers down the spine!

On this lovely island we had hats woven for us from out of the coconut fronds, for our uniform that evening at our island night show. The mama who we befriended was awesome; she had pretty good English too, even giving Ms Natua the chop!

Mama: “The Aitutaki ladies learn me to make the hat!”

Ms Natua: “Oh they teach you!”

Mama: “No, they learn me!”

Us: “bwahahahahahahahahahaha”

Island Nite Show: We were the main show for the evening, Deck 12, water front. Packed to the rafters, not one empty spot, big stage, bright lights, adrenalin rush hearing the crowd yelling for us, TOP PERFORMANCE, a night we will never forget. Excellent reviews from all passengers and crew, even the Captain of the ship came to watch us perform, as well as all the execs of the cruise ship. It was an amazing feeling.

Due to popular demand, we were asked to perform a second time during the sail away party leaving Isle of Pines.

Our final evening – the Captain, execs, and entertainment crew held a cocktail event for us to thank us for our performances. They had gifts for every member of the group, complete with a DVD and group photo of our performances, P & O t-shirt and lanyard. It was too awesome, we appreciated, that they appreciated us that much.

Another trip of a life time, we must thank the parents, families and friends and all who supported us in preparing for this trip. Thank you for believing in the vision we have in aspiring these young people to be great, and to do great things.

Thank you for the memories.

AFS at Forest View 2014

AFS has had a busy year this year. We have hosted Tony from Greenland here for the year, Naty from Bolivia and Lea from Switzerland who came in January and returned home in July, Rose from Spain and Veronica from Italy who came for 10 weeks.

All these students have been wonderful ambassadors for their countries. All have been fully involved in the life of the school and made FVHS friends who miss them. At the same time Caleb Stevens has been spending his AFS year in Denmark.

Caleb Stevens in Denmark

I was awarded the Galatti scholarship which was attached to the International Volunteer Award given to Mrs Sommerville. This helped me towards experiencing this once in a lifetime opportunity. When I was in the airport in New Zealand, I was both nervous and excited. Even after the 24-hour journey, I was still excited. When I finally arrived in Denmark, it was snowing which was amazing because I have only ever seen snow on mountains before. I realized then I had to live in these freezing temperatures.

The arrival camp was fun as I was able to meet many people from many different countries and experience Danish culture for the first time. We tried a lot of traditional Danish foods which I love. The day I arrived it was my birthday and my host family had a traditional Danish cake waiting for me which was great and definitely an icebreaker. Dinner time is always my favorite part of the day. Dinners in Denmark are about ten times better than in New Zealand (sorry mum). I live out on a farm.

My school is a business school and looks just like a University, which made me a little bit uncomfortable. It is a lot different to Forest View and I was not sure how well I would fit in the classes. I was also a little scared that it might be hard to make Danish friends, as I could not really speak any Danish. But, I have made good relationships with the kids in my class.

I have been on a class trip to Belgium which was a wonderful experience. I also went with my family on a holiday to the Czech Republic. It was a 10-hour drive in the car and we passed through Germany on the way. We visited Austria, Hungary, and Slovakia as well. This was exciting for me, as I love to visit new countries.

My parents from New Zealand came to visit on the weekend just for 2 days as they are travelling around Europe. It was great for me that they could meet my family. We hired a car for 1 day and travelled to a town where my mother's great grandfather was born many years ago. We saw the house where he was born and lived in for 2 years before his parents decided to move to New Zealand.

Time has gone so fast, I cannot believe that I only have 3 months left. Winter is approaching again and I think I have already seen enough snow to last me. Waiting in the snow every day for the bus is not exciting. In New Zealand, I was

quite shy when first meeting new people. Now it is quite the opposite, I have met many new people whilst being on exchange and made many friends. I am still enjoying my exchange as much as before, if not more. I can understand most of what people say when they speak Danish to me and I am starting to speak a little. I will admit that I have had problems learning the language but my goal is to speak the language as well as I can. I am so glad I went on an exchange with AFS and I am so grateful for the help you have given me to experience it.

Hello. My name is Tony M. Hansen.

I have been studying in FVHS for the whole year, as an exchange student from AFS. I was born and raised in Greenland, and have lived there for the most parts of my life. I finished school two years ago and I'm now going to a Gymnasium (a step before Uni) on my first year of three.

Since I was little, I've always wanted to go out and explore the world and go as far from home as I can. I have succeeded in achieving that dream by going to New Zealand, which is exactly in the other side of the globe from where I live. I arrived in New Zealand on the 31st of January, from a cold winter in Denmark to a hot summer day in NZ. Seeing the land with my own eyes was way different than what you see on TV. So my expectations were almost the whole opposite of how it turned out to be. It was better. The first month, while getting to know the country it was a bit hard. Not having English as your first or second language was tough. The accent was the hardest to get to know but that started to change slowly as time passed. I am still learning a lot of stuff even now from the strong NZ slang English.

My school back home has around 450 student from age 16 up to 35. We get to choose one main subject that has seven small subjects. We have that for the whole year until we get to choose a new path in the 2nd year. Since it's a school for any age group, smoking is allowed as long as you are seven metres away from the school grounds. We have a place inside to eat lunch, which has a tuck shop where you can buy things to eat and drink. Our timetables can change daily, depending on the teachers.

FVHS Has giving me the opportunity to do something really like. I was in the school's First XI football (soccer) team, where I got to win the division and a 5 a-side tournament. It was nice to share some experience from my own home country. I was also in the school production "Grease" with two roles, where I was acting and singing. It was a cool experience to act in English for the first time.

I don't have anything else to say other than thank you very much for giving me an opportunity to have a great year, not only in FVHS, but in the whole of NZ. Thank you also to my family as I couldn't have come without them. The year is added on to my great memory list already.

Ka kite.

Rose Ortega Sepulchre, Tony Hansen, Sasha Te Whare, Mrs R Sommerville (Teacher)

Kurayoshi Agricultural High School Cultural Exchange

On Saturday 19 July three Japanese students arrived at Auckland Airport with their teacher Ms Tanishige, after a long journey from Kurayoshi Agricultural High School.

There were two girls, Sumire Akamatsu and Saya Fusayasu along with Ren Yamawaki the only boy. They were very excited as they had been looking forward to this opportunity for so long.

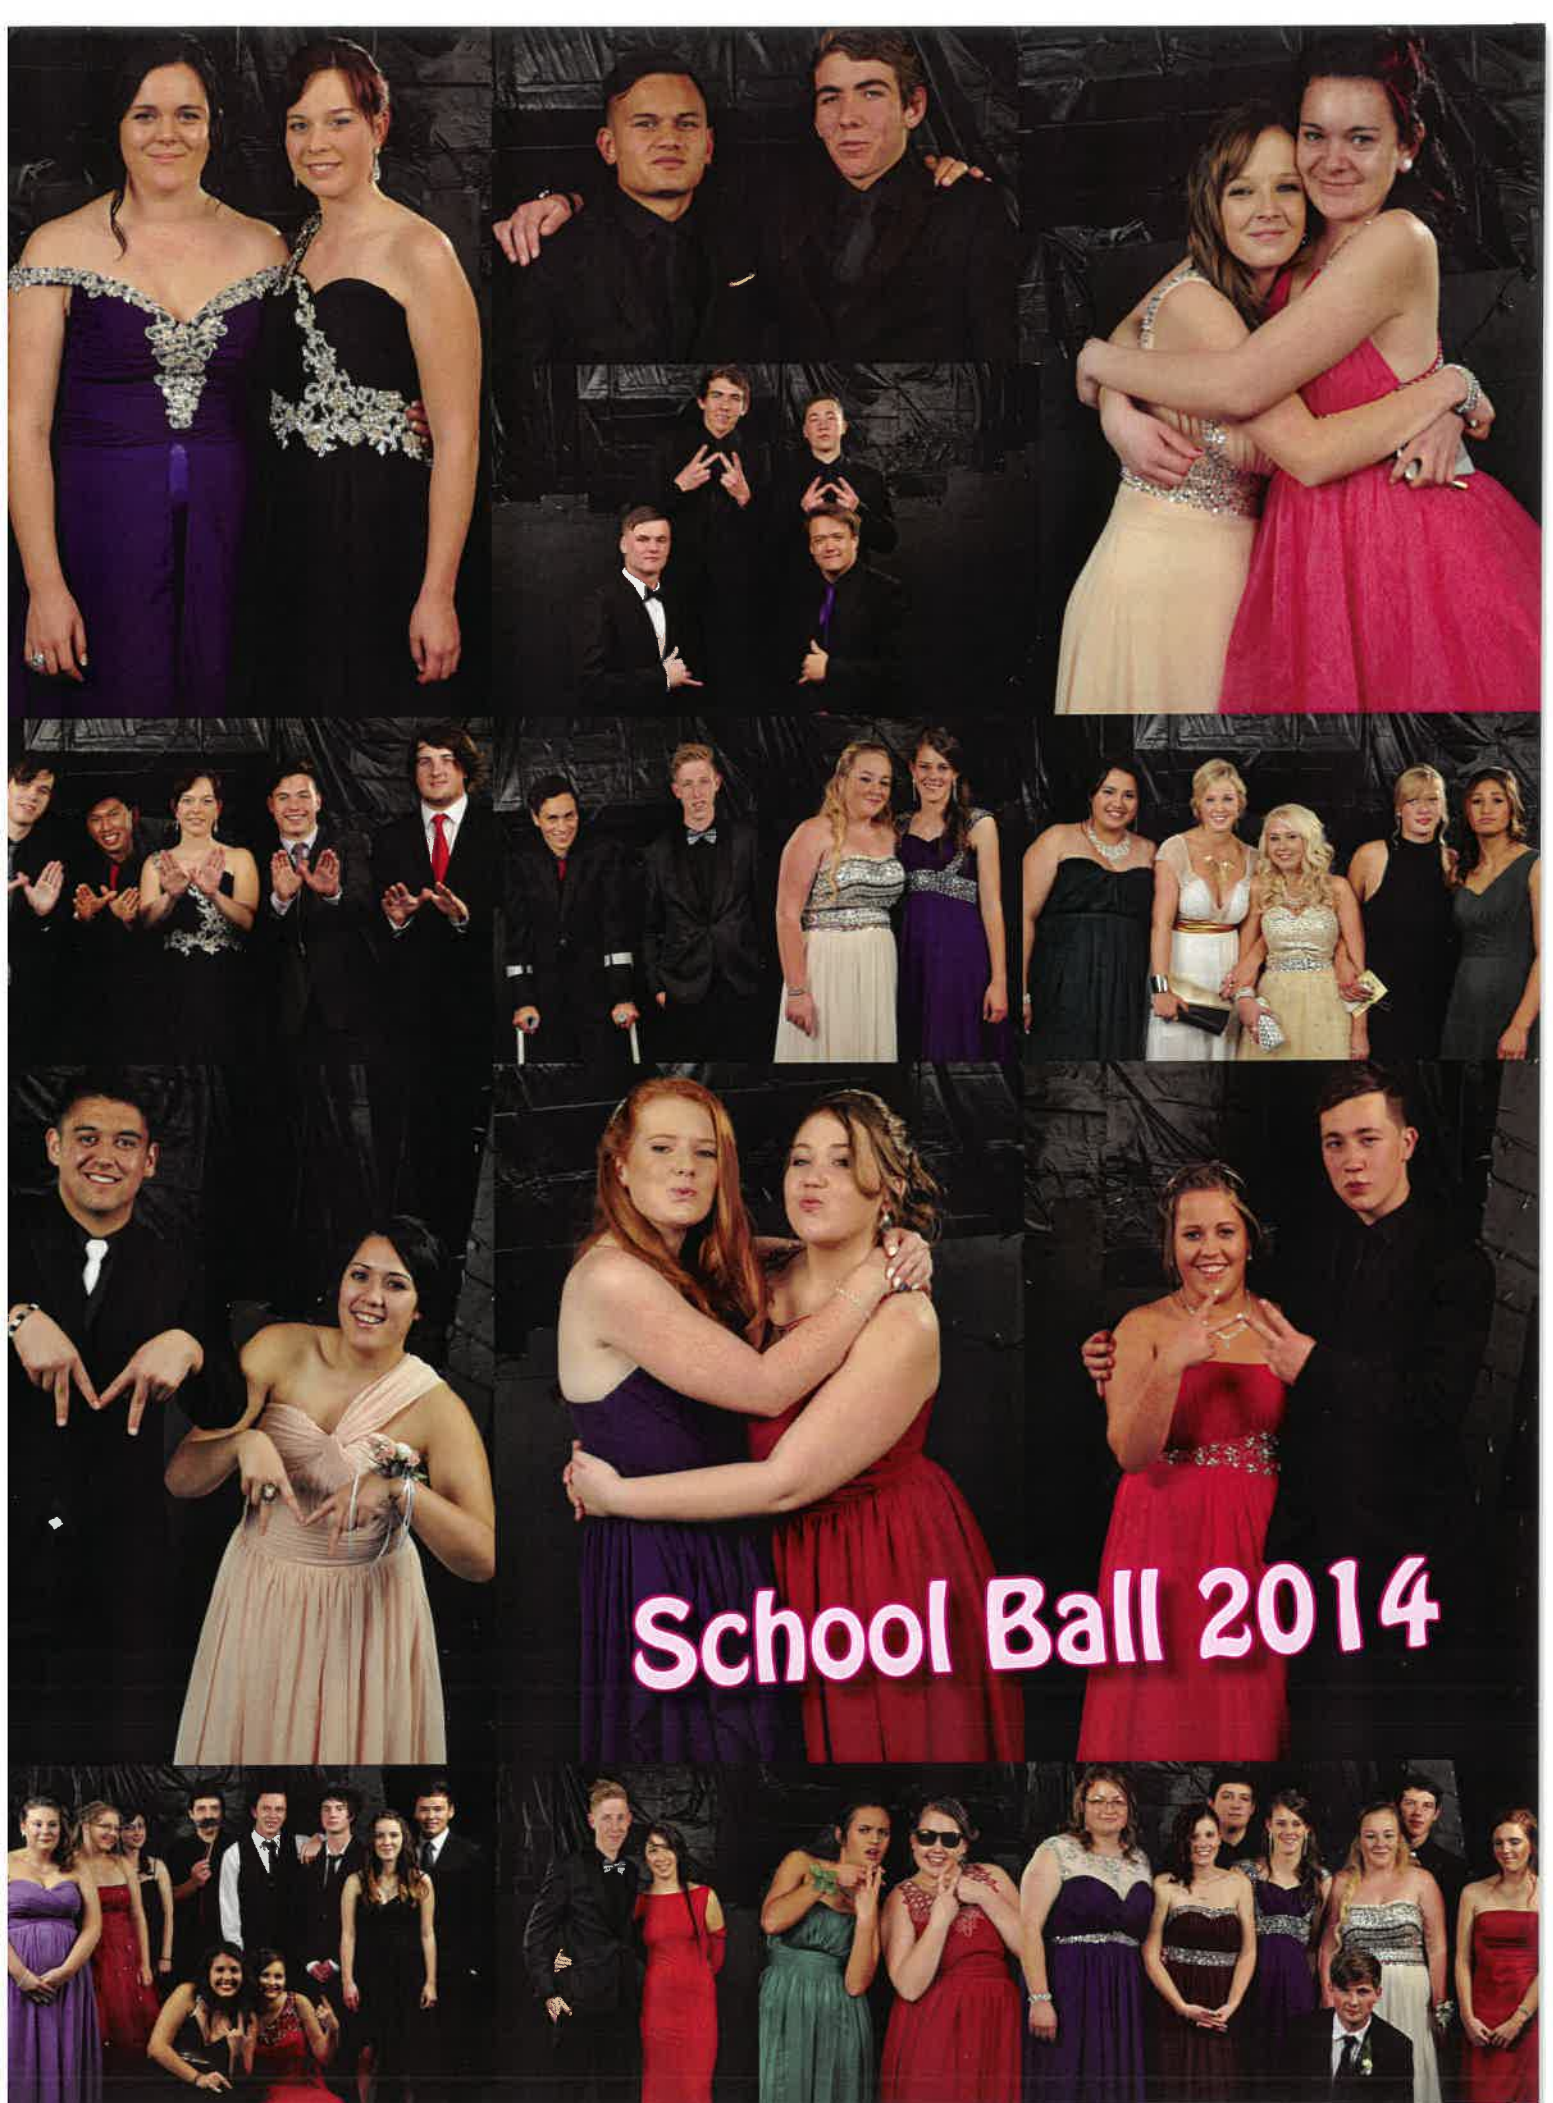

They were met in Auckland by Mrs Sommerville and started their new experience by visiting Butterfly Creek. During the drive to Tokoroa there was lots of photo taking out the windows, especially of the farm animals they could see. On arrival in Tokoroa they were taken to their Host Families for the next two weeks. Language challenges began but a smile went a long way.

At Forest View the students experienced a range of subjects and got to mix with our students which they really enjoyed. They spoke in Assembly which was a very nerve-wracking experience, visited the Mayor and exchanged gifts, took photos of the sheep and dog in Tirau and went to Fairy Springs in Rotorua with their families. They visited Kiwifruit Country near Te Puke and loved the Kiwifruit, after which they loved having sushi for lunch. They walked around Mount Maunganui (including one of the girls in high platform shoes!!) and had a delicious (their word) ice-cream on the beach. Individually there was the opportunity to milk cows, go fishing, go to Disney on Ice, watch the dress rehearsal of 'Grease' and watch range of sports.

This exchange with Kurayoshi has been going for over 20 years and the chance for our students to visit a unique school in Japan will be offered again later this year. We really enjoyed having these three happy, young students stay and be part of Forest View. Their MANY photos will tell their story and they will have great memories for the future. A special thanks to our Host Families. Being willing to open your homes has made this experience for the students and their teacher possible. Without you this could not happen.

Raylene Sommerville, Kurayoshi Exchange Co-ordinator

KiwiSport Community Leadership Award

Last year we started this programme at FVHS but this year we promoted it more widely and got excellent results.

At Sports Prize-giving, 14 FV students were awarded with their KCLA certificates.

In the three years that this programme has been running throughout the Waikato 60 students across the whole of the Waikato have gained this award and we managed 14 in one year so we are very proud and excited by this success.

To gain this award students volunteer their time to coach, manage, organise and referee sports activities and must record at least 45 volunteer hours. They must also attend two Leadership Development workshops.

We have six Year 9 students who have already logged hours and started on their awards.

Special mention needs to be made of Simon Lemme who volunteered over 100 hours this year and of Kaitlyn Brooks, who does not play sport but spent a lot of volunteer hours organising the local schools top town event and catering for sports events.

There is a lot of interest in the Award for next year and the people in charge at WILSS are planning on developing a higher award for our students to move onto in 2015.

Athletics

School Athletics day was celebrated with the usual sea of lake colours covering the fields. The trophy was won by Arapuni.

From the school day, a strong team was selected to compete at Mid-Islands Athletics. The following students did exceptionally well at the event.

- Cameron Hoskins** - 3rd 300m
- Raelene Loye** - 1st High Jump
- Paige Cuff** - 1st Long Jump
- Rae Totoro** - 2nd Discus
- Chanya-Rose Ruka** - 3rd Javelin
- Intermediate Girls - 4 x 100m Relay Team (**Paige Cuff**, **Anisha Te Hiko**, **Tahlia Joyce**, **Raelene Loye**) 2nd
- Eugene Whetu** - 3rd 3000m
- Bonnie Te Miha** - 2nd 200m, 2nd Triple Jump
- Danni-Jane Umaki** - 3rd High Jump
- Tayla Jenkins** - 2nd Discus
- Bryce McMullen** - 3rd High Jump

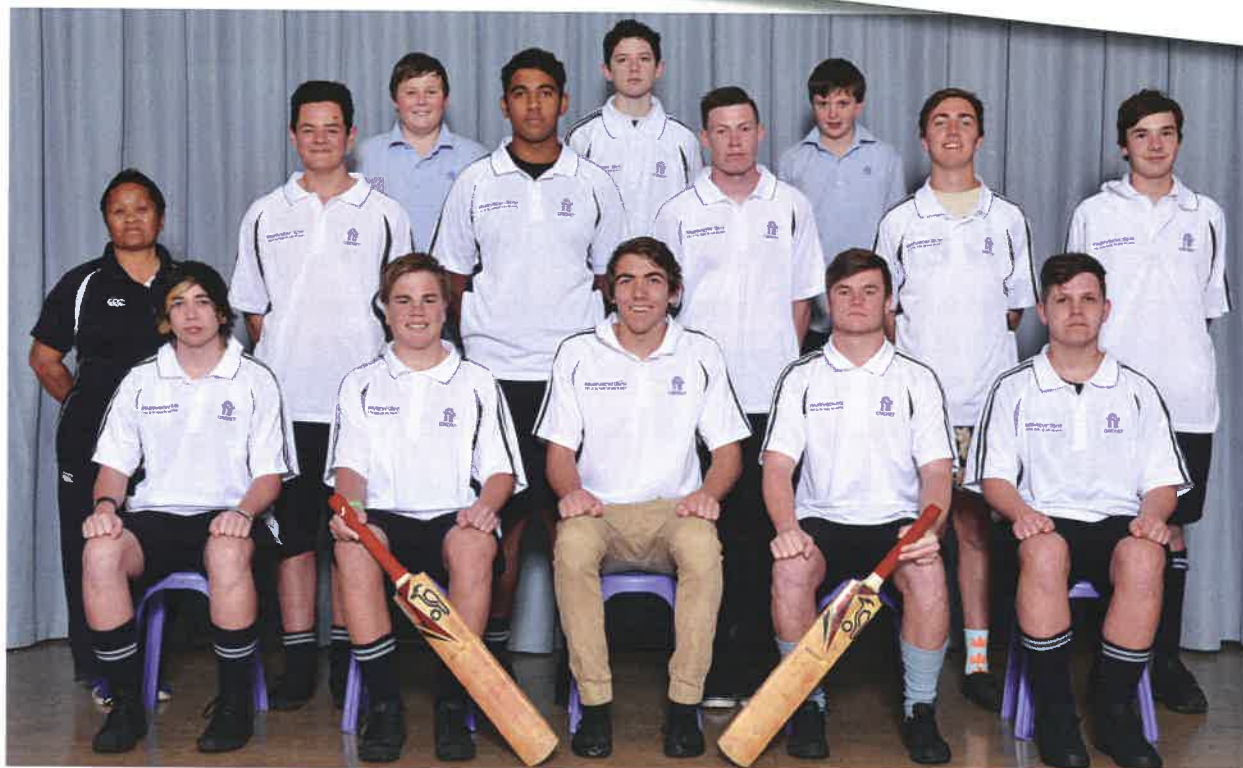

Back Row: Jack King, Erik Pu **3rd Row:** Pania Allen, Lauren Hoskins, Angel Ward, Phoenix Mankelow, Paige Cuff, Anthony Foy, Stephanie Vaipo **2nd Row:** Mrs Iwi Bennion (Manager), Cameron Hoskins, John Gavin Whetu, Jahmin Kawhena, Matthew Bullock, Jayme Walker, Kaydain Kawhena
Front Row: Anisha Te Hiko, Tayla Jenkins, Taina Nicholas, Bryce McMullen, Western Wilson, Leonie Nugroho, Patricia Steiner

Cricket

Despite having only one Gillette Cup game against Cambridge High School in February, the 1st XI boys team had a good season. They were the only South Waikato Secondary School to enter a boys team into the competition.

Under coach Grant Hall the team played Otorohanga College twice as warm-up games for the Gillette Cup. Grant brings a lot of experience, knowledge and passion to the game of cricket and the boys thrived under his coaching skills.

A number of our junior boys headed to Rotorua every Saturday to play in the local competition there. Congratulations to Hayden Downes who was selected for the BOP Lakelands Junior Secondary Schools representative team.

Back Row: Cory Gurr, Nicholas Shewry, Jack King

2nd Row: Mrs I Bennion (Manager), Ben Garnett, Morehu Pahuru, Zak van den Berg, Connor Wood, Keegan Hall

Front Row: Hayden Downes, Flynn Jones, Bryce McMullen, Matthew Bullock, Connor Evans

Absent: Grant Hall (Coach), Joseph Cathie, Corey Chesterman

Hockey Mixed

This year's Mixed Hockey team had a great season. With a mixed team filled with mostly first year players, the team did well. After a few trainings everyone had the basics unpacked and we were ready for our season to start.

Meeting every Thursday at the Information Centre with just enough players to play, sometimes with no subs, we were ready to travel to Rotorua or Taupo. The first game was filled with nerves but we played really well and the nerves went away. After that, everyone was keen to play every Thursday.

Throughout the season the team got better and better, everyone was bonding and we all got along and acted like a team. Even though we didn't get the end result we wanted, the team should be proud of how far we got.

The team would like to thank all the parents and supporters throughout the season especially Mrs Bennion, Mrs Hughes and Shirley Brown who were our number one supporters and also helped drive the van every week.

To the team, thank you for your commitment and positive attitude throughout the season. We wish you the best for your future endeavours with hockey!!

Back Row: Aaron Marsh, Matthew Beban, Sopheacha Chea, Jaylene Thoms

2nd Row: Mrs I Bennion (Manager), Bradley West, Luther Murray, Matthew Bullock, Nicholas Shewry, Kristyn Rayner

Front Row: Leslie Park, Ethan Morris-Stevens, (Captain/Coach), Simon Lemme, Rebecca Muir, (Captain/Coach), Chanya-Rose Ruka

Mixed Touch

The team met back in October 2013 & set the goal of making it to Nationals in 2014 and we have been working hard since. We played in the Putaruru module every Friday afternoon, entered into the Tatou Tatou tournament and also played in the annual Whakatane tournament at the beginning of the year.

Due to work commitments our coach had to pull out from taking us and for a while it was our senior students coaching the team. Three weeks before Regionals we were fortunate to get Chanelle Makere-Rata as our coach and the team thrived under her coaching skills & direction.

Waikato Regionals in Hamilton was our first step - there were 12 Mixed teams and we had to make top 3. We came through our pool second on points differential, but lost to Te Awamutu so had to play Tok High for third and fourth. It was a thrilling game and FV were the better team on the day.

Zones two weeks later was the next step and it was a day of highs and lows. A large group of parents & supporters turned up and lived through an emotional and draining day. We were

pleased to beat St Peters, who have been to Nationals every year and had won the Waikato Regionals, but at the end of the day it was down to FV & Tok High for third and fourth. This time they proved to be the better team.

We were devastated but a quick talk with Pam Hyde from Touch NZ changed everything. She had been watching us all day & thought we were a strong team who deserved to go to the Nationals, so offered us the wild card.

The feeling amongst the team and families was crazy, there was cheering, laughing, players were speechless and there were a few tears. We are now well into our fundraising, but still have a fair way to go.

As a team we would like to thank all our family and supporters for helping and supporting us the whole way. To our coach Chanelle you have taught us so much and without that our goal wouldn't have been reached and we are all so grateful for what you have done for us. Lately we would like to say a big thank you to Mrs Bennion and Mrs Hein, the work you have done for us is massive.

Ryan & Mrs B

Back Row: Paige Cuff, O'Neil Zammit, Uma Takave, Danni-Jane Umaki, Bonnie Te Miha, Teao Takave
2nd Row: Mrs I Bennion (Manager), Quinzel Cody, Matthew Bullock, Zak van den Berg, Bryce McMullen, Karly Karauna, Kobe Costar, Denise Hein (Manager)
Front Row: Ella Livingston, Shavaughan Uerata, Ryan Livingston, Paige McCloskey, Anisha Te Hiko
Absent: Chanelle Makene-Rata (Coach)

Ki-O-Rahi

This year saw the introduction of Ki-o-Rahi in school. We started the year by entering two teams in the Waikato Ki-o-Rahi Regional tournament.

Our two teams were made up of students from year 9 – 13 and despite no practice time beforehand both teams played well and we had several wins. As part of our involvement in this tournament and a lot of support from KC Maaka we were invited to be involved in Raukawa Nga Taonga Takaro Leadership Programme 2014. This programme builds leaders to help build and eventually lead Ki-o-Rahi in our school. Jahkay Roberts, Leevon Uili and Kobe Costar were selected to be involved in this programme. The programme started off with a two day Wananga in August based at Ngatira Marae. In September a module between Tokoroa High School and our school was held. We had hoped to play over two Friday afternoons however, the weather had other plan, only one game was played. In November we have another regional tournament for year 9 and 10 students before we end the year. We have recruited a new coach, our very own and talented Ms Hullings so we hope to get in a few more practices! Ki-o-Rahi is very new to Forest View and we are excited to have it and look forward to it growing and developing as a sport within our school.

Melanie Tatham TIC Ki-o-Rahi

Waitara Sports Exchange

Forest View High School hosted their annual Sports Exchange with Waitara High School from Taranaki on June 29 & 30th. Very few schools still have overnight sports exchanges but it is always a highlight of our sporting calendar.

Over 70 students from each school were involved in the exchange that started with a warm but challenging powhiri on the Sunday. With just two days it was straight into the games and Hockey, Boys Football and Girls & Boys Basketball were played on the Sunday.

Unfortunately the weather packed in on the Monday as the Girls Football, the A Netball and the 1st XV rugby games were being played. The loud and challenging haka performed by both 1st XVs showed the passion and the spirit of the exchange & a close and exciting game followed.

FV won all games except the Netball which was a 16 all draw.

A big thanks to our FV community who billeted all of our guests and supported the exchange. It couldn't have happened without you and we are extremely grateful.

Players of the day for FV as chosen by Waitara High School were:

Hockey – **Ethan Morris-Stevens**; Boys Basketball – **Campbell Evans**; Girls Basketball and Netball – **Danni-Jane Umaki**; Boys Football – **Trevor Hill**; Girls Football – **Sarah Coffin**; Rugby – **Karly Karauna**.

Basketball

This year we have had both the Junior and Senior Boys teams play in the Rotorua competition.

The Senior Boys came 4th and the junior boys were given a participation certificate.

The Senior Girls team played in the Cambridge and came 4th. They just missed out on the finals by a points differential.

The Sports committee would like to thank all the coaches - Mark Ahsin, Atalia Cook and Mike Earnshaw and the parents and friends who travelled and supported the teams during the year. Hope to see you all next year.

Back Row: Michael Earnshaw, Tamihana Wilson, Zak van den Berg, Mrs Jess Earnshaw (Coach)

Front Row: Campbell Evans, Bryce McMullen, Isaac Tiro

Absent: Robert Cuff, Robert Farrar, Jon-Paul Jackson

Senior Girls Basketball

Back Row: Shavaughan Uerata

2nd Row: Mark Ahsin (Coach), Danni-Jane Umaki, Esther Ahsin, Mrs Jess Earnshaw (Coach)

Front Row: Bonnie Te Miha, H'venlee-Blu Craig, Charnelle Ahsin, Tatum-Leigh Atera, Jahnesta Manu-Griffin

Junior Boys Basketball

Back Row: Michael Earnshaw, Pererika Hemara-Emery, Josh Robinson, (Captain), Mrs Jess Earnshaw (Coach)

Front Row: Kaydain Kawhena, Tyson Stothers, Sam McLean

Absent: Jayden Wirihana

Football

Junior Boys

Highlights for the Junior Boys Football team in 2014 were beating both the HBHS team and Te Awamutu, in our league and the exciting 5-5 draw we had with a very good Thames High School team.

Our important players were Jason, Leslie, Anthony and Harte. We would like to thank the parents, who each week turned up to help the team with organisation and transport each week during the season.

Girls Football

For the 2014 soccer season we competed in the Waikato Secondary Schools 2nd Division and managed to finish in the top 3. Our team also scored the most goals in the division! This was a great achievement as the competition was very tough and we had a lot of new players join the team. In the team we have five players (Grace, Leonie, Rachel, Paige and Raelene) who are in the Tokoroa Woman's team who are currently coming 2nd in the Waikato B Division.

From the 1st-5th of September the 1st XI girls football team competed against some of the top teams in the North Island in the Maurice Hulme Tournament, held at the Rotorua

International Stadium. We finished 15th out of 24 teams in what was a great week of football.

Grace Coffin was outstanding as striker and was able to score four goals throughout the tournament. Rachel Durie, Chanya-Rose Ruka, Raelene Loye and Jean Morris were solid in defence and kept the other team's goals to a minimum.

The girls all enjoyed the week, both on and off the field. It was the first and last tournament for many of the girls as they will be leaving school at the end of this year, so it was a great opportunity to bond as a team and be able to enjoy some of their last moments of soccer together.

A special thanks to Chris Teague for coaching, Iwi Bennion for her continual support, Vision Church for the use of their van, all the parents, friends and family who supported us throughout the season.

Thank you to the 1st XI girls Leonie Nugroho, Rachel Durie, Maddi Mcmeekin, Rebecca Muir, Shevonne Evans, Stacey Karepa, Paige McCloskey, Sharna Loye, Raelene Loye, Jean Morris, Chanya-Rose Ruka, Sarah Coffin, Christina Perceval and Grace Coffin.

Mr. Nair

Junior Boys Football

Football

Boys 1st XI Football, WSSFA Division 4 Winners, 2014.

For the last four games of the season FVHS Boys 1st XI were equal on points to Hillcrest 2nd XI, at the top of the WSSFA Division 4 competition, after the teams had drawn 1-1 at Mossop Road.

Going into the last round of games, it was only Hillcrest's superior goal difference keeping them in top place, and they drew against HBHS Platinum in the game before Forest's last game, against HBHS Bronze on the same pitch later that morning. Forest had beaten HBHS Platinum 7-0 the previous weekend, so the unexpected 2-2 draw between Hillcrest and the HBHS team gave our team the chance to win the league outright by beating HBHS Bronze, a team that had only conceded ten goals all season in the league.

Forest started the game with great confidence, with wave after wave of attacks, which resulted in Tamihana Wilson scoring in the first half; 1-0 at half-time. The second half saw HBHS try to retaliate, but the excellent Forest defence prevented a single shot at the Forest goal and, when the chances came, Lloyd Clarke scored the sort of goal he has promised all year, and the win was sealed when Trevor Hill went round the goalkeeper to score into an empty goal, 3-0. The team celebrations began.

Losing only once away to Hillcrest 2nd XI, we had won the Waikato Secondary Schools Div 4 by two points over

Hillcrest. A senior boys team from FVHS has never won a league; the best previous result was runners up in 2010 in Division 3.

We scored 37 goals in the league, conceding 10. In the last four games we scored 17 goals, conceding only two. The boys received the trophy at the assembly at the start of Term 4.

Boys First XI 5-a-side Report.

On the 13th September 2014, the Forest View High School First XI Football Team entered two teams to compete at the annual WSSFA Five-A- Side Tournament.

Team 1 was the "Steen Rollers" - Connor Wood, Dylan Rouse-Carpenter, Jade Trickey, Kevin Fan, Ranui Wilson, Simon Lemme, Tamihana Wilson and Western Wilson. The other team was "Xbox 1" - Amos Wilson, Isaac Wilson Lloyd Clarke, Sumeet Lal, Tony Hansen and Trevor Hill.

Our day started with an early rise to meet at BP Petrol Station by half 6. The vibes were high as all of the boys were excited. Once we arrived and settled in, it was time to switch on our game faces. After a day of grueling match-ups and heart stopping near misses, both teams came out on top of their divisions. We were both champions, which showed that our team was full of talent. We all had a very long and satisfying day of football that resulted in a great outcome. I'm sure those of us who will play next year are looking forward to going back and winning again!

Senior Boys Football

Back Row: Cody Taylor, Narinder Singh, Isaac Wilson, Matthew Beban

2nd Row: Simon Lemme, Dylan Rouse-Carpenter, Jade Trickey, Amos Wilson, Tony Hansen, Sumeet Lal

Front Row: Kevin Fan, Tamihana Wilson, Western Wilson, Trevor Hill, Lloyd Clarke

Absent: Mark Bannister (Coach)

Netball

Open A Netball

It was always going to be a tough year for the girls involved in the FVHS Open A Netball Team, after the departure of key senior members last year - a developmental year and a chance for younger players to come through the ranks and develop their skills under the guidance of some very talented and supportive existing team members. The new look team worked extremely hard to gel in the season and although we had variable results, the team who went away to tournament was testament to hard work and dedication.

Despite some major injury concerns during the season, the girls overcame the barriers and worked hard in the lead up to the UNISS Tournament held in Waitakare, Auckland. Unfortunately Miss Olsen was unable to attend, but the girls were fortunate enough to have the expertise and guidance of Mrs McGovern and Miss Potoru to help them in the lead up and during the week.

The girls fought hard through a tough draw during the tournament and came out with some great experience for all players – finishing well in the middle of the toughly contested grade, an excellent feat for such a young team. Things are looking promising for next season with most of the team returning; it will be an exciting year for those involved.

Huge thanks must go to all the supporters, parents, whanau and staff who have been there for the girls this season. A big thank you and goodbye to our vice-captain and departing Year 13, Moana Totoro, who has made a huge contribution to the team over the past few years - her determination, motivation and wicked sense of humour will definitely be missed. We wish her all the very best.

Mrs Emily Olsen-Walker (Coach)

From the Captain

We had a great year in the FVHS Open A team. Our season started with some intense fitness with Mrs McGovern, running on the road before trials. We had trials in blistering heat and the teachers had difficulty choosing the teams. Mrs Olsen-Walker worked hard with our skills to get us ready for the Tokoroa Indoor Netball Tournament, followed by the Tokoroa Netball Centre Sponsorship and Championship rounds.

We had a hectic time fundraising for UNISS - a cake stall, 'fast five' netball tournament, car clean, lotto, sausage sizzle and selling gifts for ball dates. We were so thankful for the brilliant accommodation our teachers arranged for us - it was flash compared to the backpackers we stayed at last year. We all got closer and had an amazing time.

We gave each other funny nick names to go on our t-shirts:

Deej – Bossaay; **Monz** – Harty B; **Bonnie** – Sooty;
Vaughan – Juicy; **Cam** – Cutey; **Ella** – Minnie;
Hvee's – Shawty; **Tah J** – Teenie; **Tah W** – Biggie;
Anisha – Flashy; **Paige** – Phatty; **Taty** – Feisty

This season was awesome and we made so much progress for next year; we will be keeping up our fitness over the break. Sadly we had to say bye to the vice-captain of the team and would like wish her the best for the future, love you Monz!

From all the girls we would like to give a HUGE thank you to Mrs Olsen-Walker, Mrs McGovern and Ms Potoru for everything, and to all our families, teachers and supporters.

Danni Jane Umaki (Captain)

Open B Netball

As captains of the Open B netball team, we would just like to say a huge thank you to the girls who put in the time and effort to help keep the team going. We had a variable season with a few challenges but we still pulled through and kept playing until the end.

We would like to thank all the coaches we had over the season: Mrs McGovern, Miss Johansson, Bonnie Watarawi and Marie Winikerei. We really appreciate all of the hard work you have done for us.

Sohhie Goodhue and Zoe Ramage

U15 Netball

The Netball season for 2014 has been a hard one for the girls in the U15 Netball Team. We have had to play hard in every game, not always winning but being determined to walk off the court knowing we had tried our hardest. All of the girls improved tremendously this season in their ball skills, fitness, flexibility (playing different positions) and working as a team.

During the season many of the girls had lots of things that they wanted to do but had to miss out, on due to being so committed to the team. This showed the loyalty and responsibility the girls felt for each other. Earlier this year our captain, Lauren Hoskins, unfortunately broke her arm and our team lost one of its strongest assets – however, Lauren still came to trainings even with her arm in a cast!

Even though we had a lot of ups and downs, everyone enjoyed playing Netball this year. Thanks to Lauren H, Kaitlyn L, Michelle W, Sarah L, Bethany E, Harriette M, Tineal W, Lakyn W and Kristyn R for training each week and playing your best each Saturday.

Special thanks to Ms Potoru and Karin Te Wake for teaching us so many new skills and making this all possible. Thanks also to Mrs McGovern for your support throughout the season. We truly appreciate everyone's help.

Thanks again – see you next season

Lauren Hoskins and Lakyn Wehipihana
(Captains U15 Netball Team)

Senior A Netball

Rugby

Under 14 Rugby 2014

With many players not playing a lot of rugby before this year, it was a very inexperienced squad that started the season. Despite losing most of the games, the team made huge strides developing skills and a better understanding of game play. The worst part of the season was using the grey van and having a breakdown!

Many thanks goes to coaches, Darin Costar, Mike Whetu and Ian Ferguson for their patience and commitment when working with the team. Thank you to the many parents who supported the team.

With further experience, more fitness and skill development this team could be the basis of an excellent First XV - keep at it.

1st XV

At the start of the season we went to Mt Maunganui for our 3 day pre-season camp. We jelled really well as a lot of us had played in the team last year.

Our goal this year was to make it into Division 1. In grading

we fell short, losing two of our grading games by less than a try. This put us in 2nd Division. Despite feeling a bit disappointed, we had an excellent season and made it through to the finals.

Again we just fell short by a try and even though we were devastated because of all the hard work we put in, we were proud we did well.

Looking over this season we were all happy with our improvements as individuals, and as a team, because we came from 3rd Division to making the final of Division 2.

On behalf of all the players we would like to give a huge thanks to coaches Tony Mihaere & Marc Lelievre, our managers, families and supporters.

Good luck to the team for 2015.

Representative Players
